

**INTERGOVERNMENTAL AGREEMENT CONCERNING THE FUNDING,
IMPLEMENTATION AND ADMINISTRATION OF
PROGRAMS INVOLVING POLICE OFFICERS IN SCHOOLS**

THIS INTERGOVERNMENTAL AGREEMENT, dated _____ 2021, is entered into by and between THE CITY OF COLORADO SPRINGS, a Colorado Municipal Corporation and Home Rule City (hereinafter referred to as the "City"), and SCHOOL DISTRICT 2 (hereinafter referred to as the "School District" or the "District"). For purposes of this Intergovernmental Agreement ("IGA") each party may be referred to as a "party" or collectively as "parties".

THE PARTIES AGREE AS FOLLOWS:

1. AUTHORITY: This IGA is made by and between the parties hereto under the authority of CRS Section 29-1-203, *et seq.*
2. PURPOSE: The purpose of this IGA is to provide for the health, safety, and welfare of Colorado Springs' public school students by providing for partnership programs involving police officers in schools.
3. OBLIGATIONS OF THE PARTIES:
 - A. The School District will schedule the working hours of the police officers supporting the partnership program, taking into account those days when the School District is in operation. The hours of police officer availability will be during school hours while the School District is in session. Adjustments outside of these regular hours may be made by mutual agreement between the School District's security department and the Colorado Springs Police Department ("CSPD").
 - B. Officers supporting the partnership program will be City employees recruited and selected by CSPD. Their salary, payroll taxes, payroll-based expenses, and benefits will be paid by the City.
 - C. Cost-sharing between the City and the School District will be based on the schedule of projected costs contained in Section 5 of this IGA. In order to ensure proper appropriation and set-aside of funds required by the School District, a thirty (30) day advance notice shall be given to the School District for any adjustments by the City to reflect changes in salary as determined by the City Salary Schedule, and to reflect the actual amount of time officers work in their official capacity within the partnership program by mutual agreement of the parties. The City will be responsible for providing workers' compensation coverage, the cost of which will be included in the projected costs to be shared in accordance with Section 5 of this IGA.

- D. All scheduling, deployment, supervision, and payment of the officers supporting the partnership program will be the responsibility of the City. The deployment needs of the CSPD will take priority over partnership duties.
- E. The City and the School District retain all of their rights and obligations under the Colorado Governmental Immunity Act, CRS 24-10-101, *et seq.* The City specifically assumes no responsibility for the implementation, operation, or administration of this program.
- F. The City reserves the option to make substitute police officers available when regularly scheduled officers are not available to support the program.
- G. The partnership program consists of High School Resource Officers (SRO's). Further definitions of duties are provided in Section 4 of this IGA. If the School District is not participating in a particular program, the duties assigned will be identified as "not applicable."
- H. Information and record sharing between CSPD and the District concerning education student records shall follow the requirements and allowed exceptions of the Family Educational Rights and Privacy Act of 1974, the Health Insurance Portability and Accountability Act of 1996, as well as all applicable Federal civil rights and laws and relevant Colorado statutes. The sharing of CSPD criminal justice records with the District will be controlled by CSPD policies and procedures, the Colorado Criminal Justice Records Act and other relevant Colorado law.

4. ROLES AND RESPONSIBILITIES:

- A. School District: The mission of school security is to build partnerships with school communities by creating and maintaining a safe and nurturing educational environment for all students, staff, and visitors, by deterring criminal and disruptive conduct that impacts the learning environment, ensuring timely and effective response to requests for assistance, and providing training in emergency preparedness.

The School District will:

1. Provide a school district coordinator.
2. Provide a school facilitator (liaison in the school).
3. Provide time for their school principal or designee, and the assigned SRO, to participate in a review of the school crisis plan at the beginning of each semester.
4. Adhere to School District Policies and Procedures including, but not limited to crisis prevention, emergency response procedures (practice drills), threat

assessments, and addressing behavior or other information that may indicate impending violence.

