13. Added Item Agenda

- 13.A.** [15-00613](#) An Ordinance creating a six (6) month moratorium on the establishment of any new marijuana consumption club facility within the City limits or on the processing of any land use approval for a new medical marijuana facility within the City limits.

Legislative

Res/Ord Number: 15-76

Peter Wysocki, Director of Planning and Development, provided an overview of the request to place a six month moratorium on the establishment of any new marijuana consumption clubs and processing of any land use approvals for new medical marijuana facilities. This measure will allow the City to evaluate and establish better regulations. Mr. Wysocki stated all departments involved in the approval of marijuana establishments are in support of this measure.

Councilmember Knight explained citizens are concerned about marijuana consumption clubs opening in neighborhoods. Marijuana consumption clubs are not regulated in the City. Councilmember Knight would like to find a solution that will not hinder the marijuana industry but will also not be detrimental to the neighborhoods.

Council discussed the process of establishing a marijuana related business and the effects of this moratorium on the industry. Wynetta Massey, City Attorney, explained marijuana consumption clubs are not currently regulated, and are approved under the same regulations as social clubs. Under the moratorium, currently operating clubs will be allowed to continue doing business, while clubs established after the moratorium ends will be required to comply with the regulations established in during this proposed moratorium.

Council President Pro Tem Gaebler asked how this moratorium will affect businesses currently in the application process. Ms. Massey explained this measure will prevent the Planning Department from approving new marijuana related business applications but will not hinder previously approved plans.

Councilmember Knight asked if there are any medical marijuana establishments in the approval process at this time. Lee McRae, License Enforcement Specialist, stated all applications in process prior to September 21, 2015 have received approval from the Planning Department and will be allowed to continue to establish their business. The City Clerk's Office received at least four new applications September 22, 2015 which have not been reviewed.

Citizens Jan Doran, David Hopkins, Paul Seeling, and Dave Munger spoke in support of the proposed moratorium.

Citizens Andrea Morgan, Jaymen Johnson, KC Stark, D. Aigner, Andrew Porch, John Cureton, Luther Bonow, Eddie Jackson, Joseph Fisher, Dale Hecht, Garrett Casey, Mark Eccher, Cliff Black, Daniel Goodman, Charles Houghton, Kaitlyn Hecht, Lewis Lambert, Ian Gillespie, Ali Hillary, Jared McCasker, Reverend Patrick Partridge, Gina Stokes, Lloyd Johnson, Shan Moore, Ryan Kirk and Andrew Schmitt spoke in opposition of the proposed moratorium.

Councilmember Strand asked if bifurcating these two business types, medical marijuana facilities and consumption clubs, would be a feasible option today. Mr. Wysocki stated a moratorium on all new marijuana facilities would ensure the regulations are designed to work in conjunction with each other.

Police Chief Peter Carey stated there are at least nine marijuana consumption clubs in Colorado Springs, the lack of regulation of these clubs creates concern for officers responding to calls involving them. Fire Chief Christopher Riley reiterated the concerns presented by Chief Carey; the lack of regulation of these clubs poses potential danger to staff.

Councilmember Pico demanded this item be bifurcated to consider medical marijuana establishments and consumption clubs separately.

Motion by Councilmember Knight, seconded by Councilmember Bagley, that the Ordinance be amended to remove all references to Medical Marijuana and be approved on first reading. The motion passed by a vote of 8-1-0.
