Hannah Van Nimwegen, Planner II, Planning & Community Development, presented the site details of the proposed Monument Creek Apartments and the requested zone change from Planned Industrial Park (PIP-2) to Office Complex (OC). Ms. Van Nimwegen described the public notification and involvement process, the parking, traffic, and access analysis as well as the stream and trail dedication.

Councilmember Knight stated he is concerned with how long the Pikes Peak Greenway Trail that connects the north to the south will be closed during construction and who will be paying the cost of detouring the trail. Ms. Van Nimwegen said the applicant is working with the Parks, Recreation and Cultural Services Department to ensure the detour of the trail will be limited and working with the Special Events Office to reduce the impact of the detour on events.

Brian Flee, CO President, AmericaWest Housing Solution, applicant, stated that they are working to minimize the impact of moving the trail to the east. He predicts that the project will take approximately 30-60 days to complete, during which time the trail will be closed.

Cathy Archuleta, an adjacent property owner, spoke in opposition of the zoning change. She stated that the zoning modification affidavits were improperly filed and did not have 75% of the homeowner votes as requested by the deed covenants.

Councilmember Murray asked if comments from Ms. Archuleta should be considered an appeal. Britt Haley, City Attorney Office, said it is a citizen comment in opposition.

Councilmember Strand asked if Ms. Archuleta had presented her concerns to the Planning Commission. Ms. Archuleta confirmed she had.

George Christian, Colorado Constructors, property owner, spoke in favor of the zoning change and support of the trail. Mr. Christian said ten of the thirteen property owners signed the documents in support of the zoning change.

Councilmember Avila said that she is in favor of additional affordable housing, but is concerned with the distance to public transportation and grocery stores.

Councilmember Murray asked if the new apartments are Section 8 Housing and inquired about the tenant restrictions. Mr. Fler said AmericaWest is focused on the workforce and targeted to thirty-sixty percent Area Mean Income (AMI). He stated it is possible they will take Section 8 vouchers.

Councilmember Pico asked if there will be Class A security issues for a nearby tenant with an active trail system nearby. Ms. Archuleta said the security issue was brought to her attention from her tenant. Councilmember Pico does not believe it will be since there is another apartment building across the street.

Councilmember Knight commented that to walk to the nearest grocery store by trail would take 25-30 minutes. He also asked if the apartments will have access to the private drive. Ms. Van Nimwegen stated that it is a shared maintenance road that tenants will have access to. Councilmember Knight asked if the underground drainage system will be an issue. Ms. Van Nimwegen said that the stormwater drainage plan is currently under review.

Councilmember Geislinger asked for explanation regarding the rent range. Mr. Fler said that the calculation is based on a Housing and Urban Development (HUD) determination.

Councilmember Murray asked if covenant issues for this property have been addressed. Mr. Fleer said that they have met covenant requirements. Marc Smith, City Attorney, clarified that the baseline review is for the re-zoning and concept plan criteria. He said that there is a provision in the City zoning code that addresses private covenant rules, but that the City does not have the authority to administer private covenant restrictions.

Motion by Councilmember Bennett, seconded by Councilmember Pico, that the the Ordinance rezoning 5.41 acres from PIP-2/CR/SS (Planned Industrial Park with Conditions of Record and a Streamside Overlay) to OC/SS (Office Complex with Streamside Overlay), based upon the findings that the zoning request complies with the review criteria set forth in City Code Section 7.5.603.B be approved on first reading. Presenter:

Sarah B. Johnson, City Clerk

[Signed Resolution 83-17](#)

Sarah B. Johnson, City Clerk, stated that September 8, 2017 is the deadline to submit ballot language and ballot certification to the El Paso County Clerk and Recorder. She said if the City withdraws by September 8, 2017, there would be no cost to the City.

Councilmember Murray inquired if there is a limit to the number of questions that can be placed on the ballot and if there would be any additional cost. Ms. Johnson said the resolution today does not indicate the number of questions and an additional cost would transpire if it is a Taxpayers' Bill of Rights (TABOR) question.

Councilmember Murray asked who would be responsible for civic engagement with the public regarding the ballot language. Jeff Greene, Chief of Staff, said that it would be the responsibility of the Mayor and Councilmembers to engage with the public. Mr. Greene stated that the Chamber of Commerce has agreed to manage a campaign for this

election and facilitate the election process on behalf of the business community. Councilmember Murray requested a minimum of two public meetings to address any ballot questions that Council recommends.

Councilmember Knight stated that he supports the resolution because there is opportunity to withdraw at a later time, but does have some reservations. He also agreed that there needs to be public hearings on the stormwater related issue.

Councilmember Pico stated that he does not support the resolution because he does not feel the need to go to voters with another stormwater related question and that he is not convinced that it should be appropriated from the general fund.

Councilmember Strand stated that he supports the resolution as a place holder, but feels they need to make a case to citizens for the request of additional funding for public safety. Councilmember Geislinger invited citizens to participate by presenting Council and staff with suggestions and ideas regarding the issues. Mr. Greene commented that the Mayor considers it imperative to address the stormwater needs.

Motion by Councilmember Bennett, seconded by Councilmember Geislinger, that the Resolution declaring the intention of the City of Colorado Springs, Colorado, to hold a special municipal election and to participate in a coordinated election to be held on Tuesday, November 7, 2017 be adopted.