5. Provide an office for the assigned SRO.
6. Coordinate other meetings as deemed necessary by the District, school staff, SRO, or SRO supervisors.
7. Without usurping the supervisory responsibilities of the City, observe and evaluate the SRO and provide such information to the City for its supervisory responsibilities.
8. Comply with the following notification provisions:
 - a. Notify CSPD in each and every instance the School District or school administration becomes aware of an SRO volunteering his/her time at the SRO's assigned school. This notification will be made to the Police Chief as soon as the District or school administration becomes aware of the officer's volunteer activities.
 - b. Ensure personnel working with the SRO review and familiarize themselves with CSPD General Orders 580, 704, 750, 755, 775, 1301, 1303, 1655 or any General Order that is subsequently provided by CSPD to the School District Superintendent and identified as a General Order that is applicable to this Agreement.
 - c. Notify CSPD in each and every instance in which the District or school administration has reason to believe that an SRO is in violation of the above-referenced General Orders. As soon as the District or school administration becomes aware or suspects that an SRO may be in violation of any of the above-referenced General Orders, notification will be made to the Police Chief.
9. To the extent permitted by Colorado law, indemnify, defend and hold harmless the City from and against any and all claims, demands or causes of action for injury or death to any person or damage to property (including all costs and reasonable attorneys' fees incurred in defending any claim, demand or cause of action) in any case in which the District or school administration intentionally fails to inform the City of any violation of the Notification Provisions of Section 4, Subsection A of this Agreement, that it knew or should have known about.

B. The CSPD High School Resource Officer: The mission of the High School SRO is to provide for and maintain a safe, healthy, and productive learning environment while acting as a positive role model for all Colorado Springs' public high school students by working in a cooperative, proactive, problem-solving partnership between the City and the School District.

The City will:

1. Provide officer supervision.
2. Provide an officer assigned to the SRO unit.
3. Provide officer uniforms, equipment, vehicle, and training.
4. Place an SRO in the school five days per week.

The High School SRO will:

1. Enhance safety on school grounds to provide a safe learning environment.
2. Assist school staff and students with locating community resources.
3. Identify and solve mutual problems affecting the School District and the community.
4. Assist teachers by supporting their classes dealing with constitutional and local law issues. Assist teachers by supporting and/or providing supplemental course instruction relating, but not limited to, social media and cyber safety, drug interactions, explicit mobile device communication and constitutional law.
5. Provide a positive liaison between CSPD, the students, the school administration, and the District security department.
6. Assist with, solve, or be involved in any issue of mutual interest and agreement.
7. Conduct visits to the feeder middle school(s) on a time-available basis and respond to calls for service as requested by the middle school principal or designee or District personnel on a time-available basis.
8. Adhere to the Colorado Revised Statutes and CSPD's Policies and Procedures including, but not limited to crisis prevention, emergency response procedures (practice drills), threat assessments, and addressing behavior or other information that may indicate impending violence.
9. Not volunteer his/her time, outside of normal duty time and compensated time activities, at the school to which he/she is assigned.

The Middle School SRO will:

1. Perform all of the above tasks and conduct visits to the Districts' feeder high schools and when requested visit the District's feeder elementary schools.

C. Special Considerations:

1. Both CSPD and the District acknowledge that SROs will not respond to or be responsible for requests to resolve routine discipline problems involving students. All issues concerning routine student discipline, including student code of conduct violations and student misbehavior, will be handled exclusively by the District unless such violation or misbehavior involves criminal conduct.
2. Although SROs will be working in conjunction with the school staff, they will report directly to the CSPD administrative sergeant on any administrative matters.
3. Although assigned to a specialized unit within CSPD, SROs are required by policy and procedure to perform various tasks throughout the year,

- including but not limited to weapons' qualification on a quarterly basis, in-service training on an annual basis, and court appearances as subpoenaed.
4. CSPD understands and acknowledges that there may be circumstances in which both the CSPD and the District will have a need to investigate student conduct, on or off school property according to their respective legal authority and responsibilities. CSPD further understands and acknowledges that District investigation of such conduct will not necessarily be to determine whether a crime has been committed but whether appropriate disciplinary measures need to be taken in accordance with District policies. After consultation by the District with a CSPD supervisor regarding the scope of the concurrent investigation, the District will be entitled to interview witnesses, including the alleged perpetrator(s) of such conduct, and conduct its own investigation as it determines is appropriate and within time frames it deems appropriate and in accordance with state law and District policy.

5. REIMBURSEMENT:

- A. The City will invoice the School District each semester for the costs associated with the operation of the partnership program.
- B. The High School SRO program will consist of having an officer in each of the District's contracted high schools and a Middle School Rover 8 hours per day for 5 days per week, or 40 hours total per week for the School District year. However, by mutual agreement between the District and the City, this schedule can be modified to better address the needs of the District. The SRO will use both the first and last 30 minutes of their shift for donning or doffing their uniform and for travel to and from the school and their area command.

- D. The City will account for all such cost-sharing amounts received as revenue to the General Fund.

