General Notes

- All common areas, open space and landscape improvements shall be owned and maintained by the HOA.
- FLOODPLAIN STATEMENT: This property is located within Zone X (Areas determined to be outside of the 500-year floodplain) as established by FEMA per FEMA map #08041C0545F, revised March 17, 1997.
- School fees in lieu of land dedication shall be provided at the time of recordation of the final Plat.
- All on-site drives, road, and surface parking facilities shall be asphalt and/or concrete.
- The developer shall install all traffic control measures shown on the Development Plan to meet MUTCD standards.
- Signage is not approved with this plan. A separate sign permit is required. Please contact the City's Development Review Enterprise at 2880 International Circle for a Sign Permit application.
- The parties responsible for this plan have familiarized themselves with all current accessibility criteria and specifications and the proposed plan reflects all site elements required by the applicable ADA design standards and guidelines as published by the United States Department of Justice. Approval of this plan by the City of Colorado Springs does not assure compliance with the ADA or any other Federal or State accessibility laws or any regulations or guidelines enacted or promulgated under or with respect to such laws. Sole responsibility for compliance with Federal and State accessibility laws lies with the property owner.
- All lighting fixtures shall have full cut-off shielding or fixtures to reduce off-site lighting impacts.
- The required parking for all developed uses shall be calculated in accordance with city code.
- All public improvements along Marksheffel Rd. will be completed by the PPRTA on a forthcoming project.
- The developer is required to remit the amount of \$75,000 for the future anticipated traffic signal at the intersection of Stetson Hills Boulevard with Antelope Ridge Drive.
- All existing curb, gutter and crosspans posing a safety hazard, damaged, exhibiting excessive deterioration or not meeting current City Engineering Standards along Antelope Ridge Dr. and Stetson Hills Blvd. adjacent to the site will need to be removed and replaced prior to issuing the Certificate of Occupancy (C.O.). An on-site meeting can be set up with the Engineering Development Review Inspector to determine what, if any, improvements are required. The inspector can be reached at 719-385-5977.
