GOLD HILL NORTH BUSINESS IMPROVEMENT DISTRICT

1. PURPOSE AND SCOPE OF THIS DISTRICT

A. Requirement for this Operating Plan. The Business Improvement District Act, specifically Section 31-25-1211, C.R.S., requires that the Gold Hill North Business Improvement District (the “District”) file an operating plan and budget with the City Clerk no later than September 30 of each year.

Under the statute, the City is to approve the operating plan and budget within 30 days of the submittal of all required information.

The District operates under the authorities and powers allowed under the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., as amended, as further described and limited by this Operating Plan.

B. What Must Be Included in the Operating Plan? Pursuant to the provisions of the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., as amended, this Operating Plan specifically identifies: (1) the composition of the Board of Directors; (2) the services and improvements to be provided by the District; (3) the taxes, fees, and assessments to be imposed by the District; (4) the estimated principal amount of the bonds to be issued by the District; and (5) such other information as the City may require.

The District’s original 2021-2022 Operating Plan is incorporated herein by reference, and shall remain in full force and effect except as specifically or necessarily modified hereby.

C. Purposes. As may be further articulated in the 2021-2022 Operating Plan, the ongoing and/or contemplated purposes of the District for 2024 include financing, acquisition, construction, completion, installation, replacement, and/or operation and maintenance of all of the services and public improvements allowed under Colorado law for business improvement districts.

D. Ownership of Property or Major Assets. The District will own public improvements as constructed if such improvements are not otherwise dedicated to other public entities for operation and maintenance.

E. Contracts and Agreements. It is anticipated that the District will enter into various agreements as required to facilitate the funding, construction, operation, and maintenance of public improvements. The District and AIPA Colorado Investments, LLC entered into a Reimbursement Agreement (Operations) on December 16, 2021. The District and AIPA Colorado Investments, LLC entered into a Facilities Funding and Acquisition Agreement on December 16, 2021. The District may also enter into agreements with other districts encompassing adjacent developments in order to cooperate on infrastructure projects.

At the end of 2023, it is anticipated that the District will have an outstanding developer advance obligation in the amount of \$81,573 in principal and \$ 4,058 in interest. Interest accrues at a rate of 7% for operating advances and 8% for capital expenses.

2. ORGANIZATION AND COMPOSITION OF THE BOARD OF DIRECTORS

A. Organization. The Gold Hill North Business Improvement District was organized by the City of Colorado Springs, Colorado by Ordinance No. 21-62 on August 21, 2021.

B. Governance. The District is governed by an elected board of directors.

C. Current Board. The persons who currently serve as the Board of Directors are:

- 1) Barry Brinton
- 2) John Olson
- 3) Luanne Ducett
- 4) Stephanie Edwards
- 5) Vacancy

Director and other pertinent contact information is provided in Exhibit A.

D. Term Limits. The District's election on November 2, 2021 included a ballot question to eliminate term limits pursuant to Article 18, Section 11 of the Colorado Constitution. The question passed.

E. Advisory Board. The Board of Directors may appoint one or more advisory boards to assist the Board of Directors on such matters as the Board of Directors desires assistance. The Board of Directors shall, upon the appointment of an advisory board, set forth its duties, duration, and membership. The Board of Directors may provide rules of procedure for the advisory board or may delegate to the advisory board the authority to provide such rules. No advisory boards have yet been appointed.

3. BOUNDARIES, INCLUSIONS AND EXCLUSIONS

The District currently includes approximately 52.346 acres with boundaries as depicted in Exhibit D. In the coming years, the District anticipates inclusion requests as development within the District occurs.

4. PUBLIC IMPROVEMENTS

The District will primarily be concerned with the provision of public improvements and services within the boundaries of the District, however, there may be instances to provide improvements or services outside of the boundaries of the District as part of the project. The District shall have the authority to provide these improvements and services, but the revenue-raising powers of the District to recoup the costs of existential improvements and services shall be as limited by state law.

The Public Improvements that the District anticipates it will construct, install or cause to be constructed and installed, include those Public Improvements the costs of which may, in accordance with the Business Improvement District Act, Section 31-25-1201, *et seq.*, C.R.S., lawfully be paid for by the District, including, without limitation, water services, safety protection devices, sanitation services, street improvements, curbs, gutters, culverts, drainage facilities, sidewalks, parking facilities, paving, lighting, grading, landscaping and storm and wastewater management facilities and associated land acquisition and remediation (the “Public Improvements”).

