Any such Default Rate will apply as of the date of the Default, or as of any later date determined by the Lender in the written notice provided by the Lender to the District.

(b) **Interest Payments.** On each Payment Date there shall be due and payable interest accrued on the Loan Balance for the period commencing with the immediately preceding Payment Date (or, if none, the Closing Date) to but not including the next Payment Date, but solely to the extent of the Pledged Revenue available for such purpose in accordance with Article III hereof. (d) **Maximum Interest Rate.** Notwithstanding the foregoing provisions, the maximum Net Effective Interest Rate that the District is authorized to pay with respect to the Loan is the Maximum Rate, and the Loan shall not bear interest at a rate that would cause the Net Effective Interest Rate on the Loan to exceed the Maximum Rate. To the extent amounts due to the Lender have not been fully repaid because of the application of this Maximum Rate provision, the provisions of Section 2.04 hereof shall apply.

(e) **Limitations of Electoral Authorization.** It is acknowledged by the Lender that the obligations of the District under this Agreement are limited by the District's voted debt authorization and the Service Plan with respect to principal amount, Maximum Rate, maximum repayment cost, and maximum annual tax increases, and that, notwithstanding anything herein to the contrary, the District is not authorized and is not obligating itself with respect to the foregoing obligations in excess of that which is permitted under the terms of the District's voted debt authorization and the Service Plan.

Notwithstanding anything else herein to the contrary, the District shall not be obligated to pay more than the amount permitted by law and its electoral authorization in repayment of the District's obligations hereunder, including all payments of principal, interest and all of the District's obligations hereunder and under the Note will be deemed defeased and no longer outstanding upon the payment by the District of such amount.

Section 2.04. Application of Maximum Rate to Interest Differential. If the interest due and payable hereunder is in excess of the amount actually paid by the District as a result of the Maximum Rate provisions of Section 2.03(d) hereof, the difference between what would have been the interest payable had interest accrued at the applicable interest rate, and the actual interest paid by the District on such obligation (the "**Interest Differential**") shall remain an obligation of the District. If at any time there is an Interest Differential owed to the Lender, any reduction in interest rate that would result from the application of the Maximum Rate to the applicable interest rate shall not reduce the rate of interest below the Maximum Rate until the total amount due has been paid to the Lender as if the applicable interest rate had at all times been utilized.

Section 2.05. Optional Prepayment.

(a) ~~Optional Redemption Prior to the Tenth Anniversary of the Closing Date.~~ The Loan is subject to redemption on any date prior to ~~the tenth anniversary of the Closing Date, July 16, 2026,~~ at the option of the District, in whole or in part, at a redemption price equal to the principal amount thereof being redeemed, plus a Prepayment Fee (calculated by the Lender pursuant to the definition below), plus accrued interest to the redemption date. A "**Prepayment Fee**" shall be due as a condition of any redemption of the Loan prior to ~~the tenth anniversary of the Closing Date, prior to July 16, 2026,~~ which Prepayment Fee shall be equal to the present value of the difference between (A) the amount that would have been realized by the Lender on the prepaid amount for the remaining term of the Loan at the then-applicable Base Rate and (B) the amount that would be realized by the Lender by reinvesting such prepaid funds for the remaining term of the Loan at the (1) then-current market swap rate in effect at the time of prepayment as determined by the Lender plus (2) a spread of [_____]%, both (A) and (B) discounted at the then-current market swap rate excluding the spread. Should the present value have no value or a negative value, the Prepayment Fee shall be zero. Partial redemptions in the minimum amount of \$500,000 may be made subject to payment of a Prepayment Fee based upon the same calculation methodology described above. Any partial redemption the Loan shall be applied in inverse order of maturity. Any partial prepayment shall not postpone the due dates of, or relieve the amounts of, any scheduled sinking fund installments described in Section 2.03(c). Any amounts paid hereunder may not be re-borrowed from the Lender. Notwithstanding the foregoing or anything else herein to the contrary, in the event any such Prepayment Fee exceeds the amount permitted by law, the Loan shall be deemed to not be subject to redemption to that extent. ~~[Confirm that the prepayment fee would apply only during the first 10 years, i.e. that the Loan is callable without prepayment fee after 10 years]~~

(b) ~~Optional Redemption After the Tenth Anniversary of the Closing Date, July 16, 2026.~~

(A) *In Whole* ~~*for in Part?*~~. The Loan is subject to redemption, in whole ~~for in part~~, on any Payment Date after ~~the tenth anniversary of the Closing Date, July 16, 2026~~, at the option of the District, at a redemption price equal to the outstanding Loan Balance plus accrued interest to the redemption date without payment of a premium or the Prepayment Fee.

(B) *Redemption in Part or not on Payment Date*. The Loan is subject to redemption, in whole or in part in the minimum amount of \$500,000 on any date ~~after the tenth anniversary of the Closing Date~~ on or after July 16, 2026 (with the exception of any redemption of the Loan in whole on any Payment Date, which is subject to paragraph (A) above), at the option of the District, at a redemption price equal to the principal amount thereof being prepaid, plus a Prepayment Fee (calculated by the Lender pursuant paragraph (a) above), plus accrued interest to the redemption date. Any partial redemption of the Loan shall be applied in inverse order of maturity. Any partial prepayment shall not postpone the due dates of, or relieve the amounts of, any scheduled sinking fund installments described in Section 2.03(c). Any amounts paid hereunder may not be re-borrowed from the Lender. Notwithstanding the foregoing or anything else herein to the contrary, in the event any such Prepayment Fee exceeds the amount permitted by law, the portion of the Loan being redeemed shall be deemed to not be subject to redemption to that extent. ~~Confirm if these provisions also apply to this Loan~~

(c) The District must provide at least two Business Days written notice to the Lender prior to the prepayment of the Loan pursuant to this Section 2.05.

