RECITALS

A. The City is a municipal corporation organized and existing as a home rule city under and pursuant to Article XX of the Colorado Constitution and the charter of the City.

B. The Authority is an urban renewal authority and a body corporate and politic organized under the Urban Renewal Law, Part 1 of Article 25 of Title 31, C.R.S. (the "Urban Renewal Law" or "Act").

C. Article XIV, Section 18, of the Colorado Constitution, Section 29-1-201, *et seq.*, C.R.S., as amended and Section 31-25-112 of the Urban Renewal Law, provide for and encourage urban renewal authorities and governmental entities within Colorado to make the most efficient and effective use of their powers and responsibilities by cooperating with each other to accomplish specific public purposes.

D. The City Council of the City approved an urban renewal plan designated the Gold Hill Mesa Commercial Urban Renewal Project Urban Renewal Plan (the "Plan") on June 23, 2015 by Resolution No. 69-15, relating to the Gold Hill Mesa Commercial Urban Renewal Project (the "Project"), under which it is provided that within the urban renewal area (the "Plan Area"), property tax increment and municipal sales tax increments have been allocated pursuant to Section 31-25-107(9)(a)(II) of the Act to further the purposes of the Plan and the Project and provide financial support therefor from such tax increment revenues, as therein and herein further provided. Pursuant to Resolution No. 69-15 of the City Council and § 6.12 of the approved Plan, City Council reserved the right to approve the amount of municipal sales tax increment revenue so allocated as the Council might determine.

E. The Authority will enter into a redevelopment agreement (the "Redevelopment Agreement") with Golden Cycle Investments, LLC, a Colorado limited liability company (the "Developer"), with respect to the Developer's development plans and redevelopment of the improvements described therein and in accordance with the Plan, including, without limitation, environmental mitigation, drainage improvements, asphalt paving, landscaping, erosion control and other eligible public improvements (the "Public Improvements") within the Plan Area.

F. The Gold Hill Mesa Metropolitan District No. 3 (the "Metro District") has been formed for the purposes of assisting with financing of all or some of the Public Improvements. The Metro District is a quasi-municipal corporation and a political subdivision of the State of Colorado created pursuant to the Colorado Special District Act and pursuant to a service plan

approved by the City of Colorado Springs. The Metro District is a wholly independent entity that is not in any way part of or associated with the City or the Authority.

G. In accordance with the Plan, the Developer has submitted to the City Council a financing plan outlining the proposed amounts and purpose for which the City Sales Tax Increment Revenues (as defined below) will be used.

H. In order to facilitate construction of the proposed Public Improvements, the City acknowledges that pursuant to the Urban Renewal Law and this Cooperation Agreement, the City Sales Tax Increment Revenues will be paid to the Authority pursuant to Section 31-25-107(9)(a) of the Act as in effect at the date of this Cooperation Agreement for the financing of the Public Improvements, whether through repayment of Metro District Improvements Bonds (as defined below) issued by the Metro District for such purpose or through reimbursement of the Developer for paying the certified costs of eligible costs of such Public Improvements, or a combination thereof.

I. The Plan implements and allocates tax increment revenue in accordance with the provisions of Section 31-25-107(9) of the Act including (i) property tax increment (the "Property Tax Increment Revenues"), and the Property Tax Increment Revenues have been allocated to the Authority for uses in accordance with the Act and the Plan including pledge in whole or in part to the Metro District to pay the costs of or debt service on Metro District Improvements Bonds or to the Developer to pay the costs of or debt service on the Redevelopment Loan and (ii) the allocation of municipal sales tax increment derived from sales tax revenues of the City from the portion of the City's 2.0% general fund municipal sales tax authorized by City Council which are in excess of the base amount established in accordance with the provisions of Section 31-25-107(9) of the Act (the "City Sales Tax Increment Revenues"). The specified portion of the increment of the 2.0% sales tax which is in excess of the base amount, which shall constitute the City Sales Tax Increment, will be 87.5% of the 2% sales tax (*i.e.* 1.75%) for the first five (5) years after approval of the Plan, and 75% of the 2% sales tax (*i.e.* 1.5%) for the remaining twenty (20) years after approval of the Plan. The City Sales Tax Increment Revenues allocated by the Act to the Authority may be pledged by the Authority in whole or in part to the Metro District for uses in accordance with the Act and the Plan to pay costs of or debt service on Metro District Improvements Bonds or to the Developer for uses in accordance with the Act and the Plan to pay the costs of or debt service on the Redevelopment Loan; but in no event in all cases for a period in excess of 25 years as calculated and provided in the Act.