6. TERM OF PROGRAM:

- A. The partnership program between the City and the School District under this IGA is deemed to have begun on the first day of the first (Fall) semester of school in the 2020-2021 school year and ends on the last day of the second (Spring) semester of school in the 2020-2021 school year as defined by the School District.
- B. This IGA shall be effective for five school years (2020-2021 through 2024-2025) unless it is terminated earlier as provided. The IGA includes a basic, one-school-year period with four optional one-school-year periods. The District may exercise its option to extend the contract for each additional school year period by providing the City with notice of its intent to renew thirty (30) days prior to the current expiration date. Any option to extend this contract will become effective only after agreement of the City to the extension. Any extension of this IGA is subject to annual appropriation of funds by both the City and also the School District.

7. ASSIGNMENT: The School District shall not assign or otherwise transfer this IGA or any right or obligation hereunder without prior written consent of the City.

8. LAW: This IGA is subject to and shall be interpreted under the law of the state of Colorado, and the Charter, City Code, Ordinances, Rules and Regulations of the City of Colorado Springs, Colorado, a Colorado Home Rule City. Court venue and jurisdiction shall exclusively be in the Colorado District Court for El Paso County, Colorado. The School District shall ensure that the School District and the School District employees, agents, and officers are familiar with, and comply with, applicable federal, state, and local laws and regulations as now written or hereafter amended.

9. APPROPRIATION OF FUNDS:

- A. This Agreement is expressly made subject to the limitations of the Colorado Constitution and Section 7-60 of the Charter of the City of Colorado Springs. Nothing herein shall constitute, nor be deemed to constitute, the creation of a debt or multi-year fiscal obligation or an obligation of future appropriations by the City Council of Colorado Springs, contrary to Article X, § 20, Colo. Const., or any other constitutional, statutory, or charter debt limitation. Notwithstanding any other provision of this Agreement, with respect to any financial obligation of the City which may arise under this Agreement in any fiscal year after the year of execution, in the event the budget or other means of appropriation for any such year fails to provide funds in sufficient amounts to discharge such obligation, such failure (i) shall act to terminate this Agreement at such time as the then-existing and available appropriations are depleted, and (ii) neither such failure nor termination shall constitute a default or breach of this Agreement, including any sub-agreement, attachment, schedule, or exhibit thereto, by the City. As used herein, the term "appropriation" shall mean and include the due adoption of an appropriation ordinance and budget and the approval of a Budget Detail Report (Resource

Allocations) which contains an allocation of sufficient funds for the performance of fiscal obligations arising under this Agreement.

- B. The School District's participation under this IGA is subject to annual appropriation of funds by the School District.

10. TERMINATION:

- A. The City may terminate this IGA with the School District for the City's convenience upon 30 days' written notice to the School District without compensation to the School District.

- B. The School District may terminate this IGA with the City for the School District's convenience upon 30 days' written notice to the City without compensation to the City except for services actually performed prior to the termination or during the 30 day notice period.

11. INTEGRATION: This IGA is a completely integrated agreement and contains the entire agreement between the parties. Any prior written or oral agreements or representations regarding this agreement shall be of no effect and shall not be binding on the School District or the City. Further, the District and the City acknowledge and agree that this is a negotiated text agreement, and that as such no term shall be construed against the City as the author thereof.

12. NO THIRD PARTY BENEFICIARY: It is expressly understood and agreed that enforcement of the terms and conditions of this IGA, and all rights of action relating to such enforcement, shall be strictly reserved to the parties hereto. Nothing contained in this IGA shall give or allow any such claim or right of action by any third person or entity. Any third party receiving services or benefit under this IGA shall be deemed to be incidental beneficiaries only.

13. ENTIRE AGREEMENT: This IGA constitutes the entire agreement between the parties hereto, and all other representations or statements heretofore made, verbal or written, are merged herein, and this IGA may be amended only in writing, and executed by duly authorized representatives of the parties hereto.

14. LOCAL CONCERN: The parties agree and acknowledge that the activities contained in this IGA are matters of local concern only, and that the parties have mutually joined together for the performance of the matters of local concern, and that nothing in this IGA shall be construed as matters of statewide concern.

15. INDEMNIFICATION: The provision of services under this IGA is for the benefit of both parties to the IGA. Each party agrees to be responsible for its own liability incurred as a result of its participation in this IGA. In the event any claim is litigated, each party will be responsible for its own expenses of litigation or other costs associated with enforcing this IGA. No provision of this IGA shall be deemed or construed to be a relinquishment or

waiver of any kind of the applicable limitations of liability provided to the City or the District by the Colorado Governmental Immunity Act, C.R.S. § 24-10-101, *et. seq.* and Article XI of the Colorado Constitution.

16. NO LIABILITY FOR BREACH OF TERMINATION: The School District shall have no claim or action at law against the City for breach or termination of this IGA by the City, and the School District expressly waives and releases the City from any claim or action at law or equity under, or resulting in any manner from, this IGA.