Section 2.06. Expenses and Attorneys' Fees. In the event that a claim by the Lender is brought against the District relating to this Agreement or any of the other Financing Documents and the Lender prevails in such claim, the District will reimburse the Lender for all reasonable attorneys' and all other consultants' fees and all other costs, fees and out-of-pocket disbursements incurred by the Lender in connection with the preparation, execution, delivery, administration, defense and enforcement of this Agreement or any of the other Financing Documents, including reasonable attorneys' and all other consultants' fees and all other costs and fees (a) incurred before or after commencement of litigation or at trial, on appeal or in any other proceeding; (b) incurred in any bankruptcy proceeding and (c) related to any waivers or amendments with respect thereto (examples of costs and fees include but are not limited to fees and costs for confirming the priority of the Lender's claim on the Pledged Revenue or the funds and accounts established hereunder). The District will also reimburse the Lender for all costs of collection of the Pledged Revenue, including all reasonable attorneys' and all other consultants' fees, before and after judgment. The Lender hereby acknowledges and agrees that due to the limitations of the District's electoral authorization, amounts payable under this Section shall be paid solely from the Pledged PIF Revenue and any such amounts shall be payable as soon as is feasible given the limitations of the timing of receipt of the Pledged PIF Revenue.

Manner of Payments. All payments to be made hereunder by or on behalf of the District to the Lender shall be made, and shall not be considered made until received, in lawful money of the United States of America in immediately available funds. The District shall

make each payment hereunder in the manner and at the time necessary so that each such payment is received not later than 12:00 p.m., Denver time, on the day when due. Any payment received after 12:00 p.m., Denver time, shall be deemed made on the next succeeding Business Day. Subject to Section 2, all payments made hereunder by or on behalf of the District to the Lender may be applied to amounts due hereunder in such order of priority as the Lender shall elect.

Section 2.08. Pledge. The District hereby assigns, transfers, pledges, hypothecates, delivers and grants to the Lender a first priority security interest in and to the Pledged Revenue and moneys on deposit in the Project Fund, the Loan Payment Fund, and the 2018 Reserve Fund to secure the payment of the principal of and interest on the Loan; provided that such pledge and security interest with respect to the Pledged Revenue and amounts on deposit in the Loan Payment Fund is on a parity with the lien thereon securing payment of the 2016 Loan and any other Parity Debt. The Loan shall constitute an irrevocable lien upon the Pledged Revenue, but not necessarily an exclusive such lien and such pledge and lien is provided on a parity with the lien thereon securing payment of the 2016 Loan and any other Parity Debt. The Pledged Revenue shall be subject to no other liens, the District shall incur no other Debt (other than the Loan and the 2016 Loan), without the prior written consent of the Lender.

ARTICLE III

For purposes of the following, when credits to more than one fund, account, or purpose are required at any single priority level, such credits shall rank *pari passu* with each other.

FIRST: To the credit of the Loan Payment Fund, the amounts required by the Section hereof entitled "Loan Payment Fund" and to the credit of any similar fund or account created with respect any other Parity Debt ~~(including, without limitation, the 2016 Loan)~~, the amount required pursuant to the documents governing such Parity Debt;

SECOND: To the credit of the 2018 Reserve Fund, the amounts required by the Section hereof entitled "2018 Reserve Fund" and to the credit

of any other similar fund or account created with respect to any Parity Debt (including the 2016 Reserve Fund created with respect to the 2016 Loan), the amount required pursuant to the 2016 Loan Agreement and/or other documents governing such Parity Debt; and

THIRD: So long as no Event of Default shall have occurred and be continuing, to the credit of any other fund or account as may be designated by the District, any Pledged Revenue remaining after the payments and accumulations set forth above and upon credit to such fund or account of the District, any Pledged Revenue so credited shall be released from the lien of this Loan Agreement. Such released Pledged Revenue may be used by the District for any lawful purpose, provided that any Excess PIF Revenue shall be used only in accordance with Section 5.15 hereof.

For purposes of accounting the Pledged Revenue and identifying the priority of the application of Pledged Revenue, as well as for purposes of compliance with Section 5.15 hereof, the District shall determine, prior to the transfers described in the “FIRST” clause above, the amount of each type of Pledged Revenue (meaning, the ~~Debt Service Base Property Tax Revenue, the Debt Service Tax Increment~~Limited Mill Levy Revenue, the Specific Ownership Taxes and the Pledged PIF Revenue) deposited into the Loan Payment Fund and the 2018 Reserve Fund in the applicable Loan Year and shall assume that deposits made during such Loan Year to the Loan Payment Fund and the 2018 Reserve Fund pursuant to clauses “FIRST” and “SECOND” above were made from the following Pledged Revenue in the following order of priority: the ~~Debt Service Base Property Tax Revenue, the Debt Service Tax Increment~~Limited Mill Levy Revenue, the Specific Ownership Taxes and the Pledged PIF Revenue.

Section 3.03. Project Fund.

(a) **General.** The Project Fund shall be held and maintained by the Lender or its affiliate in accordance with the terms of this Section. Upon the receipt by the Lender of a resolution of the District determining that all Project Costs have been paid, any balance remaining in the Project Fund shall be credited to the Loan Payment Fund. In addition, upon the District’s determination that the funds in the Project Fund exceed the amount necessary to pay all Project Costs, such excess amount shall be credited to the Loan Payment Fund in the amounts determined by the District and communicated to the Lender in writing. The Project Fund shall terminate when no further moneys remain therein.

(b) **Draws From the Project Fund.** Except as otherwise provided in this Section, amounts in the Project Fund shall be released by the Lender to the District in accordance with requisitions in substantially the form set forth herein set forth herein as Exhibit C, signed by the Authorized Person and the District Accountant. A copy of each requisition shall be submitted to the Lender at its request.

(c) ***Insufficiency of Pledged Revenue.*** In the event the moneys in the Loan Payment Fund are ever insufficient to pay the principal of or interest on the Loan on any Payment Date and there are moneys in the Project Fund, the Lender shall transfer from the Project Fund such amounts as may be necessary to remedy such insufficiency, or such lesser amount as may be in the Project Fund. Notwithstanding anything herein to the contrary, any such transfer shall be made before any use of moneys in the 2018 Reserve Fund.

(d) ***Use of Unspent Moneys in Project Fund.*** Amounts on deposit in the Project Fund on the Maturity Date, if any, shall be applied to the payment of the Loan.

Section 3.04. Loan Payment Fund.

