Allison Stocker, Senior Planner, Planning Department, presented the Ordinance and including certain property into the boundaries of the Interquest North Business Improvement District (BID). She provided an overview of the background, summary of inclusions, location, existing boundaries, proposed inclusions, and next steps.

Councilmember Donelson asked who will own this piece of property. Nicole Peykov, representing the applicant, stated it is currently owned and will continue to be owned by DDJ #9, a Limited Liability Corporation (LLC).

Councilmember Donelson requested that the questions raised by a member of the public be provided in a written response. Anna Peykov, Spencer Fane, representing the applicant, agreed to provide that information.

Citizen Tim Leonard and Lawrence Clark spoke in opposition to proposed inclusion.

President Helms asked why the bonds are not being paid off. Mr. Leonard stated it is because they were just refinanced and there is now \$4 million in future interest.

President Helms asked if David Jenkins, Nor'Wood Development Group, the owner of the property to be excluded, will benefit from this proposed exclusion. Mr. Leonard stated the owner has not disclosed the amount, but there has been \$4.1 million proposed in capital improvement.

President Helms asked what the risk to the City will be. Mr. Leonard stated there is no risk to the City.

Councilmember Leinweber asked Mr. Leonard who he is representing. Mr. Leonard stated he represents an aggrieved property owner in the district. Councilmember Leinweber stated many of businesses will benefit from the improvements being made.

Councilmember Leinweber asked how a citizen or business would get representation at the district board. Kevin Walker, Director, Planning Department, explained City Council's responsibility/authority in relation to the district's board.

Councilmember Henjum asked if there is anything illegal that the district board is asking City Council to do today. Mr. Walker stated there is not, the district is following the requirements of the Service Plan and state statute.

Councilmember Henjum asked how a member of the district could become part of district board. Mr. Walker stated they would need to meet the statutory requirement of being an elector in that district.

President Pro Tem Crow-Iverson stated a majority of the City's Sales and Use tax comes from this development and it is always well maintained so there is a benefit to having this district in the City.

Councilmember Donelson stated City Council has responsibility for inclusions, so it is important to hear any information concerning it.

Ms. Peykov stated the Interquest North BID was formed to construct, finance, operate, and maintain the public improvements which service this project, and the petitioner is asking for approximately five acres to be brought into the district to facilitate the development which will lead to the benefit of additional property tax and sales tax revenue. She provided an overview of the background of this proposed inclusion and stated she

believes it would lead to further successful development.

President Helms asked what the impact would be if this parcel was not included. Ms. Peykov stated there would need to be an agreement with the property owner regarding the funding for the use of the public improvements, as well as the operation and maintenance of those improvements.

**Motion by Councilmember O'Malley, seconded by President Pro Tem Crow-Iverson, that the Ordinance including certain property into the boundaries of the Interquest North Business Improvement District be approved on first reading. The motion passed by a vote of 9-0-0-0**

Scott Shirola, Pricing and Rates Manager, Colorado Springs Utilities (CSU) presented the Resolution setting the Gas Cost Adjustment (GCA) rates effective April 1, 2025 and provided an overview of the Electric Cost Adjustment (ECA) and GCA summary, natural gas prices as of March 1, 2025, GCA projections for March 2025, sample residential bill impacts, peer utility bill comparison, and how customers can receive assistance.

Councilmember Leinweber asked why the national energy rates are going down, but local rates are going up. Mr. Shirola stated national policy influences the supply/demand market, which has a delayed effect on rates, but weather impacts are immediate, and CSU electric service rates are still very competitive both regionally/nationally and will propose decreases when the markets allow it.

Councilmember Donelson explained how CSU assists ratepayers by projecting out the costs, so users are not severely impacted during the winter months.

**Motion by Councilmember O'Malley, seconded by President Pro Tem Crow-Iverson, that the Resolution setting the Gas Cost Adjustment Rate effective April 1, 2025 be adopted. The motion passed by a vote of 9-0-0**

Kevin Walker, Director, Planning Department, Planning Department, presented the Ordinance amending the Unified Development Code (UDC) pertaining to accessory dwelling units (ADU) and provided an overview of the amendments requested by City Council.

Councilmember Henjum asked what the difference is between the Wildfire

Resiliency Zone and the Wildland Urban Interface (WUI). Mr. Walker stated currently, there is no difference.

President Helms asked what happens to a property which has a detached ADU and is designated as WUI at a future time. Mr. Walker explained that it would be a grandfathered use as legal nonconforming.

President Helms asked if a homeowner could rent their home out and then build an ADU on the property. Mr. Walker stated the homeowner must reside at the property in order to obtain an ADU permit.

President Helms asked when an ADU height of twenty-five feet is permitted. Mr. Walker stated it is only allowed when it is being built over parking.

