Attention: The Honorable Keith King, President
Colorado Springs City Council

RE: Letter of Support to establish the 2015 Operating and Occupancy Rates for Non-Signatory Airlines and Other Users at the Colorado Springs Municipal Airport.

The Colorado Springs Airport Advisory Commission has been fully briefed by Airport management regarding the 2015 operating and occupancy rates for non-signatory airlines and other users at the Airport, effective January 1, 2015.

The Commission offers its full support of the Airport's plan to establish these rates in order to collect revenue from non-signatory airlines. The collected revenue will be applied to operations and maintenance costs and debt service requirements of the Airport system.

Therefore, the Airport Advisory Commission strongly encourages City Council to approve this ordinance authorizing the establishment of these operating and occupancy rates.

Sincerely,

Dr. Christopher Thornton, Chairman