5. ADMINISTRATION, OPERATIONS, SERVICES, PROPERTY OWNERSHIP AND MAINTENANCE

The District shall provide for ownership, operation, and maintenance of District facilities as activities of the District itself or by contract with other units of government or the private sector. The District does not anticipate having any employees.

6. FINANCIAL PLAN AND BUDGET

- A. 2024 Budget.** The 2024 Budget for the District is attached as Exhibit B.
- B. Authorized Indebtedness.** The District held an election on November 2, 2021 for the purpose of authorizing debt, taxes, revenue limits, spending limits, special assessments, and such other matters as may be necessary or convenient for the implementation of Art. X, Sec. 20 of the Colorado Constitution and the Operating Plan. The initial maximum debt authorization for the District shall be \$90,000,000. The initial maximum debt authorization amount is the aggregate debt authorization for the District and the Gold Hill North Metropolitan District Nos. 1 & 2, which were formed in conjunction with the District. The District shall not issue debt in excess of the initial maximum debt authorization amount without the City’s express prior approval. The initial maximum debt authorization will provide the District with sufficient debt capacity to finance the proposed Public Improvements for the entire project. The total amount of the cost of the proposed Public Improvements for the project will be allocated between the District and the Gold Hill North Metropolitan District Nos. 1 & 2 as appropriate and as development occurs.
- C. Maximum Debt and Operating Mill Levies.** The District taxing ability shall be constrained to a mill levy limitation of up to 50 mills for debt service and up to 10 mills for general operations and administrative expenses due to the on-going operations and maintenance the District will undertake within its boundaries; provided, the mill levy caps set forth in this paragraph may be subject to upward or downward adjustments addressing any Mill Levy Adjustment or any abatement occurring after, but not before January 1, 2006. Such upward or downward adjustments are to be determined by the Board of Directors in good faith (such determination to be binding and final) so that to the extent possible, the actual tax

revenue generated by the mill levy, as adjusted for changes occurring after January 1, 2006, are neither diminished nor enhanced as a result of such changes.

- D. *District Revenues.*** The District anticipates developer funding for initial revenue sources and thereafter revenues derived from property taxes. The District also anticipates relying on public improvement fees to support public improvement construction and future bonds for that purpose. See 2024 Budget attached hereto as **EXHIBIT B.**
- E. *Existing Debt Obligations.*** The District has no current Debt.
- F. *Future Debt Obligations.*** The District anticipates issuing Debt in 2024.
- G. *Developer Funding Agreements.*** As noted above, The District and AIPA Colorado Investments, LLC entered into a Reimbursement Agreement (Operations) on December 16, 2021. The District and AIPA Colorado Investments, LLC entered into a Facilities Funding and Acquisition Agreement on December 16, 2021. The District may also enter into agreements with other districts encompassing adjacent developments in order to cooperate on infrastructure projects. At the end of 2023, it is anticipated that the District will have an outstanding developer advance obligation in the amount of \$81,573 in principal and \$4,058 in interest. Interest accrues at a rate of 8% for operating advances and for capital expenses.
- Any Developer Funding Agreements entered into by the District after January 1, 2023 shall be limited to a term of no greater than twenty (20) years, from the time of the first such agreement, after which time any remaining balances must be either converted to Debt or shall no longer be considered an obligation of the District. The Interest Rate on any new Developer Funding Agreements entered into after January 1, 2023 shall not exceed the Index Rate plus 400 basis points, and interest shall only accrue on the principal balance.
- H. *Other Financial Obligations.*** The District may enter into agreements, including reimbursement or similar agreements and leases, as well as agreements for ongoing services such as legal, administration, compliance, budget, audit, etc.
- I. *City Charter Limitations.*** In accordance with 7-100 of the City Charter, the District shall not issue any Debt instrument for any purpose other than construction of capital improvements with a public purpose necessary for development. As set forth in 7-100 of the City Charter, the total Debt of any proposed District shall not exceed 10 percent of the total assessed valuation of the taxable property within the District unless approved by at least a two-thirds vote of the entire City Council.
- J. *Limited-Default Provisions.*** Limited tax general obligation bonds issued by the District shall be structured and/or credit enhancements provided such that the bonds cannot default as long as the District is imposing the required maximum allowed mill levy.

