

To whom it may concern,

My name is Annete Najera and I live one house away from Heidi Clearo. I have known her for many years. She cared for my son Carlos several years ago before he started school, he will soon be 8. She is now caring for both my son and my nephew. She is very professional and is someone that I trust with my children. When my youngest son was born I was hoping to place him in Heidi's care however she did not have any infant openings at the time. It is nice having a childcare in the neighborhood. I hardly notice the noise or traffic that her business generates. I fully support her decision to seek a large license.

A handwritten signature in black ink that reads "Annete Najera". The signature is written in a cursive style with a large initial 'A' and a long, sweeping underline.
