Marc Smith, Division Chief, Corporate Legislative Counsel, stated in accord with City Charter art. III, § 3-60(d) and its incorporated Colorado Open Meetings Act, C.R.S. § 24-6-402(4)(b) and (e), the City Council, in Open Session, is to determine whether it will hold a Closed Executive Session. The issues to be discussed involve: (1) legal advice and consultation with the City Attorney regarding questions related to City Charter § 3-60(d); and (2) legal advice and consultation with the City Attorney, determining positions relative to matters that may be subject to negotiations, developing strategy for negotiations, and instructing negotiators regarding an intergovernmental agreement (IGA).

Councilmember Knight asked what the IGA was related to. Jeff Greene, Chief of Staff, stated it was with El Paso County in regards to the Office of Emergency Management.

Councilmember Murray asked if the item referencing the City Charter was in regards to public policy regarding executive sessions. Mr. Smith stated City Charter § 3-60(d) does refer to the City's executive session policies.

Councilmember Pico commented that executive session policy should be discussed in open session and this will be the last time that he will agree to discuss it in a closed session.

President Skorman said that if it is a discussion on policy change it should be discussed publicly. Mr. Smith stated it is for the purpose of legal advice which is protected under the Open Meetings law and attorney-client privilege.

Mr. Greene stated that in regards to the El Paso County IGA, El Paso County had a closed session and out of respect for them, it is appropriate to also have the discussion in a closed session.

Councilmember Knight also agreed that the policy on executive sessions should be discussed publicly.

Council President Skorman polled Council regarding the desire to proceed with a Closed Executive Session. At least two-thirds of Council did not agree to proceed in Closed Executive Session by a vote of 5-3-1-0 with Councilmember Avila, Councilmember Murray, and President Skorman voting no on discussion item (1). Councilmember Murray also voted no on discussion item (2).

Mr. Smith stated without the ability to provide legal advice in a confidential manner, the City Attorney's Office requests item (1) to be withdrawn in order to maintain client-attorney privilege.

Councilmember Geislinger requested that the item be discussed publicly, but in a generic manner. Mr. Smith stated that according to the incorporated Colorado Open Meetings law, a twenty-four hour meeting notice regarding discussion of the topic must be provided.

Councilmember Geislinger commented that attorney-client privilege advice has to be protected and discussed first in order to get to the point of Council being able to make decisions regarding the public discussion of

issues on executive sessions.

Councilmember Knight said the attorney-client privilege right lies with the client's request for confidentiality and if the client, which is Council, waives that request for confidentiality, the item should be able to be discussed publicly.

President Skorman stated based upon the additional discussion, he is changing his vote to yes for item (1).

Council President Skorman polled Council again regarding the desire to proceed with a Closed Executive Session on item (1). At least two-thirds of Council agreed to proceed in Closed Executive Session by a vote of 7-1-1-0 with Councilmember Murray voting no.
