Peter Wysocki, Planning Director, Planning and Development Department introduced the Downtown Development update which was requested by Councilmember Williams.

Ryan Tefertiller, Planning Manager, Planning and Community Development Department, provided an overview of the current projects, projects under construction, projects expected to start by the end of 2021, and projects expected to start in 2022.

Councilmember Donelson asked what the City Code requirement is for apartments and hotels located downtown. Mr. Tefertiller stated the majority of these projects fall under the Downtown Form-Based Zone which is parking exempt because the area relies on the provisions of publicly available parking, the individual project providing their own parking, and that often times visitors park once, but visit multiple destinations.

Councilmember Murray stated the issue is mass event parking availability and these projects will not add any parking which is not dedicated to their location. Jeff Greene, Chief of Staff, stated the Parking Enterprise has a utility aspect to provide parking to support downtown businesses and

residences as well as an economic development tool aspect.

President Strand asked how many stories are allowed in downtown. Mr. Tefertiller stated the Downtown Form-Based Zone is divided into four sectors and there are different height standards for each of them.

President Pro Tem Skorman asked if anything can be done with a building's physical appearance if it does not comply with the characteristics of downtown. Mr. Tefertiller stated there are no design standards for architectural designs on the upper levels, but they do have design guidelines to improve it.

Councilmember Donelson asked how tall the tallest building located in downtown is. Mr. Tefertiller stated it is the Well Fargo Building which is approximately 260 feet.

Scott Lee, Parking Enterprise Director, Office of the Mayor, gave an overview of the parking plan to support growth.

Councilmember Murray asked if there has been discussion regarding a partnership with Nor'wood regarding the property across the street from the U.S. Olympic and Paralympic Museum. Mr. Lee confirmed there has been ongoing negotiations with Nor'Wood to accommodate a parking structure within one or more of their blocks to the east of the museum.

Councilmember Henjum asked if electric vehicles (EV) are being considered in these proposed parking facilities. Mr. Lee confirmed there will be EV charging capacity required in these new facilities and they are expanding the number of EV charging stalls in existing structures.

Councilmember Henjum asked if the parking metered are scheduled to be updated. Mr. Lee stated they have recently amended the program technology to fix the bugs people were experiencing.

Councilmember Henjum asked if the Transit Center is moved if the parking garage which is located there will remain. Mr. Lee stated they are negotiating with Transit and the private entity in regard to the Kiowa facility to form a three-way partnership for the Transit Center and they do not know yet what will occur to the first floor parking.

Nancy Henjum, Councilmember District 5

Trudy Strewler Hodges, Chief Executive Officer, Springs Recovery Connection

Trudy Strewler Hodges, Chief Executive Officer, Springs Recovery Connection, gave a brief history of Springs Recovery Connection, and gave an overview of their mission, vision, peer recovery coaches, services, and programs. She identified the recovery journey, the Serenity Center, collective impact, four pillars of recovery, and partnerships. Ms. Hodges requested City Council approve a \$500,000 contribution from the City's American Rescue Plan Act (ARPA) funding to go toward the purchase of the \$3M Serenity Center which would provide ongoing support for individuals in recovery from substance use disorder.

Julia Brownfield, Program Director, Springs Recovery Connection, went over the details of their justice programs.

President Pro Tem Skorman spoke about the need for the City to become more involved in this addiction crisis.

Councilmember Henjum spoke about the cost offset regarding substance abuse illness and requested the City allocate some of its ARPA funding towards this program.

Councilmember Avila stated these services need to be a priority for the City.

Councilmember Donelson asked if they have received feedback from the neighborhood regarding the proposed use. Ms. Strewler Hodges explained the questions they had received, and they let them know that this facility will not be a live-in facility.

Councilmember Williams asked why they are requested the same amount of funding from the County and the City. Ms. Strewler Hodges stated she did not realize the County received double the ARPA funds as the City.

Pursuant to City Code § 1.4.105 (Candidates for Election), Colorado Springs Utilities Employee Request for City Council Consent to Run for Harrison School District Two Board of Education and, If Elected, Request to Waive the Requirement to Terminate Employment

Presenter:

Tracy Lessig, Deputy City Attorney

Tracy Lessig, Deputy City Attorney, gave a brief history of the recent amendment to City Code § 1.4.105 (Candidates for Election) and presented the request for City Council consent for a Colorado Springs Utilities (CSU) employee to run for Harrison School District Two Board of Education and, if elected, request to waive the requirement to terminate employment.

Councilmember Donelson asked if City Council members are considered City employees. Ms. Lessig stated under the Fair Labor Standards Act, they are not.

Councilmember Donelson asked if City Council members would need permission if they were to run for another public office, not including Mayor. Ms. Lessig stated she will provide that information.

Ms. Lessig stated there is a provision in place in which consent may be revoked if City campaign practices requirements are not met such as no campaigning on City time or use of City resources.

Michelle Wills-Hill, Environmental Specialist, CSU, provided a brief background of herself and requested permission to run for the Harrison School District Two Board of Education.

Councilmember Williams asked Ms. Wills-Hill what she would do if there were a conflict of interest between the Board and CSU. She stated all the Board meetings and functions are after CSU hours, she would use vacation time for anything that occurs during working hours, and she will consult with the City Attorney for anything that may be construed as a conflict of interest so that she could recuse herself if needed.

Councilmember Williams and Councilmember Helms expressed their support for her public involvement.
