- a. There is a sufficient existing and projected need for organized service in the area to be served by the District;
- b. The existing service in the area to be served by the District is not adequate for present and projected needs;
- c. The proposed District is capable of providing economic and sufficient service to the area within its boundaries; and
- d. The area to be included in the proposed special districts has, or will have, the

financial ability to discharge the proposed indebtedness on a reasonable basis.

Section 3. Section 4. The District shall not be authorized to operate or maintain public improvements other than those listed in Exhibit E of the Service Plan until and unless this power is subsequently granted by the City. Such an approval may be by separate resolution, which would not require a formal amendment of the Service Plan.

Section 5. The District shall not issue formal debt until and unless a Land Development Entitlement generally consist with the development assumptions for the area to be served by the proposed District, has been approved by the City.

Section 6. The Service Plan for the District, attached as Exhibit 1 is hereby approved.

Section 7. The City's approval of the Service Plan is not a waiver of, nor a limitation upon any power that the City is legally permitted to exercise with respect to the property subject to the proposed District.

Section 8. This Resolution shall be in full force and effect immediately upon its adoption.

DATED at Colorado Springs, Colorado this 26th day of September 2023.