President Helms asked if there is an appeal process for the ADU application. Mr. Walker stated there is no appeal process for a permit issued from the Pikes Peak Regional Building Department.

Councilmember Donelson asked if the Fire Marshal could move the Wildfire Resiliency Zone as needed. Mr. Walker confirmed they could.

Councilmember Donelson stated he does not support that ADU applications are not appealable. Mr. Walker stated that policy is already in place for building permits.

Councilmember Henjum asked if one off street parking space is required for an ADU in addition to the parking requirements for the principal structure. Mr. Walker confirmed it is.

Councilmember Henjum asked if the proposed Ordinance restricts the living space to only be in the second story for ADUs located over a parking structure or if they could use some of the space in the garage below. Mr. Walker stated as long as they meet all of the criteria, they could utilize some of the first-floor space.

Citizens Jill Gaebler, Jeff Thormosdgaard, Vice President of Government Affairs, Colorado Springs Chamber and EDC, Amir Safayan, and Max Nardo spoke in support of the proposed Ordinance.

Citizens Dutch Schulz, Kerry Waite, Theresa Gazara, Lisa Bigelow, Ashley Whitlock, Allen Strass, Greg Thornton, Mark Hansen, Mike Anderson, and Dana Duggan spoke in opposition of the proposed Ordinance.

Councilmember Henjum requested an overview of Ms. Gaebler's

experience regarding implementing the first ADU Ordinance. Ms. Gaebler identified the pros and cons to the existing Ordinance.

Councilmember Avila asked Ms. Gaebler regarding her thoughts on ADUs in the WUI. Ms. Gaebler stated she understands the concern regarding ADUs in the WUI and allowing integrated ADUs is a good compromise.

Councilmember Avila requested additional information regarding renters. Ms. Gaebler explained that most people have been renters at some point in their lives and the average age of first-time home buyers is now thirty-eight years old.

President Pro Tem Crow-Iverson asked if it is disingenuous for the state to require ADUs in the City when they should be addressing construction defects. Ms. Gaebler stated this is one small, but mighty tool to address the housing crisis.

Councilmember Donelson asked how many ADUs are expected to be built. Mr. Thormosdgaard stated approximately two percent of the available lots, which would be approximately two thousand units.

Councilmember Donelson asked how many ADUs were built in San Antonio, TX. Mr. Thormosdgaard stated he believes there was an increase of permits pulled from three percent to thirty percent, but he will research and provide that information.

Councilmember Henjum requested the original parking requirement language be included in the amended Ordinance. Mr. Walker agreed to Councilmember Henjum's request.

Councilmember Henjum requested additional information regarding the Wildfire Resiliency Zone and the WUI. Deputy Fire Marshal Chris Cooper, Colorado Springs Fire Department, stated they do not have the authority to change the boundaries of those areas without public process and coming before City Council for approval.

Councilmember Henjum asked if the Fire Marshal's position could be influenced by politics. Deputy Fire Marshal Cooper stated he was hired to protect the citizens of the community and decisions are based on a reasonable approach and public safety.

Councilmember Henjum asked if there is concern with putting the community at greater by adding the Wildfire Resiliency Zone. Deputy Fire Marshal Cooper stated the intent was if there is a change in how the state defines the WUI, they can change the boundaries as needed.

Councilmember Talarico asked if the Wildfire Resiliency Zone could be removed from the Ordinance since it is not currently being used. Mr. Walker confirmed it could.

President Helms asked if the proposed Ordinance reflects the City's home rule authority. Mr. Walker confirmed it does.

Councilmember Donelson requested a presentation from the Planning Department regarding the ADU policies and number of ADUs added.

Councilmember Henjum made a motion to amend the Ordinance with these two sets of replacements wording to these sections:

7.3.304.E - Dwelling, Accessory: Accessory Dwelling Units (ADU) are only allowed as an accessory use to a single-family detached dwelling in any zone district, overlay district, or other location where single-family detached dwellings are allowed. The property owner must demonstrate that said property owner resides on the property when submitting an application to construct or convert an ADU, except that this requirement does not apply for any ADU being constructed simultaneously with a primary dwelling. Detached and attached ADUs are not allowed and may not be constructed in a Wildland Urban Interface Overlay (WUI-O) district, but integrated ADUs may be constructed in a Wildland Urban Interface Overlay (WUI-O) district.

7.3.304.E.1.b - Off-Street Parking: One off-street parking space shall be provided in addition to the minimum parking required for the principal structure.