- K. *Privately Placed Debt and Related Party Privately Placed Debt.*** Prior to the issuance of any Privately Placed Debt for capital related costs, the District shall obtain the certification of an External Financial Advisor regarding the fairness and feasibility of the interest rate and the structure of the Debt. The Interest Rate for Related Party Privately Placed Debt shall not exceed the Index Rate by more than 400 basis points. Related Party Privately Placed Debt shall not be issued with an optional call date of greater than five (5) years from the date of issuance.
- L. *End User Fee Limitation.*** The District shall not impose an End User Fee for the purpose of servicing District Debt without prior approval of City Council.
- M. *Debt Not an Obligation of the City.*** The debt of the District will not constitute a Debt or obligation of the City in any manner. The faith and credit of the City will not be pledged for the repayment of the debt of the District. This will be clearly stated on all offering circulars, prospectus, or disclosure statements associated with any securities issued by the District.
- N. *Land Development Entitlements.*** The District shall not issue Debt, enter into any other Long Term Financial Obligation or certify a Debt Mill Levy unless a Land Development Entitlement has been approved for the Property.

7. MUNICIPAL OVERSIGHT OF DISTRICT ACTIVITIES

A. *Audit.* The District agrees to submit an annual audit to the City Finance Department no later than March 1st of each year which is performed by an independent certified public accounting firm. Even if the State of Colorado grants an audit exemption, the District must submit an annual audit as specified above.

B. *SID Formation.* The District affirms that it will provide an Amended Operating Plan and seek prior approval of City Council prior to formation of any Special Improvement District or Authority within its boundaries in the future.

C. *City Authorization Prior to Debt Issuance.* In accordance with the City's Special District Policy, and notwithstanding any statements of intent in the Budget and Operating Plan, this District shall request and obtain approval of City Council prior to issuance of any Debt in accordance with the financing plan for the District as previously approved. The standards for City approval shall generally be consistency with the City's Special District Policy as it may be amended along with the most recently approved operating plan and budget and any requirements or limitations contained therein to the extent that they are consistent with the financing plans for the District.

D. *Public Improvement Fees.* This District anticipates utilizing revenues from a public improvement fee. This District will not utilize any revenues from a new, increased or expanded public improvement fee (PIF) unless specifically authorized in this or a subsequent operating plan and budget, or separately approved by City Council. The imposition of a PIF and

any provisions for adjustment of a PIF that have been previously approved by City Council shall not be subject to this restriction.

E. Condemnation. The Colorado Revised Statutes do not authorize BIDs to use powers of eminent domain. The exercise of eminent domain authority by any City-authorized district is also specifically prohibited without express prior City Council approval.

F. Concealed Carry Prohibition. The District shall not adopt or enact an ordinance, resolution, rule or other regulation that prohibits or restricts an authorized permittee from carrying a concealed handgun in a building or specific area under the direct control or management of the District as provided in C.R.S. § 18-12-214.

G. Eligible Expenses or Costs for Reimbursement. In addition to any limits or prohibitions contained in Colorado Revised Statutes, the District shall not issue debt for or otherwise fund any costs or expenses not allowed for by the Special District Policy.

**GOLD HILL BUSINESS IMPROVEMENT DISTRICT
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized to provide the financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of all of the services and public improvements allowed under Colorado law for business improvement districts. Specific improvements and services provided by the District include water services, traffic and safety protection, sanitation services, street improvements, parks and recreation, transportation, television relay and translation, mosquito control, security, fire protection and emergency medical. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District was organized by Ordinance of the City of Colorado Springs on August 21, 2021. Pursuant to the District's Operating Plan filed annually with the City, the maximum debt mill levy is 50 mills, and the maximum operating mill levy of 10 mills for the payment of administrative, operations and maintenance expenses. The maximum debt authorization for the District is \$90,000,000.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Developer Advance

The District is in the development stage. As such, the operating and administrative expenditures will be mainly funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Revenues – (Continued)

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2024, the assessment rate for single family residential property decreases to 6.765% from 6.95%. The rate for multifamily residential property, the newly created subclass, decreases to 6.765% from 6.80%. Agricultural and renewable energy production property remains at 26.4%. Producing oil and gas remains at 87.5%. All other nonresidential property decreases to 27.90% from 29%.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 10% of the total property taxes collected.

Intergovernmental Revenue

Property taxes generated from the 10.000 mills levied by Gold Hill North Metropolitan District No. 1 and No. 2 for operations and maintenance, net of fees, are expected to be transferred to the District, which pays all administrative expenditures of Gold Hill North Metropolitan District No. 1 and No. 2.

Bond Issuance

The District expects to issue Series 2024 bonds during the year.
