

Colorado Springs Utilities
It's how we're all connected

Intergovernmental Agreement

Between Pueblo Board of Water Works (PBWW) and
Colorado Springs Utilities

Kim Gortz, Water Resources Planning Supervisor

PBWW Clear Creek Reservoir IGA

- PBWW owns and operates Clear Creek Reservoir, located near Granite, CO in Chaffee County.
- PBWW is conducting a study to determine the feasibility of enlarging the reservoir from 11,015 acre-feet to approximately 30,000 acre-feet of capacity.
- Colorado Springs Utilities desires to investigate the feasibility of an additional enlargement of the reservoir to assist with meeting the future water supply demands of its customers.
- The parties negotiated an IGA providing for Colorado Springs Utilities' participation in the feasibility study and for the parties to negotiate further intergovernmental agreements for Colorado Springs Utilities' participation in the enlargement.

Project Location

Recommendation

- Utilities Board authorize Colorado Springs Utilities to take the IGA to City Council for consideration on the consent calendar at its November 8, 2022 meeting.
