Chris Bidlack, City Attorney, Colorado Springs Utilities Division, read the Colorado Springs Utilities rate setting standards and the quasi-judicial role of City Council. Mr. Bidlack polled Council concerning if any members had received any ex parte communications. Councilmember Pico stated he received a phone call in opposition, but would remain fair and impartial in his decision. The rest of Council indicated there were no ex parte communications. Mr. Bidlack presented the hearing agenda and stated the Colorado Springs Utilities filing fulfilled proper procedural compliance

requirements.

Tamela Monroe gave an overview of the 2019 Rate Case Filing in regards to the proposed changes to the water and wastewater rate schedules. She stated the total monthly residential typical bill will increase by approximately \$4.68 (2.1%), the total monthly commercial typical bill will increase by approximately \$8.69 (.6%), and the total industrial typical bill will increase by approximately \$112.09 (.3%). She identified the customer outreach which had occurred and the programs in place to assist customers.

Sonya Thieme, Rates Manager, stated the City Auditor's Office reviewed the cost of service study and found it supports the proposed rate changes with no findings.

Mr. Bidlack polled Council regarding the issues for decision for the Water and Wastewater Service. City Council directed that the terms and conditions be held as proposed. Please see the attached document for additional details.

Councilmember Geislinger stated this is a regional issue and expressed appreciation for Nor'wood Development's contribution of \$100,000 to this project.

Councilmember Knight stated he will be voting against this item because of the source of funding coming from the General Fund. He said he is

pursuing other sources of funding to refund the General Fund for this capital cost.

Councilmember Strand asked if a majority of the funding will go toward capital expenses. Andrew Phelps, Homelessness Prevention and Response Coordinator, stated he will provide a breakdown of capital improvement and operation cost.

Motion by Councilmember Murray, seconded by Councilmember Bennett, that the Ordinance be Ordinance for the supplemental appropriation to the general fund in the amount of \$500,000 for capital and operating expenses associated with increasing the number of available low-barrier shelter beds in our community be finally passed. Carl Schueler, Planning Manager, Comprehensive Planning, presented the proposed 2019 operating plan and budget for the Interquest North Business Improvement District. He stated the abatement in combination with the debt service mill levy temporarily exceeding the 50.0 mill levy cap was required by the bond covenants and recommended by the bond counsel.

Councilmember Knight asked if the abatement was mandatory. Russ Dykstra, from Spencer Fane, representing the district, stated it is prudent, but not mandatory and they would like to keep the capital fund, which is intended for non-debt purposes, separate from the debt fund.

Councilmember Knight asked for justification of the request for the debt limit increase from \$13 million to \$25 million. Mr. Schueler stated he will provide that information.

Councilmember Knight stated he will not be supporting this item because he believes the district should be able to operate within the 50.0 mills.

Motion by Councilmember Bennett, seconded by Councilmember Strand, that the proposed 2019 Operating Plan and Budget for the Interquest North Business Improvement District be approved. The motion passed by a vote of 7-2-0-0

Councilmember Bennett recused himself due to his son, daughter-in-law, and wife own and/or manage a short term rental unit in the City.

Councilmember Geislinger stated he will be making a motion to amend the Ordinance to implement a 125 percent cap on the permits issued as of June 1, 2019. Bret Waters, Deputy Chief of Staff, stated the Mayor's Office does not recommend a cap.

Peter Wysocki, Director of Planning and Community Development, stated this item was introduced to staff by the Council of Neighbors and Organizations (CONO) approximately two years ago to develop regulation and collect Lodgers and Automobile Rental Tax (LART) for short term rentals. He stated staff reviewed many jurisdictions and their regulations and worked to find what fits the community best.

Councilmember Geislinger asked if the short term rentals Ordinance corresponds with the Vibrant Neighborhood aspect of PlanCOS. President Pro Tem Gaebler, Vice Chair of the PlanCOS steering committee, stated short term rentals were considered during the overall discussions.

Councilmember Knight asked if sales and use tax would also be collected from short term rentals. President Skorman confirmed it would.

