C. Pursuant to this Financing Agreement, the Issuer will use the proceeds of the Bonds to make one or more loans to the Borrower to finance the acquisition, construction and equipping of the Project.

Section 4.02. Payment of Fees and Expenses. In addition to all fees, costs, expenses and other amounts required to be paid by the Borrower under the Construction Loan Documents, Bridge Loan Documents, and the Permanent Loan Documents, the Borrower shall pay, without duplication, the following fees and expenses:

(a) All amounts required to (i) pay the fees of the Trustee for its duties and services as Trustee in connection with the Bonds (as such duties and services are set out in the Indenture) and (ii) reimburse the Trustee for all out of-pocket expenses, fees, costs and other charges, including counsel fees and taxes (excluding income, value added and single business taxes), reasonably and

necessarily incurred by the Trustee in performing its duties as Trustee under the Indenture, including the Ordinary Trustee Fees and Expenses and the Extraordinary Trustee Fees and Expenses.

(b) The Ordinary Issuer Fees and Expenses, the Extraordinary Issuer Fees and Expenses, and the reasonable fees and expenses of the Issuer or any agents, attorneys, accountants, and consultants selected by the Issuer to act on its behalf in connection with the Financing Documents, the Permanent Loan Documents or the Bonds, including, without limitation, any and all reasonable expenses incurred (i) in connection with the authorization, issuance, sale and delivery of the Bonds, (ii) in connection with any litigation which may at any time be instituted involving the Financing Documents, the Permanent Loan Documents or the Bonds or any of the other documents contemplated thereby, (iii) in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations, (iv) in connection with any debt reporting or other requirements applicable to the Issuer required by law or a governmental authority or (v) otherwise in connection with the administration of the foregoing.

(c) All taxes and assessments of any type or character charged to the Issuer or to the Trustee affecting the amount available to the Issuer or the Trustee from payments to be received hereunder or in any way arising due to the transactions contemplated hereby or thereby (including taxes and assessments assessed or levied by any public agency or governmental authority of whatsoever character having power to levy taxes or assessments) but excluding franchise taxes based upon the capital and/or income of the Trustee and taxes based upon or measured by the net income of the Trustee; provided, however, that the Borrower shall have the right to protest any such taxes or assessments and to require the Issuer or the Trustee, at the Borrower's expense, to protest and contest any such taxes or assessments levied upon them and that the Borrower shall have the right to withhold payment of any such taxes or assessments pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Issuer or the Trustee.

(d) The fees of the Rebate Analyst as required by the Indenture and all out-of-pocket expenses of the Rebate Analyst.

(e) All Costs of Issuance of the Bonds, including, but not limited to, Rating Agency fees, printing expenses, attorneys' fees and the Underwriter's fees, and all expenses of originating the Construction Loan by the Construction Lender, the Bridge Loan by the Bridge Lender, and Permanent Loan by the Permanent Lender, the Borrower acknowledging that all such fees, costs and expenses must be paid by the Borrower separate and apart from payments due under the Permanent Loan and will not be included in the Mortgage Note Rate.

(f) The Costs of Issuance Deposit to be made to the Costs of Issuance Fund on the Closing Date pursuant to Sections 5.04 and 5.07 of the Indenture.

(g) All fees of the Department of Local Affairs of the State of Colorado that relate to the Issuer's private activity bond volume cap allocation, if any.

These obligations and those in Section 5.09 hereof shall remain valid and in effect notwithstanding repayment of the Permanent Loan hereunder or termination of this Financing Agreement or the Indenture.

All fees and expenses not included in the Mortgage Note Rate shall not be secured by the Mortgage, except as provided for therein, and shall be subordinate to the Borrower's obligations under the Permanent Loan in all respects. No such fees or expenses payable to the Issuer or the Trustee shall be paid from the proceeds of the MBS.

Section 4.03. Notification of Prepayment of Bond Loan Note and Mortgage Note. The Issuer and the Lender, as applicable, shall notify the Trustee, the Construction Lender, and the Limited Partner in writing promptly of the receipt of any prepayment of the Bond Loan Note and the Mortgage Note, whether upon acceleration, by reason of application of insurance or condemnation proceeds, optional prepayment or otherwise. If such prepayment results in revisions to the amortization schedule, the Lender shall provide the revised amortization schedule to the Trustee, the Construction Lender (prior to conversion) and the Limited Partner.

Section 4.04. Collateral Payments. In consideration of and as a condition to the disbursement of Bond proceeds in the Bond Proceeds Fund to pay Project Costs (except as otherwise set forth in Section 5.08 of the Indenture), and to secure the Borrower's obligation to make payments on the Permanent Loan, the Borrower shall cause the delivery of Eligible Funds equal to the amount of the proposed disbursement to the Trustee on or before each such disbursement. All such Eligible Funds shall be paid to the Trustee for the account of the Issuer and shall be held in the applicable account of the Collateral Fund and disbursed in accordance with the provisions of the Indenture.

Section 4.05. Disbursements from the Bond Proceeds Fund. Subject to the provisions below and so long as no Event of Default hereunder has occurred and is continuing for which the principal amount of the Bonds has been declared to be immediately due and payable pursuant to Section 8.02 hereof and Section 8.02 of the Indenture, and no Determination of Taxability has occurred with respect to the 2022A Bonds, disbursements from the Bond Proceeds Fund shall be made only to pay any of the Project Costs.

Any disbursements from the Bond Proceeds Fund for the payment of Project Costs shall be made by the Trustee only upon the receipt by the Trustee of: (a) a signed requisition in the form attached hereto as Exhibit A, on which the Trustee may conclusively rely; and (b) except as otherwise set forth in Section 5.08 of the Indenture, Eligible Funds in an amount equal to the amount of any such disbursement request for deposit in the Collateral Fund as provided in Section 4.04 hereof. The Borrower hereby acknowledges and agrees that it shall submit disbursement requests to the Trustee no more frequently than once each calendar month. Each such disbursement request shall be consecutively numbered and accompanied by a copy of the approval of the Lender of the payments or reimbursements requested. Except as otherwise set forth in Section 5.09 of the Indenture, proceeds of the Bonds disbursed pursuant to the provisions of this Financing Agreement may only be used to pay the Project Costs.

Any disbursement of the proceeds of the 2022A Bonds for any item not described in, or the cost for which item is other than as described in, the information statement filed by the Issuer

in connection with the issuance of the 2022A Bonds as required by Section 149(e) of the Code, and in the notice of public hearing pertaining to the 2022A Bonds shall be accompanied by an opinion of Bond Counsel to the effect that such disbursement will not adversely affect the status of the interest on the 2022A Bonds as excludible from gross income for federal income tax purposes of the Bondholders (except on 2022A Bonds while held by a substantial user or related person, each as defined in the Code).

Any money in the Bond Proceeds Fund remaining after the MBS Delivery Date shall be applied as provided in Section 5.11 of the Indenture.