(a) ***General.*** There was established pursuant to the 2016 Loan Agreement the Loan Payment Fund which is administered by the District, on behalf of the Lender, in accordance with the 2016 Loan Agreement. The Loan Payment Fund shall secure the 2016 Loan, the Loan and any future Parity Debt. The District hereby agrees to maintain the Loan Payment Fund for as long as the Loan Balance is outstanding or any other amounts due hereunder remain unpaid. Subject to the receipt of sufficient Pledged Revenue, there shall be credited to the Loan Payment Fund each Loan Year an amount of Pledged Revenue which, when combined with other legally available moneys in the Loan Payment Fund (not including moneys deposited thereto from the Project Fund, the 2016 Reserve Fund, or the 2018 Reserve Fund pursuant to the terms of the 2016 Loan Agreement or the terms hereof), will be sufficient to pay the principal of and interest on the Loan, the 2016 Loan, and any other Parity Debt which has or will become due in the Loan Year in which the credit is made. The District shall also credit to the Loan Payment Fund any amount of proceeds of the Loan deposited in the Costs of Issuance Fund in accordance with Section 2.02(a) hereof not applied to costs of issuance as of May 1, 2018.

(b) ***Application of Moneys in Loan Payment Fund.*** Moneys in the Loan Payment Fund (including any interest earnings thereon) shall be used by the District solely to pay principal and interest on the Loan, the 2016 Loan, and any other Parity Debt, as set forth herein and in the 2016 Loan Agreement. On or prior to each Payment Date, the District shall transfer amounts on deposit in the Loan Payment Fund as follows:

(i) FIRST, to the Lender, in the amount of all interest due on the Loan, the 2016 Loan, and any other Parity Debt as of such Payment Date and all previously due and unpaid interest (including, without limitation current interest, accrued and unpaid interest, if any, and compounded interest, if any), or such lesser amount as is then on deposit in the Loan Payment Fund; and

(ii) SECOND, after the payment of all amounts then due in accordance with clause (i), to the Lender, in the amount of all principal due on the Loan, the 2016 Loan, and any other Parity Debt as of such Payment Date and all previously due and unpaid principal, or such lesser amount as is then on deposit in the Loan Payment Fund.

(c) ***Moneys Held In Loan Payment Fund.*** Moneys to be held in the Loan Payment Fund shall be held in a depository account under the control of the District and satisfying the requirements of the Public Deposit Protection Act and shall not be invested, but shall earn interest at the rate provided by the applicable depository institution.

Section 3.05. 2018 Reserve Fund.

(a) ***General.*** The Lender or its affiliate shall hold, disburse, and administer the 2018 Reserve Fund so long as the Loan is outstanding in whole or in part in accordance with the provisions of this Section.

(b) ***Application of Moneys in 2018 Reserve Fund.*** Moneys in the 2018 Reserve Fund shall be used by the Lender, if necessary, only to prevent a default in the payment of the principal of, and interest on, with respect to the Loan, and the 2018 Reserve Fund is hereby pledged to the payment of the foregoing in the manner and priority set forth in this Section. For the avoidance of doubt, the 2018 Reserve Fund shall not secure the 2016 Loan or any other Parity Debt. Notwithstanding anything herein to the contrary, moneys in the Project Fund shall be used prior to any use of moneys in the 2018 Reserve Fund. In the event that by the fifth (5th) Business Day prior to any Payment Date the Lender has not received sufficient amounts from the District to pay the principal of and interest on the Loan due on such Payment Date, the Lender shall send a written notice thereof to the Authorized Person and the District Accountant and if the Lender does not receive sufficient funds to make such payments by 12:00 pm (noon) Denver time on the third (3rd) Business Day prior to any Payment Date, the Lender shall transfer from the 2018 Reserve Fund an amount which, when combined with moneys received by the Lender on the fifth (5th) day prior to such Payment Date from the District and the amounts on deposit in the Project Fund, will be sufficient to make such payments on the Loan in full. In the event that moneys received from the District on any Payment Date and the moneys in the Project Fund and the 2018 Reserve Fund are together insufficient to make such payments on such Payment Date, the Lender will nonetheless transfer all moneys in the 2018 Reserve Fund for the purpose of making partial payments.

(c) ***Maintenance of the 2018 Reserve Requirement.*** Subject to the receipt of sufficient Pledged Revenue, the 2018 Reserve Fund shall be maintained in the amount of the 2018 Reserve Requirement for so long as the Loan is outstanding. Notwithstanding the foregoing, amounts in the 2018 Reserve Fund may be used in whole or in part to fund the payment or defeasance of the entire Loan. If at any time the 2018 Reserve Fund is drawn upon so that the amount of the 2018 Reserve Fund is less than the 2018 Reserve Requirement, then the District shall transfer to the Lender for deposit to the 2018 Reserve Fund amounts sufficient to bring the amount credited to the 2018 Reserve Fund to the 2018 Reserve Requirement. Such deposits and payments shall be made at the earliest practicable time, but in accordance with and subject to the limitations of Section hereof entitled "Flow of Funds", and nothing herein shall be construed as requiring the District to impose an ad valorem mill levy in excess of the Limited Mill Levy. The amount credited to the 2018 Reserve Fund shall never exceed the amount of the 2018 Reserve Requirement, and at the request of the Authorized Person made not more frequently than

semi-annually the Lender shall transfer any such excess moneys to the District for deposit in the Loan Payment Fund.

(d) ***Application of the 2018 Reserve Fund on the Maturity Date.*** On the Maturity Date, amounts on deposit in the 2018 Reserve Fund, if any, shall be immediately applied to the payment of the Loan. The availability of such amount shall be taken into account in calculating the Limited Mill Levy certified in December 2036.

Section 3.06. Costs of Issuance Fund. The Costs of Issuance Fund shall be held and disbursed by the District in accordance with this Section. The District shall disburse or direct the Lender to disburse amounts designated to be deposited in the Costs of Issuance Fund to pay the fees, costs, and expenses incurred in connection with the Loan and approved by the Authorized Officer. On May 1, 2018, the District shall transfer all amounts then remaining, if any, in the Costs of Issuance Fund to the Loan Payment Fund, and the Costs of Issuance Fund shall thereupon be terminated.

Section 3.07. Investments of Funds.

