

# CIRCLE DRIVE BRIDGES REPLACEMENT PROJECT

**DATE** April 23, 2019  
**TO** Aidan Lopez  
**FROM** John Suthers, Mayor of Colorado Springs  
Yoland L. Avila, City Councilmember District 4  
**SUBJECT** Student Ambassador, Circle Drive Bridge Replacement Project

This letter is to recognize and express appreciation for your role as a Student Ambassador for the Circle Drive Bridges Replacement Project during the 2018 - 2019 school year. Your participation and hard work during the planning and design engineering phase has been instrumental for keeping the community at the heart of the project.

Your involvement in this project has resulted in public input reflective of the needs and desires of users of the bridge and adjacent bike/pedestrian facilities, especially the southeast area of the City. You and your fellow Student Ambassadors have allowed us to better understand the needs of the community as we continue improving the transportation infrastructure in and around the City of Colorado Springs.

This bridge replacement project is enabling the City to achieve its commitment of improving critical infrastructure throughout the community for better mobility, safety and efficiency. When completed, the new bridges will maximize safety, capacity and operations, and achieve an aesthetically-pleasing design reflective of community values.

As a Student Ambassador, you have helped shape the development of this project. Thank you for all of your hard work and commitment to your community!

Regards,

John Suthers  
Mayor of Colorado Springs

Yolanda L. Avila  
City Councilmember District 4