Notwithstanding any provision of this Financing Agreement or any provision of the Indenture to the contrary, except as otherwise set forth in Section 5.08 of the Indenture, the Trustee shall not disburse funds from the Bond Proceeds Fund unless and until the Trustee confirms that Eligible Funds in the Collateral Fund plus Eligible Funds in the Bond Proceeds Fund, less the amount of the requested disbursement from the Bond Proceeds Fund, is at least equal to the then-Outstanding principal amount of the Bonds; provided, however, that the Trustee shall be permitted to transfer funds from the Bond Proceeds Fund to the Collateral Fund upon receipt of an opinion of Bond Counsel to the effect that such transfer shall not cause the interest on any of the Bonds to be or become includible in the gross income of the owners thereof for federal income tax purposes; provided, further, that that the result of such transfer is that the amount of Eligible Funds remaining on deposit in the Bond Proceeds Fund plus Eligible Funds on deposit in the Collateral Fund is at least equal to the then-Outstanding principal amount of the Bonds.

Section 4.06. Borrower Required to Pay in Event Project Fund Insufficient. In the event the moneys in the Bond Proceeds Fund available for payment of the Project Costs should not be sufficient to pay the Project Costs in full, the Borrower agrees to complete the Project and to pay that portion of the Project Costs in excess of the moneys available therefor in the Bond Proceeds Fund. The Issuer does not make any warranty, either express or implied, that the moneys paid into the Bond Proceeds Fund and available for payment of the Project Costs will be sufficient to pay all of the Project Costs. The Borrower agrees that if after exhaustion of the moneys in the Bond Proceeds Fund, the Borrower should pay any portion of the Project Costs pursuant to the provisions of this Section, the Borrower shall not be entitled to any reimbursement therefor from the Issuer, the Trustee or the Bondholders, nor shall the Borrower be entitled to any diminution of the amounts payable under this Agreement hereof or under the obligations hereunder.

Section 4.07. Obligation of Borrower Unconditional. The obligation of the Borrower to make payments hereunder and to perform and observe all other covenants, conditions and agreements hereunder shall be a general obligation of the Borrower and shall be absolute and unconditional until payment of the Bonds, irrespective of any defense or any rights of setoff, recoupment or counterclaim the Borrower might otherwise have against the Issuer, the Bondholders or the Trustee. Until payment of the Bonds in full, the Borrower shall not suspend or discontinue any such payment hereunder or fail to observe and perform any of the Borrower's other covenants, conditions and agreements hereunder for any cause, including without limitation failure of consideration, failure of title to any part or all of the Project, or commercial frustration of purpose, or any damage to or destruction or condemnation of all or any part of the Project, or any change in the tax or other laws of the United States of America, the State of Tennessee or any political subdivision of either, or any failure of the Issuer, the Trustee, the Bondholders or the

Underwriter to observe and perform any covenant, condition or agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection with any document in connection with the financing of the Project.

ARTICLE V

COVENANTS, UNDERTAKINGS AND OBLIGATIONS OF THE BORROWER

Section 5.01. Taxes, Other Governmental Charges and Utility Charges. The Borrower shall pay, or cause to be paid, promptly as the same become due and payable, every lawful cost, expense and obligation of every kind and nature, foreseen or unforeseen, for the payment of which the Issuer, the Trustee, the Lender or Fannie Mae is or shall become liable by reason of its or their estate or interest in the Project or any portion thereof, by reason of any right or interest of the Issuer, the Trustee, the Lender or Fannie Mae in or under this Financing Agreement, or by reason of or in any manner connected with or arising out of the possession, operation, maintenance, alteration, repair, rebuilding, use or occupancy of the Project or any portion thereof, including, without limitation, all taxes (except income and similar taxes of such entities), assessments, whether general or special, all costs of maintenance and repair, insurance premiums (including public liability insurance and insurance against damage to or destruction of the Project) concerning or in any way related to the Project, or any part thereof, and any expenses or renewals thereof, all utility and other charges and assessments concerning or in any way related to the Project, and governmental charges and impositions of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Project or any machinery, equipment or other property installed or brought by the Borrower therein or thereon; provided that any amounts payable hereunder that are also required to be paid by the terms of the Mortgage shall be paid without duplication on the terms provided in the Mortgage.

Upon request, the Borrower shall furnish to the Issuer, the Trustee, Fannie Mae and the Lender proof of the payment of any such tax, assessment or other governmental or similar charge, or any other charge which is payable by the Borrower as set forth above.

Section 5.02. Compliance With Laws. The Borrower shall, throughout the term of this Financing Agreement and at no expense to the Issuer, the Trustee, the Lender or Fannie Mae promptly comply or cause compliance with all laws, ordinances, rules, regulations and requirements of duly constituted public authorities which may be applicable to the Project or to the repair and alteration thereof, or to the use or manner of use of the Project, including, but not limited to, the applicable provisions of the Americans With Disabilities Act and all applicable federal, State and local environmental, labor, health and safety laws, rules and regulations.

Section 5.03. Maintenance of Legal Existence. During the term of this Financing Agreement, the Borrower shall maintain its existence as set forth in Section 2.01(a) and shall not terminate, dissolve or dispose of all or substantially all of its assets; provided, however, that the Borrower may, with the written permission of the Issuer, consolidate with or merge into another entity or permit one or more other entities to consolidate with or merge into it, or transfer all or substantially all of its assets to another entity, but only on the condition that the assignee entity or the entity resulting from or surviving such merger or consolidation (if other than the Borrower), or the entity to which such transfer shall be made, shall be duly organized and existing, in good

standing and qualified to do business under the laws of the State, shall remain so continuously during the term hereof, and shall expressly assume in writing and agree to perform all of the Borrower's obligations hereunder and under all other documents executed by the Borrower in connection with the issuance of the Bonds; provided, further, that (i) the Borrower delivers an opinion of Bond Counsel to the effect that such consolidation or merger shall not cause interest on the 2022A Bonds to be included in gross income for federal income tax purposes, and (ii) any transfer of the Project shall be effected in accordance with the Mortgage. Nothing in this Section 5.03 shall be deemed to relieve the Borrower of its obligations to comply with the provisions of the Permanent Loan Documents.

Section 5.04. Operation of Project. The Borrower will not sell, transfer or otherwise dispose of the Project except as provided in the Regulatory Agreement, the Permanent Loan Documents, and Section 5.03 of this Financing Agreement.

Section 5.05. Tax Covenants. The Borrower hereby covenants and agrees as follows:

(a) It shall (a) take or cause to be taken all actions necessary or appropriate in order to ensure fully and timely compliance with Section 9.12 of the Indenture, and (b) if required to do so under Section 9.12 of the Indenture, select at the Borrower's expense, a Rebate Analyst reasonably acceptable to the Issuer for the purpose of making any and all calculations required under Section 9.12 of the Indenture. Such calculations, if required, shall be made in the manner and at such times as specified in Section 9.12 of the Indenture. The Borrower shall cause the Rebate Analyst to provide such calculations to the Trustee and the Issuer at such times and with such directions as are necessary to comply fully with the arbitrage and rebate requirements set forth in the Indenture and to comply fully with Section 148 of the Code, including the timely payment of any arbitrage rebate owed.

