ORDINANCE NO. 00-104

AN ORDINANCE CREATING A NEW PART 8 (CIVIL ABATEMENT OF PUBLIC NUISANCES) TO ARTICLE 6 (OFFENSES AFFECTING PROPERTY) OF CHAPTER 21 (PUBLIC OFFENSES) OF THE CODE OF THE CITY OF COLORADO SPRINGS 1980, AS AMENDED PERTAINING TO PUBLIC NUISANCES

WHEREAS, the abatement of public nuisances for the protection of public health, safety and welfare is a matter of local concern; and

WHEREAS, the purpose of this Part 8 is to bring about the efficient and effective abatement of public nuisances and is remedial in nature; and

WHEREAS, notwithstanding criminal enforcement action against individuals, recurring violations of the criminal law on certain parcels of property in the City have resulted in the creation of public nuisances on such properties which seriously threaten the peace and safety of neighboring residents and undermine the quality of life of the citizens of the City; and

WHEREAS, effective abatement of public nuisances requires that the City take action against the places and properties where public nuisances are committed, not just against the individuals who commit the acts; and

WHEREAS, the City Council believes that it is necessary and desirable in the public interest to enact a local public nuisance law in order to: eliminate local public nuisances by removing parcels of real property in the City from a condition that consistently and repeatedly violates the law; make remiss property owners vigilant in preventing public nuisances on or in their property; make remiss property owners responsible for the use of their property by tenants, guest and occupants; and otherwise deter, restrain, and prevent the occurrence or reoccurrence of public nuisances; and

WHEREAS, the purpose of this Part 8 is to enact such a local public nuisance law.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF COLORADO SPRINGS:

21-6-806: TEMPORARY RESTRAINING ORDERS; PUBLIC NUISANCES:

- A. General. The Court shall issue an ex parte temporary restraining order if the complaint, supported by an affidavit, shows by a preponderance of the evidence that there is probable cause to believe that a public nuisance has occurred on, in, or about the real property, or the real property was used to commit, conduct, promote, facilitate or aid the commission of any public nuisance.
- B. Seizure of Real Property and the Contents of Buildings. The temporary restraining order shall make orders necessary to effect the seizure of real property and the contents of buildings and which are reasonably necessary to access, maintain and safeguard the property. These orders shall become effective within 30 days of the date the temporary restraining order is posted on the real property and served as provided by City Code §21-6-803(I), unless within that 30 day period a person claiming a legal or equitable interest or right of possession in the real property files, sets, serves and has heard a motion to vacate or modify the temporary restraining order(s) as provided in City Code § 21-6-807(C), or unless within that 30 day period a person claiming a legal or equitable interest or right of possession in the real property files, sets, serves and has heard a motion to stay execution of a temporary restraining order as provided in City Code §21-6-807(E). The motion shall be heard and determined as provided in City Code §§21-6-807(C) and 21-6-807(E). A motion properly brought under City Code §21-6-807(C) or 21-6-807(E) shall temporarily stay a temporary restraining order until the conclusion of the hearing. No temporary restraining order shall permit the seizure of real property until this 30 day period has elapsed.

21-6-807: MOTION TO VACATE OR MODIFY TEMPORARY RESTRAINING ORDER

- A. General. Any party defendant and any person holding any legal or equitable interest or right of possession in any property seized or restrained under this Part 8 may file a motion to vacate or modify the temporary restraining order or for return of seized property. Proceedings on these motions shall be as provided below.
- B. Motion to Vacate or Modify Orders Other Than Those Pertaining to Seizure of Property. Where the specific provision in the temporary restraining order complained of pertains to any matter other than the seizure, retention, closure, or receivership of property, the provision of this subsection ~~21-6-807(B)~~ shall apply and control.
 - 1. Within 30 days of the date defendant is served with the temporary restraining order, the moving party must: (a) file the Motion to Vacate or Modify; and (b) set the motion for a hearing to be held within 20 days but not less than 10 days from the date the motion is filed; and (c) personally serve the motion and notice of the hearing on the office of the City Attorney. Any motion to vacate a temporary restraining order shall state specifically the factual and legal

grounds upon which it is based, and only those grounds may be considered at the hearing

