Upon receipt of the proceeds of such Notes, the Issuing and Paying Agent shall immediately notify the Bank that it is holding such funds in trust for the Bank, and shall immediately wire the same to the Bank.

If a No-Issuance Notice is rescinded or withdrawn by the Bank in a written notice delivered to the City and the Issuing and Paying Agent, the Issuing and Paying Agent may thereafter resume the authentication and delivery of Notes pursuant to Section 401 hereof.

Only such of the Notes as shall bear thereon a certificate of authentication substantially in the form set forth in Exhibit A hereto, manually executed by the Issuing and Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance, and such certificate of authentication when manually executed by the Issuing and Paying Agent shall be conclusive evidence that the Notes so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this ordinance.

Section 306. Transfer of Notes. Any Note may, in accordance with its terms, be transferred, upon the register required to be kept pursuant to the provisions of Section 308 hereof, by the Person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Note for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form approved by the Issuing and Paying Agent. Whenever any Note or Notes shall be surrendered for transfer, the City shall execute and the Issuing and Paying Agent shall authenticate and deliver a new Note or Notes, of the same series, maturity and interest rate and for a like aggregate principal amount. The Issuing and Paying Agent shall require the Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer.

Section 307. Exchange of Notes. Notes may be exchanged at the Principal Corporate Trust Office of the Issuing and Paying Agent for a like aggregate principal amount of Notes of other Authorized Denominations of the same series, maturity and interest rate. The Issuing and Paying Agent shall require the Owner requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange.

Section 308. Note Register. The Issuing and Paying Agent will keep or cause to be kept, at its Principal Corporate Trust Office, sufficient records for the registration and transfer of the Notes, which shall at all times be open to inspection during normal business hours by the City upon reasonable prior notice; and, upon presentation for such purpose, the Issuing and Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such books, Notes as hereinbefore provided.

Section 309. Notes Mutilated, Lost, Destroyed or Stolen. If any Note shall become mutilated, the City, at the expense of the Owner of said Note, shall execute and deliver a new Note of like series, maturity and interest rate and for a like aggregate principal amount and number in exchange and substitution for the Note so mutilated, but only upon surrender to the City of the Note so mutilated. If any Note shall be lost, destroyed or stolen, evidence of such

loss, destruction or theft may be submitted to the City and, if such evidence be satisfactory to it and the Issuing and Paying Agent and indemnity satisfactory to it shall be given, the City, at the expense of the Owner, shall execute and deliver a new Note of like series, maturity and interest rate and for a like aggregate principal amount in lieu of and in substitution for the Note so lost, destroyed or stolen. Neither the City nor the Issuing and Paying Agent shall be required to treat both the original Note and any replacement Note as being Outstanding for the purpose of determining the principal amount of Notes which may be issued hereunder, but both the original and the replacement Note shall be treated as one and the same.

Section 310. Use of Depository. Notwithstanding the provisions of this Article, the City shall provide for the Notes to be initially issued in book entry only form. Such Notes shall be registered in the name of "Cede & Co." as nominee for The Depository Trust Company ("DTC"), the depository for the Notes. Unless otherwise required by Cede & Co., the initial registered owner of the Notes of each series shall be evidenced by a single Master Note, in the form set forth in Exhibit A. Such Master Notes may not be transferred or exchanged except:

A. To any successor of DTC or its nominee which successor must be both a "clearing corporation" as defined in Section 4-8-102(5), Colorado Revised Statutes, as amended, and a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended;

B. Upon the resignation of DTC or a successor or new depository under paragraph A or this paragraph B or a determination by the City that DTC or such successor or new depository is no longer able to carry out its functions and the designation by the City of another depository institution, acceptable to the City which must be both a "clearing corporation" as defined in Section 4-8-102(5), Colorado Revised Statutes, as amended, and a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended, to carry out the functions of DTC or such successor or new depository; or

C. Upon the resignation of DTC or a successor depository or new depository under paragraph A or paragraph B above or a determination by the City that DTC or such successor or new depository is no longer able to carry out its functions and the failure by the City, after reasonable investigation, to locate another qualified depository institution acceptable to the City under paragraph B above to carry out the functions of DTC or such successor or new depository.

In the case of a transfer to a successor of DTC or its nominee as referred to in paragraph A above or in the case of designation of a new depository pursuant to paragraph B above, upon receipt of the outstanding Master Notes by the Issuing and Paying Agent, together with written instructions for transfer satisfactory to the Issuing and Paying Agent, a single new Master Note of each series shall be issued to such successor or new depository, as the case may be, registered in the name of such successor or new depository, as the case may be, or its nominee, as is specified in such written transfer instructions. In the case of a determination under paragraph C above and the failure, after reasonable investigation to locate another depository institution for the Notes acceptable to the City and upon receipt of outstanding Master Notes by the Issuing and Paying Agent together with written instructions for transfer satisfactory to the Issuing and Paying Agent, new Notes of both series shall be issued in the denominations of \$100,000 or any integral multiple of \$1,000 in excess thereof, as provided in and subject to the limitations of Section 302 hereof, registered in the names of such Persons, and in such denominations as are requested in such written transfer instructions; however, the

Issuing and Paying Agent shall not be required to deliver such new Notes within a period of less than 60 days from the date of receipt of such written transfer instructions.

The City shall be entitled to treat the Owner of any Note as the absolute owner thereof for all purposes of this ordinance and any applicable laws notwithstanding any notice to the contrary received by the Issuing and Paying Agent or the City and the City shall have no responsibility for transmitting payments to the beneficial owners of the Notes held by DTC or any successor or new depository named pursuant to paragraph A or B above.

The City and the Issuing and Paying Agent shall endeavor to cooperate with DTC or any successor or new depository named pursuant to paragraph A or B above in effectuating payment of the Debt Service Requirements of the Notes by arranging for payment in such a manner that funds representing such payments are available to the Depository on the day they are due.

Section 311. Note Cancellation. Whenever any Note shall be surrendered to the Issuing and Paying Agent upon payment thereof, or to the Issuing and Paying Agent for transfer, exchange or replacement as provided herein, such Note shall be promptly canceled and destroyed by the Issuing and Paying Agent, and a certificate of such cancellation and destruction shall be furnished by the Issuing and Paying Agent to the City.

Section 312. Incontestable Recital in Notes. Pursuant to Article XX of the State Constitution, the Supplemental Public Securities Act and this ordinance, each Note shall recite that it is issued under the authority of this ordinance and the Supplemental Public Securities Act and that it is the intention of the City that such recital shall conclusively impart full compliance with all the provisions of this ordinance and shall be conclusive evidence of the validity and the regularity of the issuance of the Notes after their delivery for value and that all the Notes issued containing such recital shall be incontestable for any cause whatsoever after their delivery for value.

ARTICLE IV

ISSUANCE AND SALE OF NOTES

Section 401. Issuance and Sale of Notes.

Whenever an Authorized Representative determines that the City shall sell and issue Notes, such Authorized Representative shall deliver an Issuance Request in substantially the form attached hereto as Exhibit B to the Issuing and Paying Agent and the applicable Dealer prior to 4:30 p.m. New York City time on the Business Day preceding the Business Day on which Notes are to be issued stating the applicable series and aggregate amount of Notes to be issued. Notwithstanding the foregoing, no Issuance Request shall be required in connection with Refundings and the applicable Dealer shall sell Notes as necessary to accomplish the Refundings *without further direction from the Authorized Representative unless the Authorized Representative delivers a certificate of the City to the Dealer stating that the City intends to pay all of the principal of the maturing Notes on the date of maturity and stating that it has provided sufficient funds to the Issuing and Paying Agent for such payment.*

Prior to 4:30 p.m. New York City time on the Business Day preceding the Business Day on which Notes are to be issued, the applicable Dealer shall consult with the Authorized Representative as to the terms of such Notes, including interest rates, maturity dates and the principal amount of such Notes and the sale and issuance thereof in accordance with Section 302 hereof. Pursuant to the applicable Dealer Agreement, the applicable Dealer shall deliver instructions to the Issuing and Paying Agent and the City prior to 12:30 p.m. New York City time on the Business Day on which Notes are to be issued to complete the Notes and deliver them to such Dealer. The Dealer's instructions shall prescribe the series, principal amounts, maturities of and interest rates on the Notes. If an Issuance Request is received after 4:30 p.m. New York City time on the Business Day preceding the Business Day on which Notes are to be issued, or if instructions from the applicable Dealer are received after the time set forth above, the Issuing and Paying Agent shall not be obligated to deliver the requested Notes until the next succeeding Business Day.