(b) It will at all times comply with the terms of the Tax Certificate and the Regulatory Agreement.

(c) It will not take, or permit to be taken on its behalf, any action which would cause the interest payable on the 2022A Bonds to be included in gross income of the holders thereof for federal income tax purposes, and will take such action as may be necessary in the opinion of Bond Counsel to continue such exclusion from gross income, including, without limitation, the preparation and filing of all statements required to be filed by it in order to maintain the exclusion (including, but not limited to, the filing of all reports and certifications required by the Regulatory Agreement).

(d) No changes will be made to the Project, no actions will be taken by the Borrower and the Borrower will not omit to take any actions, which will in any way adversely affect the tax-exempt status of the 2022A Bonds.

(e) It will comply with the requirements of Section 148 of the Code and the Regulations issued thereunder so long as any 2022A Bonds remain Outstanding and will not make any use of the proceeds of the 2022A Bonds, or of any other funds which may be deemed to be proceeds of the 2022A Bonds under the Code and the related regulations of the United States Treasury, which

would cause the 2022A Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(f) If the Borrower becomes aware of any situation, event or condition which would, to the best of its knowledge, result in the interest on the 2022A Bonds becoming includable in gross income of the holders thereof for federal income tax purposes, it will promptly give written notice of such circumstance, event or condition to the Issuer, the Trustee, the Lender and Fannie Mae.

(g) The full amount of the proceeds of the 2022A Bonds will be applied to pay or to reimburse the Borrower for the payment of Project Costs and (i) at least 95% of the net proceeds of the 2022A Bonds (as defined in Section 150 of the Code) will be used to provide a qualified residential rental project (as defined in Section 142(d) of the Code) and (ii) less than 25% of the aggregate net proceeds of the 2022A Bonds will have been disbursed to pay or to reimburse the Borrower for the cost of acquiring land; none of the proceeds of the 2022A Bonds (as defined for purposes of Section 147(g) of the Code) will be disbursed to provide working capital.

(h) The Borrower will cause all of the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Act, the Code and the Regulatory Agreement.

(i) All leases will comply with all applicable laws and the Regulatory Agreement.

(j) In connection with any lease or grant by the Borrower of the use of the Project, the Borrower will require that the lessee or user of any portion of the Project not use that portion of the Project in any manner which would violate the covenants set forth in this Financing Agreement or the Regulatory Agreement.

(k) No proceeds of the 2022A Bonds or the Permanent Loan shall be used for the acquisition of any tangible property or an interest therein, other than land or an interest in land, unless the first use of such property is pursuant to such acquisition; provided, however, that this limitation shall not apply with respect to any building (and the equipment therefor) if rehabilitation expenditures (as defined in Section 147(d) of the Code) with respect to such building equal or exceed 15% of the portion of the cost of acquiring such building (and equipment) financed with the proceeds; and provided, further, that this limitation shall not apply with respect to any structure other than a building if rehabilitation expenditures with respect to such structure equal or exceed 100% of the portion of the cost of acquiring such structure financed with the proceeds.

(l) From the proceeds of the 2022A Bonds and investment earnings thereon, none of the proceeds of the 2022A Bonds will be used for Costs of Issuance of the 2022A Bonds, all within the meaning of Section 147(g)(1) of the Code.

(m) No proceeds of the 2022A Bonds shall be used directly or indirectly to provide any airplane, skybox or other private luxury box, health club facility, facility used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off premises.

In the event of a conflict between the terms and requirements of this Section 5.05 and the Tax Certificate, the terms and requirements of the Tax Certificate shall control.

Section 5.06. Further Assurances and Corrective Instruments. The parties hereto agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and to the other documents contemplated hereby as may reasonably be required to carry out the intention of or to facilitate the performance of this Financing Agreement, the Permanent Loan Documents or the other Financing Documents or to perfect or give further assurances of any of the rights granted or provided for herein, the Permanent Loan Documents or the other Financing Documents.

The Borrower shall execute and file, or shall cause to be executed and filed, any and all financing statements, or any amendments thereof or continuation statements thereto, to perfect the security interests granted in the Indenture, in the manner prescribed in the Indenture. The Borrower shall pay all costs of filing such instruments and any fees and expenses (including reasonable attorney's fees) associated therewith

Section 5.07. Compliance With Other Documents. The Borrower shall make all payments and shall observe and perform all covenants, conditions and agreements required to be paid, observed or performed by the Borrower under the Financing Documents, the Mortgage Note, the Mortgage, the other Permanent Loan Documents, the Regulatory Agreement and all other documents, instruments or agreements which may at any time, or from time to time, be entered into by the Borrower with respect to the Project or the operation, occupancy or use thereof. The Indenture has been submitted to the Borrower for examination, and the Borrower, by execution of this Financing Agreement, acknowledges and agrees that it has participated in the negotiation of the Indenture that it has approved and agreed to each of the provisions of the Indenture and that it is bound by, shall adhere to the provisions of, and shall have the rights set forth by the terms and conditions of, the Indenture and covenants and agrees to perform all obligations required of the Borrower pursuant to the terms of the Indenture.

The Borrower hereby grants to the Trustee for the benefit of the Lender, Fannie Mae and the Bondholders a security interest in all of its rights in and to all funds created or established by the Trustee under the Indenture (other than the Rebate Fund) in the manner and subject to the terms and conditions of the Indenture.

Section 5.08. Notice of Certain Events. The Borrower hereby covenants to advise the Lender, the Issuer, the Construction Lender, the Limited Partner, and the Trustee promptly in writing of the occurrence of any default by the Borrower in the performance or observance of any covenant, agreement, representation, warranty or obligation of the Borrower set forth in this Financing Agreement, in any of the other Financing Documents or any other documents contemplated hereby or thereby, or of any Event of Default hereunder known to it or of which it has received notice, or any event which, with the passage of time or service of notice, or both, would constitute an Event of Default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto. Such notice shall be given promptly, and in no event less than ten (10) Business Days after the Borrower receives notice or has knowledge of the occurrence of any such event. The Borrower further agrees that it will give prompt written notice to the Trustee, the Limited Partner and the Lender if

insurance proceeds or condemnation awards are received with respect to the Project and are not used to repair or replace the Project, which notice shall state the amount of such proceeds or award.

The Borrower further covenants to provide such parties notice of the Placed in Service Date promptly upon its occurrence.