(a) At the direction of the District the Lender shall invest amounts held by the Lender pursuant to this Agreement only in Permitted Investments. All such investments shall be on deposit with or in the possession of the Lender, provided that the Lender may in its discretion choose to have any moneys to be held by the Lender hereunder held, invested, disbursed, and otherwise administered on behalf of the Lender by Community Banks of Colorado, a division of NBH Bank. The Lender shall have no liability or responsibility for any loss or for failure to maximize earnings resulting from any investment made in accordance with the provisions of this Section. The Lender shall be entitled to assume, absent receipt by the Lender of written notice to the contrary, that any investment that at the time of purchase is a Permitted Investment remains a Permitted Investment thereafter.

(b) Except as provided hereafter for investments of the 2018 Reserve Fund, the interest income derived from the investment and reinvestment of any moneys in any fund or account held by the Lender hereunder shall be credited to the fund or account from which the moneys invested were derived. With respect to the 2018 Reserve Fund, so long as the amount of the 2018 Reserve Fund is equal to the 2018 Reserve Requirement, all interest income from the investment or reinvestment of moneys credited to the 2018 Reserve Fund shall be remitted to the District and shall be credited to the Loan Payment Fund; provided that if the amount of the 2018 Reserve Fund is less than the 2018 Reserve Requirement, then such interest income shall be credited to the 2018 Reserve Fund.

(c) In computing the amount of any fund or account, Permitted Investments purchased as an investment of moneys therein shall be valued at the then market value of such obligations, excluding any accrued interest, as determined by the District. If the market value of such obligations is not readily available, the District shall determine the value of such obligations in any reasonable manner.

(d) The Lender may make any and all investments permitted by the provisions of this Section through its own investment department or that of its affiliates, including Community Banks of Colorado, a division of NBH Bank. As and when any amount invested pursuant to this Section may be needed for disbursement, the Lender may cause a sufficient amount of such investments to be sold and reduced to cash to the credit of such funds.

(e) Unless there shall be delivered to the Lender and the District an opinion of Special Counsel that such deposit shall not cause interest on the Note to be includable in gross income under the Internal Revenue Code of 1986, as amended, amounts held in the Project Fund following the third anniversary of the Closing Date shall not be invested at a yield in excess of the yield on the Loan.

The District is validly existing and in good standing under the laws of its state of organization, has all requisite power and authority and possesses all licenses, permits and approvals necessary to conduct its business. There is no litigation or administrative proceeding threatened or pending against the District which could, if adversely determined, have a material adverse effect on the District's financial condition.

Section 5.03. Performance of Covenants, Authority. The District covenants that it will faithfully perform and observe at all times any and all covenants, undertakings, stipulations, and provisions contained in the Authorizing Resolution, this Agreement, the Note, and all proceedings pertaining thereto. The District covenants that it is duly authorized under the constitution and laws of the State of Colorado, including, particularly and without limitation, the Act, to execute and deliver the Note, this Agreement, and the other Financing Documents to which it is a party, and that all action on its part for the execution and delivery of the Note, this Agreement, and the other Financing Documents to which it is a party have been duly and effectively taken and will be duly taken as provided therein and herein, and that the Loan, the Note, this Agreement, and the other Financing Documents to which the District is a party are and will be valid and enforceable obligations of the District according to the terms thereof and hereof.

Section 5.04. Laws, Permits and Obligations. The District will comply in all material respects with all applicable laws, rules, regulations, orders and directions of any governmental authority and all agreements and obligations binding on the District, noncompliance with which would have a material adverse effect on the District, its financial condition, assets or ability to perform its obligations under this Agreement and/or the other Financing Documents to which it is a party; provided that the District may in good faith contest such laws, rules, regulations, orders and directions and the applicability thereof to the District to the extent that such action would not be likely to have a material adverse effect on the District's ability to perform its obligations hereunder.

Section 5.05. Proper Books and Records. The District shall keep or cause to be kept adequate and proper records and books of account in which complete and correct entries shall be made with respect to the District, the Pledged Revenue, and all of the funds and accounts established or maintained pursuant to any of the Financing Documents. The District shall (a) maintain accounting records in accordance with generally recognized and accepted principles of accounting consistently applied throughout the accounting periods involved; (b) provide the Lender with such information concerning the business affairs and financial condition (including

insurance coverage) of District as the Lender may reasonably request; and (c) without request, provide the Lender with the information set forth in Section 5.06 hereof.

Section 5.06. Reporting Requirements. The District will provide the following to the Lender at the times and in the manner provided below:

(i) as soon as available, but not later than the February 28th of each year, (A) a copy of the certification of values issued by the County Assessor for the prior Fiscal Year containing the final certified “actual value” and final assessed valuation of the District for that year and (B) a copy of the District’s certification of the Limited Mill Levy for the prior Fiscal Year;

(ii) as soon as available, but not later than the February 28th of each year, a copy of the annual budget of the District for such Fiscal Year;

(iii) on the earlier of (A) two weeks following its completion or (B) 270 days after the end of the prior Fiscal Year, a copy of unqualified audited financial statements prepared in accordance with generally accepted accounting principles consistently applied, in reasonable detail and audited by a firm of independent certified public accountants selected by the District, which financial statements shall include, without limitation, a balance sheet of the District as of the end of the immediately preceding Fiscal Year and the related statements of revenues, expenditures and changes in fund balance for the immediately preceding Fiscal Year (which covenant shall apply notwithstanding any State law audit exemptions that may exist or any different time requirements for the completion of such audit under State law);

(iv) as soon as available, but no later than forty-five (45) days from the end of each calendar quarter, beginning with the calendar quarter ending on March 31, 2018, quarterly unaudited financial statements which shall include statements of revenues, expenditures and changes in fund balances for the relevant quarter;

(v) promptly upon request of the Lender, the District shall furnish to the Lender such other reports or information regarding the Pledged Revenue or the assets, financial condition, business or operations of the District as the Lender may reasonably request, to the extent legally permissible for the District to provide.

Section 5.07. Inspection of Books and Records. The Lender shall have the right to examine any of the books and records of the District, but solely to the extent such books and records relate to the Pledged Revenue and/or repayment of the Loan, at any reasonable time and as often as the Lender may reasonably desire. Without limiting the generality of the foregoing, the Lender agrees that it shall use commercially reasonable efforts to maintain as confidential any non-public or proprietary information obtained by the Lender in exercising its rights under this Section 5.08.