Upon receipt of such Issuance Request, if required, and instructions from the applicable Dealer, which information shall be transmitted in accordance with the provisions set forth in the Issuing and Paying Agent Agreement, the Issuing and Paying Agent shall by 3:00 p.m. New York City time on such day (a) record on its records as to each Note to be delivered, the series, amount, date, registered owner (which shall be Cede & Co. unless specific instructions otherwise are provided by the City), maturity date, interest rate and interest amount for each such Note, (b) to the extent necessary under the book entry system used for the Notes, prepare, complete and authenticate each such Note, and (c) deliver each such Note to the applicable Dealer through DTC as provided in Section 310 hereof on receipt of payment therefor. The applicable Dealer shall, by 3:00 p.m. New York City time on such day, pursuant to the provisions set forth in its Dealer Agreement, pay to the Issuing and Paying Agent, in immediately available funds, the aggregate purchase price for such Notes.

Notwithstanding any other provision of this ordinance or the Issuing and Paying Agent Agreement to the contrary, no such Notes shall be delivered by the Issuing and Paying Agent if the delivery of such Notes would result in violation of any of the prohibitions respecting authentication of Notes set forth in Section 305 hereof.

Section 402. Proceeds of Sale of Notes. Upon receipt from the applicable Dealer of the proceeds of the issuance and sale of Notes, the Issuing and Paying Agent shall:

A. deposit such proceeds to the credit of the Reimbursement Account in the Series A Note Payment Fund to the extent necessary to reimburse the Bank for Series A Credit Obligations incurred to pay the principal of the Series A Notes on or prior to that date or under certain circumstances set forth in the Series A Credit Agreement the principal of and interest on the Series A Notes on or prior to that date;

B. deposit such proceeds to the credit of the Reimbursement Account in the Series B Note Payment Fund to reimburse the Bank for Series B Credit Obligations incurred to pay the principal of the Series B Notes on or prior to that date or under certain circumstances set forth in the Series B Credit Agreement the principal of and interest on the Series B Notes on or prior to that date; and

C. transfer the balance of such proceeds to the City for deposit in the Acquisition Fund.

Section 403. Establishment and Application of Acquisition Fund. There is hereby created a special and separate account to be known as the "City of Colorado Springs, Colorado Utilities System Commercial Paper Notes Acquisition Fund." The Finance Director may establish such subaccounts in the Acquisition Fund as are necessary or desirable to carry out the requirements of this ordinance or any supplemental ordinance. Except as otherwise provided herein, the moneys in the Acquisition Fund shall be used solely for the purpose of paying the Cost of the Project and for the purposes set forth in Section 404 hereof.

Section 404. Payment of Expenses. Moneys deposited in the Acquisition Fund pursuant to Section 402C hereof may be used and paid out by the City to defray the administrative costs of the Project, including, without limitation, fees and expenses of the Issuing and Paying Agent, fees and expenses of the Dealers, fees and expenses of the Bank, for custodial fees, legal fees, accounting fees, financial advisory fees, printing costs and rating fees and all other fees and expenses in connection with the Project and for reimbursing the City for any such administrative costs of the Project which the City has paid prior to the delivery of the Notes. The City may defray any such costs from time to time as Operation and Maintenance Expenses to the extent the moneys deposited in the Acquisition Fund pursuant to Section 402C hereof are insufficient therefor.

Section 405. Use of Acquisition Fund for Deficiencies. The Finance Director shall use any Note proceeds credited to the Acquisition Fund without further order or direction, (a) to make any payments on any Commercial Paper Credit Agreement Obligation as the same become due whenever and to the extent moneys otherwise available therefor are insufficient for that purpose and (b) if the Bank fails, for any reason, to honor a proper request for payment under the Series A Letter of Credit or the Series B Letter of Credit, as the case may be, necessary to make payment of the principal of or interest on the Notes when due, to pay such principal and interest to the extent necessary to prevent a default of the Notes, unless in each case such Note proceeds shall be needed to defray obligations accrued and to accrue under any contracts then existing and relating to the Project. The Finance Director shall promptly notify the Council of any such use.

Section 406. Lien on Note Proceeds. Until the proceeds of the Series A Notes and Series B Notes deposited in the Acquisition Fund are applied as herein provided, such Note

proceeds are subject to a lien thereon and pledge thereof for the benefit of the Owners of the Outstanding Notes and the Bank as provided in Section 501 hereof.

Section 407. Dealers and Owners Not Responsible. The validity of the Notes is not dependent upon nor affected by the validity or regularity of any proceedings relating to the application of the Note proceeds. The Dealers, the Bank and any Owners of any of the Notes are not responsible for the application or disposal by the City or by any of its officers, agents and employees of the moneys derived from the sale of the Notes or of any other moneys herein designated.

ARTICLE V

ADMINISTRATION OF AND ACCOUNTING FOR PLEDGED REVENUES

Section 501. Pledge Securing Notes. Subject only to the right of the City to cause amounts to be withdrawn and paid on account of Operation and Maintenance Expenses, the Gross Pledged Revenues and, subject to the right of the City to cause amounts to be withdrawn from the Acquisition Fund for the purposes described in Section 403 hereof, all moneys and securities paid or to be paid to or held or to be held in any account under this Article or under Section 403 hereof, other than moneys and securities held in the Rebate Fund to the extent such amounts held in the Rebate Fund are required to be paid to the United States, and all amounts held by the Issuing and Paying Agent under the Issuing and Paying Agent Agreements are hereby pledged to secure the payment of the Debt Service Requirements of the Outstanding Notes and the Commercial Paper Credit Agreement Obligations. Such pledge of the Net Pledged Revenues is subordinate and junior only to the pledge of the Net Pledged Revenues for, and the lien thereon of, the Outstanding First Lien Bonds, any First Lien Credit Facility Obligations, any Reserve Fund Insurance Policy repayment obligations relating to First Lien Bonds and any First Lien Financial Products Agreements (other than with respect to Termination Payments) heretofore or hereafter entered into. Such pledge of the Net Pledged Revenues is on a parity with the pledge of the Net Pledged Revenues for, and lien thereon of, any Outstanding Parity Bonds hereafter authorized and issued, any Parity Credit Facility Obligations, any Reserve Fund Insurance Policy repayment obligations relating to Parity Bonds and any Parity Loan Agreements. Moneys and securities in the Series A Note Payment Fund shall secure only the Series A Notes and Series A Credit Agreement Obligations and moneys and securities in the Series B Note Payment Fund shall secure only the Series B Notes and Series B Credit Agreement Obligations. This pledge shall be valid and binding from and after the date of the delivery of the Notes, and the moneys as received by the City and hereby pledged shall immediately be subject to the lien of this pledge without any physical delivery thereof, any filing, or further act.

Section 502. Subordinate Lien Notes. The Notes constitute an irrevocable and subordinate lien (but not necessarily an exclusive subordinate lien) upon the Net Pledged Revenues subordinate and junior only to the lien on the Net Pledged Revenues of the First Lien Bonds at any time Outstanding, any First Lien Credit Facility Obligations, any Reserve Fund Insurance Policy repayment obligations relating to First Lien Bonds and any First Lien Financial Products Agreements (other than with respect to Termination Payments) heretofore or hereafter entered into.

Section 503. Equality of Notes. The Notes, the Commercial Paper Credit Agreement Obligations and any Parity Bonds hereafter authorized and from time to time Outstanding, any Parity Credit Facility Obligations, any Reserve Fund Insurance Policy repayment obligations relating to Outstanding Parity Bonds and any Parity Loan Agreements are equitably and ratably secured by a lien on the Net Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Net Pledged Revenues regardless of the time or times of the issuance or incurrence of the Notes, the Commercial Paper Credit Agreement Obligations, any such Parity Bonds, any such Credit Facilities, any such Reserve Fund Insurance Policy repayment obligations or any such Parity Loan Agreements, it being the intention of the Council that there shall be no priority among the Notes, the Commercial Paper Credit Agreement Obligations, any such Parity Bonds, any such Credit Facilities, any such Reserve Fund

Insurance Policy repayment obligations or any such Parity Loan Agreements regardless of the fact that they may be actually issued, delivered, incurred or entered into at different times, except that (a) moneys and securities in the Acquisition Fund shall secure only the Notes and Commercial Paper Credit Agreement Obligations, moneys and securities in the Series A Note Payment Fund shall secure only the Series A Notes and Series A Credit Agreement Obligations, moneys and securities in the Series B Note Payment Fund shall secure only the Series B Notes and Series B Credit Agreement Obligations and the moneys and securities in any acquisition, bond, reserve or similar funds established for other Parity Bonds shall secure only such Parity Bonds and Credit Facilities relating thereto and (b) Parity Bonds may have a lien on Net Pledged Revenues on a parity with lien thereon of the Notes even though a reserve fund is established for such Parity Bonds.

