

Comments from Neighborhood Meeting (August 10, 2016):

1. What is the time frame for the intersection at Tutt and Snowy River to be signalized if the project is approved?
2. Tutt and Dublin, are the number of lanes being lessened? There is a home under construction...
3. Is there a possibility for a roundabout at Tutt and Snowy River and/or Tutt and Yale (easterly street to the south).
4. Notice the HOA of the easterly neighborhood and include any neighbors in the noticing that are asked to be included.
5. Why this site versus another site that is far away?
6. Why are there so many people being placed along Powers, that has a lot of noise.
7. Why are there no viewshed protection offers?
8. Make available the staff report to all participants.
9. How do we know what the capacities of the City are and if this project is copasetic with those plans.
10. How is this project meeting for the goals of the strategic plans and comprehensive plan?
11. Is this in a landslide susceptible area?
12. How does the drainage work, get addressed?
