VIA HAND DELIVERY AND EMAIL

Sarah Johnson, City Clerk
City of Colorado Springs
30 South Nevada Avenue, Suite 101
Colorado Springs, CO 80903

> Re: 2424GOTG LLC, City Planning File No. PUDZ 22-0005; PUDC-22-0003

Dear Ms. Johnson:

We represent 2424GOTG, LLC.

An appeal from the Planning Commission's recommendation of approval of the above-referenced Zone Change and Concept Plan was filed and a hearing on that appeal is currently scheduled before the City Council for March 28, 2023. 2424GOTG respectfully requests that the City Council Hearing on this matter be rescheduled from March 28, 2023, as currently scheduled, until Tuesday, August 8, 2023. The reasons for the request are the following:

First, our team has some conflicts with the currently scheduled date and desires to have the full team present at this important hearing. Second, there is additional information that needs to be developed and presented to City Council. That information includes some matters raised as grounds for the appeal, and that information will take some time to obtain and prepare for the hearing. We would like to have that information available for the City Council.

For the foregoing reasons, we respectfully request that the currently scheduled City Council hearing be vacated and this matter be set for hearing on August 8, 2023.
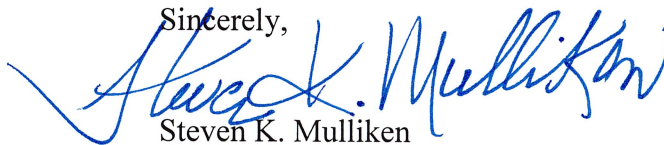

Mulliken Weiner Berg & Jolivet P.C.

Thank you for your consideration.

Sincerely,

Steven K. Mulliken