Section 5.09. Indemnification. The Borrower covenants and agrees to indemnify, hold harmless and defend the Issuer, the Trustee, the Lender, Fannie Mae, the Underwriter and their respective officers, members, city council members, directors, trustees, fiscal agents, counsel, officials, employees or agents and each of them (each an “**indemnified party**”) from and against, (a) any and all claims, joint or several, by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or otherwise in connection with the Project, the Bonds or the execution or amendment of any document relating thereto, including, but not limited to, the Financing Documents; (b) any and all claims, joint or several, arising from any cause whatsoever in connection with the approval of financing for the Project or the making of the Permanent Loan, its assignment to the Permanent Lender or the execution or amendment of any document related thereto, including, but not limited to, the Permanent Loan Documents; (c) any and all claims, joint or several, arising from any act or omission of the Borrower or any of its agents, servants, employees or licensees, in connection with the Project or the Permanent Loan, including but not limited to, the Permanent Loan Documents; (d) all reasonable costs, counsel fees, expenses or liabilities incurred in connection with any such claim, or proceeding brought thereon; (e) any and all claims arising in connection with the issuance and sale, resale or remarketing of any Bonds or any certifications or representations made by any Person other than the party seeking indemnification in connection therewith and the carrying out by the Borrower of any of the transactions contemplated by the Bonds, the Financing Documents, and the Permanent Loan Documents; (f) any and all claims arising in connection with the operation of the Project, or the conditions thereof, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, rehabilitation, equipping or construction of, the Project or any part thereof; and (g) any and all losses, claims, damages, liabilities or expenses, joint or several, arising out of or connected with the Trustee’s acceptance or administration of the trusts created by the Indenture and the exercise of its powers or duties thereunder or under this Financing Agreement, the Regulatory Agreement or any other agreements in connection therewith to which it is a party; except (i) in the case of the foregoing indemnification of the Trustee, the Underwriter, Fannie Mae or the Lender or any of their respective officers, members, directors, officials and employees, to the extent such damages are caused by the negligence or willful misconduct of such Person; or (ii) in the case of the foregoing indemnification of the Issuer or any of its respective officers, members, city council members, directors, trustees, fiscal agents, counsel, officials, employees or agents, to the extent such damages are caused by the willful misconduct of such Person. In the event that any action or proceeding is brought against any indemnified party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the indemnified party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Borrower, subject to the approval of the indemnified party in such party’s sole but reasonable discretion, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Trustee and the Lender shall have the right to review and approve or disapprove any such compromise or settlement. Each indemnified party shall have the right to employ separate counsel in any such action or proceeding and

participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that unless such separate counsel is employed with the approval of the Borrower, which approval shall not be unreasonably withheld, the Borrower shall not be required to pay the fees and expenses of such separate counsel.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of the Regulatory Agreement, the Borrower shall remain obligated to indemnify each indemnified party pursuant to this Section if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless such indemnified party has consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

During any period that the Lender or Fannie Mae owns the Project and that this Section 5.09 is applicable to the Lender and Fannie Mae, the obligations of the Lender or Fannie Mae, as applicable, under this Section 5.09 shall be limited to acts and omissions of the Lender or Fannie Mae occurring during the period of the Lender's or Fannie Mae's ownership of the Project.

Nothing contained in this Section 5.09 shall in any way be construed to limit the indemnification rights of the Issuer contained in the Regulatory Agreement. With respect to the Issuer, the Regulatory Agreement shall control in any conflicts between this Section 5.09 and the Regulatory Agreement.

Section 5.10. Right to Perform Borrower's Obligations. In the event the Borrower fails to perform any of its obligations under this Financing Agreement, the Issuer, the Lender, Fannie Mae and/or the Trustee, after giving the requisite notice, if any, may, but shall be under no obligation to, perform such obligation and pay all costs related thereto, and all such costs so advanced by the Issuer, the Lender, Fannie Mae or the Trustee shall become an additional obligation of the Borrower hereunder, payable on demand with interest thereon at the default rate of interest payable under the Permanent Loan Documents.

Section 5.11. Nonrecourse Provisions. Notwithstanding anything to the contrary, the obligations of the Borrower pursuant to this Financing Agreement shall not be secured by or create a lien or charge on in any manner the property of the Borrower or its partners, including the Project or the rents, issues and profits thereof, and except with respect to Sections 4.02 and 5.09 hereof shall be non-recourse to the Borrower and its partners. Sections 4.02 and 5.09 shall be recourse to the Borrower but non-recourse to the partners of the Borrower.

Section 5.12. Trust Indenture. The provisions of the Indenture concerning the Bonds and other matters therein are an integral part of the terms and conditions of the Construction Loan, the Permanent Loan, and this Financing Agreement shall constitute conclusive evidence of approval of the Indenture by the Borrower to the extent it relates to the Borrower. Additionally, the Borrower agrees that, whenever the Indenture by its terms imposes a duty or obligation upon the Borrower, such duty or obligation shall be binding upon the Borrower to the same extent as if the Borrower were an express party to the Indenture, and the Borrower agrees to carry out and perform all of its obligations under the Indenture as fully as if the Borrower were a party to the Indenture.

Section 5.13. Audit by the Internal Revenue Service. The Borrower acknowledges that in the event of an examination of the Bonds by the Internal Revenue Service (the “Service”) to determine compliance of the Bonds with the provisions of the Code as they relate to tax-exempt obligations, the Issuer is likely to be treated as the “taxpayer” in such examination. The Borrower agrees, upon notification by the Issuer, that the Borrower (a) will respond to any inquiries from the Service in connection with such examination; and (b) upon request of the Issuer, will reimburse the Issuer for all reasonable out of pocket expenses incurred by the Issuer in connection with such examination of the Bonds by the Service, or will directly pay the costs of any such examination. The Issuer covenants that it will promptly notify the Borrower of any inquiry or examination by the Service relating to the Bonds and will cooperate with the Borrower, at the Borrower’s sole expense, in connection with any such inquiry or examination. The Borrower understands and agrees that the interests of the Issuer and the Borrower in any such examination may differ and that the existence of the examination may be subject to public disclosure by the Issuer under the open records laws of the State.

ARTICLE VI

PERMANENT LOAN DOCUMENTS

Section 6.01. Assurances. The Borrower, the Issuer and the Trustee mutually agree that no party hereto shall enter into any contract or agreement, perform any act, or request any other party hereto to enter into any contracts or agreements or perform any acts, which shall adversely affect the Permanent Loan Documents.

Section 6.02. Financial Obligations Personal to the Borrower. The Issuer acknowledges that the Project shall be encumbered by the Permanent Loan Documents, the Construction Loan Documents, the Bridge Loan Documents and the documents relating to the loans entered into by the Borrower, in connection with the financing of the Project, with the Issuer. Notwithstanding any provisions of this Financing Agreement or the Regulatory Agreement to the contrary, all obligations of the Borrower under this Financing Agreement and the Regulatory Agreement for the payment of money and all claims for damages against the Borrower occasioned by breach or alleged breach by the Borrower of its obligations under the Regulatory Agreement or this Financing Agreement, including indemnification obligations, shall not be payable from the Trust Estate and shall not be secured by or in any manner constitute a lien on the Project, and no Person shall have the right to enforce such obligations other than directly against the Borrower. No subsequent owner of the Project shall be liable or obligated for the breach or default of any obligation of any prior owner under the Regulatory Agreement or this Financing Agreement, including but not limited to any payment or indemnification obligation. Such obligations are personal to the Person who was the owner at the time the default or breach was alleged to have occurred and such Person shall remain liable for any and all damages occasioned thereby even after such Person ceases to be the owner.