Section 5.08. Instruments of Further Assurance. The District covenants that it will do, execute, acknowledge, and deliver or cause to be done, executed, acknowledged, and delivered, such agreements supplemental hereto and such further acts, instruments, and transfers as the Lender may reasonably require for the better assuring, transferring, and pledging unto the Lender the Pledged Revenue; provided, however, that the District shall not be obligated to incur in excess of nominal expenses in complying with this covenant.

Section 5.09. Covenant To Impose Limited Mill Levy. The District hereby covenants as follows:

(a) For the purposes of funding the principal and interest due on the Loan (collectively, the “**Annual Debt Requirements**”), the District covenants to cause to be levied on all of the taxable property of the District, in addition to all other taxes, direct annual taxes in each of the years 2018 to 2036 inclusive (and, to the extent necessary to make up any overdue payments on the Loan, in each year subsequent to 2036) in the amount of the Limited Mill Levy; **provided, however, that in no event may the District impose an ad valorem property tax for the payment of this Loan after December 2053 (for collection in calendar year 2054).** Nothing herein shall be construed to require the District to levy an ad valorem property tax for the aforementioned purposes in excess of the Limited Mill Levy.

(b) The foregoing provisions of this Agreement are hereby declared to be the certificate of the Board to the Board of County Commissioners of each county in which taxable real or personal property of the District is located, showing the aggregate amount of taxes to be levied from time to time, as required by law, for the purposes of paying the Annual Debt Requirements.

(c) The amounts necessary to pay all costs and expenses incidental to effecting the transactions contemplated under the Financing Documents and paying the Annual Debt Requirements are hereby appropriated for said purposes, and such amounts as appropriated for each year shall also be included in the annual budget and the appropriation bills to be adopted and passed by the Board in each year, respectively, until the Loan has been fully paid, satisfied, and discharged and the Note and this Agreement are no longer in effect.

(d) It shall be the duty of the Board, annually, at the time and in the manner provided by law for levying other District taxes, to ratify and carry out the provisions hereof with reference to the levying and collection of taxes; and the Board shall levy, certify, and collect said taxes in the manner provided by law for the purposes aforesaid.

(e) Said taxes shall be levied, assessed, collected, and enforced at the time and in the form and manner and with like interest and penalties as other general taxes in the State of Colorado, and when collected said taxes shall be paid to the District as provided by law. The Board shall take all necessary and proper steps to enforce promptly the payment of taxes levied pursuant to this Agreement.

(f) In the event any ad valorem taxes are not paid when due, the District shall diligently cooperate with the appropriate county treasurer to enforce the lien of such unpaid taxes against the property for which the taxes are owed.

Section 5.10. Additional Debt. The District shall not be permitted to issue any Debt without the written consent of the Lender.

Section 5.11. Continued Existence. The District will maintain its existence and shall not merge or otherwise alter its corporate structure in any manner or to any extent as might reduce the security provided for the payment of the Loan.

Section 5.12. Operation and Management. The District will continue to operate in accordance with all applicable laws, rules, regulations, and intergovernmental agreements, and keep and maintain separate accounts of the receipts and expenses thereof in such manner that the Pledged Revenue may at all times be readily and accurately determined.

Section 5.13. No Exclusion of Property. The District shall take no action nor consent to any action that could have the effect of excluding property from its boundaries if the District determines in good faith that such action or actual exclusion would have a materially adverse effect on the amount of Pledged Revenue that would otherwise be collected by the District.

Section 5.14. Amendments to Financing Documents Require Prior Lender Consent. The District shall not terminate, amend or consent (to the extent the District's consent is required) to any termination or amendment to any Financing Document or any provision of the Urban Renewal Plan with respect to Pledged Revenue or waive any provision of any of the foregoing, including but not limited to providing any consent with respect to a change in the amount of the PIF, without the prior written consent of the Lender.

Section 5.15. Application of Excess PIF Revenue. Any Excess PIF Revenue released to the District pursuant to clause "THIRD" of Section 3.02 hereof may be applied by the District only to pay due and payable PIF Eligible Cost and any other costs permitted by the PIF Covenant. The District shall retain records of the PIF Eligible Costs and other costs permitted by the PIF Covenant to which any such Excess PIF Revenue are applied.

Section 5.16. Tax Covenants.

(a) The District covenants that it will not take any action or omit to take any action with respect to the Loan, any funds of the District, or any facilities financed or refinanced with the proceeds of the Loan, if such action or omission (1) would cause the interest on the Note to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Code, (2) would cause interest on the Note to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Code except to the extent such interest is required to be included in the adjusted current earnings adjustments applicable to corporations under Section 56 of the Code in calculating corporate alternative minimum taxable income, or (3) would cause interest on the Note to lose its exclusion from Colorado taxable income or Colorado alternative minimum taxable income under present Colorado law.

(b) The District covenants to comply with the covenants, provisions, and procedures of the Tax Certificate.

(c) The District further covenants to pay from time to time all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any temporary, proposed, or final Treasury Regulations as may be applied to the Note from time to time. The payment of such rebate amounts as required by this paragraph supersedes all other provisions of this Agreement concerning the deposit and transfer of interest earnings to or from any other fund or account. Moneys set aside to pay such rebate amounts pursuant to this paragraph are not subject to any lien created hereunder for the benefit of the Lender. This covenant shall survive the payment in full or the defeasance of the Note.

(d) The District hereby designates the Note as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code.

(e) The covenants contained in this Section shall remain in full force and effect until the date on which all obligations of the District in fulfilling such covenants under the Code and Colorado law have been met, notwithstanding the payment in full or defeasance of the Note.

Section 5.17. Indemnification. The District agrees, to the extent permitted by law, to indemnify and hold harmless the Lender and its agents, employees, officers, directors, and controlling Persons, together with any Participant and its agents, employees, officers, directors, and controlling Persons (hereinafter collectively referred to in this Section as the “**Indemnitees**”) from and against any and all claims, damages, liabilities, settlements, judgments, losses, legal fees, and costs or expenses incurred (including all reasonable fees and disbursements of the Indemnitees’ legal counsel and allocated cost of in house counsel and staff and all of the Indemnitees’ reasonable travel and other out of pocket expenses incurred in connection with the investigation of and preparation for any such pending or threatened claims and any litigation and other proceedings arising therefrom) arising out of or based upon (a) the Loan; or (b) the holding or owning by the Lender, the Participant, or their respective nominees of any Pledged Revenue; or (c) any matters for which neither the Lender nor any Participant has any liability as set forth under the Section hereof entitled “No Liability”; provided however, that the District shall not be required to indemnify the Indemnitees for any claims, damages, losses, liabilities, settlements, judgments, legal fees, or costs or expenses to the extent proven to be caused by the Lender’s willful or negligent failure to make lawful payment under the Loan. Nothing in this Section is intended to limit the District’s obligations contained in Article II hereof.

