Attention: The Honorable Keith King, President
Colorado Springs City Council

RE: Letter of Support to modify the existing Airport lease term guidelines as set forth in Resolution No. 73-50.

The Colorado Springs Airport Advisory Commission has been fully briefed by Airport management related to both the existing lease term guidelines as set forth in Resolution No. 73-50, as well as staff recommended modifications and updates to those guidelines.

The Airport Advisory Commission offers its full support to amend the existing lease term guidelines as proposed by Airport staff. The proposed modifications will further enhance the impact of the previously adopted Commercial Aeronautical Zone ordinance; streamlining the development process while still adhering to local and federal regulations.

The Airport Advisory Commission is committed to supporting the City's goal in continuing economic development activities at the Airport and feel this resolution follows that path.

The Airport Advisory Commission strongly encourages City Council to approve the Airport's proposed resolution to modify the existing lease term guidelines.

Sincerely,

Andrew Biancur, Chairman
