President Keith King

City Council

Colorado Springs, Colorado

President King:

Pursuant to City Council Rule 3-17(I)(b), I hereby request that a motion to reconsider an action taken by City Council be placed on Council's next regular meeting agenda, currently scheduled to occur on July 8. I, Councilmember Merv Bennett, plan to move to reconsider Item Number 12.M. of the Regular City Council Agenda of June 24, 2014. The item is a resolution of the City Council of the City of Colorado Springs, Colorado approving the issuance of a Subordinate Taxable Limited Tax General Obligation and Public Improvement Fee Loan 2014A by the Copper Ridge Metropolitan District.

The resolution, which required a supermajority (6 votes) of Council to pass, failed by a vote of 5 in favor and 4 against. I voted with the majority on that item, which gives me standing under the rules to bring the motion to reconsider. The motion to reconsider requires a majority of Council in favor in order for the item to be reconsidered.

City staff will provide additional clarifying information relating to the topic of the resolution prior to the July 8 meeting. Thank you for your consideration.

Sincerely,

President Pro Tem Merv Bennett