Section 504. Income Fund Deposits. So long as any of the Notes shall be Outstanding, as to any Debt Service Requirements or any Commercial Paper Credit Agreement Obligations are unpaid, the entire Gross Pledged Revenues, upon their receipt from time to time by the City, shall be set aside and credited immediately to the Income Fund, which is hereby continued.

Section 505. Administration of Income Fund. So long as any of the Notes shall be Outstanding or any Commercial Paper Credit Agreement Obligations are unpaid, the following payments shall be made from the Income Fund, as provided in Sections 506 through 513 hereof.

Section 506. Operation and Maintenance Expenses. Firstly, as a first charge on the Income Fund, from time to time there shall continue to be held therein moneys sufficient to pay Operation and Maintenance Expenses, as they become due and payable, and thereupon they shall be promptly paid. Any surplus remaining in the Income Fund at the end of the Fiscal Year and not needed for Operation and Maintenance Expenses shall be used for other purposes of the Income Fund as herein provided.

Section 507. First Lien Bond Payments. Secondly, from any moneys remaining in the Income Fund, i.e., from the Net Pledged Revenues, so long as any First Lien Bonds are Outstanding, there shall be credited to the bond fund, reserve fund and rebate funds for the First Lien Bonds all amounts required to be paid therein pursuant to the First Lien Bond Ordinances and so long as any amounts are payable under any First Lien Credit Facility Obligations, First Lien Financial Products Agreements (other than Termination Payments) or Reserve Fund Insurance Policy repayment obligations relating to First Lien Bonds, there shall be paid all amounts payable thereunder.

Section 508. Note Payment Fund Payments. There are hereby created for the benefit of the Owners of the Notes the special and separate accounts to be known as the "City of Colorado Springs, Colorado, Utilities System Commercial Paper Notes Series A Note Payment Fund" and as the "City of Colorado Springs, Colorado, Utilities System Commercial Paper Notes Series B Note Payment Fund," and within each such Fund separate accounts to be known as the "Principal Account," the "Interest Account" and the "Reimbursement Account." Thirdly, from any remaining Net Pledged Revenues, there shall be paid to the Issuing and Paying Agent for deposit into the Series A Note Payment Fund and the Series B Note Payment Fund, concurrently with any payments required to be made pursuant to any Parity Bond Ordinances with respect to the principal of or interest on any Parity Bonds then Outstanding, or any Parity Credit Facility Obligations or Reserve Fund Insurance Policy repayment obligations relating to

Outstanding Parity Bonds hereafter entered into or incurred and any payments to be made pursuant to any Parity Loan Agreements, the following amounts:

A. Series A Interest Payments. By 1:30 p.m. (New York City time) on each maturity date for the Series A Notes, to the Issuing and Paying Agent for deposit into the Reimbursement Account within the Series A Note Payment Fund an amount equal to the interest on the Series A Notes which is due on such maturity date; provided that Net Pledged Revenues are required to be paid into the Reimbursement Account in the Series A Note Payment Fund only to the extent that the sum of the amount contained therein and any amount transferred from the Acquisition Fund to the Interest Account within the Series A Note Payment Fund to pay interest on the Series A Notes on such maturity date is less than the amount of interest on the Series A Notes which is due on that maturity date.

B. Series B Interest Payments. By 1:30 p.m. (New York City time) on each maturity date for the Series B Notes, to the Issuing and Paying Agent for deposit into the Reimbursement Account within the Series B Note Payment Fund an amount equal to the interest on the Series B Notes which is due on maturity date; provided that Net Pledged Revenues are required to be paid into the Reimbursement Account in the Series B Note Payment Fund only to the extent that the sum of the amount contained therein and any amount transferred from the Acquisition Fund to the Interest Account within the Series B Note Payment Fund to pay interest on the Series B Notes on such maturity date is less than the amount of interest on the Series B Notes which is due on that maturity date.

C. Series A Principal Payments. By 1:30 p.m. (New York City time) on each maturity date for Series A Notes, to the Issuing and Paying Agent for deposit into the Reimbursement Account within the Series A Note Payment Fund, an amount equal to the principal amount of the Series A Notes which is due on such date; provided that Net Pledged Revenues are required to be paid into the Reimbursement Account in the Series A Note Payment Fund only to the extent that the sum of (i) the amount contained therein and any amount transferred from the Acquisition Fund to the Principal Account within the Series A Note Payment Fund to pay principal of the Series A Notes on such maturity date plus (ii) the amount of principal of new Series A Notes to be issued on such maturity date to refund such Outstanding Series A Notes which is to be deposited in the Reimbursement Account of the Series A Note Payment Fund is less than the amount of principal of the Series A Notes which is due on that maturity date.

D. Series B Principal Payments. By 1:30 p.m. (New York City time) on each maturity date for Series B Notes, to the Issuing and Paying Agent for deposit into the Reimbursement Account within the Series B Note Payment Fund, an amount equal to the principal amount of the Series B Notes which is due on such date; provided that Net Pledged Revenues are required to be paid into the Reimbursement Account in the Series B Note Payment Fund only to the extent that the sum of (i) the amount contained therein and any amount transferred from the Acquisition Fund to the Principal Account within the Series B Note Payment Fund to pay principal of the Series B Notes on such maturity date plus (ii) the amount of principal on new Series B Notes to be issued on such maturity date to refund such Outstanding Series B Notes which is to be deposited in the Reimbursement Account of the Series B Note Payment Fund is less than the amount of principal of the Series B Notes which is due on that maturity date.

Such Net Pledged Revenues shall be transferred to the Issuing and Paying Agent by 1:30 p.m. (New York City time) on the maturity date of the applicable series of Notes and shall

be deposited by the Issuing and Paying Agent into the Reimbursement Account of the Series A Note Payment Fund or the Series B Note Payment Fund, as applicable. As further provided in the Issuing and Paying Agent Agreements and in Section 302 hereof, all amounts in the applicable Reimbursement Account shall be used by the Issuing and Paying Agent for the purpose of reimbursing the Bank for Commercial Paper Credit Agreement Obligations incurred on such date for the purpose of paying the principal of and interest on the applicable series of Notes due on such date or to pay the principal of or interest on the applicable series of maturing Notes.

In the event that the Net Pledged Revenues are insufficient to pay all amounts due on all Notes, Commercial Paper Credit Agreement Obligations, Parity Bonds, Parity Credit Facility Obligations, Reserve Fund Insurance Policy repayments relating to Parity Bonds or Parity Loan Agreements, such moneys shall be allocated, pro rata, to the payment of amounts due thereunder. The Owners of the Notes and the Bank shall have an equal priority right with the Owners of Parity Bonds and the providers of Credit Facilities relating thereto and Reserve Fund Insurance Policies relating thereto and the parties to any Parity Loan Agreements to the Net Pledged Revenues and the Net Pledged Revenues are hereby pledged to the payment thereof without priority or distinction of one over the others.

Section 509. Termination of Deposits. Provided that no Commercial Paper Credit Agreement Obligations are owed to the Bank under the Series A Credit Agreement or to the Bank under the Series B Credit Agreement, as the case may be, no payment need be made into the Series A Note Payment Fund or the Series B Note Payment Fund if the amount therein totals a sum at least sufficient so that all Notes of such series Outstanding are deemed to have been paid pursuant to Section 1001 hereof, in which case moneys therein (taking into account the known minimum gain from any investment of such moneys in Investment Securities from the time of any such investment or deposit shall be needed for such payment which will not be designated for transfer to the Rebate Fund) shall be used (together with any such gain from such investments) solely to pay the Debt Service Requirements of the Series A Notes or Series B Notes, as applicable, as the same become due; and any moneys in excess thereof in that Fund and any other moneys derived from the Net Pledged Revenues or otherwise pertaining to the System may be used as otherwise provided in this Article.

