assessment of CSPD's
use of force

Recommendations

Training

Policy

Supervision

Data Collection

Community Involvement and Transparency

Training

- Independent review of training curriculum
- Enhanced training in de-escalation using the Integrating Communications, Assessment, and Tactics (ICAT) model
- Enhanced training in procedural justice
- Continued expansion of Constitutional policing training
- Supervisors' Conferences

Policy Areas

- Use of Force
- Pointing a Firearm
- Reporting Use of Force or Pointing a Firearm
- De-escalation
- Treatment of the Public
- Significant Event Transparency

Supervision

- Training and Alignment
- Revising framework for force review
- Developing coaching skills
- Emphasizing positive examples

Data Collection & Analysis

- De-escalation tactics data
- Collecting other variables in force reporting
- Reviewing racial and ethnic disparities in CSPD use of force

Community Involvement and Transparency

- Release of significant event videos
- Adding to policies publicly available online
- Developing an annual force report for public dissemination
- Focus on procedural justice