ARTICLE VII

TRUSTEE'S INTEREST IN AGREEMENT

Section 7.01. Issuer Assignment of Financing Agreement and Bond Loan Note.

(a) Pursuant to the Indenture, the Issuer shall pledge, assign and transfer all of its right, title and interest in this Financing Agreement (other than the Reserved Rights of the Issuer) and the Bond Loan Note, and the revenues, receipts and collections hereunder and thereunder, to the Trustee in the manner and to the extent provided in the Indenture as security for the payment of the principal of, premium, if any, and interest on the Bonds, and the parties hereby acknowledge that the covenants and agreements contained herein are for the benefit of the registered owners from time to time of the Bonds and may be enforced on their behalf by the Trustee. The Issuer shall execute and deliver from time to time, in addition to the instruments of assignment herein specifically provided for, such other and further instruments and documents as may be reasonably requested by the Trustee from time to time to further evidence, effect or perfect such pledge and assignment for the purposes contemplated in the Indenture.

(b) The Borrower hereby acknowledges and consents to the assignment and pledge (subject to the reservation by the Issuer of its Reserved Rights) by the Issuer to the Trustee in the manner and to the extent provided in the Indenture. The Borrower further acknowledges and consents to the right of the Trustee to enforce all rights of the Issuer and the Bondholders assigned under the Indenture.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

Section 8.01. Events of Default. Each of the following shall constitute an event of default under this Financing Agreement, and the term “**Event of Default**” shall mean, whenever used in this Financing Agreement, any one or more of the following events:

(a) Failure by the Borrower to pay any amounts due under this Financing Agreement at the times and in the amounts required hereby; or

(b) Failure by the Borrower to observe or perform any covenants, agreements or obligations in this Financing Agreement on its part to be observed or performed (other than as provided in clause (a) above) for a period of thirty (30) days after receipt of written notice specifying such failure and requesting that it be remedied, given to the Borrower by any party to this Financing Agreement; provided, however, that if said failure shall be such that it cannot be corrected within such period, it shall not constitute an Event of Default if the failure is correctable without material adverse effect on the Bonds and if corrective action is instituted by the Borrower within such period and diligently pursued until the failure is corrected, and provided further that any such failure shall have been cured within ninety (90) days of receipt of notice of such failure; or

(c) Breach of any of the covenants, agreements or obligations of the Borrower under or the occurrence of a default which is continuing under the Regulatory Agreement, including any exhibits to any of the foregoing; or

(d) The occurrence of an Event of Default caused by the Borrower under and as defined in the Indenture or under any of the other Financing Documents.

Nothing contained in this Section 8.01 is intended to amend or modify any of the provisions of the Permanent Loan Documents, the Construction Loan Documents or the Bridge Loan Documents or to bind the Borrower, the Lender or Fannie Mae to any notice and cure periods other than as expressly set forth in the Permanent Loan Documents.

Section 8.02. Remedies Upon an Event of Default.

(a) Subject to Section 8.02(d), whenever any Event of Default shall have occurred and be continuing, the Issuer or the Trustee may take any one or more of the following remedial steps:

(i) By any suit, action or proceeding, pursue all remedies now or hereafter existing at law or in equity to collect all amounts then due and thereafter to become due under this Financing Agreement and the Bond Loan Note, to enforce the performance of any covenant, obligation or agreement of the Borrower under this Financing Agreement and the Bond Loan Note (subject to the nonrecourse provisions of this Financing Agreement and the Regulatory Agreement) or to enjoin acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee.

(ii) Take whatever other action at law or in equity may appear necessary or desirable to enforce any monetary obligation of the Borrower under this Financing Agreement and the Bond Loan Note or to enforce any other covenant, obligation or agreement of the Borrower under (1) this Financing Agreement, (2) the Regulatory Agreement or (3) the Bond Loan Note.

(iii) Have access to and inspect, examine, audit and make copies of the books and records and any and all accounts, data and income tax and other tax returns of the Borrower.

(b) The provisions of subsection (a) hereof are subject to the condition that if, after any Event of Default, except a default under the Regulatory Agreement, (i) all amounts which would then be payable hereunder by the Borrower if such Event of Default had not occurred and was not continuing shall have been paid by or on behalf of the Borrower, and (ii) the Borrower shall have also performed all other obligations in respect of which it is then in default hereunder and shall have paid the reasonable charges and expenses of the Issuer and the Trustee, including reasonable attorney fees and expenses paid or incurred in connection with such default, then and in every such case, such Event of Default may be waived and annulled by the Trustee, but no such waiver or annulment shall extend to or affect any subsequent Event of Default or impair any right or remedy consequent thereon.

(c) Subject to the limitations of the Regulatory Agreement and this Financing Agreement, the Issuer, without the consent of the Trustee, but only after written notice to the

Trustee, the Borrower, the Lender and Fannie Mae, may take whatever action at law or in equity may appear necessary or desirable to enforce performance and observance of any Reserved Right of the Issuer; provided that, the Issuer may not (i) terminate this Financing Agreement or cause the Permanent Loan to become due and payable, (ii) cause the Trustee to declare the principal of all Bonds then Outstanding and the interest accrued thereon to be immediately due and payable, or cause the Trustee to accelerate, foreclose or take any other action or seek other remedies under the Financing Documents, the Permanent Loan Documents or any other documents contemplated hereby or thereby to obtain such performance or observance, (iii) cause the acceleration, foreclosure or taking of any other action or the seeking of any remedies under the Permanent Loan Documents, (iv) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal, interest and other amounts due under the Permanent Loan, or (v) interfere with or attempt to influence the exercise by Fannie Mae of any of its rights under the Financing Documents or the Permanent Loan Documents.

(d) Except as required to be deposited in the Rebate Fund pursuant to the Financing Documents, any amounts collected pursuant to action taken under this Section 8.02 shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, the Issuer, the Lender or Fannie Mae and their respective counsel, be applied in accordance with the provisions of the Indenture. No action taken pursuant to this Section shall relieve the Borrower from the Borrower's obligations pursuant to Section 5.09 hereof.

(e) No remedy herein conferred upon or reserved to the Issuer or the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing pursuant to any other agreement at law or in equity or by statute.

(f) Notwithstanding any other provision of this Financing Agreement to the contrary, after the MBS Delivery Date, so long as Fannie Mae is not in default under the MBS, none of the Issuer, the Trustee or any Person under their control shall exercise any remedies or direct any proceedings under this Financing Agreement or the Permanent Loan Documents, other than to (i) enforce rights under the MBS, (ii) enforce the tax covenants in the Indenture and this Financing Agreement, or (iii) enforce rights of specific performance under the Regulatory Agreement; provided, however, that any enforcement under (ii) or (iii) above shall not include seeking monetary damages.

Section 8.03. Default Under Regulatory Agreement.

