1. PARTIES

This Agreement is entered into by and between Contractor named on the Cover Page for this Agreement (the “Contractor”), and the STATE OF COLORADO acting by and through the State agency named on the Cover Page for this Agreement (the “State” or the “Department”). Contractor and the State agree to the terms and conditions in this Agreement.

2. TERM AND EFFECTIVE DATE

A. Effective Date

This Agreement shall not be valid or enforceable until the Effective Date. The State shall not be bound by any provision of this Agreement before the Effective Date.

B. Initial Term

The Parties’ respective performances under this Agreement shall commence on the Agreement Performance Beginning Date shown on the Cover Page for this Agreement and shall terminate on the Initial Agreement Expiration Date shown on the Cover Page for this Agreement (the “Initial Term”) unless sooner terminated or further extended in accordance with the terms of this Agreement.

C. Extension Terms - State’s Option

The State, at its discretion, shall have the option to extend the performance under this Agreement beyond the Initial Term for a period, or for successive periods, of one year or less at the same rates and under the same terms specified in the Agreement (each such

period an “Extension Term”). In order to exercise this option, the State shall provide written notice to Contractor in a form substantially equivalent to **Exhibit C**, attached hereto. Except as stated in **§2.D**, the total duration of this Agreement, including the exercise of any options to extend, shall not exceed five years from its Effective Date.

D. End of Term Extension

If this Agreement approaches the end of its Initial Term, or any Extension Term then in place, the State, at its discretion, upon written notice to Contractor as provided in **§14**, may unilaterally extend such Initial Term or Extension Term for a period not to exceed two months (an “End of Term Extension”), regardless of whether additional Extension Terms are available or not. The provisions of this Agreement in effect when such notice is given shall remain in effect during the End of Term Extension. The End of Term Extension shall automatically terminate upon execution of a replacement Agreement or modification extending the total term of this Agreement.

E. Early Termination in the Public Interest

If this Agreement ceases to further the public interest of the State, the State, in its discretion, may terminate this Agreement in whole or in part. A determination that this Agreement should be terminated in the public interest shall not be equivalent to a State right to terminate for convenience. This subsection shall not apply to a termination of this Agreement by the State for breach by Contractor, which shall be governed by **§12.A.i**.

i. Method and Content

The State shall notify Contractor of such termination in accordance with **§14**. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Agreement, and shall include, to the extent practicable, the public interest justification for the termination.

ii. Obligations and Rights

Upon receipt of a termination notice for termination in the public interest, Contractor shall be subject to the rights and obligations set forth in **§12.A.i**.

Permanent loss of license by Contractor shall result in immediate termination of this Agreement.
- ii. Notwithstanding the then-current Agreement Expiration Date this Agreement shall automatically terminate upon Contractor’s written notice to the State, in accordance with **§14** of this Agreement, that it no longer intends to operate as a Testing Unit.
