**Project Summary:**

Remove structurally un-sound laundry ceiling/upper deck on back of house. Remove structurally un-sound deck on back of house. Remove unused and leaky exterior door at landing of stairs to basement. In-fill door. Rebuild both deck and roof structure/upper deck on back of house. Roof structure/upper deck will be flat-roof (less than 12/2 pitch). Repair areas of siding to match existing siding of original structure. Install code-compliant black iron railing and deck guards in pattern similar to turn-of-the-century railing style. Decking will use wood-look materials to maintain era-specific appearance but using Trex material for maintenance-free, long-lasting life of deck.