Section 510. Rebate Fund. Fourthly, there shall be deposited into the special and separate account hereby created and to be known as the "City of Colorado Springs, Colorado, Utilities System Commercial Paper Notes, Series A and B Rebate Fund" moneys in the amounts and at the times specified in the Tax Compliance Certificate so as to enable the City to comply with Section 728 hereof. The Finance Director may establish such subaccounts in the Rebate Fund as are desirable or are required by the Tax Compliance Certificate. Amounts on deposit in the Rebate Fund shall not be subject to the lien and pledge of this ordinance to the extent that such amounts are required to be paid to the United States Treasury. The City shall cause amounts on deposit in the Rebate Fund to be forwarded to the United States Treasury (at the address provided in the Tax Compliance Certificate) at the times and in the amounts set forth in the Tax Compliance Certificate.

If the moneys on deposit in the Rebate Fund are insufficient for the purposes thereof, the City shall transfer moneys in the amount of the insufficiency to the Rebate Fund from the Acquisition Fund, the Series A Note Payment Fund and the Series B Note Payment Fund. Upon receipt by the City of an Opinion of Bond Counsel acceptable to the City to the effect that the amount in the Rebate Fund is in excess of the amount required to be contained therein, such excess shall be transferred to the Income Fund.

Section 511. Interest on Reserve Fund Insurance Policy Draws. Fifthly, there shall be paid interest on amounts advanced under any Reserve Fund Insurance Policy to the provider of such Policy.

Section 512. Payment of Subordinate Securities. Sixthly, and subject to the provisions hereinabove in this Article, but subsequent to the payments required by Sections 506, 507, 508, 510 and 511 hereof, any moneys remaining in the Income Fund may be used by the City for the payment of Debt Service Requirements of Subordinate Securities, including reasonable reserves for such Subordinate Securities and for rebate of amounts to the United States Treasury with respect to such Subordinate Securities, and any Credit Facility Obligations relating to such Subordinate Securities.

Section 513. Use of Remaining Revenues. After the payments hereinabove required to be made by Sections 506 through 512 hereof are made, any remaining Net Pledged Revenues in the Income Fund shall be used, firstly, for any one or any combination of necessary purposes relating to the operation, improvement or debt management of the System and, secondly, to the extent of any remaining surplus, for any one or any combination of lawful purposes as the Council may from time to time conclusively determine.

Section 602. Places and Times of Deposits. Except as hereinafter provided, the Income Fund, the Acquisition Fund, the Series A Note Payment Fund, the Series B Note Payment Fund and the Rebate Fund shall be maintained as book accounts and kept separate from all other accounts as trust accounts solely for the purposes herein designated therefor. The Income Fund, the Acquisition Fund and the Rebate Fund shall be held and administered by the City. The Series A Note Payment Fund and the Series B Note Payment Fund shall be held and administered by the Issuing and Paying Agent for the benefit of the Owners of the Notes. The moneys contained in the Principal Account and the Interest Account of the Series B Note Payment Fund shall not be comingled with moneys contained in the Reimbursement Account of the Series B Note Payment Fund. The moneys accounted for in the Income Fund, the Acquisition Fund and the Rebate Fund shall be in one bank account or more in one or more Commercial Banks. Each such bank account shall be continuously secured to the fullest extent required or permitted by the laws of the State for the securing of public funds and shall be irrevocable and not withdrawable by anyone for any purpose other than the respective designated purposes. Moneys shall be paid by the City to the Issuing and Paying Agent for deposit in the Series A Note Payment Fund and the Series B Note Payment Fund in the amounts, on the dates and by the times specified in Section 508 hereof.

Section 603. Investment of Moneys. Any moneys in the Income Fund, the Acquisition Fund and the Rebate Fund and not needed for immediate use shall be invested or reinvested by the Finance Director in Investment Securities. All such investments shall (a) either be subject to redemption at any time at a fixed value by the holder thereof at the option of such holder, or (b) mature not later than the estimated date or respective dates on which the proceeds are to be expended as estimated by the Finance Director at the time of such investment or reinvestment. For the purpose of any such investment or reinvestment, Investment Securities shall be deemed to mature at the earliest date on which the obligor is, on demand, obligated to pay a fixed sum in discharge of the whole of such obligations. Moneys in the Series A Note Payment Fund and in the Series B Note Payment Fund shall not be invested.

Section 604. Scheduling Acquisition Fund Disbursements. Section 605. Accounting for Investments. The Investment Securities so purchased as an investment or reinvestment of moneys in the Income Fund, the Acquisition Fund and the Rebate Fund shall be deemed at all times to be a part of the applicable Fund. resulting from any such investments or reinvestments of moneys accounted for in such Fund shall be charged or debited to such Fund. No loss or profit in any account on any investments or reinvestments in Investment Securities shall be deemed to take place as a result of market fluctuations of the Investment Securities prior to the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided or for rebate purposes, as described in the Tax Compliance Certificate, Investment Securities shall be valued at the cost thereof (including any amount paid as accrued interest at the time of purchase of the obligation); provided that any time or demand deposits shall be valued at the amounts deposited, in each case exclusive of any accrued interest or any other gain to the City until such gain is realized by the presentation of matured coupons for payment or otherwise.

Section 606. Redemption or Sale of Investment Securities. The Finance Director shall present for redemption or sale on the prevailing market at the best price obtainable any Investment Securities so purchased as an investment or reinvestment of moneys in the applicable account whenever it shall be necessary in order to provide moneys to meet any withdrawal, payment or transfer from such account. Neither the Finance Director or any other officer or employee of the City shall be liable or responsible for any loss resulting from any such investment or reinvestment made in accordance with this ordinance. Section 701. Performance of Duties. The City, acting by and through the Council or otherwise, shall faithfully and punctually perform, or cause to be performed, all duties with respect to the Gross Pledged Revenues and the System required by the Constitution and laws of the State and the Charter and various ordinances of the City, including, without limitation, the making and collection of reasonable and sufficient fees, rates and other charges for services rendered or furnished by or the use of the System, as herein provided, and the proper segregation of the proceeds of the Notes and of any securities hereafter authorized and the Gross Pledged Revenues and their application from time to time to the respective accounts provided therefor.

Section 702. Contractual Obligations. The City shall perform all contractual obligations undertaken by it under any agreements relating to the Notes, the Gross Pledged Revenues, the Project or the System, or any combination thereof, with any other Persons.

Section 703. Further Assurances. At any and all times the City shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver and file or record all and every such further instruments, acts, deeds, conveyances, assignments, transfers, other documents and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, the Gross Pledged Revenues and other moneys and accounts hereby pledged or assigned, or intended so to be, or which the City may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this ordinance and to comply with any instrument of the City amendatory thereof, or supplemental thereto and the Charter. The City, acting by and through the Council, or otherwise, shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Gross Pledged Revenues and other moneys and accounts pledged hereunder and all the rights of every Owner of any Note hereunder against all claims and demands of all Persons whomsoever.

Section 704. Conditions Precedent. Upon the date of issuance of the Notes, all conditions, acts and things required by the federal or State Constitution, the Charter, the Supplemental Public Securities Act or by this ordinance to exist, to have happened and to have been performed precedent to or in the issuance of the Notes shall exist, have happened, and have been performed; and the Notes, together with all other obligations of the City, shall not contravene any debt or other limitation prescribed by the State Constitution or the Charter.

Section 705. Efficient Operation and Maintenance. The City shall at all times operate the System properly and in a sound and economical manner; and the City shall maintain, preserve and keep the same properly or cause the same so to be maintained, preserved and kept, with the appurtenances and every part and parcel thereof in good repair, working order and condition, and shall from time to time make or cause to be made all necessary and proper repairs, replacements and renewals so that at all times the operation of the System may be properly and advantageously conducted. All salaries, fees, wages and other compensation paid by the City in connection with the maintenance, repair and operation of the System shall be reasonable and proper.

Section 706. Rules, Regulations and Other Details. The City, acting by and through the Council, shall establish and enforce reasonable rules and regulations governing the operation, use and services of the System. The City shall observe and perform all of the terms and conditions contained in this ordinance and the Charter, and shall comply with all valid acts, rules, regulations, orders and directions of any legislative, executive, administrative or judicial body applicable to the System or to the City.