If any action, lawsuit, or claim shall be brought or asserted against the Indemnitees in respect of which indemnity may be sought by the Indemnitees from the District under this Section, the Indemnitees shall promptly notify the District in writing, and the District shall promptly assume the defense thereof, including, but not limited to, the employment of counsel (the selection of which has been approved by the Indemnitees and such approval shall not be unreasonably withheld), the payment of all legal fees and expenses and the right to negotiate and consent to settlement; provided however, that the District shall not settle any such action which

may adversely affect the Lender without the Lender's written consent, which consent shall not be unreasonably withheld.

In the event that the Indemnitees shall be advised by counsel experienced in matters of banking or securities laws that the Indemnitees have defenses or causes of action separate from those of the District, or that there is otherwise a conflict of interest, the Indemnitees has the right to employ their own counsel ("**Independent Counsel**") to defend the Indemnitees against such action at the expense of the District, who shall pay all legal fees and expenses incurred by such Independent Counsel. The Indemnitees' selection of Independent Counsel shall be approved by the District, and such approval shall not be unreasonably withheld. With respect to claims against the Indemnitees defended by Independent Counsel, the Indemnitees has the right to negotiate settlement of any such claims; provided however, that the District shall not be liable for any such settlement effected by the Indemnitees without the written consent of the District, which consent shall not be unreasonably withheld.

The obligations of the District under this Section shall be in addition to any rights that any Indemnitee may have at common law or otherwise and shall survive the payment in full of all amounts owing to the Lender hereunder. If indemnification pursuant to this Section shall be found to be unlawful or invalid for any reason, then the District and each Indemnitee shall, to the extent permitted by law, make contributions in payment of any liabilities incurred pursuant to the above referenced issuance, sale, and distributions, and statements or omissions in accordance with the respective fault of the District and each Indemnitee.

Nothing in this Section 8.03 shall be considered a waiver, express or implied, to any protections afforded to the District pursuant to Title 24, Article 10, C.R.S., the Colorado Constitution, or under other current law, and the District expresses no opinion or certification as to the validity of this Section 8.03.

Without prejudice to the survival of any other agreement of the District hereunder, the agreements and obligations contained in this Section shall survive the payment in full of all amounts owing to the Lender hereunder or the termination of this Agreement.

ARTICLE VI

LENDER'S REPRESENTATIONS

Section 6.01. Accredited Investor. The Lender is an organization that qualifies as an "accredited investor," as defined in Section 11-59-110(1)(g), C.R.S., and the Lender will not assign or transfer the Loan, this Agreement or the Note to any person or entity except in compliance with Section 8.02 hereof.

Section 6.02. Financial Institution or Institutional Investor. The Lender is an organization that qualifies as a "financial institution or institutional investor" as defined in § 32-1-103(6.5), C.R.S.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.01. Events of Default. The occurrence of any one or more of the following events or the existence of any one or more of the following conditions shall constitute an Event of Default under this Agreement (whatever the reason for such event or condition and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree, rule, regulation, or order of any court or any administrative or governmental body); provided that except for Events of Default occurring under (a) or (b) of this Section 7.01, which will be deemed to have occurred as of the date of the Default, no Event of Default will be deemed to have occurred hereunder unless and until the Lender provides written notice of the same to the District:

(a) The District fails or refuses to impose the Limited Mill Levy as required herein; or

(b) The District fails to deposit the Pledged Revenue as required herein or fails to transfer the Pledged Revenue to the Lender as required herein; or

(c) The District defaults in the performance or observance of any other of the material covenants, agreements, or conditions on the part of the District in this Agreement, or the Note, and fails to remedy the same to the satisfaction of the Lender within 45 days after the Lender has provided the District with notice thereof; provided however, that there shall be no Event of Default for failure to observe or perform any of the covenants, agreements, or conditions on the part of the District in the Financing Documents which are qualified by the phrase “to the extent permitted by law” or by phrases of similar import, if a court or other tribunal of competent jurisdiction has determined in a final, non-appealable judgment that such covenants, agreements, or conditions are not permitted by law; or

(d) An Event of Default (as defined in the 2016 Loan Agreement) has occurred and is continuing thereunder.

It is acknowledged that due to the limited nature of the Pledged Revenue, the failure to pay the principal of or interest on the Loan when due shall not, of itself, constitute an Event of Default hereunder.

It is further acknowledged that the District shall not be required to impose the Limited Mill Levy for payment of the Loan after December 2053 (for collection in calendar year 2054).

Section 7.02. Remedies on Occurrence of Event of Default.

(a) ***Lender’s Rights and Remedies.*** Upon the occurrence and continuance of an Event of Default, the Lender shall have the following rights and remedies which may be pursued:

(i) *Receivership.* Upon the filing of a bill in equity or other commencement of judicial proceedings to enforce the rights of the Lender hereunder, the Lender shall be entitled as a matter of right to the appointment of a receiver or receivers of the Pledged Revenue, and of the revenues, income, product, and profits thereof pending such proceedings, subject however, to constitutional limitations inherent in the sovereignty of the District; but notwithstanding the appointment of any receiver or other custodian, the Lender shall be entitled to the possession and control of any cash, securities, or other instruments constituting Pledged Revenue at the time held by, or payable or deliverable under the provisions of this Loan Agreement to, the Lender.

(ii) *Suit for Judgment.* The Lender may proceed to protect and enforce its rights under this Loan Agreement and any provision of law by such suit, action, or special proceedings as the Lender shall deem appropriate.

(iii) *Mandamus or Other Suit.* The Lender may proceed by mandamus or any other suit, action, or proceeding at law or in equity, to enforce its rights hereunder.

(b) *Judgment.* No recovery of any judgment by the Lender shall in any manner or to any extent affect the lien of this Loan Agreement on the Pledged Revenue or any rights, powers, or remedies of the Lender hereunder, but such lien, rights, powers, and remedies of the Lender shall continue unimpaired as before.

