 The document, together with the concepts and designs presented herein, is intended for the specific project and client for which it was prepared. It is not to be used for any other project or purpose without the written authorization and signature of the engineer of record. It is the responsibility of the client to ensure that the project is completed in accordance with the applicable laws and regulations. The engineer and architect, their respective firms, and the project team shall be held harmless by the client for any and all claims, damages, and expenses, including reasonable attorneys' fees, arising out of or from the use of the project, whether or not such claims, damages, and expenses are caused in whole or in part by the negligence of the engineer, architect, or project team.
