# ABOUT US

Home Front Military Network (HFMN) is the merged product of two local non-profits, Peak Military Care Network (PMCN) and The Home Front Cares (THFC).

Through our alliance, we offer military members, veterans & families more streamlined, efficient, and comprehensive services and assistance.

# WHAT WE DO

We connect military service members, veterans and their families to essential resources, including financial assistance provided by HFMN and our partners, in order to meet the full range of needs of individuals and families.

# OUR SERVICES

HFMN helps Colorado service members, veterans and their families navigate support systems through web-based and call-in information and assistance to find the services that are the best fit and follows alongside these individuals every step of the way.

## Financial Assistance

- Emergency financial bridge support throughout Colorado to help with rent, utilities, and transportation needs
- Connections to financial coaching, benefits assistance, and other resources

## Navigation

- Information and resources
- Personal and customized assistance
- Coordinated support

## Education & Outreach

- Collaborative relationships with community, military, and VA for increased awareness and access to services

# Testimonials

“I was at a point in my life (lowest ever). Even just talking with my case manager and hearing her words of encouragement is what I needed. I was at the point where I was having suicidal thoughts and talking with my case manager gave me the courage to move forward, and was a humbling experience, it gave me hope.”