(a) If the Borrower fails, at any time for any reason, to comply with the requirements of the Regulatory Agreement, then within thirty (30) days after the earlier of the date the violation is discovered by the Issuer or the Trustee or the date the Issuer or the Trustee received notice thereof, the Issuer (if necessary to preserve the exclusion of interest on the 2022A Bonds from gross income for federal income tax purposes) or the Trustee, on behalf and at the request of the Issuer, shall institute an action for specific performance to correct the violation. The Borrower hereby acknowledges and agrees that were money damages a remedy under the Regulatory Agreement, money damages alone would not be an adequate remedy at law for a default by the Borrower arising from a failure to comply with the Regulatory Agreement, and therefore the

Borrower agrees that the remedy of specific performance (subject to the provisions of Section 8.02(c) hereof) shall be available to the Issuer and/or the Trustee in any such case.

(b) Notwithstanding the availability of the remedy of specific performance provided for in subsection (a) of this Section, promptly upon determining that a violation of the Regulatory Agreement has occurred, the Issuer shall, by notice in writing to the Lender, inform the Lender that a violation of the Regulatory Agreement has occurred; notwithstanding the occurrence of such violation, neither the Issuer nor the Trustee shall have, and each of them acknowledges that they shall not have, any right to cause or direct acceleration of the Permanent Loan, to enforce the Mortgage Note or to foreclose on the Mortgage.

Section 8.04. Limitation on Waivers.

(a) No delay or omission to exercise any right or power occurring upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed appropriate. The Issuer and the Trustee agree to give only such notices as may be herein expressly required.

(b) In the event any covenant, agreement or condition contained in this Financing Agreement shall be breached by a party and thereafter waived by another party, such waiver shall not bind any party which has not waived the breach and shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder nor be a waiver of the same breach on a future occasion. By reason of the assignment and pledge of certain of the Issuer's rights and interests in this Financing Agreement to the Trustee, the Issuer shall have no power to waive or release the Borrower from any Event of Default or the performance or observance of any obligation or condition of the Borrower under this Financing Agreement without first requesting and receiving the prior written consent of the Trustee, but shall do so if requested by the Trustee; provided that the Issuer shall not be required to grant such waiver or release unless it shall have been provided with (i) if deemed necessary, in the sole discretion of the Issuer, an Opinion of Counsel that such action will not result in any pecuniary liability to it and an Opinion of Bond Counsel that such waiver shall not cause interest on the Bonds to be included in the gross income of the Bondholders thereof for federal income tax purposes, (ii) such indemnification as the Issuer shall deem reasonably necessary, and (iii) written notice from the Trustee of the request for such waiver or release.

Section 8.05. Notice of Default: Rights To Cure. The Issuer and the Trustee shall each give notice to the other and to the Borrower, the Investor Limited Partner and the Lender of the occurrence of any Event of Default by the Borrower hereunder of which it has actual knowledge. The Lender and the Investor Limited Partner shall each have the right, but not the obligation, to cure any such default by the Borrower, and upon performance by the Lender or the Investor Limited Partner to the satisfaction of the Issuer and the Trustee of the covenant, agreement or obligation of the Borrower with respect to which an Event of Default has occurred, the parties hereto shall be restored to their former respective positions, it being agreed that the Lender and the Investor Limited Partner shall each have the right to repayment from the Borrower of moneys it has expended and any other appropriate redress for actions it has taken to cure any default by the

Borrower; provided that the Borrower's reimbursement obligation shall be non-recourse to the same extent as the underlying obligation is non-recourse to the Borrower.

Section 8.06. Rights Cumulative. All rights and remedies herein given or granted to the Issuer and the Trustee are cumulative, nonexclusive and in addition to any and all rights and remedies that the Issuer and the Trustee may have or may be given by reason of any law, statute, ordinance or otherwise. Notwithstanding anything to the contrary contained in this Financing Agreement, neither the Trustee nor the Issuer may commence any action against the Borrower for specific performance or any other remedy at law or in equity, other than to enforce performance and observance of any Reserved Right of the Issuer and its rights under Section 8.03, without first obtaining the prior written consent of Fannie Mae.

ARTICLE IX

A duplicate copy of each notice, certificate, request or other communication given hereunder to the Issuer, the Borrower, the Lender or the Trustee shall also be given to Fannie Mae.

Section 9.02. Amendment. This Financing Agreement and all other documents contemplated hereby to which the Issuer is a party may be amended or terminated only if permitted by the Indenture, and no amendment to this Financing Agreement shall be binding upon any party hereto until such amendment is reduced to writing and executed by the parties hereto; provided that no amendment, supplement or other modification to this Financing Agreement or any other Financing Document shall be effective without the prior written consent of the Permanent Lender and Fannie Mae.

Section 9.03. Entire Agreement. Except as provided in the other Financing Documents and the Permanent Loan Documents, the Construction Loan Documents, the Bridge Loan Documents, and this Financing Agreement contains all agreements among the parties hereto, and there are no other representations, warranties, promises, agreements or understandings, oral, written or implied, among the parties hereto, unless reference is made thereto in this Financing Agreement or the Indenture.

Section 9.04. Binding Effect. This Financing Agreement shall be binding upon the Issuer, the Borrower and the Trustee and their respective successors and assigns. Notwithstanding anything herein to the contrary, to the extent Fannie Mae or its designee shall become the owner of the Project as a result of a foreclosure or a deed in lieu of foreclosure or similar conveyance, Fannie Mae, and its designee, if applicable, shall not be liable for any breach or default or any of

the obligations of any prior owner of the Project under this Financing Agreement, and shall only be responsible for defaults and obligations incurred during the period Fannie Mae or its designee, if applicable, is the owner of the Project.

Section 9.05. Severability. If any clause, provision or section of this Financing Agreement shall be ruled invalid or unenforceable by any court of competent jurisdiction, the invalidity or unenforceability of such clause, provision or section shall not affect any of the remaining clauses, provisions or sections.

Section 9.06. Execution in Counterparts. This Financing Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 9.07. Governing Law; Venue. This Financing Agreement shall be construed in accordance with and governed by the laws of the State applicable to contracts made and performed in the State. This Financing Agreement shall be enforceable in the State, and any action arising hereunder shall (unless waived by the Issuer in writing) be filed and maintained in El Paso County, Colorado.

Section 9.08. Limited Liability of the Issuer.

(a) ***Reliance by Issuer on Facts or Certificates.*** Anything in this Financing Agreement to the contrary notwithstanding, it is expressly understood and agreed by the parties hereto that the Issuer may rely conclusively on the truth and accuracy of any certificate, opinion, notice, or other instrument furnished to the Issuer by the Lender, the Trustee or the Borrower as to the existence of any fact or state of affairs required hereunder to be noticed by the Issuer.

