Hello Mr. Lange,

I would like to express my support for the Daycare that is being run by Stacie at 50 Mikado Dr. I want to express this as a member of the community and resident on Mikado Ln; just a few houses from the daycare. I have not felt or seen any disruption to our community from the operations. To my knowledge, and from my experience, Stacie has presented herself as a professional along with the care and dedication of a respectable community member.

Please consider my support for this daycare, and approval for our community.

Thank you,
Chris Jenkins

Hello Mr. Lange,

I am a part of the ACC of the Ravenhills HOA and I live on Mikado Ln. I want to express my support in the daycare being run on 50 Mikado Drive. As a young adult who is preparing to start having kids, I think it is absolutely wonderful that we will have a daycare option less than a block away from us.

While there might be concern that the daycare will cause traffic, we have not noticed anything. We already have the Rockrimmon elementary school down the road which creates a long line of cars in the morning and afternoon, but we just drive past it. We are happy to have moved into a neighborhood with daycare and elementary school options within a short walking distance.

Also our HOA may have expressed that they are very unhappy with having a daycare, but please remember, HOA's do not represent an entire area's opinions. This daycare is a perfect addition for a neighborhood that has young families moving in every year.

Thank you and have a great day.