J. To carry out the Plan, the City and the Authority understand that (i) the Metro District may issue bonds (such bonds and any bonds issued to refinance or refund such bonds are referred to herein as the "Metro District Improvements Bonds"), and (ii) the Developer may enter into a loan agreement with a financial institution (such loan and any loan issued to refinance such loan are referred to herein as the "Redevelopment Loan"), which Metro District Improvements Bonds and Redevelopment Loan shall be payable from, among other things, the Property Tax Increment Revenues allocated to and received by the Authority and pledged to the Metro District or the Developer, as applicable, and the City Sales Tax Increment Revenues allocated and paid to the Authority and pledged by Authority to the Metro District or the Developer, as applicable.

K. The City, in consideration of the benefits to be derived by the City by the implementation of the Plan, the Project and the Improvements, desires to enter into this Cooperation Agreement.

L. The Authority, in consideration of its statutory public purpose and in order to carry out the Plan, desires to participate in the activities contemplated by this Cooperation Agreement, and to enter into this Cooperation Agreement.

NOW THEREFORE, in order to carry out the purposes as set forth above, the City and the Authority agree as follows:

Section 1. Cooperation Regarding the Project, Plan, and Agreements. The Authority agrees to carry out the Project in accordance with the Act and the Plan. The City agrees to cooperate with the Authority to achieve the timely and successful construction of public improvements required to complete the Project, including, without limitation, the Public Improvements and the duties and obligations of the Authority pursuant to redevelopment agreements that may from time to time be entered into between the Authority and property owners and developers for redevelopment of the Plan Area in accordance with the Plan.

Section 2. Project Financing. Pursuant to the Act, the Authority will work with the Metro District and the Developer to issue financial instruments to finance its and their eligible activities, operations and duties to carry out the Plan and the Project by means of tax allocation financing utilizing both Property Tax Increment Revenues and City Sales Tax Increment Revenues. The Property Tax Increment Revenues and the City Sales Tax Increment Revenues shall be paid to the Authority or its designated depository as and when collected in accordance with the Act for deposit into a Tax Increment Revenue Fund established in accordance with the Act and the Plan.

Without limiting the foregoing:

(i) The Metro District may issue Metro District Improvements Bonds under a trust indenture (the "Bond Indenture") between the Metro District and a financial institution qualified to provide corporate trust services, as bond trustee (the "Bond Trustee"). The Bond Indenture shall include a Bond Trustee held fund in which there shall be established an account or accounts and moneys therein shall be used in a manner that assures that the City Sales Tax Increment Revenues shall be used solely to pay principal, interest or redemption prices with respect to Metro District Improvements Bonds, any periodic fees of the Authority related and reasonably allocated its duties under the Bond Indenture and the Act, fees and expenses of the Bond Trustee or any credit enhancer, and replenishment of that portion of a reserve fund held under the Bond Indenture by the Bond Trustee insofar as it relates to and is allocated to the Metro District Improvements Bonds. Proceeds of Metro District Improvements Bonds, net of costs of issuance, capitalized interest and reserve fund deposits, shall be disbursed in a manner that assures that the City Sales Tax Increment Revenues shall be used for no purpose other than financing the eligible costs of designing and constructing the Public Improvements.

(ii) The Authority and the Developer may enter into a Redevelopment Agreement that establishes cost certification procedures that assure that the City Sales Tax Increment Revenues,

net of any reasonable Authority administration costs, shall be used for no purpose other than financing the eligible costs of designing and constructing the Public Improvements.

(iii) The Developer and the Metro District may enter into any combination of the foregoing consistent with the Act, the Plan, the Redevelopment Agreement and this Cooperation Agreement, it being the intent of this language to assure that the City Sales Tax Increment Revenues shall be used for no other purpose than purpose other than financing the eligible costs of designing and constructing the Public Improvements.

Section 3. Property Tax Increment Revenues. The Authority agrees that the Authority's Property Tax Increment Revenues shall be utilized at all time in accordance with the Act (as presently in effect) with priority given to design and construction of the Public Improvements. When all bonds, loans, advances, and indebtedness and other obligations, including interest thereon and any premiums due therewith, have been paid, all taxes upon the taxable property in the Plan Area shall be paid into the funds of the respective public bodies as provided in the Act.

Section 4. Authority Pledge. In accordance with the terms and conditions as set forth in this Cooperation Agreement, the Authority may pledge to the Metro District and the Developer, as applicable, the Property Tax Increment Revenues and the City Sales Tax Increment Revenues. In accordance with the Act and the Supplemental Public Securities Act, such pledge by Authority shall create a lien on the Property Tax Increment Revenues and the City Sales Tax Increment Revenues received by Authority which shall take effect immediately without any physical delivery, filing, or further act. The lien of such pledge shall have priority over any or all other obligations and liabilities of the Authority and shall be valid, binding, and enforceable as against all persons having claims of any kind in tort, contract, or otherwise against the Authority irrespective of whether such persons have notice of such liens. The Authority hereby consents to the further pledge and assignment of the Property Tax Increment Revenues and the City Sales Tax Increment Revenues by (i) the Metro District, upon the issuance of Metro District Improvement Bonds, to the Trustee and (ii) by the Developer, in accordance with the Redevelopment Agreement or to any lender or lenders providing financing pursuant to the Redevelopment Agreement.