(c) *Application of Default Rate.* Upon occurrence and during the continuation of an Event of Default, the Lender may impose the Default Rate in accordance with Section 2.03 hereof.

Upon the District's failure to pay principal of, or interest on, the Loan when due, the Lender may impose the Default Rate on the Loan until the District becomes current on such payments of debt service, provided however, that application of such Default Rate to the Loan shall not make such non-payment, in and of itself, an Event of Default hereunder and the Lender will not exercise any other remedy, that may lie at law or in equity, for such non-payment.

(d) *No Acceleration.* Notwithstanding the foregoing or anything else herein to the contrary, acceleration shall not be an available remedy for an Event of Default.

Section 7.03. Notice to Lender of Default. Notwithstanding any cure period described above, the District will immediately notify the Lender in writing when it obtains knowledge of the occurrence of any Default or Event of Default.

Section 7.04. Delay or Omission No Waiver. No delay or omission of the Lender to exercise any right or power accruing upon any default shall exhaust or impair any such right or power or shall be construed to be a waiver of any such default, or acquiescence therein; and every power and remedy given by this Agreement may be exercised from time to time and as often as may be deemed expedient.

Section 7.05. No Waiver of One Default to Affect Another; All Remedies

Cumulative. No waiver of any Event of Default hereunder shall extend to or affect any subsequent or any other then existing Event of Default or shall impair any rights or remedies consequent thereon. All rights and remedies of the Lender provided herein shall be cumulative and the exercise of any such right or remedy shall not affect or impair the exercise of any other right or remedy.

ARTICLE VIII

MISCELLANEOUS

Section 8.01. Loan Agreement and Relationship to Other Documents. The warranties, covenants and other obligations of the District (and the rights and remedies of the Lender) that are outlined in this Agreement and the other Financing Documents are intended to supplement each other. In the event of any inconsistencies in any of the terms in the Financing Documents, all terms will be cumulative so as to give the Lender the most favorable rights set forth in the conflicting documents, except that if there is a direct conflict between any preprinted terms and specifically negotiated terms (whether included in an addendum or otherwise), the specifically negotiated terms will control.

Section 8.02. Assignment; Participation.

(a) This Loan Agreement shall not be assignable by either party without the prior written consent of the other party hereto. Notwithstanding the foregoing, the Lender's right to receive payments hereunder and the Note may be sold, transferred or conveyed only in whole and not in part and only to "accredited investors" within the meaning of Rule 501(A) of Regulation D promulgated by the Securities and Exchange Commission under the Securities Act of 1933, as amended, who have executed an investor letter in the form attached as Exhibit B hereto; provided, however, the Lender may sell, transfer or convey its right to receive payments hereunder and the Note only if simultaneously herewith it also sells, transfers or conveys all of its right to receive payments under the 2016 Loan Agreement and the 2016 Notes. The Lender agrees that any assignment or transfer in violation of the foregoing shall be null and void and of no force or effect, at the election of the District.

(b) The rights, options, powers, and remedies granted in the Financing Documents will extend to the Lender and to its successors and assigns, will be binding upon the District and its successors and assigns, and will be applicable hereto and to all renewals and extensions hereof.

(c) The Lender may collaterally assign and pledge, without the consent of the District, all or any portion of the obligations owing to it to any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank; provided that any payment in respect of such assigned obligations made by the District to the Lender in accordance with the terms of this Agreement shall satisfy the District's obligations hereunder in respect of such assigned obligation to the

extent of such payment. No such collateral assignment shall release the Lender from its obligations hereunder.

(d) The Lender may at any time, without the consent of the District, sell to Participants participating interests in its rights and obligations under this Agreement; provided however, that (i) the Lender's obligations hereunder shall remain unchanged, (ii) the Lender shall remain solely responsible for the performance of such obligations, and (iii) the participation of one or more participants shall not reduce or alter the Lender's obligations hereunder or affect in any way the rights or obligations of the District hereunder, and the District has the right to continue to deal solely with the Lender. The Lender will give notice of the sale of such participation and the name of the participant to the District within 30 days of the date of such sale. In the case of any such participation, the participant shall be entitled to the benefit of the Section hereof entitled "Indemnification" as though it were also the Lender hereunder, and if amounts outstanding under this Agreement are due and unpaid, or have been declared or have become due and payable, each participant shall be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as the Lender under this Agreement. Furthermore, any participation of the Loan shall be subject to the limitations set forth in subsection (a) of this Section, including execution of an investor letter by the participant in substantially the form attached as Exhibit B hereto.

Section 8.03. Notice of Claims Against Lender; Limitation of Certain Damages. In order to allow the Lender to mitigate any damages to the District from the Lender's alleged breach of its duties under the Financing Documents or any other duty, if any, to the District, the District agree to give the Lender written notice no later than twenty (20) days after the District knows of any claim or defense it has against the Lender, whether in tort or contract, relating to any action or inaction by the Lender under the Financing Documents, or the transactions related thereto, or of any defense to payment of the Obligations for any reason. The requirement of providing timely notice to the Lender represents the parties' agreed-to standard of performance regarding the duty of the Lender to mitigate damages related to claims against the Lender. Notwithstanding any claim that the District may have against the Lender, and regardless of any notice the District may have given the Lender, the Lender will not be liable to the District for consequential and/or special damages arising therefrom, except those damages arising from the Lender's willful misconduct, gross negligence or bad faith. Failure by the District to give notice to the Lender shall not waive any claims of the District but such failure shall relieve the Lender of any duty to mitigate damages prior to receiving notice.