2. At the hearing, the City shall have the burden of proving by a preponderance of the evidence that there is probable cause to believe that a public nuisance or public nuisance activity occurred on, in or about the real property, or the real property was used to commit, conduct, promote, facilitate or aid the commission of any public nuisance. The Court shall not vacate or modify the temporary restraining order unless it finds that there is no probable cause to believe that a public nuisance occurred or the order is manifestly unreasonable or unjust.
- C. Motion to Vacate or Modify Orders Pertaining to Seizure of Property. Where a specific provision in the temporary restraining order pertains to the seizure, retention, closure or receivership of property, the provisions of this subsection shall apply and control.
1. Within 30 days of the date the defendant is served with the temporary restraining order, the moving party must: (a) file this motion; and (b) set the motion for a hearing to be held within 20 days but not less than 10 day from the date of the filing of the motion; and (c) personally serve the motion and notice of the hearing on the office of the City Attorney. Any motion for return of seized property shall state specifically the factual and legal grounds upon which it is based, and only those grounds may be considered at the hearing.
 2. At the hearing on the motion for return or release of seized property, the party seeking release and return of the property shall have the burden of proving ownership or a right to possession and that the property is not relevant evidence in any criminal proceeding. The City shall have the burden of proving by a preponderance of the evidence that there is probable cause to believe that a public nuisance or public nuisance activity occurred on, in or about the real property, or the real property was used to commit, conduct, promote, facilitate or aid the commission of any public nuisance. If, at the time of the hearing, the City has already obtained a judicial determination of probable cause through the issuance of a temporary restraining order, the City shall have no burden of proof, and the party seeking release of the property shall also have the burden of proving that there is no probable cause to believe that a public nuisance occurred on, in or about the real property or that an affirmative defense under §21-6-810 exists.
 3. The Court shall not return or release the property to the moving party unless it finds by a preponderance of the evidence that: (a) the moving party is the

owner of the property or presently entitled to possession; (b) the property is not relevant evidence in a criminal proceeding; and (c) there is no probable cause to believe that a public nuisance was committed on, in or about the real property or that an affirmative defense under §21-6-810 exists.

- D. Consolidated Hearing on Motion to Vacate, Modify, and Trial on the Merits. Where all parties so stipulate, the Court may order the trial on the merits to be consolidated and tried with a hearing on these motions. Where the trial on the merits is not consolidated, any evidence received at the hearing on these motions need not be repeated at trial, but shall be treated as part of the record at trial.
- E. Order to Stay Execution of Temporary Restraining Order: In addition to a Motion to Vacate or Modify Orders pursuant to City Code §§21-6-807(B) and §21-6-807(C), a defendant may file a motion for stay of execution of a temporary restraining order. Whenever a motion for stay of execution is filed, the provisions of this subsection shall apply and control.
1. Within 30 days of the date defendant is served with the temporary restraining order, the moving party must: (a) file a motion to stay enforcement of the temporary restraining order; and (b) set the motion for a hearing to be held within 20 days but not less than 10 days from the date of the filing of the motion; and (c) personally serve the motion and notice of the hearing on the office of the City Attorney.
 2. At the hearing, the moving party shall have the burden of proving by a preponderance of the evidence that the defendant is using all reasonable efforts to abate the nuisance activities, and that those efforts are likely to abate the nuisance activities.
 3. If the Court finds: (a) The defendant is using all reasonable efforts to abate the nuisance activities; (b) these efforts are likely to abate the activities giving rise to the public nuisance; and (c) the public health, safety and welfare would not be impaired by granting a stay of execution of the temporary restraining order, the Court may grant a stay of execution of the temporary restraining order not to exceed 45 days except where a longer period of time is required by law¹.

¹This provision is necessary in the event that eviction proceedings require a greater period of time.

4. Any order granting a stay of execution of the temporary restraining order pursuant to Section 21-6-807(E)(3) shall be reviewed by the Court at least five (5) days prior to expiration of the stay.