Section 707. Payment of Governmental Charges. The City shall pay or cause to be paid all taxes and assessments or other municipal or governmental charges, if any, lawfully levied or assessed upon or in respect of the System, or upon any part thereof, or upon any portion of the Gross Pledged Revenues, when the same shall become due, and shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to the System or any part thereof, except for any period during which the same are being contested in good faith by proper legal proceedings. The City shall not create or suffer to be created any lien upon the System, or any part thereof, or upon the Gross Pledged Revenues, except the pledge and lien created by this ordinance for the payment of the Debt Service Requirements of the Notes and except as herein otherwise permitted. The City shall pay or cause to be discharged or shall make adequate provision to satisfy and to discharge, within 60 days after the same shall become payable, all lawful claims and demands for labor, materials, supplies or other objects which, if unpaid, might by law become a lien upon the System, or any part thereof, or the Gross Pledged Revenues; but nothing herein requires the City to pay or cause to be discharged or to make provision for any such tax, assessment, lien or charge, so long as the validity thereof is contested in good faith and by appropriate legal proceedings.

Section 708. Protection of Security. The City, the officers, agents and employees of the City, and the Council shall not take any action in such manner or to such extent as might prejudice the security for the payment of the Debt Service Requirements of the Notes, the Commercial Paper Credit Agreement Obligations or the Debt Service Requirements of any other securities payable from the Net Pledged Revenues or any Credit Facility Obligations relating thereto, any Reserve Fund Insurance Policy repayment obligations relating thereto, any amounts due and owing under any Parity Loan Agreements or under any First Lien Financial Products Agreement according to the terms thereof. No contract shall be entered into nor any other action taken by which the rights of the Bank, any Owner of any Note or other security payable from Net Pledged Revenues or any provider of a Credit Facility or a Reserve Fund Insurance Policy relating thereto, any party to a Parity Loan Agreement or a Provider of any First Lien Financial Products Agreement might be prejudicially and materially impaired or diminished.

Section 709. Prompt Payment of Notes. The City shall promptly pay the principal of and interest on the Notes at the places, on the dates and in the manner specified herein and in the Notes according to the true intent and meaning hereof.

Section 710. Other Liens. The City will not create or permit the creation of any pledge, lien, charge or other encumbrance upon System, or any part thereof, or upon the Net Pledged Revenues while any of the Notes are Outstanding or any Commercial Paper Credit Agreement Obligations are unpaid, except (a) as otherwise permitted by the First Lien Bond Ordinances, (b) in connection with the issuance of Parity Bonds and (c) except as otherwise permitted herein. Nothing herein prevents the City from issuing additional First Lien Bonds, Parity Bonds or obligations secured by a pledge of Net Pledged Revenues which is junior and subordinate to the payment of the Debt Service Requirements of the Notes and Commercial Paper Credit Agreement Obligations and which junior and subordinate obligations are payable as to principal

and reserve fund requirements, if any, and interest out of Net Pledged Revenues only after the prior payment of all amounts then required to be paid for principal and reserve fund requirements, if any, of and interest on all First Lien Bonds, the Notes, Commercial Paper Credit Agreement Obligations and all Parity Bonds as the same become due and payable.

Section 711. Corporate Existence. The City shall maintain its corporate identity and existence so long as any of the Notes remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities, duties and immunities of the City and is obligated by law to operate and maintain the System and to fix and collect the Gross Pledged Revenues as herein provided without adversely and materially affecting at any time the privileges and rights of any Owner of any Outstanding Note or the Bank.

Section 712. Disposal of System Prohibited. Except for the use of the System and services pertaining thereto in the normal course of business, neither all nor substantially all of the System shall be sold, leased, mortgaged, pledged, encumbered, alienated or otherwise disposed of, so long as any Notes are Outstanding or any Commercial Paper Credit Agreement Obligations are unpaid.

Section 713. Disposal of Unnecessary Property. Except as otherwise provided by the Charter and in Section 712 hereof, the City may sell, exchange or otherwise dispose of property, facilities and assets of the System at any time and from time to time and may lease, contract or grant licenses for the operation of, or make arrangements for the use of, or grant easements or other rights to the properties, facilities and assets of the System. Any proceeds of any such sale, exchange or other disposition received and not used to replace such property so sold or so exchanged or otherwise so disposed of, shall be deposited by the City in the Income Fund or into a special book account for the betterment, enlargement, extension, other improvement and equipment of the System, or any combination thereof, as the Council may determine, and any proceeds of any such lease received shall be deposited by the City as Gross Pledged Revenues in the Income Fund.

Section 714. Competing System. So long as any of the Notes are Outstanding or any Commercial Paper Credit Agreement Obligations are unpaid, the City shall not grant any franchise or license to any competing facilities so that the Gross Pledged Revenues shall not be sufficient to satisfy the covenant in Section 719 hereof.

Section 715. Loss From Condemnation. If any part of the System is taken by the exercise of the power of eminent domain, the amount of any award received by the City as a result of such taking shall be paid into the Income Fund or into a capital improvement account pertaining to the System for the purposes thereof or applied to the redemption of Outstanding First Lien Bonds, or the payment of First Lien Credit Facility Obligations relating thereto, or if no First Lien Bonds are Outstanding and no First Lien Credit Facility Obligations are unpaid, may be applied to the payment of the Outstanding Notes and the redemption of any Outstanding Parity Bonds or the payment of Parity Credit Facility Obligations, all as the City may determine.

Section 716. Employment of Management Engineers. If the City defaults in paying the Debt Service Requirements of the Notes or any other securities payable from Net Pledged Revenues, Credit Facility Obligations relating thereto, Commercial Paper Credit Agreement Obligations, or payments under any First Lien Financial Products Agreements (other than Termination Payments) payable from the Net Pledged Revenues promptly as the same fall due, or in the keeping of any covenants herein contained, and if such default continues for a period

of 60 days, or if the Net Pledged Revenues in any Fiscal Year fail to equal at least the sum of the Debt Service Requirements of the Notes and any other securities payable from Net Pledged Revenues (including all reserves therefor specified in the authorizing proceedings), Credit Facility Obligations relating thereto, Commercial Paper Credit Agreement Obligations, payments under any Parity Loan Agreements and any First Lien Financial Products Agreements (other than Termination Payments) payable from the Net Pledged Revenues in that Fiscal Year, the City shall retain a firm of competent management engineers skilled in the operation of such facilities to assist the management of the System so long as such default continues or so long as the Net Pledged Revenues are less than the amount hereinabove designated in this Section.

Section 717. Budgets. The Council and officials of the City shall annually and at such other times as may be provided by law prepare and adopt a budget pertaining to the System.

Section 718. Reasonable and Adequate Charges. While the Notes remain Outstanding and unpaid or while any Commercial Paper Credit Agreement Obligations are outstanding and unpaid, the fees, rates and other charges due to the City for the use of or otherwise pertaining to and services rendered by the System to the City, to its inhabitants and to all other users within and without the boundaries of the City shall be reasonable and just, taking into account and consideration public interests and needs, the cost and value of the System, the Operation and Maintenance Expenses thereof, and the amounts necessary to meet the Debt Service Requirements of all Notes and any other securities payable from the Net Pledged Revenues, including, without limitation, reserves and any replacement accounts therefor, and, without duplication, Credit Facility Obligations relating thereto and obligations under any Parity Loan Agreements and any First Lien Financial Products Agreements (other than Termination Payments).

Section 719. Adequacy and Applicability of Charges. There shall be charged against users of service pertaining to and users of the System, including the City, except as provided in Section 720 hereof, such fees, rates and other charges so that the Gross Pledged Revenues shall be adequate to meet the requirements of this and the preceding Sections hereof. Such charges pertaining to the System shall be at least sufficient so that the Gross Pledged Revenues annually are sufficient to pay in each Fiscal Year:

A. Operation and Maintenance Expenses. An amount equal to the annual Operation and Maintenance Expenses for such Fiscal Year;

B. First Lien Bond Ordinances. An amount equal to that required by the First Lien Bond Ordinances;

C. Principal and Interest. An amount equal to 100% of the interest on the Notes and the principal and interest on any Parity Bonds then Outstanding payable in that Fiscal Year (excluding the reserves therefor). For the purpose of establishing the fees, rates and other charges for the use of the System to comply with this paragraph with respect to interest payable on the Notes, it shall be assumed that (a) the principal amount of the Notes Outstanding shall be the average amount forecasted by the City to be Outstanding during such Fiscal Year and (b) interest on the Notes shall be calculated by assuming the interest rate on the Notes is a fixed interest rate equal to the average daily interest rate for all Notes during the twelve months preceding the calculation or during the time the Notes have been Outstanding if less than twelve months and if the Notes are not then Outstanding, the interest rate shall be deemed to be a fixed interest rate equal to the average daily interest rate which would have been applicable if

the Notes had been Outstanding for the preceding twelve month period as estimated by the Finance Director, and

D. Other Amounts. Any amounts required to pay all sums, if any, due and owing to with respect to any Commercial Paper Credit Agreement Obligations, any Parity Credit Facility Obligations, any Reserve Fund Insurance Policies relating to Parity Bonds and any Parity Loan Agreements and to meet then existing deficiencies pertaining to any fund or account relating to the Gross Pledged Revenues or any securities payable therefrom.

