

RESOLUTION NO. 75-18

A RESOLUTION CORRECTING AN ADMINISTRATIVE  
ERROR IN THE OPEN ACCESS TRANSMISSION TARIFF  
EFFECTIVE JANUARY 1, 2019

**WHEREAS**, City Council approved the current effective Open Access Transmission Tariff by Resolution 133-17; and

**WHEREAS**, the current effective Open Access Transmission Tariff implements a two-year phase-in of rate increases that resulted in original tariff sheets for year one rates effective January 1, 2018 and first revised tariff sheets for year two rates effective January 1, 2019; and

**WHEREAS**, although all supporting documentation reflected the accurate year two rates, the year two Reserved Capacity daily delivery charge for Schedule 7 (Long-Term Firm and Short-Term Firm Point-to-Point Transmission Service) and Schedule 8 (Non-Firm Point-to-Point Transmission Service) inadvertently included a typographical error that reflect a charge of \$0.014/kW of Reserved Capacity per day which should have been \$0.14/kW of Reserved Capacity per day; and

**WHEREAS**, Utilities has communicated the need for this correction with the affected customers, and these affected customers agree with the correction; and

**WHEREAS**, City Code section 12.1.108(D)(2)(f) provides that the City Council may change any tariff provision which City Council, in its discretion, deems to be appropriate, provided, that the change has no adverse impact on customers; and

**WHEREAS**, the City Council finds that the proposed modification to the first revised tariff sheets for Schedule 7 and for Schedule 8 of the Open Access Transmission Tariff will not adversely impact other customers; and

**WHEREAS**, the City Council finds that the proposed modification to the affected schedules and tariffs are just, reasonable, sufficient and not unduly discriminatory; and

**WHEREAS**, Utilities has proposed to retain the effective date of January 1, 2019.