21-6-808: REMEDIES FOR PUBLIC NUISANCES:

Where the existence of a public nuisance is established in a civil action under this Part 8, the Court shall enter permanent prohibitory and mandatory injunctions requiring the parties defendant to abate the public nuisance and take specific steps to prevent the same and other public nuisances from occurring on the real property. The Court shall also order the following remedies:

- A. **Closure of Real Property and Destruction of Certain Structures.** That the real property be closed for a period of not less than three (3) months and not exceeding one (1) year from the date of the final judgment, plus any extension of that period caused by a failure to comply with the reasonably necessary conditions for release of the property set by the Court. Where reasonably necessary, the Court may further order the defendants to carry out destruction of the structures. The Court shall order the defendants to provide for maintenance, utilities, insurance and security of the property during the period of closure. At the end of the closure period, the real property shall be released to the owner only upon (a) payment of all actual expenses incurred by the City; and (b) payment of all civil judgments under City Code §21-6-809. The issuance and execution of the closure order shall not be deemed a bailment of property.
- B. **Receivership of Real Property.** Where the City so requests, in lieu of closure of real property, the property may be placed into a special receivership for a period not less than three (3) months and not exceeding one (1) year from the date of the final judgment plus any extension of that period caused by a failure to comply with the reasonably necessary conditions for release set by the Court. The receiver, appointed ex parte by the Court, shall take possession of the property to the exclusion of the owners and other persons holding any legal or equitable interest and their managers and agents then in possession, shall collect rents and profits from the tenants, and shall pay the operating expenses, taxes, utilities and maintenance expenses on the property. The receiver shall not pay the principal or interest on any note, deed of trust, mortgage, or similar instrument, and these obligations shall remain that of the owners and other persons holding any legal or equitable interest in the real property. The Court shall periodically award the receiver reasonable fees for the receiver's services to be paid out of the rents, profits and income of the property. The receiver shall account for all income and expenses and the balance, if any, shall be remitted to the property owner. The court may make other reasonable orders consistent with these

provisions for the administration of this special receivership. The Court shall order the defendant(s) to provide for and pay the maintenance, utilities, security, operating expenses, taxes, insurance, receivership fees and other reasonable expenses related to the property to the extent that the rents, profits and income of the property under the receivership is insufficient to defray these expenses. At the end of the receivership period, the real property shall be released to the owner only upon (1) payment of all actual expenses incurred by the City for seizure and receivership, and payment of other reasonable expenses not covered by the income under receivership; and (2) payment of all civil judgments under City Code §21-6-809. The issuance and execution of the receivership order shall not be deemed a bailment of property. The owner of the property remains responsible for the maintenance and security of the property subject to the receivership order and shall be permitted reasonable access to the property for these purposes upon application to the court.

21-6-809: CIVIL JUDGMENT:

In any case in which a public nuisance is established, in addition to the remedies provided above, the court shall impose a separate civil judgment on every person who committed, conducted, promoted, facilitated or aided the commission of any public nuisance or who held any legal or equitable interest or right of possession in any real property on or in which any public nuisance occurred. This civil judgment shall be for the purpose of compensating the City for the costs of pursuing the remedies under this Part 8. The civil judgment shall be in the liquidated sum of five hundred dollars (\$500.00) and shall be imposed as a judgment against each defendant independently, separately and severally.

21-6-810: AFFIRMATIVE DEFENSES

- A. It shall be an affirmative defense to an action brought pursuant to this Part 8 that the owner of the property was not involved in the public nuisance or public nuisance activity and that the owner did not know or reasonably could not have known of the public nuisance or public nuisance activity.
- B. It shall be an affirmative defense to an action brought pursuant to this Part 8 that:
 - 1. The defendant has taken reasonable steps to abate the public nuisance activity, and to restrain and prevent future public nuisance activity.
- C. The affirmative defense contained in subsection B shall not be available to the owner or any person acting under the authority of the owner where any such person was engaged in the public nuisance activity.