(b) ***Waiver of Personal Liability.*** No obligation, covenant, condition or agreement contained herein or in the Bonds shall be deemed to be an obligation, covenant, condition or agreement of any past, present or future officer, member, city council member, director, trustee, fiscal agent, counsel, official, employee or agent of the Issuer in their individual capacity. No recourse under or upon any obligation, covenant, or agreement or in the Bonds, or under any judgment obtained against the Issuer, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise or under any circumstances, shall be had against any officer, member, director, city council member, trustee, fiscal agent, counsel, official, employee or agent, as such, past, present, or future, of the Issuer, either directly or through the Issuer, or otherwise, for the payment for or to the Issuer or any receiver thereof, or for or to the Trustee, of any sum that may be due and unpaid by the Issuer upon the Bonds. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such officer, member, director, trustee, fiscal agent, counsel, city council member, official, employee or agent, as such, to respond by reason of any act or omission on his or her part or otherwise, for the payment for or to the Issuer or any receiver thereof, or for or to the Trustee, of any sum that may remain due and unpaid upon the Bonds, is hereby expressly waived and released as a condition of and consideration for the execution of this Financing Agreement and the issuance of the Bonds.

(c) ***Non-Liability of Issuer.*** The Issuer shall not be obligated to pay the principal (or Redemption Price) of or interest on the Bonds, except from the Trust Estate and other money and assets received by the Trustee on behalf of the Issuer pursuant to this Financing Agreement. The Bonds shall not be a debt or indebtedness of the Issuer, the State or any political subdivision of either the Issuer or the State, and neither the Issuer, the State nor any political subdivision of either the Issuer or the State shall be liable for payment of the Bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever with respect thereto except as set forth in the Indenture, nor in any event shall principal of, premium, if any, and interest on the Bonds be payable out of any funds or assets other than those pledged to that purpose by the Issuer in the Indenture. The Bonds shall not constitute an indebtedness or a multiple fiscal-year financial obligation within the meaning of any constitutional or statutory debt limitation or restriction. The Bonds do not constitute a debt, loan, credit or pledge of the faith and credit or taxing power of the Issuer, the State or any political subdivision of either the Issuer or the State, and none of the Bonds or any of the Issuer's agreements or obligations with respect to the the Bonds, hereunder or under the Indenture, shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the Issuer, the State, or any political subdivision of either the Issuer or the State within the meaning of any constitutional or statutory provision whatsoever. The Issuer shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Financing Agreement, the Bonds or the Indenture, except only to the extent amounts are received for the payment thereof from the Borrower under this Financing Agreement or from the MBS.

The Borrower hereby acknowledges that the Issuer's sole source of money to repay the Bonds will be provided by the Trust Estate together with investment income on certain funds and accounts held by the Trustee under the Indenture, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (or prepayment premium) and interest on the Bonds as the same shall become due (whether by maturity, prepayment, acceleration or otherwise), then upon notice from the Trustee, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or Redemption Price) or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Trustee, the Borrower, the Issuer or any third party, subject to any right of reimbursement from the Trustee, the Issuer or any such third party, as the case may be, therefor.

(d) ***Expenses.*** The Borrower shall pay and indemnify the Issuer and the Trustee against all reasonable fees, costs and charges, including reasonable fees and expenses of attorneys, accountants, consultants and other experts, incurred in good faith (and with respect to the Trustee, without negligence) and arising out of or in connection with the Financing Documents and the Permanent Loan Documents. These obligations and those in Section 5.09 shall remain valid and in effect notwithstanding repayment of the Permanent Loan hereunder or termination of the Financing Agreement or the Indenture.

(e) ***No Warranty by Issuer.*** The Borrower recognizes that, because the components of the Project have been and are to be designated and selected by it, THE ISSUER HAS NOT MADE AN INSPECTION OF THE PROJECT OR OF ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, AND THE ISSUER MAKES NO WARRANTY OR

REPRESENTATION, EXPRESS OR IMPLIED OR OTHERWISE, WITH RESPECT TO THE SAME OR THE LOCATION, USE, DESCRIPTION, DESIGN, MERCHANTABILITY, FITNESS FOR USE FOR ANY PARTICULAR PURPOSE, CONDITION OR DURABILITY THEREOF, OR AS TO THE QUALITY OF THE MATERIAL OR WORKMANSHIP THEREIN, IT BEING AGREED THAT ALL RISKS INCIDENT THERETO ARE TO BE BORNE BY THE OWNER. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE IN THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER PATENT OR LATENT, THE ISSUER SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO. THE PROVISIONS OF THIS SECTION HAVE BEEN NEGOTIATED AND ARE INTENDED TO BE A COMPLETE EXCLUSION AND NEGATION OF ANY WARRANTIES OR REPRESENTATIONS BY THE ISSUER, EXPRESS OR IMPLIED, WITH RESPECT TO THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER ARISING PURSUANT TO THE UNIFORM COMMERCIAL CODE OF THE STATE OR ANY OTHER LAW NOW OR HEREAFTER IN EFFECT OR OTHERWISE.

Section 9.09. Term of Financing Agreement. This Financing Agreement shall be in full force and effect from its date to and including such date as all of the Bonds shall have been fully paid or retired (or provision for such payment shall have been made as provided in the Indenture); provided, however, that the provisions of Sections 2.01, 5.05 and 5.09 of this Financing Agreement shall survive the termination hereof.

Section 9.10. Reserved.

Section 9.11. Reserved.

Section 9.12. Electronic Signatures. The parties agree that the electronic signature of a party to this Financing Agreement shall be as valid as an original signature of such party and shall be effective to bind such party to this Financing Agreement. For purposes hereof: (a) “electronic signature” means a manually signed original signature that is then transmitted by electronic means; and (b) “transmitted by electronic means” means sent in the form of a facsimile or sent via the internet as a portable document format (“pdf”) or other replicating image attached to an electronic mail or internet message.

Section 9.13. Patriot Act. The Trustee hereby notifies all the parties hereto that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 the “Act”), it is required to obtain, verify and record information that identifies the other parties hereto, which information includes the name and address of the other parties hereto and other information that will allow the Trustee to identify the other parties hereto in accordance with the Act. In addition, changes to federal banking regulations require all U.S. financial institutions to collect information regarding the beneficial ownership of our legal entity customers. At account opening, and at times during the life of the account, the Borrower shall provide, upon request, identifying information for all natural persons who, directly or indirectly, own 20 percent or more of the equity interests in the legal entity. In certain situations, the Trustee may request identifying information below 20 percent. The Trustee will also request identifying information for a controlling person, such as an executive officer or senior manager, or another individual who regularly performs similar functions.

Section 9.14. Bridge Loan. Notwithstanding anything to the contrary contained herein or in the Financing Documents, the parties hereto acknowledge and agree that the Bridge Lender has made a Bridge Loan and that neither the Issuer nor the Trustee has a security interest in limited partner capital contributions and partnership interests pledged by the Borrower to the Bridge Lender pursuant to the terms of the Bridge Loan documents.

\$([PARA])

January [___], 2022

FOR VALUE RECEIVED, Draper Commons LLLP, a Colorado limited liability limited partnership (the “Borrower”), promises to pay to the City of Colorado Springs, Colorado (the “Issuer”), or its order, the principal sum of [_____] DOLLARS (\$[PARA]), with interest payable as set forth below. Capitalized terms used herein without definition shall have the respective meanings set forth in the Indenture of Trust, dated as of January 1, 2022 (the “Indenture”), between the Issuer and Regions Bank, as trustee thereunder (the “Trustee”).

