Subject: 55 Airport Creek Point: DN01471G Monopine Cell Tower

Planning & Community Development Department has received the revisions for the 595 Airport Creek Point: DN01471G Monopine Tower project. The documents have been uploaded on the City's website:

www.coloradosprings.gov/LDRS

and then provide the following file number CPC CM1 18-00100

All the documents, photo simulations and site plans can be viewed at this link (11 Other 06/27/2019). Please forward to your neighbors and/or tenants regarding this project and invite them to submit their feedback. Written comment deadline (emails/written letters) for this re-review is Friday, July 12, 2019.

This project will be heard and decided by the City Planning Commission. Notices will be mailed out to property owners within a 1,000 ft. buffer distance and the property will be posted for the date and time of the Planning Commission. Those property owner/neighbors are welcome to the hearing to provide their comments to the commissioners.

Thank you,
Rachel Teixeira

Ms. Teixeira, thank you for the notification of the revised plans for this project.

Nothing in these revised plans appears to address or mitigate in any way the concerns I expressed in my 11 October 2018 email to you. Therefore, those concerns continue to stand, unmodified.

Please let me know by return email the date, time, and location of the City Planning Commission meeting to discuss and adjudicate this project.

Regards,
Lawrence Stalla, P.E.
