LARGE NONSEASONAL SERVICE - WLNS

AVAILABILITY

Service under this rate schedule is available by contract in Utilities' Exclusive Water Service Territory for Nonresidential customers with annual consumption (based upon the most recent twelve month period) of at least 4 million cubic feet (cf) and a maximum summer month (based upon the most recent period of May – October) cubic feet (cf) consumption of no greater than 1.3 times the monthly average use across the prior twelve month period. Qualifying water consumption must occur through meters located on contiguous service properties on a Customer campus setting. Customers may apply for service under this tariff upon meeting the eligibility requirements.

Service is offered for a 12-month contract period. As long as the customer continues to meet the eligibility requirements, service shall be automatically renewed. After the initial 12-month contract period, Customer may provide written notice thirty (30) days prior to the beginning of the month for which Customer elects not to renew. Customers will be evaluated periodically to insure they continue to meet eligibility requirements. In the event that a customer is no longer eligible, the contract for service shall not renew at the close of the contract anniversary date and Customer shall be required to move to the rate schedule to which they are eligible upon the end of the contract period.