Borrower promises to pay to the Issuer the principal sum of this Note, together with interest calculated at the 2022A Pass-Through Rate, and all assessments, taxes and premiums as follows:

(a) One business day preceding each Payment Date, the Borrower shall pay to the Issuer interest on the outstanding principal balance of this Note.

(b) The entire principal balance of this Note, plus any accrued but unpaid interest to and including the Maturity Date, shall be due and payable on the date on which the final payment is due with respect to the MBS.

(c) Payments made by the Trustee to the holders of the Bonds, from funds available under the Indenture, will be credited against the Borrower’s obligation to pay interest and principal under this Note. The Borrower shall be obligated to pay any deficiency between amounts due under this Note and amounts paid to bondholders by the Trustee pursuant to the Indenture.

(d) If any installment of interest, principal, or any other payment due under this Bond Loan Note is not paid within 10 days from the date that the installment or payment is due, the Borrower promises to pay to the Issuer a “late charge” equal to 5% of the aggregate monthly payment required by this Note.

(e) Upon an Event of Default, as defined in the Indenture, the unpaid principal, together with all accrued interest thereon, and all other sums due and payable shall, at the option of the holder of this Note, become immediately due and payable. Failure to exercise this option shall not constitute a waiver of the right to exercise this option in the event of any subsequent default.

(f) As to this Note, the Borrower and all guarantors, if any, severally waive all applicable exemption rights, whether under any state constitution, homestead laws or otherwise, and also severally waive valuation and appraisal, presentment, protest and demand, notice of protest, demand and dishonor and nonpayment of this Note, and expressly agree that the maturity of this Note, or any payment under this Note, may be extended from time to time without in any way affecting the liability of the Borrower and all guarantors.

(g) All payments due under this Note shall be made during regular business hours at the principal corporate trust office of the Trustee or at any other place that the Issuer may designate

in writing, and shall be made in coin or currency of the United States of America which at the time of payment is legal tender for the payment of public or private debts.

(h) The Borrower represents and warrants that it is a limited liability limited partnership duly organized and in good standing under the laws of the State of Colorado and has full legal right, power and authority (i) to enter into this Financing Agreement and the other Financing Documents to which it is a party; (ii) to perform its obligations hereunder and thereunder; and (iii) to consummate the transactions on its part contemplated by the Financing Documents.

(i) Neither the Borrower nor any partner, member, manager, officer or director of the Borrower shall have any personal liability for principal or interest payments or any other payments due under this Note.

(j) The Borrower hereby acknowledges that, pursuant to the Indenture, the Issuer is assigning to the Trustee all of the Issuer's right, title, and interest in and to this Note, exclusive of the Reserved Rights of the Issuer. Such assignment is being made as security for the payment of the Bonds of the Issuer. All of the terms, conditions and provisions of the Indenture are, by this reference thereto, incorporated herein as part of this Note.

(k) This Note shall be deemed paid if and when the Conversion Date occurs.

Notwithstanding any other provision contained in this Note, it is agreed that the execution of this Note shall impose no personal liability on the maker hereof for payment of the indebtedness evidenced hereby and in the event of a default, the holder of this Note will not seek or obtain any deficiency or personal judgment against the maker hereof except such judgment or decree as may be necessary to foreclose and bar its interest in the property.

IN WITNESS WHEREOF, the Borrower has caused this Bond Loan Note to be executed and delivered on its behalf on the date first written above.

January [___], 2022

Capitalized terms used herein without definition shall have the respective meanings set forth in the Indenture of Trust, dated as of January 1, 2022 (the “Indenture”), between the Issuer and Regions Bank, as trustee thereunder (the “Trustee”).

Borrower promises to pay to the Issuer the principal sum of this Bond Loan Note, together with interest calculated at the 2022B Pass-Through Rate, and all assessments, taxes and premiums as follows:

(a) One business day preceding each Payment Date, the Borrower shall pay to the Issuer interest on the outstanding principal balance of this Note.

(b) The entire principal balance of this Note, plus any accrued but unpaid interest to and including the Maturity Date, shall be due and payable on the date on which the final payment is due with respect to the MBS.

(c) Payments made by the Trustee to the holders of the Bonds, from funds available under the Indenture, will be credited against the Borrower’s obligation to pay interest and principal under this Note. The Borrower shall be obligated to pay any deficiency between amounts due under this Note and amounts paid to bondholders by the Trustee pursuant to the Indenture.

(d) If any installment of interest, principal, or any other payment due under this Note is not paid within 10 days from the date that the installment or payment is due, the Borrower promises to pay to the Issuer a “late charge” equal to 5% of the aggregate monthly payment required by this Note.

(e) Upon an Event of Default, as defined in the Indenture, the unpaid principal, together with all accrued interest thereon, and all other sums due and payable shall, at the option of the holder of this Note, become immediately due and payable. Failure to exercise this option shall not constitute a waiver of the right to exercise this option in the event of any subsequent default.

(f) As to this Note, the Borrower and all guarantors, if any, severally waive all applicable exemption rights, whether under any state constitution, homestead laws or otherwise, and also severally waive valuation and appraisal, presentment, protest and demand, notice of protest, demand and dishonor and nonpayment of this Note, and expressly agree that the maturity of this Note, or any payment under this Note, may be extended from time to time without in any way affecting the liability of the Borrower and all guarantors.

(g) All payments due under this Note shall be made during regular business hours at the principal corporate trust office of the Trustee or at any other place that the Issuer may designate in writing, and shall be made in coin or currency of the United States of America which at the time of payment is legal tender for the payment of public or private debts.

(h) The Borrower represents and warrants that it is a limited liability limited partnership duly organized and in good standing under the laws of the State of Colorado and has full legal right, power and authority (i) to enter into this Financing Agreement and the other Financing Documents to which it is a party; (ii) to perform its obligations hereunder and thereunder; and (iii) to consummate the transactions on its part contemplated by the Financing Documents.

(i) Neither the Borrower nor any partner, member, manager, officer or director of the Borrower shall have any personal liability for principal or interest payments or any other payments due under this Note.

(j) The Borrower hereby acknowledges that, pursuant to the Indenture, the Issuer is assigning to the Trustee all of the Issuer's right, title, and interest in and to this Note, exclusive of the Reserved Rights of the Issuer. Such assignment is being made as security for the payment of the Bonds of the Issuer. All of the terms, conditions and provisions of the Indenture are, by this reference thereto, incorporated herein as part of this Note.

(k) This Note shall be deemed paid if and when the Conversion Date occurs.

Notwithstanding any other provision contained in this Note, it is agreed that the execution of this Note shall impose no personal liability on the maker hereof for payment of the indebtedness evidenced hereby and in the event of a default, the holder of this Note will not seek or obtain any deficiency or personal judgment against the maker hereof except such judgment or decree as may be necessary to foreclose and bar its interest in the property.

IN WITNESS WHEREOF, the Borrower has caused this Bond Loan Note to be executed and delivered on its behalf on the date first written above.