Section 720. Limitations Upon Free Service. No free service or facilities shall be furnished by the System, except as hereinafter provided. If the City elects to use for municipal purposes any water, water facilities, electricity, gas, sanitary sewer, or other services and facilities provided by the System or otherwise to use the System or any part thereof, any such use will be paid for from the City's general fund or from other available revenues other than Gross Pledged Revenues at the reasonable value of the use so made; provided that the City need not pay for any such use by the City of any facilities of the water system for fire protection purposes or for any such use by the City of any facilities of the water system for the purpose of watering City owned parks. All the income so derived from the City shall be deemed to be income derived from the operation of the System, to be used and to be accounted for in the same manner as any other income derived from the operation of the System.

Section 721. Levy of Charges. The City shall forthwith and in any event prior to the delivery of any of the Notes, fix, establish and levy the fees, rates and other charges which are required by Section 719 of this ordinance, if such action is necessary therefor. No reduction in any initial or existing rate schedule for the System may be made unless the audit required by the Independent Accountant by Section 725 hereof for the full Fiscal Year immediately preceding such reduction discloses that the estimated revenues resulting from the proposed rate schedule for the System, after the schedule's proposed reduction, shall be at least sufficient to produce the amounts required by Section 719 hereof.

Section 722. Collection of Charges. The City shall cause all fees, rates and other charges pertaining to the System to be collected as soon as is reasonable, shall prescribe and enforce rules and regulations or impose contractual obligations for the payment of such charges, and for the use of the System, and shall provide methods of collection and penalties, to the end that the Gross Pledged Revenues shall be adequate to meet the requirements of this ordinance and any other ordinance supplemental thereto.

Section 723. Procedure for Collecting Charges. All bills for water, electric, gas and wastewater services or facilities and all other services or facilities furnished or served by or through the System shall be rendered to customers on a regularly established basis. The fees, rates and other charges due shall be collected in a lawful manner, including, without limitation, discontinuance of service.

Section 724. Maintenance of Records. So long as any of the Notes are Outstanding or any Commercial Paper Credit Agreement Obligations are unpaid, proper books of record and account shall be kept by the City, separate and apart from all other records and accounts.

Section 725. Audits Required. The City, within 60 days following the close of each Fiscal Year, shall order an audit for the Fiscal Year of such books and accounts to be made forthwith by an Independent Accountant, and order an audit report showing the receipts and disbursements for each account pertaining to the System and the Gross Pledged Revenues.

Section 726. Accounting Principles. System records and accounts, and audits thereof, shall be currently kept and made, as nearly as practicable, in accordance with the then generally accepted accounting principles, methods and terminology followed and construed for utility operations comparable to the System, except as may be otherwise provided herein or required by applicable law or regulation or by contractual obligation existing on the effective date of this ordinance.

Section 727. Insurance and Reconstruction. Except to the extent of any self-insurance, the City shall at all times maintain with responsible insurers fire and extended coverage insurance, worker's compensation insurance, public liability insurance and all such other insurance as is customarily maintained with respect to utilities of like character against loss of or damage to the System and against loss of revenues and against public and other liability to the extent reasonably necessary to protect the interests of the City, each Owner of a Note and the Bank. If any useful part of the System shall be damaged or destroyed, the City shall, as expeditiously as may be possible, commence and diligently prosecute the repair or replacement of the damaged property so as to restore the same to use. The proceeds of any such insurance shall be payable to the City and (except for proceeds of any use and occupancy insurance) shall be applied to the necessary costs involved in such repair and replacement and to the extent not so applied shall (together with the proceeds of any such use and occupancy insurance) be deposited in the Income Fund by the City as revenues derived from the operation of the System. If the costs of such repair and replacement of the damaged property exceed the proceeds of such insurance available for the payment of the same, moneys in the Income Fund shall be used to the extent necessary for such purposes, as permitted by Section 513 hereof.

Section 728. Federal Income Tax Exemption. The City covenants for the benefit of the Owners of the Notes that it will not take any action or omit to take any action with respect to the Notes, the proceeds thereof, any other funds of the City or any facilities financed or refinanced with the proceeds of the Notes if such action or omission (a) would cause the interest on the Notes to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Code, (b) would cause interest on the Notes to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Code except to the extent such interest is required to be included in the adjusted current earnings adjustment applicable to corporations under Section 56 of the Code in calculating corporate alternative minimum taxable income or (c) would cause interest on the Notes to lose its exclusion from Colorado taxable income or Colorado alternative minimum taxable income under present State law. In furtherance of this covenant, the City agrees to comply with the procedures set forth in the Tax Compliance Certificate. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Notes until the date on which all obligations of the City in fulfilling the above covenant under the Code and Colorado law have been met.

Section 729. Commercial Paper Credit Agreements and Fee Agreements. The City shall comply with its obligations under the Commercial Paper Credit Agreements and the Fee Agreements.

Section 730. Series A Letter of Credit and Series B Letter of Credit; Alternate Facilities. The City will at all times maintain in effect the Series A Letter of Credit and the Series B Letter of Credit or an Alternate Facility enabling the Issuing and Paying Agent to draw thereunder an amount equal to the principal amount of the applicable series of Notes Outstanding and an amount equal to 270 days accrued interest thereon computed at the rate of 12% per annum. On or prior to the date of the delivery of an Alternate Facility, each Note that was secured by the

Series A Letter of Credit or the Series B Letter of Credit, as the case may be, shall have matured and been paid pursuant to a drawing on the Series A Letter of Credit or Series B Letter of Credit, as applicable, in effect prior to delivery of the Alternate Facility or the other sources of funds provided in Section 508 hereof and all Commercial Paper Credit Agreement Obligations relating thereto shall be paid in full on or prior to the date of delivery of such Alternate Facility. The Finance Director shall promptly give notice of the acceptance of such Alternate Facility to the applicable Dealer and the Issuing and Paying Agent by first class mail, postage prepaid, at the addresses set forth in Section 1004 hereof. In connection with any delivery of an Alternate Facility, the Finance Director shall deliver to the Issuing and Paying Agent and the applicable Dealer written evidence of the ratings assigned by the Rating Agencies which take into account such delivery. Such written evidence shall be delivered not less than 20 days prior to the effective date of the Alternate Facility. Following the substitution of an Alternate Facility for the Series A Letter of Credit, the Series B Letter of Credit or an Alternate Facility then in effect, all references to the applicable Commercial Paper Credit Agreement, the Series A Letter of Credit, the Series B Letter of Credit or the Alternate Facility then in effect replaced thereby will be deemed to be references to such Alternate Facility.

Section 731. Appointment of Dealers. Barclays Capital Inc. is hereby appointed as the initial Series A Dealer and Goldman, Sachs & Co. is hereby appointed as the initial Series B Dealer. The City covenants and agrees to take all reasonable steps necessary to assure that, at all times, there shall be one or more Dealers for each series of the Notes, and to that end shall from time to time enter into one or more Dealer Agreements with such Dealers, providing for the services specified in such Dealer Agreements to be performed by such Dealers, in connection with the offering, sale and issuance of Notes.

Section 732. Issuing and Paying Agent. U.S. Bank National Association is hereby appointed as the Issuing and Paying Agent. The City will at all times maintain an Issuing and Paying Agent for the Notes.

If the Issuing and Paying Agent initially appointed hereunder shall resign, or if the City shall reasonably determine that the Issuing and Paying Agent has become incapable of performing its duties hereunder, the City may, with the consent of the Bank (such consents to not be unreasonably withheld), upon notice mailed to each Owner of the Notes Outstanding at its address last shown on the registration records and the Dealers, remove such Issuing and Paying Agent and appoint a successor Issuing and Paying Agent. No resignation or removal of the Issuing and Paying Agent shall take effect until a successor is appointed, such successor shall have accepted such appointment and the Series A Letter of Credit and the Series B Letter of Credit have been transferred to such successor. Every such successor Issuing and Paying Agent shall be a Commercial Bank with corporate trust powers.

