RE: Proposed 2021 IFC Amendments

Dear DFM Cooper,

On behalf of the Housing & Building Association of Colorado Springs (CSHBA), we would like to thank you for giving us the opportunity to review the proposed amendments to the 2021 IFC for the City of Colorado Springs.

After review from our members, no major concerns were identified regarding the proposed amendments and resolution. We appreciate the department's collaboration to review and draft a fire code that is applicable to construction in our area. We look forward to working with the department through implementation and for continued discussions as these codes are utilized.

Thank you,

Kort Henderson
2022 HBA Code Review Vice Chair