Meggan Herington, Assistant Planning Director, Planning and Community Development, presented the Ordinance amending Chapter 7 of City Code defining and establishing standards for short term rental units. She explained the stakeholder process, identified Colorado jurisdictions which have short term rental regulations and presented a map of currently identified short term rental units. Ms. Herington gave an overview of the alternative language for the Ordinance as suggested by City Council.

Citizen Michael Applegate, representing the Neighbor Preservation Alliance, gave a presentation in opposition to the proposed Ordinance. He stated they support owner-occupied, but not investor-owned short term rentals. Mr. Applegate stated short term rentals circumvent existing City zoning regulations, this proposed Ordinance will open the door to unlimited, exponential investment growth, and will add to the housing availability crisis. He said safety will be diminished for both residents and guests, they would like a cap of the initial number of permits, and suggested a third-party verification company to verify the data provided by platforms supporting short term rentals.

Citizens Bill Fodor, Doug Schultz, Bruce Hutchison, Jim Keuning, Holda Keuning, Ed Sawyer, Marie McGinnis, Bill Wysong, Pattie Croag, Brad Davis, Patrick Tompkins, Laura Walker, and Jill Johnson spoke in opposition of the proposed Ordinance.

Councilmember Murray asked how many short term rentals are currently in the City. Ms. Herington stated the data is inconclusive at this time.

Councilmember Strand asked how much sales tax has been collected from AirBnB. Ms. Herington stated \$700,000 in 2017.

Councilmember Knight asked how many people were allowed to occupy a house. Marc Smith, Corporate Division Chief, Office of the City Attorney, stated five or more related individuals are permissible as a family, but in regards to unrelated individuals, it would be no more than five. Ms. Herington stated the number of people physically allowed in a structure is in the City's Fire Code.

Citizen Amy Stephens, representing the Colorado Springs Short Term Rental Alliance, gave a presentation in support of the proposed Ordinance. She stated this is an issue about private property rights and there was no previous discussion during the process regarding the implementation of a cap. Ms. Stephens said their objectives were to support a good neighbor policy, private property rights, LART tax, and permitting.

Councilmember Geislinger stated the cap was specifically designed to not interfere with existing permits. Ms. Stephens stated she does not believe in caps.

Councilmember Geislinger asked if they supported investor-owned short term rentals. Ms. Stephen stated they honor everyone's property rights.

Citizens Ed Behr, Ryan Spradlin, Brandon Behr, Trevor Dierdorff, Elliott Orsillo, Lisa Taskerud, Jill Bowman, Cathy Dawson, Rachel Beck from the Chamber of Commerce and EDC, Leah Behr, Rene Behr, Chad Bowman, Nathan Seither, Jenn Nims, Jeff Feltes, Courtney Olsen, Ryan Decker, Caleb Reeder, Dean Remillard, Doug Raines, Ceil Horowitz, Scott Mills, spoke in favor of the proposed Ordinance, but without the amendment to include a cap or the owner-occupied requirement.

Diane Loschen from Council of Neighbors and Organizations (CONO), spoke in favor of the proposed Ordinance. Councilmember Knight asked if Ms. Loschen was speaking on behalf of CONO. Ms. Loschen confirmed she was.

Councilmember Geislinger asked if there will be an artificial increase in permits obtained due to the cap because of the fear of missing the deadline. Mr. Spradlin stated he believes there could be rush because people may obtain a permit in case they may eventually want to rent out their house in the future as a short term rental.

President Skorman polled the audience in regard to their position on the proposed cap, owner-occupied requirement, and whether they supported the Ordinance as written. The majority indicated they do not support a cap or the requirement to be owner-occupied, but do support the Ordinance as written.

Councilmember Knight recommended a process be implemented to verify tax submissions are accurately filed and requested the third party website verification and potential parking issues be reviewed by staff. Bret Waters, Deputy Chief of Staff, stated they will research those areas.

President Pro Tem Gaebler explained how much discussion, compromise, and collaboration had taken place to create this proposed Ordinance.