Any corporation or association into which the Issuing and Paying Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, shall be and become the successor Issuing and Paying Agent under this ordinance, without the execution or filing of any instrument or any further act, deed, or conveyance on the part of any of the parties hereto, anything in this ordinance to the contrary notwithstanding.

ARTICLE VIII

PRIVILEGES, RIGHTS AND REMEDIES

Section 801. Owners' and Bank's Remedies. Each Owner of any Note and the Bank shall be entitled to all of the privileges, rights and remedies provided or permitted in the Charter and this ordinance, and as otherwise provided or permitted by law or in equity or by any statutes, except as provided in Sections 202 through 206 hereof, but subject to the provisions herein concerning the pledge of and the covenants and the other contractual provisions concerning the Gross Pledged Revenues and the proceeds of the Notes.

Section 802. Right to Enforce Payment. Nothing in this Article affects or impairs the right of any Owner of any Note to enforce the payment of the Debt Service Requirements due in connection with his or her Note or the obligation of the City to pay the Debt Service Requirements of each Note to the Owner thereof at the time and the place expressed in the Note or the right of the Bank to enforce the payment of the Commercial Paper Credit Agreement Obligations or the obligation of the City to pay the Commercial Paper Credit Agreement Obligation to the Bank at the time and the place expressed in the Commercial Paper Credit Agreements.

Section 803. Events of Default. Each of the following events is hereby declared an "Event of Default":

A. Nonpayment of Principal. Payment of the principal of any of the Notes is not made when the same becomes due and payable, either at maturity or otherwise;

B. Nonpayment of Interest or Commercial Paper Credit Agreement Obligation. Payment of any installment of interest on any of the Notes is not made when the same becomes due and payable or payment of any Commercial Paper Credit Agreement Obligation is not made when the same becomes due and payable;

C. Cross Defaults. The occurrence and continuance of an "event of default," as defined in any First Lien Bond Ordinance or Parity Bond Ordinance;

D. Failure to Reconstruct. The City unreasonably delays or fails to carry out with reasonable dispatch the reconstruction of any part of the System which is destroyed or damaged and is not promptly repaired or replaced (whether such failure promptly to repair the same is due to impracticability of such repair or replacement or is due to a lack of moneys therefor or for any other reason), but it shall not be an Event of Default if such reconstruction is not essential to the efficient operation of the System;

E. Appointment of Receiver. An order or decree is entered by a court of competent jurisdiction with the consent or acquiescence of the City appointing a receiver or receivers for the System or for the Gross Pledged Revenues and any other moneys subject to the lien to secure the payment of the Notes, or if an order or decree having been entered without the consent or acquiescence of the City is not vacated or discharged or stayed on appeal within 60 days after entry; and

F. Default of Any Provision. The City defaults in the due and punctual performance of any other of the representations, covenants, conditions, agreements and other

provisions contained in the Notes or in this ordinance on its part to be performed, and such default continues for 60 days after written notice specifying such default and requiring the same to be remedied is given to the City by the Bank or the Owners of not less than 25% in aggregate principal amount of the Notes then Outstanding.

Section 804. Remedies for Defaults. Upon the happening and continuance of any Event of Default, the Owner or Owners of not less than 25% in aggregate principal amount of the Notes then Outstanding, including, without limitation, a trustee or trustees therefor or the Bank, may proceed against the City and its agents, officers and employees to protect and to enforce the rights of any Owner of Bonds and the Bank under this ordinance by mandamus or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award of execution of any power herein granted for the enforcement of any proper legal or equitable remedy as such Owner or Owners or the Bank may deem most effectual to protect and to enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any Owner of any Note or the Bank, or to require the City to act as if it were the trustee of an expressed trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of the Bank, all Owners of the Notes and any Parity Bonds and the providers of any Credit Facility relating thereto and Reserve Fund Insurance Policies relating thereto and the parties to any Parity Loan Agreements, subject to the superior rights of the Owners of the First Lien Bonds then Outstanding, the providers of any First Lien Credit Facilities and the Providers of any First Lien Financial Products Agreements (other than with respect to Termination Payments).

Section 805. Receiver's Rights and Privileges. Any receiver appointed in any proceedings to protect the rights of such Owners and the Bank hereunder, the consent to any such appointment being hereby expressly granted by the City, may enter and may take possession of the System, may operate and maintain the same, may prescribe fees, rates and other charges, and may collect, receive and apply all Gross Pledged Revenues arising after the appointment of such receiver in the same manner as the City itself might do.

Section 806. Rights and Privileges Cumulative. The failure of any Owner of any Outstanding Bond or the Bank to proceed in any manner herein provided shall not relieve the City, or any of its officers, agents or employees of any liability for failure to perform or carry out any duty, obligation or other commitment. Each right or privilege of any such Owner (or trustee thereof) or the Bank is in addition and is cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any Owner or the Bank shall not be deemed a waiver of any other right or privilege thereof.

Section 807. Duties upon Defaults. Upon the happening of any Event of Default, the City shall do and perform all proper acts on behalf of and for (a) the Owners of Notes to protect and to preserve the security created for the payment of the Notes and to insure the payment of the Debt Service Requirements of the Notes promptly as the same become due and (b) the Bank to protect and to preserve the security created for the payment of the Commercial Paper Credit Agreement Obligations and to insure the payment of the Commercial Paper Credit Agreement Obligations promptly as the same become due. While any Event of Default exists, and subject to any superior rights of the Owners of the First Lien Bonds then Outstanding, the providers of any First Lien Credit Facilities and the Providers of any First Lien Financial Products Agreements (other than with respect to Termination Payments), except to the extent it may be unlawful to do so, all Gross Pledged Revenues shall be paid into the Series A Note

Payment Fund, the Series B Note Payment Fund and into bond or similar funds established for any Parity Bonds then Outstanding and to funds established with respect to Parity Loan Agreements, pro rata based upon the aggregate principal amount of the Series A Notes, the Series B Notes, Commercial Paper Credit Agreement Obligations and Parity Bonds then Outstanding and amounts, if any, due and owing under Parity Loan Agreements. If the City fails or refuses to proceed as in this Section provided, the Bank or the Owner or Owners of not less than 25% in aggregate principal amount of the Notes then Outstanding, after demand in writing, may proceed to protect and to enforce the rights of the Bank and the Owners of the Notes as hereinabove provided, and to that end the Bank and any such Owners of the Outstanding Notes shall be subrogated to all rights of the City under any agreement, lease or other contract involving the System or the Gross Pledged Revenues entered into prior to the effective date of this ordinance or thereafter while any of the Notes are Outstanding.

Section 808. Priority of First Lien Bonds. Notwithstanding any provisions contained in Sections 804, 805, 806 and 807 hereof to the contrary, upon the occurrence of an Event of Default the rights and remedies of the Bank and the Owners of the Notes are subject to the superior rights and priority of the Owners of any First Lien Bonds then Outstanding, the providers of any First Lien Credit Facilities relating thereto and the Providers of any First Lien Financial Products Agreements (other than with respect to Termination Payments).

