Open Access Transmission Tariff (OATT) Changes

- OATT governs wholesale high voltage electric transmission service
- Our OATT customers were informed of the proposed changes and have no concerns
- Adopting these tariff changes satisfies a condition to participate in the Joint Dispatch Agreement

Open Access Transmission Tariff (OATT) Changes

- Tariff changes set forth the terms, conditions and eligibility requirements of Joint Dispatch Transmission Service
 - Signatory to a Joint Dispatch Agreement
 - Adoption of a zero dollar rate for the delivery and receipt of qualifying energy
 - Mandate that the zero dollar rate is reciprocal among the participating utilities
- Proposed tariff sheet effective date: May 1, 2019