Councilmember Murray requested the Ordinance be amended to remove the language "Manager and Planning Commission" in Section 7.5.1705: Conditions of Approval. President Pro Tem Gaebler stated fines or issues

are procedural executive branch decisions which should not have to come before City Council unless appealed. Marc Smith, Corporate Division Chief, Office of the City Attorney, stated the language is in place to give authority to the Manager to impose additional conditions in order to mitigate a safety or health welfare issue associated with one of the permits. Councilmember Murray withdrew his request.

Councilmember Knight stated he supports the cap because of not knowing how many short term rentals there are and because it would be easier to remove a cap at a later time rather than adding one.

Motion by Councilmember Geislinger, seconded by Councilmember Knight, to amend the Ordinance amending Chapter 7 (Planning, Development and Building) of City Code defining and establishing standards for short term rental units to include a cap of 125 percent on June 2, 2019 of permits issued through June 1, 2019. The motion failed by a vote of 3-5-0-1

No: 5 - Gaebler, Murray, Pico, Skorman, and Strand

Recused: 1 - Bennett

Councilmember Strand stated he would like to revisit Section 7.5.1704.B. at a later time in regards to the limit of one short term rental unit within each lawful dwelling unit because long term rentals do not require the same limit.

Councilmember Pico stated he is adamantly opposed to the cap because it denies property rights and economically, supply and demand will regulate the number of permits obtained.

Councilmember Avila stated she is concerned about the impact on the community from outside investors.

Councilmember Murray stated there has not been a demonstration of what is being protected in regards to property rights.

Councilmember Geislinger stated this Ordinance is not complete and needs a lot of work, but will reluctantly support it.

Motion by Councilmember Pico, seconded by President Pro Tem Gaebler, that the Ordinance amending Chapter 7 (Planning, Development and Building) of City Code defining and establishing standards for short term rental units be approved on first reading. The motion passed by a vote of 8-0-0-1

Mike Schultz, Principal Planner, Planning and Community Development, presented the Ordinance amending the zoning map of the City of Colorado Springs pertaining to 2.33 acres located northwest of Centennial Boulevard and Mule Deer Drive (Tuscan Foothills Village Filing No. 2) from commercial to multi-family residential. He presented a map of the site location, provided a brief background of the project, and gave an overview of the current and proposed Tuscan Foothills Village development plans. Mr. Schultz described the future open space, the 2008 and 2012 Tuscan Foothills Village development plans, stakeholder process, and staff recommendation.

Councilmember Knight and President Pro Tem Gaebler requested a financial impact statement. Mr. Schultz stated there was not one required for this change because it is not a major master plan amendment. Councilmember Knight stated the Council agreed intent from the administrative branch was whenever there was a change in use of property from commercial to residential, Council would receive a financial impact analysis.

Peter Wysocki, Director Planning and Community Development, stated a financial impact statement would apply to a master plan amendment and this is a zone change which under City Code does not require a financial impact analysis. Bret Waters, Deputy Chief of Staff, stated a meeting will be scheduled with City Council and staff to clarify the issue.

President Pro Tem Gaebler expressed appreciation for the reduction of the speed limit on Centennial Boulevard. Kathleen Krager, Transportation Planning Manager, identified the areas of reduced speed limits.

Councilmember Strand asked if postcards had been mailed out to notify neighbors. Mr. Schultz stated there was an error with sending the initial postcard notifications, but they held a neighborhood meeting with residents to address any concerns.

Citizen Bill Wysong stated he attended the neighbor notification meeting and the only concern presented from some of the residents was in regards to the lighting and how it will affect residents to the east of the development.

Motion by Councilmember Bennett, seconded by Councilmember Geislinger, that the Ordinance amending the zoning map of the City of Colorado Springs pertaining to 2.33 acres from PUD/HS (Planned Unit Development with Hillside Overlay) to PUD/HS (Planned Unit Development: multi-family residential, 17.17 dwelling units per acre with a maximum building height of 37 feet 2 inches) with Hillside Overlay, based on the finding that the zone change request complies with the three (3) review criteria for granting a zone change in City Code Section 7.5.603(B) and the review criteria in City Code Section 7.3.603 for establishment of a PUD zone be approved on first reading. The motion passed by a vote of 6-3-0-0