**Motion by Councilmember Henjum, seconded by Councilmember Leinweber, to amend the Ordinance amending Chapter 7 (Unified Development Code) of the Code of the City of Colorado Springs 2001, as amended, as related to accessory dwelling units with these two sets of replacements wording to these sections:**

**7.3.304.E - Dwelling, Accessory: Accessory Dwelling Units (ADU) are only allowed as an accessory use to a single-family detached dwelling in any zone district, overlay district, or other location where single-family detached dwellings are allowed. The property owner must demonstrate that said property owner resides on the property when submitting an application to construct or convert an ADU, except that this requirement does not apply for any ADU being constructed simultaneously with a primary dwelling. (WUI-O) district, but integrated ADUs may be constructed in a Wildland Urban Interface Overlay (WUI-O) district.

**7.3.304.E.1.b - Off-Street Parking:** One off-street parking space shall be provided in addition to the minimum parking required for the principal structure.

The motion passed by a vote of 6-2-1-0

**Aye:** 6 - Avila, Donelson, Helms, Henjum, Leinweber, and Talarico

**No:** 2 - Crow-Iverson, and O'Malley

**Excused:** 1 - Risley

Councilmember Henjum expressed appreciation for the compromises which have been made to move forward to meet the needs of the citizens.

Councilmember Donelson stated in order for City Council to vote responsibly on this, they need more data, at a minimum, a map of the eligible lots, and made a motion to table this item until the information is received and reviewed by City Council.

Councilmember Henjum stated the Historic Neighborhood Preservation group has worked very hard with the seated Council and she does not feel they would support a postponement.

**Motion by Councilmember Donelson, seconded by Councilmember O'Malley, that this Ordinance be postponed indefinitely. The motion failed by a vote of 3-5-1-0**

**Aye:** 3 - Crow-Iverson, Donelson, and O'Malley

**No:** 5 - Avila, Helms, Henjum, Leinweber, and Talarico

**Excused:** 1 - Risley

Councilmember Donelson requested an amendment to the Ordinance removing the language "when submitting an application" regarding the owner residing on the property.

Councilmember Leinweber asked if there could be an exception for a military family which has rented out the ADU and then needs to be deployed and would like to rent out the primary house.

Councilmember O'Malley stated City Council should be cautious about making policy on the spot.

Councilmember Henjum stated it would be very challenging to enforce owner occupancy.

Councilmember Avila stated they are not rushing, they have been talking about ADUs for years, there is not a perfect solution which will appease everyone, but they cannot let perfect be the enemy of the good.

Trevor Gloss, Attorney, City Attorney's Office, stated the state statute is very clear that owner occupancy can only be required at the time of the ADU application.

**Motion by Councilmember Donelson, seconded by Councilmember O'Malley, to amend the Ordinance by removing the language "when submitting an application" requiring the property owner to continually reside in one of the structures on the property, not only at the time of application. The motion failed by a vote of 3-5-1-0**

Aimee Cox, Chief Housing and Homelessness Officer, Housing and Homelessness Response Department, presented the Resolution approving the 2025-2029 Consolidated Plan, 2025 Annual Action Plan (AAP) and Citizen Participation Plan (CPP) for the use of federal block grant funds: Community Development Block Grant Program (CDBG), HOME Investment Partnerships Program (HOME) and Emergency Solutions Grant (ESG) provided through the U.S. Department of Housing and Urban Development (HUD). She provided an overview of the annual HUD grants, community engagement process, Consolidated Plan priority needs/goals, anticipated annual HUD funds, five-year anticipated HUD funds, 2025 allocation by priority, next steps, and citizen participation plan.

Councilmember O'Malley asked if they anticipate this Plan still be effective October 1, 2025 which is the end of the current Resolution. Ms. Cox stated that as of today, CDBG funding is whole, and they are confident that the funds which typically come to the City will continue through March 2026.

President Pro Tem Crow-Iverson asked how these funds improve services in public facilities. Ms. Cox stated they include improvements in ADA accessibility, and homeless shelters.

**Motion by Councilmember O'Malley, seconded by President Pro Tem Crow-Iverson, that the Resolution approving the draft 2025-2029 Consolidated Plan, 2025 Action Plan and Citizen Participation Plan for the use of federal block grant funds (CDBG, HOME, ESG) provided through the U.S. Department of Housing and Urban Development (HUD) be adopted. President Helms stated there will not be a Work Session held on Monday, April 7, 2025, but there will be a Special City Council meeting held at 1:00 PM on April 7, 2025 regarding an appeal of the Downtown Review Board's approval of a Form-Based Zone Development Plan for the ONE Vela Mixed Use Building.

Councilmember Leinweber asked City Council to support the document he provided each of them opposing the state's funding of the system to monitor assault weapons (State Bill 25-003), which will cost millions of dollars, using money from the State Parks Pass that will divert funding from trails, parks, and outdoor recreation which he feels it is completely inappropriate.

Sarah B. Johnson, City Clerk, encouraged everyone to vote at the April 1, 2025 Municipal Election.

There being no further business to come before City Council, President Helms adjourned the meeting at 4:03 PM.