Section 8.04. Notices. Notice of any record shall be deemed delivered when the record has been (a) deposited in the United States Mail, postage pre-paid; (b) received by overnight delivery service; (c) received by telecopy; (d) received through the internet; or (e) when personally delivered at the following addresses:

Section 8.05. Applicable Law and Jurisdiction; Interpretation; Severability. This Agreement will be governed by and interpreted in accordance with the internal laws of the State of Colorado, except to the extent superseded by Federal law. Invalidity of any provisions of this

Agreement will not affect any other provision. THE DISTRICT AND THE LENDER HEREBY CONSENT TO THE EXCLUSIVE JURISDICTION OF ANY STATE OR FEDERAL COURT SITUATED IN EL PASO COUNTY, COLORADO, AND WAIVE ANY OBJECTIONS BASED ON *FORUM NON CONVENIENS*, WITH REGARD TO ANY ACTIONS, CLAIMS, DISPUTES OR PROCEEDINGS RELATING TO THIS AGREEMENT, THE NOTE, OR THE PLEDGED REVENUE OR ANY TRANSACTIONS ARISING THEREFROM, OR ENFORCEMENT AND/OR INTERPRETATION OF ANY OF THE FOREGOING. Nothing in this Agreement will affect the Lender's rights to serve process in any manner permitted by law. This Agreement, the other Financing Documents and any amendments hereto (regardless of when executed) will be deemed effective and accepted only at the Lender's offices, and only upon the Lender's receipt of the executed originals thereof. Invalidity of any provision of this Agreement shall not affect the validity of any other provision.

Section 8.06. Copies; Entire Agreement; Modification. Each party hereby acknowledges the receipt of a copy of this Agreement and all other Financing Documents.

IMPORTANT: READ BEFORE SIGNING. THE TERMS OF THIS AGREEMENT SHOULD BE READ CAREFULLY BECAUSE ONLY THOSE TERMS IN WRITING, EXPRESSING CONSIDERATION AND SIGNED BY THE PARTIES ARE ENFORCEABLE. NO OTHER TERMS OR PROMISES NOT CONTAINED IN THIS WRITTEN CONTRACT MAY BE LEGALLY ENFORCED. THE TERMS OF THIS AGREEMENT MAY ONLY BE CHANGED BY ANOTHER WRITTEN AGREEMENT. THIS NOTICE SHALL ALSO BE EFFECTIVE WITH RESPECT TO ALL OTHER CREDIT AGREEMENTS NOW IN EFFECT BETWEEN THE DISTRICT AND THE LENDER. A MODIFICATION OF ANY OTHER CREDIT AGREEMENT NOW IN EFFECT BETWEEN THE DISTRICT AND THE LENDER, WHICH OCCURS AFTER RECEIPT BY THE DISTRICT OF THIS NOTICE, MAY BE MADE ONLY BY ANOTHER WRITTEN INSTRUMENT. ORAL OR IMPLIED MODIFICATIONS TO ANY SUCH CREDIT AGREEMENT ARE NOT ENFORCEABLE AND SHOULD NOT BE RELIED UPON.

Section 8.07. Waiver of Jury Trial. THE DISTRICT AND THE LENDER HEREBY JOINTLY AND SEVERALLY WAIVE, TO THE EXTENT PERMITTED BY LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING RELATING TO ANY OF THE FINANCING DOCUMENTS, THE OBLIGATIONS THEREUNDER, ANY COLLATERAL SECURING THE OBLIGATIONS, OR ANY TRANSACTION ARISING THEREFROM OR CONNECTED THERETO. EACH OF THE DISTRICT AND THE LENDER REPRESENTS TO THE OTHER THAT THIS WAIVER IS KNOWINGLY, WILLINGLY AND VOLUNTARILY GIVEN.

Section 8.08. Attachments. All documents attached hereto, including any appendices, schedules, riders, and exhibits to this Agreement, are hereby expressly incorporated by reference.

Section 8.09. No Recourse Against Officers and Agents. Pursuant to Section 11-57-209 of the Supplemental Public Securities Act, if a member of the Board of the District, or any officer or agent of the District, acts in good faith in the performance of his duties as a member, officer, or agent of the Board or the District and in no other capacity, no civil recourse shall be

available against such member, officer or agent for payment of the principal of and interest on the Loan or the Note. Such recourse shall not be available either directly or indirectly through the Board of the District, or otherwise, whether by virtue of any constitution, statute, rule of law, enforcement of penalty, or otherwise. By the acceptance of the delivery of the Note evidencing the Loan and as a part of the consideration for such transfers, the Lender and any person purchasing or accepting the transfer of the obligations representing the Loan specifically waives any such recourse.

Section 8.10. Conclusive Recital. Pursuant to Section 11-57-210 of the Supplemental Public Securities Act, this Loan Agreement is entered into and the Note is issued pursuant to certain provisions of the Supplemental Public Securities Act. Such recital shall be conclusive evidence of the validity and the regularity of the issuance of the Note and the Loan Agreement after delivery for value.

Section 8.11. Limitation of Actions. Pursuant to Section 11-57-212 of the Supplemental Public Securities Act, no legal or equitable action brought with respect to any legislative acts or proceedings in connection with the authorization or issuance of the Note or the Loan Agreement shall be commenced more than 30 days after the authorization of the Note and the Loan Agreement.

Section 8.12. Pledge of Revenue. The creation, perfection, enforcement, and priority of the pledge of revenues to secure or pay the Loan provided herein shall be governed by Section 11-57-208 of the Supplemental Public Securities Act, this Agreement, the Note, and the Authorizing Resolution. The amounts pledged to the payment of the Note and the Loan Agreement shall immediately be subject to the lien of such pledge without any physical delivery, filing, or further act. The lien of such pledge shall have a first priority and be perfected without any additional action required to be taken by the District. The lien of such pledge shall be valid, binding, and enforceable as against all persons having claims of any kind in tort, contract, or otherwise against the District irrespective of whether such persons have notice of such liens. THE LOAN SHALL NOT CONSTITUTE A DEBT OR OBLIGATION OF THE CITY, AND THE FAITH AND CREDIT OF THE CITY IS NOT PLEDGED TO THE PAYMENT OF THE LOAN.

Section 8.13. No Third Party Beneficiaries. The parties intend that there shall be no third party beneficiaries to this Loan Agreement.

Section 8.14. Payment on Non-Business Days. Except as provided herein, whenever any payment hereunder shall be stated to be due on a day which is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of the amount due.

Section 8.15. Document Imaging. The parties shall be entitled, in their sole discretion, to image all or any selection of the Financing Documents, other instruments, documents, items and records governing, arising from or relating to the Loan, and may destroy or archive the paper originals. The parties hereby waive any right to insist that the other party produce paper originals; agrees that such images shall be accorded the same force and effect as the paper originals; and further agrees that the parties are entitled to use such images in lieu of destroyed or

archived originals for any purpose, including as admissible evidence in any demand, presentment or proceedings.
