Testimonials

"I have got to say this organization saved my life. I was so behind on bills from being stuck in the hospital I was on the verge of becoming another homeless veteran...I was ready to end my life because I felt like such a failure. I can't give enough thanks to you all. Thank you so much for actually saving veterans in need."—*Rebecca, Army Veteran*

"Your commitment to our joint mission and unwavering support for veterans...do not go unnoticed. I'm proud to call Home Front Military Network a true partner in this effort. Thank you for all you do to make a meaningful difference in the lives of those who have served."

—*Steve Smith, Military Programs Coordinator, Craig Hospital/Operation TBI Freedom*