Section 5. Changes in the Rate of Sales Tax Percentage. If there shall occur a change in the City general sales tax percentage levied in the Plan Area (i.e., the 2% general fund sales tax), the City Sales Tax Increment Revenues allocated to Authority and the formula with respect to the City Sales Tax Increment Revenues shall not change unless the City's total general fund sales tax percentage rate falls below the fraction or percentage of same originally allocated hereby in which case both the fraction or percentage and the base shall be proportionately adjusted downward. The City and the Authority agree that increases in City sales tax proceeds derived by reason of (a) any increase in the percentage of such City taxes generally, (b) any change in the percentage of such City taxes with regard to specific taxable items, or (c) any extension of such City taxes to items or transactions that are not currently taxable, shall be retained by the City and no portion thereof shall constitute City Sales Tax Increment Revenues.

Section 6. Collection of Revenues; Continuing Cooperation. The City hereby agrees to pursue all of the lawful procedures and remedies available to the City in order to collect the

sales taxes giving rise to the City Sales Tax Increment Revenues, and to cause such revenues to be applied in accordance with this Cooperation Agreement. If any further cooperation or other agreements or amendments shall be necessary or appropriate (a) in order to accomplish the collection of the City Sales Tax Increment Revenues and the allocation to the Authority and the payment thereof to the Authority in accordance with this Cooperation Agreement or (b) to carry out the Project in accordance with the Plan and the Act, the City agrees to exercise its reasonable best efforts to secure the approval of such additional agreements; provided that such efforts do not require the incurring of any costs or expenses by City unless the same are advanced or paid by Authority.

Section 7. Amendment of Plan. The City covenants and agrees that it shall cooperate with the Authority in carrying out and continuing to completion, with all practicable dispatch, the Project in accordance with the Plan and the Act. The Plan may be amended, but no amendment shall be approved by the City unless the Authority shall determine that such amendment will not substantially impair the security or tax exemption for any outstanding obligation of the Authority, the Metro District or the Developer, including the Metro District Improvement Bonds or the Redevelopment Agreement, or pledge of Sales Tax Increment Revenues or the ability of the Authority to perform its obligations with respect thereto.

Section 8. Permits and Licenses. Consistent with all applicable laws, codes and ordinances, the City shall cooperate with the Authority and any designated developer or redeveloper in the Plan Area by timely acting upon, from time to time, applications for City-required permits and licenses in accordance with City's Code of Ordinances and law.

Section 9. Review of Plans. The City shall cooperate with the Authority and any designated redeveloper in the Plan Area by timely reviewing all plans, plats, agreements and other submissions required to be reviewed by the City in connection with the construction of the public and private improvements contemplated by the Redevelopment Agreement and the Plan. Where appropriate, the City agrees to implement any applicable procedures for expedited review and approval permitted by applicable law in furtherance of the implementation of the Plan.

Section 10. Vacations; Dedications. The City, subject to applicable laws, will initiate and pursue appropriate action as may be required to vacate streets, alleys, and other rights of way requested by the Authority to carry out the Plan; grant and alter easements in and through public rights of way; and to accept dedication of rights of way, and easements in connection with the Project; provided, however, that nothing in this section shall be construed as a limitation upon the exercise of legislative discretion by City nor a delegation of legislative authority.

Section 11. Metro District Improvements Bonds and Redevelopment Agreement not to Constitute Debt or Obligation of the City or Authority; No Liability. The Metro District Improvements Bonds, Redevelopment Agreement, any Bond Indenture, loan agreement, or any other instrument or debt obligation issued by the Authority in connection with the project, and any such document shall provide that subject obligation shall not constitute a debt, liability or obligation of any nature of the City or the Authority, but shall be payable solely from amounts pledged therefor and received by the Metro District, any lender, or the Developer, as applicable.

Section 12. Redevelopment Agreement. The Authority will enter into a Redevelopment Agreement with the Developer with respect to the Developer's development plans and redevelopment of the area in which the Public Improvements are being constructed and which is in the Plan Area. Such Redevelopment Agreement shall pertain to the responsibilities of the Developer with respect to private and quasi-public improvements required to be undertaken.

Section 13. Authorized Representatives. To the extent that an action is required to be taken by any party to this Cooperation Agreement, such action may, subject to the last sentence of this Section, be taken by the following representatives: for the City, the Planning and Development Director, or such other person appointed by the foregoing in writing and furnished to the other parties to this Cooperation Agreement; and for the Authority, the Chairman, or such other person appointed by the foregoing in writing and furnished to the other parties to this Cooperation Agreement.
