

2018 Action Plan Review

January 1 – January 31, 2018

Public Comment Summary

| Commenting organization or individual | Summary | Format | Received |
|--|--|--------------------------------|----------|
| The Independence Center | Request that CDD commit to prioritizing or implementing universal design in housing projects | Letter | 1/19/18 |
| Jennifer Polk (Catholic Charities) | Question about CDD's strategy to build capacity in any given area without creating dependency | Comment card at public hearing | 1/22/18 |
| Pikes Peak Continuum of Care | Request for more and varied year-round feedback mechanisms; iteration of support in building partnerships and resources; request for needs assessment update and plan to address gaps and measure progress. | Letter | 1/29/18 |
| Peter Carino (CHAP, Ascending to Health) | Request for a louder City voice to support affordable housing efforts and more concerted push on tax-based revenue for housing solutions; more bold and ambitious housing goals; continue relationship between CDD and CoC – changes in leadership has been disruptive – and plan to retain institutional knowledge. | Email | 1/31/18 |