ARTICLE IX

AMENDMENT OF ORDINANCE

Section 901. Privilege of Amendments. Except as hereafter provided, this ordinance may be amended or supplemented by ordinances adopted by the Council in accordance with law, including the Charter, without receipt by the City of any additional consideration, but the written consent of the Owners of a majority in aggregate principal amount of the Parity Bonds then Outstanding. For the purposes of the immediately preceding sentence, the Bank shall be considered to be the Owner of the applicable series of Notes so long as (a) the Commercial Paper Credit Agreements are then in effect and the Bank has not failed to honor a property presented and conforming drawing under the Series A Letter of Credit or the Series B Letter of Credit. Notwithstanding the foregoing, no such ordinance shall permit:

A. Changing Payment. A change in the maturity, terms of redemption or interest payment of any Outstanding Parity Bond without the consent of the Owner of such Parity Bond; or

B. Reducing Return. A reduction in the principal amount of any Parity Bond or the rate of interest thereon, without the consent of the Owner of such Parity Bond; or

C. Prior Lien. Except as provided in Section 710 hereof, the creation of a lien upon or a pledge of revenues ranking prior to the lien or to the pledge created by this ordinance; or

D. Modifying Any Parity Bond. A reduction of the principal amount or percentages or otherwise affecting the description of Parity Bonds the consent of the Owners of which is required for any such modification or amendment; or

E. Priorities Between Bonds. The establishment of priorities as between Parity Bonds issued and Outstanding.

Notwithstanding the foregoing provisions of this Section, this ordinance and the rights and obligations of the City and of the Owners of the Notes may also be modified or amended at any time, without the consent of any Owners of the Notes but with the consent of Bank so long as (a) the Commercial Paper Credit Agreements are then in effect and the Bank has not failed to honor a property presented and conforming drawing under the Series A Letter of Credit or the Series B Letter of Credit but only to the extent permitted by law and only for any or all of the following purposes:

(1) to add to the covenants and agreements of the City in this ordinance contained other covenants and agreements thereafter to be observed; or

(2) to make modifications or adjustments necessary, appropriate or desirable to accommodate credit enhancements, liquidity facilities and Alternate Facilities, provided that no such provision shall materially and adversely affect the interests of the Owners of the Notes or the Bank; or

(3) to make such provisions for the purpose of curing any ambiguity or of curing or correcting any formal defect or omission in this ordinance, or in regard to questions arising under this ordinance, as the City may deem necessary or desirable, and which shall not adversely affect the interests of the Owners of the Parity Bonds or the Bank.

Section 902. Notice of Amendment. Whenever the Council proposes to amend or modify this ordinance under the provisions of this Article, it shall cause notice of the proposed amendment to be mailed to the Bank, the Dealers and Owners of all Outstanding Parity Bonds at their addresses as the same last appear on the registration records maintained by the Issuing and Paying Agent and any paying agent for any other Parity Bonds. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory ordinance is on file in the office of the Clerk for public inspection.

Section 903. Time for Amendment. If the ordinance is required to be consented to by the Owners of the Parity Bonds, whenever at any time within one year from the date of the giving of such notice there shall be filed in the office of the Clerk an instrument or instruments executed by the Owners of at least a majority in aggregate principal amount of all Parity Bonds then Outstanding, which instrument or instruments shall refer to the proposed amendatory ordinance described in such notice and shall specifically consent to and approve the adoption of such ordinance, the Council may adopt such amendatory ordinance and such ordinance shall become effective. If the ordinance is not required to be consented to by the Owners of the Parity Bonds, the amendatory ordinance may be adopted by the Council at any time. If the ordinance is required to be consented to by the Bank, whenever there shall be filed in the office of the Clerk an instrument or instruments executed by the Bank, which instrument or instruments shall refer to the proposed amendatory ordinance described in such notice and shall specifically consent to and approve the adoption of such ordinance, the Council may adopt such amendatory ordinance and such ordinance shall become effective.

Section 904. Binding Consent to Amendment. [Subsequent Pages] [2nd Page] of Either Form of Note

The City and the Issuing and Paying Agent may deem and treat the person in whose name this Note is registered as the absolute owner hereof for the purpose of payment and for all other purposes. This Note may not be exchanged or transferred except in circumstances specified in the Underlying Records and in the 2015 Utilities Commercial Paper Ordinance adopted by the City Council of the City (the "Council") authorizing the issuance of this Note (the "ordinance").

It is hereby certified, recited and warranted that all the requirements of law have been fully complied with by the proper officers of the City in the issuance of this Note; that the total indebtedness of the City, including that of this Note, does not exceed any limit of indebtedness prescribed by the Constitution or by the laws of the State.

This Note is one of a series of notes issued pursuant to the ordinance designated as the "City of Colorado Springs, Colorado, Utilities System Commercial Paper Notes, [Series A] [Series B]" (the "Notes"). The Notes have been duly authorized for the purpose of providing moneys to defray a portion of the cost of extending, bettering or otherwise improving and equipping the municipal water system, electric light and power system, gas system, wastewater system and certain other systems designated by the City Council of the City, collectively comprising the City's utilities system (the "System").

The Notes do not constitute a debt or an indebtedness of the City within the meaning of any constitutional or statutory provision or limitation and shall not be considered or held to be general obligations of the City. The Notes are special obligations of the City payable and collectible solely out of amounts paid by the Bank (as defined in the ordinance) pursuant to the [Series A Letter of Credit] [Series B Letter of Credit] and, if the Bank fails to make such payment, from the net revenues derived from the operation and use of the System, which revenues are so pledged; the System does not include any Special Facilities, as defined in the ordinance, and will not include any Special Facilities unless hereafter they shall have been expressly made a part of the System by the City; and the Owner hereof may not look to any general or other fund for payment of the principal of or interest on this Note (the "Debt Service Requirements") except the special funds pledged therefor. The full faith and credit of the City is not pledged for the payment of the amounts due on the Notes or under the ordinance.

Payment of the Debt Service Requirements of the Notes shall be made from and as security for such payment there are irrevocably (but not exclusively) pledged, pursuant to the ordinance, revenues derived from the operation and use of and otherwise pertaining to the System (the "Gross Pledged Revenues"), after provision is made only for the payment of all necessary and reasonable expenses of the operation and maintenance of the System (such remaining revenues the "Net Pledged Revenues") and after provision is made for the payment of the principal of and interest on the First Lien Bonds (as defined in the ordinance) heretofore or hereafter issued and after payment of all amounts required to be paid into the reserve funds and rebate funds for the First Lien Bonds is made and after payment of all amounts required to be made with respect to First Lien Credit Facility Obligations (as defined in the ordinance) and First Lien Financial Products Agreements (as defined in the ordinance) other than with respect to Termination Payments (as defined in the ordinance) are made, sums sufficient to pay when due the Debt Service Requirements of the Notes and any other parity securities hereafter issued and to maintain specified reserves, if any, for such purpose and under any Parity Loan Agreements (as defined in the ordinance).

The Notes are equitably and ratably secured by a lien on the Gross Pledged Revenues, and the Notes constitute an irrevocable subordinate lien (but not necessarily an exclusive subordinate lien) upon the Net Pledged Revenues subordinate and junior to the lien thereon of the First Lien Bonds, certain First Lien Credit Facility Obligations, any Reserve Fund Insurance Policy (as defined in the ordinance) repayment obligations relating to First Lien Bonds and certain First Lien Financial Products Agreements, other than with respect to Termination Payments. Securities, in addition to the Notes, subject to expressed conditions, may be issued and made payable from the Net Pledged Revenues having a lien thereon prior to, on a parity with or subordinate to the lien of the Notes in accordance with the provisions of the ordinance.

The City covenants and agrees with the Owner of this Note and with each and every person who may become the Owner hereof that it will keep and will perform all of the covenants of the ordinance, including, without limitation, its covenant against the sale or mortgage of all or substantially all of the System unless provision shall be made for the payment of the Debt Service Requirements of the Notes and its covenant that it will fix, maintain and collect charges for services rendered by and use of the System at least sufficient to produce Gross Pledged Revenues annually to pay the annual operation and maintenance expenses of the System, all amounts required by the First Lien Bond Ordinances (as defined in the ordinance) and one hundred percent (100%) of the interest on the Notes and the principal of and the interest on any parity securities payable annually from the Net Pledged Revenues (excluding reserves therefor).

Reference is made to the ordinance and any and all modifications and amendments thereof for an additional description of the nature and extent of the security for the Notes, the accounts, funds or revenues pledged, the nature and extent and manner of enforcement of the pledge, the rights and remedies of the Owners of the Notes with respect thereto, the terms and conditions upon which the Notes are issued, and a statement of the rights, duties, immunities and obligations of the City, and other rights and remedies of the Owners of the Notes. A copy of the ordinance is on file in the office of the City Clerk.

To the extent and in the respects permitted by the ordinance, the provisions of the ordinance or any ordinance amendatory thereof or supplemental thereto may be modified or amended by action of the City taken in the manner and subject to the conditions and exceptions prescribed in the ordinance. The pledge of revenues and other security under the ordinance may be discharged at or prior to the maturity of the Notes upon the making of provision for the payment thereof on the terms and conditions set forth in the ordinance.

It is certified, recited, and warranted that the Notes are issued under the authority of the ordinance and the Supplemental Public Securities Act (as defined in the ordinance). It is the intention of the City, as expressed in the ordinance, that this recital shall conclusively impart full compliance with all of the provisions of the ordinance and shall be conclusive evidence of the validity and the regularity of the issuance of the Notes after their delivery for value and that all of the Notes issued are incontestable for any cause whatsoever after their delivery for value.