21-6-811: LIEN PROVISIONS:

Any actual expenses incurred by the City for seizure, receivership, closure, abatement, other reasonable expenses and any judgment entered pursuant to City Code §21-6-809, shall be an assessment against the real property. A lien in favor of the City shall lie against the real property for the amount assessed and may be enforced pursuant to law.

21-6-812: SUPPLEMENTARY REMEDIES FOR PUBLIC NUISANCES:

In any action in which probable cause for the existence of a public nuisance is established, in the event that the parties defendant, or any one of them, fails, neglects, or refuses to comply with the court's temporary restraining orders, receiverships, closure and other orders, the court may, upon the motion of the City, in addition to or in the alternative to the remedy of contempt, permit the City to enter upon the real property and abate the nuisance, take steps to prevent public nuisances from occurring or perform other acts required of the defendants in the court's temporary restraining orders and other orders.

21-6-813: OTHER SEIZURES, CLOSURES, FORFEITURES, CONFISCATIONS, AND REMEDIES:

Nothing in this Part 8 shall be construed to limit or forbid the seizure, confiscation, closure, destruction, forfeiture of property or use of other remedies, now or later required, authorized or permitted by any other provision of law. Nothing in this Part 8 shall be construed as requiring that evidence and property seized, confiscated, closed, forfeited or destroyed under other provisions of law be subjected to the special remedies and procedures provided in this Part.

21-6-814: VOLUNTARY ABATEMENT AGREEMENT; STIPULATED ALTERNATIVE REMEDIES:

- A. The goal of a Voluntary Abatement Agreement, and other stipulated alternative remedies is to abate the public nuisance, prevent public nuisances from recurring, deter public nuisance activity and protect public interest. The City, through the City Attorney's Office, and any party defendant to an action under this Part 8 may voluntarily stipulate to orders and remedies that are different from and may be less stringent than the remedies provided in this Part 8. The Voluntary Abatement Agreement entered pursuant to this section is designed to voluntarily abate the public nuisance activity occurring on the real property and provide reasonable measures to prevent public nuisances from recurring on the real property. The Voluntary Abatement Agreement shall address all public nuisance activity occurring on the real property at the time of its execution.
- B. The Colorado Springs Police Department shall render reasonable assistance to effectuate the Voluntary Abatement Agreement.

- C. The Court shall make such stipulations and Voluntary Abatement Agreements an order of the Court and enforce the same. The remedies provided in this Part 8 shall be applicable in the event of non-compliance with the Voluntary Abatement Agreement.
- D. Compliance and completion of a Voluntary Abatement Agreement shall preclude a civil action from being filed pursuant to this Part 8 for the public nuisance activity, which was the subject of the Voluntary Abatement Agreement. Nothing herein shall preclude the filing of a civil action pursuant to this Part 8 for new public nuisance activity occurring on the real property after completion of the Voluntary Abatement Agreement, or activity not addressed in the Voluntary Abatement Agreement.

21-6-815: NUISANCE ABATEMENT ADVISORY COMMITTEE

- A. There is hereby established a nuisance abatement advisory committee. The nuisance abatement advisory committee shall oversee the implementation and administration of this Part 8. The nuisance abatement advisory committee shall meet at least 2 times annually and on such additional occasions, as they may deem necessary. The Colorado Springs Police Department shall notify the nuisance abatement advisory committee concerning enforcement actions taken pursuant to this Part 8 once notice has been given as provided in §21-6-804. The nuisance abatement advisory committee may make recommendations and reports to City Council concerning this Part 8 but shall not have veto or approval authority over the commencement of any action under this Part 8.
- B. The nuisance abatement advisory committee shall consist of not more than 8 members. Members of the committee may consist of individuals from the following fields including but not limited to:
 - 1. A representative from a registered neighborhood organization, and

21-6-816: LIMITATION ON ACTION:

Actions under this Part 8 shall be filed no later than one (1) year after the public nuisance or the last in a series of acts constituting the public nuisance occurs. This limitation shall not be

construed to limit the introduction of evidence of public nuisances that occurred more than one (1) year before the filing of the complaint when relevant for any purpose.

21-6-817: SEVERABILITY:
