CITY OF COLORADO SPRINGS – COMCAST

SECTION 2. GRANT OF FRANCHISE

2.1 Grant

(A) The City hereby grants to Grantee a nonexclusive authorization to make reasonable and lawful use of the Rights-of-Way within the City to construct, operate, maintain, reconstruct and rebuild a Cable System for the purpose of providing Cable Service, subject to the terms and conditions set forth in this Franchise and in any prior utility or use agreements entered into by Grantee with regard to any individual property. This Franchise shall constitute both a right and an obligation to provide the Cable Services required by, and to fulfill the obligations set forth in, the provisions of this Franchise. This Franchise fully replaces the preexisting franchise between the City and Century Colorado Springs Partnership dated April 11, 2001, except that nothing herein shall prohibit Grantee from recovering any undercollected portion of cash grants provided under the 2001 franchise from the Effective Date to the date upon which the 3.5% Franchise Fee goes into effect pursuant to Section 3.1.

(B) Nothing in this Franchise shall be deemed to waive the lawful requirements of any generally applicable City ordinance existing as of the Effective Date, as defined in Section 2.5.

(C) Each and every term, provision or condition herein is subject to the provisions of State law, federal law, the Charter of the City, and the ordinances and regulations enacted pursuant thereto. The Charter and Municipal Code of the City, as the same may be amended from time to time, are hereby expressly incorporated into this Franchise as if fully set out herein by this reference. Notwithstanding the foregoing, the City may not unilaterally alter the material rights and obligations of Grantee under this Franchise.

(D) This Franchise shall not be interpreted to prevent the City from imposing additional lawful conditions, including additional compensation conditions for use of the Rights-of-Way should Grantee provide service other than Cable Service, or to prevent the Grantee from making any other lawful uses of the Cable System as permitted by Applicable Law.

(E) Grantee promises and guarantees, as a condition of exercising the privileges granted by this Franchise, that any Affiliate of the Grantee directly involved in the offering of Cable Service in the Franchise Area, or directly involved in the management or operation of the Cable System in the Franchise Area, will also comply with the obligations of this Franchise.

(F) No rights shall pass to Grantee by implication. Without limiting the foregoing, by way of example and not limitation, this Franchise shall not include or be a substitute for:

(1) Any other permit or authorization required for the privilege of transacting and carrying on a business within the City that may be required by the ordinances and laws of the City;

(2) Any permit, agreement, or authorization required by the City for Right-of-Way users in connection with operations on or in Rights-of-Way or public property including, by way of example and not limitation, street cut permits; or

(3) Any permits or agreements for occupying any other property of the City or private entities to which access is not specifically granted by this Franchise including, without limitation, permits and agreements for placing devices on poles, in conduits or in or on other structures.

(G) This Franchise is intended to convey limited rights and interests only as to those Rights-of-Way in which the City has an actual interest. It is not a warranty of title or interest in any Right-of-Way nor of sufficient space within any Rights-of-Way for placement of devices, conduit or other facilities; it does not provide the Grantee with any interest in any particular location within the Right-of-Way; and it does not confer rights other than as expressly provided in the grant hereof.

(H) This Franchise does not authorize Grantee to provide Telecommunications Service. This Franchise is not a bar to the provision of non-Cable Services or to the imposition of any lawful conditions on Grantee with respect to Telecommunications whether similar, different or the same as the conditions specified herein. This Franchise does not relieve Grantee of any obligation it may have to obtain from the City an authorization to provide Telecommunications Services or relieve Grantee of its obligation to comply with any such authorizations that may be lawfully required.

2.2 Use of Rights-of-Way

(A) Subject to the City's supervision and control, Grantee may erect, install, construct, repair, replace, reconstruct, and retain in, on, over, under, upon, across, and along the Rights-of-Way within the City such wires, cables, conductors, ducts, conduits, vaults, manholes, amplifiers, pedestals, attachments and other property and equipment as are necessary and appurtenant to the operation of a Cable System within the City. Grantee, through this Franchise, is granted extensive and valuable rights to operate its Cable System for profit using the City's Rights-of-Way in compliance with all applicable City construction codes and procedures. As trustee for the public, the City is entitled to fair compensation as provided for in Section 3 of this Franchise and to be paid for these valuable rights throughout the term of the Franchise.

(B) Grantee must follow City established nondiscriminatory requirements for placement of Cable System facilities in Rights-of-Way, including the specific location of facilities in the Rights-of-Way, and must in any event install Cable System facilities in a manner that minimizes interference with the use of the Rights-of-Way by others, including others that may be installing communications facilities. Within limits reasonably related to the City's role in protecting public health, safety and welfare, including aesthetic appearance of public areas and the Rights-of-Way, the City may require that Cable System facilities be installed at a particular time, at a specific place or in a particular manner as a condition of access to a particular Right-of-Way; may deny access if Grantee is not willing to comply with City's requirements; and may

remove or require removal of any facility that is not installed by Grantee in compliance with the requirements established by the City, or which is installed without prior City approval of the time, place or manner of installation, and charge Grantee for all the costs associated with removal; and may require Grantee to cooperate with others to minimize adverse impacts on the Rights-of-Way through joint trenching and other arrangements.

2.3 Effective Date and Term of Franchise

This Franchise and the rights, privileges and authority granted hereunder shall take effect on _____, 2017 (the “Effective Date”), and shall terminate ten (10) years later unless terminated sooner or extended as hereinafter provided.

2.4 Franchise Nonexclusive

This Franchise shall be nonexclusive and subject to all prior rights, interests, easements or licenses granted by the City to any Person to use any property, Right-of-Way, right, interest or license for any purpose whatsoever, including the right of the City to use same for any purpose it deems fit, including the same or similar purposes allowed Grantee hereunder. The City may at any time grant authorization to use the Rights-of-Way for any purpose not incompatible with Grantee’s authority under this Franchise and for such additional franchises for Cable Systems as the City deems appropriate.

2.5 Police Powers

Grantee’s rights hereunder are subject to the police powers of the City to adopt and enforce ordinances necessary to the safety, health, and welfare of the public, and Grantee agrees to comply with all laws and ordinances of general applicability enacted or hereafter enacted by the City or any other legally constituted governmental unit having lawful jurisdiction over the subject matter hereof. The City shall have the right to adopt from time to time such ordinances as may be deemed necessary in the exercise of its police power. Any conflict between the provisions of this Franchise and any other present or future lawful exercise of the City’s police powers shall be resolved in favor of the latter. Grantee reserves all rights it may have to challenge the lawfulness of any City ordinance. The City reserves all of its rights and defenses to such challenges.

2.6 Competitive Equity

(A) The Grantee acknowledges and agrees that the City reserves the right to grant one (1) or more additional franchises or other similar lawful authorization to provide Cable Services or other similar services within the City. If the City grants such an additional franchise or other similar lawful authorization containing material terms and conditions that differ from Grantee’s material obligations under this Franchise, then the City agrees that the obligations in this Franchise will, pursuant to the process set forth in this Section, be amended to include any material terms or conditions that it imposes upon the new entrant or provide relief from existing material terms or conditions so as to insure that the regulatory and financial burdens on each

entity are materially equivalent. “Material terms and conditions” include but are not limited to: Franchise Fees and Gross Revenues; insurance; System build-out requirements; security instruments; Public, Education and Government Access Channels and support; customer service standards; required reports and related record keeping; competitive equity (or its equivalent); audits; dispute resolution; remedies; and notice and opportunity to cure breaches. The parties agree that this provision shall not require a word for word identical franchise or authorization for a competitive entity so long as the regulatory and financial burdens on each entity are materially equivalent. Video programming services (as defined in the Cable Act) delivered over wireless broadband networks are specifically exempted from the requirements of this Section.

(B) The modification process of this Franchise as provided for in subsection 2.6(A) shall only be initiated by written notice by the Grantee to the City regarding specified franchise obligations. Grantee’s notice shall address the following: (1) identifying the specific terms or conditions in the competitive Cable Services franchise which are materially different from Grantee’s obligations under this Franchise; (2) identifying the Franchise terms and conditions for which Grantee is seeking amendments; (3) providing text for any proposed Franchise amendments to the City, with a written explanation of why the proposed amendments are necessary and consistent.

(C) Upon receipt of Grantee’s written notice as provided in subsection 2.6(B), the City and Grantee agree that they will negotiate in good faith Grantee’s proposed Franchise modifications and that such negotiation will proceed and conclude within a ninety (90) day time period unless that time period is reduced or extended by mutual agreement of the parties. If the City and Grantee reach agreement on the Franchise modifications pursuant to such negotiations, then the City shall amend this Franchise to include the modifications.

(D) In the alternative to Franchise modification negotiations as provided for in subsection 2.6(C), or if the City and Grantee fail to reach agreement in such negotiations, Grantee may, at its option, elect to replace this Franchise by opting into the franchise or other similar lawful authorization that the City grants to another provider of Cable Services, with the understanding that Grantee will use its then current system design and technology infrastructure to meet any requirements of the new franchise so as to insure that the regulatory and financial burdens on each entity are equivalent. If Grantee so elects, the City shall immediately commence proceedings to replace this Franchise with the franchise issued to the other Cable Services provider.

(E) Notwithstanding anything contained in this subsection 2.6(A) through (D) to the contrary, the City shall not be obligated to amend or replace this Franchise unless the new entrant makes Cable Services available for purchase by Subscribers or customers under its franchise agreement with the City.

(F) Notwithstanding any provision to the contrary, at any time that a wireline facilities based entity legally authorized by state or federal law makes available for purchase by Subscribers or customers Cable Services or multiple Channels of video programming within the

Franchise Area without a franchise or other similar lawful authorization granted by the City, then:

(1) Grantee may negotiate with the City to seek Franchise modifications as per subsection 2.6 (C) above; or

(a) the term of Grantee's Franchise shall, upon ninety (90) days' written notice from Grantee, be shortened so that the Franchise shall be deemed to expire on a date eighteen (18) months from the first day of the month following the date of Grantee's notice; or,

(b) Grantee may assert, at Grantee's option, that this Franchise is rendered "commercially impracticable" and invoke the modification procedures set forth in Section 625 of the Cable Act.

2.7 Familiarity with Franchise

The Grantee acknowledges and warrants by acceptance of the rights, privileges and agreements granted herein, that it has carefully read and fully comprehends the terms and conditions of this Franchise and is willing to and does accept all lawful and reasonable risks of the meaning of the provisions, terms and conditions herein. The Grantee further acknowledges and states that it has fully studied and considered the requirements and provisions of this Franchise and finds that the same are commercially practicable at this time and consistent with all local, State and federal laws and regulations currently in effect, including the Cable Act.

2.8 Effect of Acceptance

By accepting the Franchise, the Grantee: (1) acknowledges and accepts the City's legal right to issue and enforce the Franchise; (2) accepts and agrees to comply with each and every provision of this Franchise subject to Applicable Law; and (3) agrees that the Franchise was granted pursuant to processes and procedures consistent with Applicable Law, and that it will not raise any claim to the contrary.

SECTION 3. FRANCHISE FEE PAYMENT AND FINANCIAL CONTROLS

3.1 Franchise Fee

As compensation for the benefits and privileges granted under this Franchise and in consideration of permission to use the City's Rights-of-Way, Grantee shall continue to pay the City the sum of one dollar twenty cents (\$1.20) per Subscriber per month as a franchise fee ("Franchise Fee") until ninety (90) days after the Effective Date or July 1, 2017, whichever is later ("New Payment Date"). Commencing on the New Payment Date, Grantee shall pay the City an amount equal to three and one-half percent (3.5%) of Grantee's Gross Revenues as a Franchise Fee. The Franchise Fee shall be increased to four and one-half percent (4.5%) within one (1) year after the New Payment Date and shall be increased to five percent (5%) within two

CITY OF COLORADO SPRINGS – COMCAST

(2) years after the New Payment Date, provided that all other Cable Operators providing Cable Services in the City are required to pay the same Franchise Fee rates (i.e. percentage of Gross Revenue and increases in such percentage) and commencing on the same dates as set forth in this Section 3.1. The Franchise Fee may be recovered from Subscribers by Grantee in accordance with Applicable Law.

3.2 Payments

Grantee's Franchise Fee payments to the City shall be computed quarterly for the preceding calendar quarter ending March 31, June 30, September 30, and December 31. Each quarterly payment shall be due and payable no later than thirty (30) days after said dates.

3.3 Acceptance of Payment and Recomputation

No acceptance of any payment shall be construed as an accord by the City that the amount paid is, in fact, the correct amount, nor shall any acceptance of payments be construed as a release of any claim the City may have for further or additional sums payable or for the performance of any other obligation of Grantee.

3.4 Quarterly Franchise Fee Reports

Each payment shall be accompanied by a written report to the City, or concurrently sent under separate cover, certified by an authorized representative of Grantee, containing an accurate statement in summarized form as well as in detail of Grantee's Gross Revenues and the computation of the payment amount. Such reports shall detail all Gross Revenues of the Cable System.

3.5 Annual Franchise Fee Reports

Grantee shall, within sixty (60) days after the end of each year, furnish to the City a statement stating the total amount of Gross Revenues for the year and all payments, deductions and computations for the period.

3.6 Audits

On an annual basis, upon thirty (30) days' prior written notice, the City, including the City's Auditor or his/her authorized representative, shall have the right to conduct an independent audit/review of Grantee's records reasonably related to the administration or enforcement of this Franchise. Pursuant to Section 1.29, as part of the Franchise Fee audit/review, the City shall specifically have the right to review relevant data related to the allocation of revenue to Cable Services in the event Grantee offers Cable Services bundled with non-Cable Services. For purposes of this section, "relevant data" shall include at a minimum Grantee's records, produced and maintained in the ordinary course of business, showing the subscriber counts per package and the revenue allocation per package for each package that was available for City Subscribers during the audit period. To the extent that the City does not

believe that the relevant data supplied is sufficient for the City to complete its audit/review, the City may require other relevant data. For purposes of this Section 3.6, the “other relevant data” shall generally mean all: (1) billing reports, (2) financial reports (such as General Ledgers) and (3) sample customer bills used by Grantee to determine Gross Revenues for the Franchise Area that would allow the City to recompute the Gross Revenue determination. If the audit/review shows that Franchise Fee payments have been underpaid by five percent (5%) or more (or such other contract underpayment threshold as set forth in a generally applicable and enforceable regulation or policy of the City related to audits), Grantee shall pay the total cost of the audit/review, such cost not to exceed ten thousand dollars (\$10,000.00) for each year of the audit period. The City’s right to audit/review and the Grantee’s obligation to retain records related to this subsection shall expire three (3) years after each Franchise Fee payment has been made to the City.

3.7 Late Payments

In the event any payment due quarterly is not received within thirty (30) days from the end of the calendar quarter, Grantee shall pay interest on the amount due (at the prime rate as listed in the Wall Street Journal on the date the payment was due), compounded daily, calculated from the date the payment was originally due until the date the City receives the payment.

3.8 Underpayments

If a net Franchise Fee underpayment is discovered as the result of an audit, Grantee shall pay interest at the rate of the eight percent (8%) per annum, compounded quarterly, calculated from the date each portion of the underpayment was originally due until the date Grantee remits the underpayment to the City.

3.9 Alternative Compensation

In the event the obligation of Grantee to compensate the City through Franchise Fee payments is lawfully suspended or eliminated in whole or part, then Grantee shall pay to the City compensation equivalent to the compensation paid to the City by other similarly situated users of the City’s public Rights-of-Way for Grantee’s use of the City’s Rights-of-Way, provided that in no event shall such payments exceed the equivalent of five percent (5%) of Grantee’s Gross Revenues (subject to the other provisions contained in this Franchise), to the extent consistent with Applicable Law

3.10 Maximum Legal Compensation

The parties acknowledge that at present applicable federal law limits the City to collection of a maximum permissible Franchise Fee of five percent (5%) of Gross Revenues. In the event that at any time during the duration of this Franchise the City is authorized to collect an amount in excess of five percent (5%) of Gross Revenues, then this Franchise may be amended unilaterally by the City, by resolution of City Council, to provide that such excess amount shall be added to the Franchise Fee payments to be paid by Grantee to the City hereunder, provided

CITY OF COLORADO SPRINGS – COMCAST

that Grantee has received at least ninety (90) days' prior written notice from the City of such amendment, and so long as all Cable Operators in the City are paying the same Franchise Fee amount commencing within ninety (90) days of the Effective Date of the increase for Grantee.

3.11 Additional Commitments Not Franchise Fee Payments

No term or condition in this Franchise, including the funding required by Section 9, shall in any way modify or affect Grantee's obligation to pay Franchise Fees. Although the total sum of Franchise Fee payments and additional commitments set forth elsewhere in this Franchise may total more than five percent (5%) of Grantee's Gross Revenues in any twelve (12) month period, Grantee agrees that the additional commitments herein are not Franchise Fees as defined under any federal law, nor are they to be offset or credited against any Franchise Fee payments due to the City, nor do they represent an increase in Franchise Fees unless the additional commitments are expressly exempted by this Franchise from this Section 3.11.

3.12 Tax Liability

The Franchise Fees shall be in addition to any and all taxes or other levies or assessments which are now or hereafter required to be paid by businesses in general by any law of the City, the State or the United States including, without limitation, sales, use, property and other taxes, business license fees or other payments. Payment of the Franchise Fees under this Franchise shall not exempt Grantee from the payment of any other license fee, permit fee, tax or charge on the business, occupation, property or income of Grantee that may be lawfully imposed by the City. Any other license fees, taxes or charges shall be of general applicability in nature and shall not be levied against Grantee solely because of its status as a Cable Operator or against Subscribers solely because of their status as such.

3.13 Financial Records

Grantee agrees to meet with a representative of the City upon request to review Grantee's methodology of record-keeping, financial reporting, the computing of Franchise Fee obligations and other procedures, the understanding of which the City deems necessary for reviewing reports and records.

3.14 Payment on Termination

If this Franchise terminates for any reason, the Grantee shall file with the City within ninety (90) calendar days of the date of the termination a financial statement, certified by an independent certified public accountant, showing the Gross Revenues received by the Grantee since the end of the previous fiscal year. The City reserves the right to satisfy any remaining financial obligations of the Grantee to the City by utilizing the funds available in the letter of credit or other security provided by the Grantee.

SECTION 4. ADMINISTRATION AND REGULATION

4.1 Authority

(A) The City shall be vested with the power and right to reasonably regulate the exercise of the privileges permitted by this Franchise in the public interest, or to delegate that power and right, or any part thereof, to the extent permitted under Federal, State and local law, to any agent, in its sole discretion.

(B) Nothing in this Franchise shall limit nor expand the City's right of eminent domain under State law.

4.2 Rates and Charges

All of Grantee's rates and charges related to or regarding Cable Services shall be subject to regulation by the City to the full extent authorized by applicable federal, State and local laws.

4.3 Rate Discrimination

All of Grantee's rates and charges shall be published (in the form of a publicly-available rate card) and be non-discriminatory as to all Persons and organizations of similar classes under similar circumstances and conditions. Grantee shall apply its rates in accordance with Applicable Law with identical rates and charges for all Subscribers receiving identical Cable Services, without regard to race, color, ethnic or national origin, religion, age, sex, sexual orientation, marital, military or economic status, or physical or mental disability or, where consistent with any requirements of Federal law, geographic location within the City. Grantee shall permit Subscribers to make any lawful in-residence connections the Subscriber chooses without additional charge or penalizing the Subscriber therefor. However, if any in-home connection requires service from Grantee due to signal quality, signal leakage or other factors caused by improper installation of such in-home wiring or faulty materials of such in-home wiring, the Subscriber may be charged reasonable service charges by Grantee. Nothing herein shall be construed to prohibit:

(A) The temporary reduction or waiving of rates or charges in conjunction with valid promotional campaigns; or,

(B) The offering of reasonable discounts to senior citizens or economically disadvantaged citizens; or,

(C) The offering of rate discounts for Cable Service; or,

(D) The Grantee from establishing different and nondiscriminatory rates and charges and classes of service for Commercial Subscribers, as allowable by federal law and regulations.

4.4 Filing of Rates and Charges

(A) Throughout the term of this Franchise, Grantee shall maintain on file with the City a complete schedule of applicable rates and charges for Cable Services provided under this Franchise. Nothing in this subsection shall be construed to require Grantee to file rates and charges under temporary reductions or waivers of rates and charges in conjunction with promotional campaigns.

(B) Upon request of the City, Grantee shall provide a complete schedule of current rates and charges for any and all Leased Access Channels, or portions of such Channels, provided by Grantee. The schedule shall include a description of the price, terms, and conditions established by Grantee for Leased Access Channels.

4.5 Cross Subsidization

Grantee shall comply with all Applicable Laws regarding rates for Cable Services and all Applicable Laws covering issues of cross subsidization.

4.6 Reserved Authority

Both Grantee and the City reserve all rights they may have under the Cable Act and any other relevant provisions of federal, State, or local law.

4.7 Time Limits Strictly Construed

Whenever this Franchise sets forth a time for any act to be performed by Grantee, such time shall be deemed to be of the essence, and any failure of Grantee to perform within the allotted time may be considered a breach of this Franchise and sufficient grounds for the City to invoke any relevant remedy in accordance with Section 13.1 of this Franchise.

4.8 Franchise Amendment Procedure

Either party may at any time seek an amendment of this Franchise by so notifying the other party in writing. Within thirty (30) days of receipt of notice, the City and Grantee shall meet to discuss the proposed amendment(s). If the parties reach a mutual agreement upon the suggested amendment(s), such amendment(s) shall be submitted to the City Council for its approval. If so approved by the City Council and the Grantee, then such amendment(s) shall be deemed part of this Franchise. If mutual agreement is not reached, there shall be no amendment.

4.9 Performance Evaluations

(A) The City may hold performance evaluation sessions upon ninety (90) days' written notice, provided that such evaluation sessions shall be held no more frequently than once every two (2) years. All such evaluation sessions shall be conducted by the City.

(B) Special evaluation sessions may be held at any time by the City during the term of this Franchise upon ninety (90) days' written notice to Grantee.

(C) All regular evaluation sessions shall be open to the public and announced at least two (2) weeks in advance in any manner within the discretion of the City. Grantee shall also include with or on the Subscriber billing statements for the billing period immediately preceding the commencement of the session written notification of the date, time, and place of the regular performance evaluation session and any special evaluation session as required by the City, provided Grantee receives appropriate advance notice.

(D) Topics which may be discussed at any evaluation session may include, but are not limited to, Cable Service rate structures; Franchise Fee payments; liquidated damages; free or discounted Cable Services; application of new technologies; Cable System performance; Cable Services provided; programming offered; Subscriber complaints; privacy; amendments to this Franchise; judicial and FCC rulings; line extension policies; and the City or Grantee's rules; provided that nothing in this subsection shall be construed as requiring the renegotiation of this Franchise.

(E) During evaluations under this subsection, Grantee shall fully cooperate with the City and shall provide such information and documents as the City may reasonably require to perform the evaluation.

4.10 Late Fees

(A) For purposes of this subsection, any assessment, charge, cost, fee or sum, however characterized, that the Grantee imposes upon a Subscriber solely for late payment of a bill is a late fee and shall be applied in accordance with the City's Customer Service Standards, as the same may be amended from time to time by the City Council acting by ordinance or resolution, or as the same may be superseded by legislation or final court order.

(B) Nothing in this subsection shall be deemed to create, limit or otherwise affect the ability of the Grantee, , to impose other assessments, charges, fees or sums other than those permitted by this subsection, for the Grantee's other services or activities it performs in compliance with Applicable Law, including FCC law, rule or regulation.

(C) The Grantee's late fee and disconnection policies and practices shall be nondiscriminatory, and such policies and practices and any fees imposed pursuant to this subsection shall apply equally in all parts of the City without regard to the neighborhood or income level of the Subscriber.

4.11 Force Majeure

In the event Grantee is prevented or delayed in the performance of any of its obligations under this Franchise by reason beyond the control of Grantee, Grantee shall have a reasonable time, under the circumstances, to perform the affected obligation under this Franchise or to

procure a substitute for such obligation which is satisfactory to the City. Those conditions which are not within the control of Grantee include, but are not limited to, natural disasters, civil disturbances, work stoppages or labor disputes, power outages, telephone network outages, and severe or unusual weather conditions which have a direct and substantial impact on the Grantee's ability to provide Cable Services in the City and which was not caused and could not have been avoided by the Grantee which used its best efforts in its operations to avoid such results.

If Grantee believes that a reason beyond its control has prevented or delayed its compliance with the terms of this Franchise, Grantee shall provide documentation as reasonably required by the City to substantiate the Grantee's claim. If Grantee has not yet cured the deficiency, Grantee shall also provide the City with its proposed plan for remediation, including the timing for such cure.

SECTION 5. FINANCIAL AND INSURANCE REQUIREMENTS

5.1 Indemnification

(A) General Indemnification. Grantee shall indemnify, defend and hold the City, its officers, officials, boards, commissions, agents and employees harmless from any action or claim for injury, damage, loss, liability, cost or expense, including court and appeal costs and reasonable attorneys' fees or reasonable expenses arising from any casualty or accident to Person or property including, without limitation, copyright infringement, defamation, and all other damages in any way arising out of or by reason of any construction, excavation, operation, maintenance, reconstruction, or any other act done under this Franchise by or for Grantee, its agents, or its employees, or by reason of any neglect or omission of Grantee. Grantee shall consult and cooperate with the City while conducting its defense of the City. Grantee shall not be obligated to indemnify the City to the extent of the City's negligence or willful misconduct.

(B) Indemnification for Relocation. Grantee shall indemnify the City for any damages, claims, additional costs or reasonable expenses assessed against or payable by the City arising out of or resulting from directly or indirectly, Grantee's failure to remove, adjust or relocate any of its facilities in the Rights-of-Way in a timely manner in accordance with any relocation required by the City.

(C) Additional Circumstances. Grantee shall also indemnify, defend and hold the City harmless for any claim for injury, damage, loss, liability, cost or expense, including court and appeal costs and reasonable attorneys' fees or reasonable expenses in any way arising out of:

(1) The lawful actions of the City in granting this Franchise to the extent such actions are consistent with this Franchise and Applicable Law.

(2) Damages arising out of any failure by Grantee to secure consents from the owners, authorized distributors, or licensees/licensors of programs to be delivered by the Cable System, whether or not any act or omission complained of is authorized, allowed or prohibited by this Franchise.

CITY OF COLORADO SPRINGS – COMCAST

(D) Procedures and Defense. If a claim or action arises, the City or any other indemnified party shall promptly tender the defense of the claim to Grantee, which defense shall be at Grantee's expense. The City may participate in the defense of a claim, but if Grantee provides a defense at Grantee's expense then Grantee shall not be liable for any attorneys' fees, expenses or other costs the City may incur if it chooses to participate in the defense of a claim, unless and until separate representation as described below in subsection 5.1(F) is required. In that event, the provisions of subsection 5.1(F) shall govern Grantee's responsibility for City's attorney's fees, expenses or other costs. In any event, Grantee may not agree to any settlement of claims affecting the City without the City's approval.

(E) Non-waiver. The fact that Grantee carries out any activities under this Franchise through independent contractors shall not constitute an avoidance of or defense to Grantee's duty of defense and indemnification under this subsection.

(F) Expenses. If separate representation is or becomes necessary to fully protect the interests of both parties, such as a conflict of interest between the City and the counsel selected by Grantee to represent the City, Grantee shall pay, from the date such separate representation is required forward, all reasonable expenses incurred by the City in defending itself with regard to any action, suit or proceeding indemnified by Grantee. Provided, however, that in the event that such separate representation is or becomes necessary, and City desires to hire counsel or any other outside experts or consultants and desires Grantee to pay those expenses, then City shall be required to obtain Grantee's consent to the engagement of such counsel, experts or consultants, such consent not to be unreasonably withheld. The City's expenses shall include all reasonable out-of-pocket expenses, such as consultants' fees, and shall also include the reasonable value of any services rendered by the City Attorney or his/her assistants or any employees of the City or its agents but shall not include outside attorneys' fees for services that are unnecessarily duplicative of services provided to the City by Grantee.

5.2 Insurance

(A) Grantee shall maintain in full force and effect at its own cost and expense each of the following policies of insurance:

(1) Commercial General Liability insurance with limits of no less than one million dollars (\$1,000,000.00) per occurrence and one million dollars (\$1,000,000.00) general aggregate. Coverage shall be at least as broad as that provided by ISO CG 00 01 1/96 or its equivalent and include severability of interests. Such insurance shall name the City, its officers, officials and employees as additional insureds per ISO CG 2026 or its equivalent. There shall be a waiver of subrogation and rights of recovery against the City, its officers, officials and employees. Coverage shall apply as to claims between insureds on the policy, if applicable.

(2) Commercial Automobile Liability insurance with minimum combined single limits of one million dollars (\$1,000,000.00) each occurrence with respect to each of Grantee's owned, hired and non-owned vehicles assigned to or used in the operation of

CITY OF COLORADO SPRINGS – COMCAST

the Cable System in the City. The policy shall contain a severability of interests provision.

(B) The insurance shall not be canceled or materially changed so as to be out of compliance with these requirements without thirty (30) days' written notice first provided to the City, via certified mail, and ten (10) days' notice for nonpayment of premium. If the insurance is canceled or materially altered so as to be out of compliance with the requirements of this subsection within the term of this Franchise, Grantee shall provide a replacement policy. Grantee agrees to maintain continuous uninterrupted insurance coverage, in at least the amounts required, for the duration of this Franchise and, in the case of the Commercial General Liability, for at least one (1) year after expiration of this Franchise.

5.3 Deductibles / Certificate of Insurance

Any deductible of the policies shall not in any way limit Grantee's liability to the City.

(A) Endorsements.

(1) All policies shall contain or shall be endorsed so that:

(a) The City, its officers, officials, boards, commissions, employees and agents are to be covered as and have the rights of additional insureds with respect to liability arising out of activities performed by or on behalf of Grantee under this Franchise or Applicable Law or in the construction, operation or repair, or ownership of the Cable System;

(b) Grantee's insurance coverage shall be primary insurance with respect to the City, its officers, officials, boards, commissions, employees and agents. Any insurance or self-insurance maintained by the City, its officers, officials, boards, commissions, employees and agents shall be in excess of the Grantee's insurance and shall not contribute to it; and

(c) Grantee's insurance shall apply separately to each insured against whom a claim is made or lawsuit is brought except with respect to the limits of the insurer's liability.

(B) Acceptability of Insurers. The insurance obtained by Grantee shall be placed with insurers with a Best's rating of no less than "A VII."

(C) Verification of Coverage. The Grantee shall furnish the City with certificates of insurance and endorsements or a copy of the page of the policy reflecting blanket additional insured status. The certificates and endorsements for each insurance policy are to be signed by a Person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements for each insurance policy are to be on standard forms or such forms as are consistent with standard industry practices.

(D) Self-Insurance. In the alternative to providing a certificate of insurance to the City certifying insurance coverage as required above, Grantee may provide self-insurance in the same amount and level of protection for Grantee and City, its officers, agents and employees as otherwise required under this Section. The adequacy of self-insurance shall be subject to the periodic review and approval of the City.

5.4 Letter of Credit

(A) If there is a claim by the City of an uncured breach by Grantee of a material provision of this Franchise or pattern of repeated violations of any provision(s) of this Franchise, then the City may require and Grantee shall establish and provide within thirty (30) days from receiving notice from the City, to the City as security for the faithful performance by Grantee of all of the provisions of this Franchise, a letter of credit from a financial institution satisfactory to the City in the amount of fifty thousand dollars (\$50,000.00).

(B) In the event that Grantee establishes a letter of credit pursuant to the procedures of this Section, then the letter of credit shall be maintained at fifty thousand dollars (\$50,000.00) until the allegations of the uncured breach have been resolved.

(C) After completion of the procedures set forth in Section 13.1 or other applicable provisions of this Franchise, the letter of credit may be drawn upon by the City for purposes including but not limited to the following:

(1) Failure of Grantee to pay the City sums due under the terms of this Franchise;

(2) Reimbursement of costs borne by the City to correct Franchise violations not corrected by Grantee;

(3) Monetary remedies or damages assessed against Grantee due to default or breach of Franchise requirements; and,

(4) Failure to comply with the Customer Service Standards of the City, as the same may be amended from time to time by the City Council acting by ordinance or resolution.

(D) The City shall give Grantee written notice of any withdrawal under this subsection upon such withdrawal. Within seven (7) days following receipt of such notice, Grantee shall restore the letter of credit to the amount required under this Franchise.

(E) Grantee shall have the right to appeal to the City Council for reimbursement in the event Grantee believes that the letter of credit was drawn upon improperly. Grantee shall also have the right of judicial appeal if Grantee believes the letter of credit has not been properly drawn upon in accordance with this Franchise. Any funds the City erroneously or wrongfully

withdraws from the letter of credit shall be returned to Grantee with interest from the date of withdrawal at a rate equal to the prime rate of interest as quoted in the Wall Street Journal.

SECTION 6. CUSTOMER SERVICE

6.1 Customer Service Standards

Grantee shall comply with Customer Service Standards of the City, as the same may be amended from time to time by the City Council in its sole discretion, acting by ordinance. Any requirement in Customer Service Standards for a “local” telephone number may be met by the provision of a toll-free number. The Customer Services Standards in effect as of the Effective Date of this Franchise are attached as Exhibit A. Grantee reserves the right to challenge any customer service ordinance which it believes is inconsistent with its contractual rights under this Franchise.

6.2 Subscriber Privacy

Grantee shall fully comply with any provisions regarding the privacy rights of Subscribers contained in federal, State, or local law.

6.3 Subscriber Contracts

Grantee shall not enter into a contract with any Subscriber which is in any way inconsistent with the terms of this Franchise or any Exhibit hereto or the requirements of any applicable Customer Service Standard. Upon request, Grantee will provide to the City a sample of the Subscriber contract or service agreement then in use.

6.4 Advance Notice to City

The Grantee shall use reasonable efforts to furnish to the City in advance information provided to Subscribers or the media in the normal course of business.

6.5 Identification of Local Franchise Authority on Subscriber Bills

Within sixty (60) days after written request from the City, Grantee shall place the City’s phone number on its Subscriber bills to identify where a Subscriber may call to address escalated complaints.

SECTION 7. REPORTS AND RECORDS

7.1 Open Records

Grantee shall manage all of its operations in accordance with a policy of keeping its documents and records open and accessible to the City. The City, including the City’s Auditor or his/her authorized representative, shall have access to and the right to inspect any books and records of Grantee, its parent corporations and Affiliates which are reasonably related to the

CITY OF COLORADO SPRINGS – COMCAST

administration or enforcement of the terms of this Franchise. Grantee shall not deny the City access to any of Grantee's records on the basis that Grantee's records are under the control of any parent corporation, Affiliate or a third party. The City may, in writing, request copies of any such records or books, and Grantee shall provide such copies within thirty (30) days of the transmittal of such request. One (1) copy of all reports and records required under this or any other subsection shall be furnished to the City at the sole expense of Grantee. If the requested books and records are too voluminous or for security reasons cannot be copied or removed, then Grantee may request, in writing within ten (10) days, that the City inspect them at Grantee's local offices. If any books or records of Grantee are not kept in a local office and are not made available in copies to the City upon written request as set forth above, and if the City determines that an examination of such records is necessary or appropriate for the performance of any of the City's duties, administration or enforcement of this Franchise, then all reasonable travel and related expenses incurred in making such examination shall be paid by Grantee.

7.2 Confidentiality

To the extent permitted by law, the City agrees to treat as confidential any books or records that constitute proprietary or confidential information under federal or State law, to the extent Grantee makes the City aware of such confidentiality. Grantee shall be responsible for clearly and conspicuously stamping the word "Confidential" on each page that contains confidential or proprietary information and shall provide a brief written explanation as to why such information is confidential under State or federal law. If the City believes it must release any such confidential books and records in the course of enforcing this Franchise, or for any other reason, it shall advise Grantee in advance so that Grantee may take appropriate steps to protect its interests. If the City receives a demand from any Person for disclosure of any information designated by Grantee as confidential, the City shall within a reasonable time, so far as consistent with Applicable Law, advise Grantee and provide Grantee with a copy of any written request by the party demanding access to such information. Until otherwise ordered by a court or agency of competent jurisdiction, the City agrees that, to the extent permitted by State and federal law, it shall deny access to any of Grantee's books and records marked confidential as set forth above to any Person. Grantee shall reimburse the City for all reasonable costs and attorney's fees incurred in any legal proceedings pursued under this Section.

7.3 Records Required

(A) Grantee shall at all times maintain and shall furnish to the City upon 30 days' written request and subject to Applicable Law:

(1) A complete set of maps showing the exact location of all Cable System facilities in the Right-of-Way but excluding detail on proprietary electronics contained therein and Subscriber drops. As-built maps including proprietary electronics shall be available at Grantee's offices for inspection by the City's authorized representative(s) or agent(s) and made available to such during the course of technical inspections as reasonably conducted by the City. These maps shall be certified as accurate by an appropriate representative of the Grantee;

CITY OF COLORADO SPRINGS – COMCAST

(2) A copy of all FCC filings on behalf of Grantee, its parent corporations or Affiliates which relate to the operation of the Cable System in the City;

(3) Current Subscriber Records and information, unless Grantee is prohibited from disclosure of any Subscriber records or information by Applicable Law;

(4) A log of Cable Services added or dropped, Channel changes, number of Subscribers added or terminated, all construction activity, and total homes passed for the previous twelve (12) months; and

(5) A list of Cable Services, rates and Channel line-ups.

(B) Subject to Section 7.2, all information furnished to the City is public information and shall be treated as such except for information involving the privacy rights of individual Subscribers.

7.4 Annual Reports

Within sixty (60) days of the City's written request, and subject to Section 7.2, Grantee shall submit to the City a written report in a form acceptable to the City which shall include, but not necessarily be limited to, the following information for the City:

(A) A Gross Revenue statement, as required by Section 3.5 of this Franchise;

(B) A summary of the previous year's activities in the development of the Cable System including, but not limited to, Cable Services begun or discontinued during the reporting year and the number of Subscribers for each class of Cable Service (*i.e.*, Basic, Digital Starter, and Premium);

(C) The number of homes passed, beginning and ending plant miles, any services added or dropped, and any technological changes occurring in the Cable System;

(D) A statement of planned construction, if any, for the next year; and

(E) A copy of the most recent annual report Grantee filed with the SEC or other regulatory body.

The parties agree that the City's request for these annual reports shall remain effective and need only be made once. Such a request shall require the Grantee to continue to provide the reports annually until further written notice from the City to the contrary.

7.5 Copies of Federal and State Reports

Within thirty (30) days of a written request, Grantee shall submit to the City copies of all pleadings, applications, notifications, communications and documents of any kind submitted by Grantee or its parent corporation(s), to any federal, State or local courts, regulatory agencies and

CITY OF COLORADO SPRINGS – COMCAST

other government bodies if such documents directly relate to the operations of Grantee's Cable System within the City. Grantee shall not claim confidential, privileged or proprietary rights to such documents unless under federal, State, or local law such documents have been determined to be confidential by a court of competent jurisdiction, or a federal or State agency.

7.6 Complaint File and Reports

(A) Grantee shall keep an accurate and comprehensive file of any complaints regarding the Cable System, in a manner consistent with the privacy rights of Subscribers, and Grantee's actions in response to those complaints. These files shall remain available for viewing to the City during normal business hours at Grantee's local business office.

(B) Within thirty (30) days of a written request, Grantee shall provide the City a quarterly executive summary in the form attached hereto as Exhibit B which shall include the following information from the preceding quarter:

- (1) A summary of service calls, identifying the number and nature of the requests and their disposition;
- (2) A log of all service interruptions;
- (3) A summary of customer complaints referred by the City to Grantee; and,
- (4) Such other information as reasonably requested by the City.

The parties agree that the City's request for these summary reports shall remain effective and need only be made once. Such a request shall require the Grantee to continue to provide the reports quarterly until further written notice from the City to the contrary.

7.7 Failure to Report

The failure or neglect of Grantee to file any of the reports or filings required under this Franchise or such other reports as the City may reasonably request (not including clerical errors or errors made in good faith) may, at the City's option, be deemed a breach of this Franchise.

7.8 False Statements

Any false or misleading statement or representation in any report required by this Franchise (not including clerical errors or errors made in good faith) may be deemed a material breach of this Franchise and may subject Grantee to all remedies, legal or equitable, which are available to the City under this Franchise or otherwise.

SECTION 8. PROGRAMMING

8.1 Broad Programming Categories

Grantee shall provide or enable the provision of at least the following initial broad categories of programming to the extent such categories are reasonably available:

- (A) Educational programming;
- (B) Colorado and Colorado Springs news, weather and information;
- (C) Sports;
- (D) General entertainment (including movies);
- (E) Children/family-oriented;
- (F) Arts, culture and performing arts;
- (G) Foreign language;
- (H) Science/documentary;
- (I) National news, weather and information; and,
- (J) Public, Educational and Government Access, to the extent required by this Franchise.

8.2 Deletion or Reduction of Broad Programming Categories

(A) Grantee shall not delete or so limit as to effectively delete any broad category of programming within its control without the prior written consent of the City.

(B) In the event of a modification proceeding under federal law, the mix and quality of Cable Services provided by Grantee on the Effective Date of this Franchise shall be deemed the mix and quality of Cable Services required under this Franchise throughout its term.

8.3 Obscenity

Grantee shall not transmit or permit to be transmitted over any Channel subject to its editorial control any programming which is obscene under or violates any provision of Applicable Law relating to obscenity and which is not protected by the Constitution of the United States. Grantee shall be deemed to have transmitted or permitted a transmission of obscene programming only if a court of competent jurisdiction has found that any of Grantee's officers or employees or agents have permitted programming which is obscene under or violative of any provision of Applicable Law relating to obscenity, and which is otherwise not protected

CITY OF COLORADO SPRINGS – COMCAST

by the Constitution of the United States, to be transmitted over any Channel subject to Grantee's editorial control. Grantee shall comply with all relevant provisions of federal law relating to obscenity.

8.4 Parental Control Device

Upon request by any Subscriber, Grantee shall make available a parental control or lockout device, traps or filters to enable a Subscriber to control access to both the audio and video portions of any or all Channels. Grantee shall inform its Subscribers of the availability of the lockout device at the time of their initial subscription and periodically thereafter. Any device offered shall be at a rate, if any, in compliance with Applicable Law.

8.5 Continuity of Service Mandatory

(A) It shall be the right of all Subscribers to continue to receive Cable Service from Grantee insofar as their financial and other obligations to Grantee are honored. The Grantee shall act so as to ensure that all Subscribers receive continuous, uninterrupted Cable Service regardless of the circumstances. For the purposes of this subsection, "uninterrupted" does not include short-term outages of the Cable System for maintenance or testing.

(B) In the event of a change of Grantee, or in the event a new Cable Operator acquires the Cable System in accordance with this Franchise, Grantee shall cooperate with the City, new franchisee or Cable Operator in maintaining continuity of Cable Service to all Subscribers. During any transition period, Grantee shall be entitled to the revenues for any period during which it operates the Cable System and shall be entitled to reasonable costs for its services when it no longer operates the Cable System.

(C) In the event Grantee fails to operate the Cable System for four (4) consecutive days without prior approval of the Mayor or without just cause, the City may, at its option, operate the Cable System itself or designate another Cable Operator to operate the Cable System until such time as Grantee restores service under conditions acceptable to the City or a permanent Cable Operator is selected. If the City is required to fulfill this obligation for Grantee, Grantee shall reimburse the City for all reasonable costs or damages that are the result of Grantee's failure to perform.

8.6 Services for the Disabled

Grantee shall comply with the Americans with Disabilities Act, any amendments thereto, and applicable regulations of federal agencies implementing the Act.

SECTION 9. ACCESS

9.1 Designated Access Providers

(A) The City shall have the sole and exclusive responsibility for identifying the Designated Access Providers, including itself for Access purposes, to control and manage the use

CITY OF COLORADO SPRINGS – COMCAST

of any or all Access Facilities provided by Grantee under this Franchise. As used in this Section, such “Access Facilities” includes the Channels, services, facilities, equipment, technical components and/or financial support provided under this Franchise, which are used or useable by and for Public Access, Educational Access, and Government Access (“PEG” or “PEG Access”).

(B) Grantee shall cooperate with City in City’s efforts to provide Access programming but will not be responsible or liable for any damages resulting from a claim in connection with the programming placed on the Access Channels by the Designated Access Provider.

9.2 Channel Capacity and Use

(A) As of the Effective Date, there are six (6) standard definition Access Channels in use by the City or its Designated Access Providers which shall remain in use subject to subsection 9.2 (D).

(B) Grantee shall have the right to temporarily use any Channel or portion thereof which is allocated under this Section for Public, Educational, or Governmental Access use, within sixty (60) days after a written request for such use is submitted to City, if such Channel is not “fully utilized” as defined herein. A Channel shall be considered fully utilized if substantially unduplicated programming is delivered over it more than an average of 38 hours per week over a six (6) month period. Programming that is repeated on an Access Channel up to two times per day shall be considered “unduplicated programming.” Character-generated programming shall be included for purposes of this subsection but may be counted towards the total average hours only with respect to two (2) Access Channels provided to City. If a Channel allocated for Public, Educational, or Governmental Access use will be used by Grantee in accordance with the terms of this subsection, the institution to which the Channel has been allocated shall have the right to require the return of the Channel or portion thereof. The City shall request return of such Channel space by delivering written notice to Grantee stating that the institution is prepared to fully utilize the Channel or portion thereof in accordance with this subsection. In such event, the Channel or portion thereof shall be returned to such institution within sixty (60) days after receipt by Grantee of such written notice. Notwithstanding the foregoing, the criteria for the number of hours that an Educational Access Channel must be programmed shall not apply during the summer months when school is not in session for four (4) of the Educational Access Channels.

(C) Standard Definition (“SD”) Digital Access Channels.

(1) Grantee shall provide six (6) Activated Downstream Channels for PEG Access use in a standard definition (“SD”) digital format (“SD Access Channel”). Grantee shall carry all components of the SD Access Channel Signals provided by a Designated Access Provider including but not limited to closed captioning, stereo audio and other elements associated with the Programming. A Designated Access Provider shall be responsible for providing the SD Access Channel Signal in an SD or HD format to the Demarcation Point at the designated point of origination for the SD Access

CITY OF COLORADO SPRINGS – COMCAST

Channel, and Grantee shall be responsible for up/down or cross converting any HD signal to SD for distribution on the Cable System. Grantee shall transport and distribute the SD Access Channel signal on its Cable System and shall not unreasonably discriminate against SD Access Channels with respect to accessibility, functionality and to the application of any applicable Federal Communications Commission Rules & Regulations, including without limitation Subpart K Channel signal standards.

(2) With respect to signal quality, Grantee shall not be required to carry a SD Access Channel in a higher quality format than that of the SD Access Channel signal delivered to Grantee, but Grantee shall distribute the SD Access Channel signal without degradation. Upon reasonable written request by a Designated Access Provider, Grantee shall verify signal delivery to Subscribers with the Designated Access Provider, consistent with the requirements of this subsection 9.2(C). In the event Grantee makes any change in the Cable System and related equipment and facilities or in signal delivery technology, which change directly or indirectly affects the signal quality or transmission of any Access Channel programming or services, the Grantee shall, at its own expense, take necessary technical steps or acquire new equipment so that the Access facilities and equipment may be used as intended to ensure that delivery of Access Channel programming signals is not diminished or adversely affected including, among other things, so that live and recorded programming can be cablecast with as good as or better signal quality than existed prior to such change.

(3) Grantee shall be responsible for costs associated with the transmission of SD Access Channel signals on its side of the Demarcation Point. The City or Designated Access Provider shall be responsible for costs associated with SD Access Channel signal transmission on its side of the Demarcation Point.

(4) SD Access Channels may require Subscribers to buy or lease special equipment, available to all Subscribers, and subscribe to those tiers of Cable Service upon which SD Access Channels are made available. Grantee is not required to provide free SD equipment to Subscribers, including complimentary government and educational accounts, except as provided herein, nor modify its equipment or pricing policies in any manner.

(D) High Definition (“HD”) Digital Access Channels.

(1) Within one hundred twenty (120) days of the Effective Date and upon written request from the City, Grantee shall activate on its Cable System one (1) High Definition (“HD”) digital format PEG access channel (“HD Access Channel”), for which the City shall provide Access Channel signals in HD format to the Demarcation Point at the designated point of origination for the Access Channel. After the second anniversary of the Effective Date and if the City returns two (2) SD Access Channels, and with at least 120 days’ written notice to Grantee, Grantee shall provide on its Cable System one (1) additional HD Access Channel for PEG Access use. Activation of the additional HD

Access Channel shall only occur after the following conditions are satisfied, in addition to the return of two (2) SD Access Channels:

(a) The City shall in its written notice to Grantee, as provided for in this Section, confirm that it or its Designated Access Provider has the capabilities to produce, has been producing and will produce programming in an HD format for the newly activated HD Access Channel(s); and

(b) There will be a minimum of five (5) hours per-day, five days per-week of HD PEG programming available for the HD Access Channel. For the purposes of this subsection, character-generated programming (i.e., community bulletin boards) shall not satisfy, in whole or in part, this programming requirement. Notwithstanding the foregoing, the criteria for the number of hours that an Educational Access Channel must be programmed shall not apply during the summer months when school is not in session for four (4) of the Educational Access Channels.

(2) The City and its Designated Access Providers shall be responsible for providing the HD Access Channel signal in an HD digital format to the Demarcation Point at the designated point of origination for the HD Access Channel. For purposes of this Franchise, an HD signal refers to a television signal delivering picture resolution of either 720p or 1080i, or such other resolution as Grantee utilizes for other similar non-sport, non-movie programming channels on the Cable System, whichever is greater.

(3) Grantee shall transport and distribute the HD Access Channel signal on its Cable System and shall not unreasonably discriminate against HD Access Channels with respect to accessibility, functionality and the application of any applicable FCC F rules and regulations including without limitation Subpart K Channel signal standards. With respect to signal quality, Grantee shall not be required to carry a HD Access Channel in a higher quality format than that of the HD Access Channel signal delivered to Grantee, but Grantee shall distribute the HD Access Channel signal without degradation. Grantee shall carry all components of the HD Access Channel signals provided by the Designated Access Provider including but not limited to closed captioning, stereo audio and other elements associated with the Programming. Upon reasonable written request by the City, Grantee shall verify signal delivery to Subscribers with the City, consistent with the requirements of this subsection 9.2 (D).

(4) HD Access Channels may require Subscribers to buy or lease special equipment, available to all Subscribers, and subscribe to those tiers of Cable Service upon which HD Access Channels are made available. Except as provided herein, Grantee is not required to provide free HD equipment to Subscribers, including complimentary government and educational accounts, nor modify its equipment or pricing policies in any manner.

(5) The City or any Designated Access Provider is responsible for acquiring all equipment necessary to produce programming in HD.

(6) Grantee shall cooperate with the City to procure and provide, at City's cost, all necessary transmission equipment from the Designated Access Provider channel origination point at Grantee's headend and through Grantee's distribution system, in order to deliver the HD Access Channels. The City shall be responsible for the costs of all transmission equipment, including HD modulator and demodulator and encoder or decoder equipment and multiplex equipment required in order for Grantee to receive and distribute the HD Access Channel signal, or for the cost of any resulting upgrades to the video return line. The City and Grantee agree that such expense of acquiring and installing the transmission equipment or upgrades to the video return line qualifies as a capital cost for PEG Facilities within the meaning of the Cable Act 47 U.S.C. Section 542(g)(2)(C) and, therefore, is an appropriate use of revenues derived from those PEG fees provided for in Section 9.6 of this Franchise.

(E) Grantee shall simultaneously carry the two (2) HD Access Channels provided for in Section 9.2(D) in HD format on the Cable System in addition to simultaneously carrying in SD format the four (4) SD Access Channels provided pursuant to Subsection 9.2(C). The total number of Access Channels shall not exceed seven (7) Access Channels (6 SD Access Channels and 1 HD Access Channel). At such time as the City returns two (2) SD Access Channels and Grantee activates the second HD Access Channel, the number of SD Access Channels shall be reduced from six (6) to four (4), and the total number of Access Channels shall be six (6) Access Channels (4 SD Access Channels and 2 HD Access Channels).

(F) There shall be no restriction on Grantee's technology used to deploy and deliver SD or HD signals so long as the requirements of the Franchise are otherwise met. Grantee may implement HD carriage of the PEG Access Channel in any manner (including selection of compression, utilization of IP, and other processing characteristics) that produces a signal quality for the consumer that is reasonably comparable and functionally equivalent to similar commercial HD channels carried on the Cable System. In the event the City believes that Grantee fails to meet this standard, City will notify Grantee of such concern, and Grantee will respond to any complaints in a timely manner.

(G) At such time as all other Basic Service Channels (or its equivalent tier) excluding Access Channels are carried in HD, the SD Access Channels will also be carried by Grantee in HD, at which time the SD Access Channels will be discontinued and the maximum number of Access Channels shall be six (6) HD Channels.

9.3 Access Channel Assignments

Grantee will use reasonable efforts to minimize the movement of SD and HD Access Channel assignments. In addition, Grantee will make reasonable efforts to locate HD Access Channels provided pursuant to Subsection 9.2(D) in a location on its HD Channel line-up that is easily accessible to Subscribers.

9.4 Relocation of Access Channels

Grantee shall provide City a minimum of sixty (60) days' notice and use its best efforts to provide one hundred twenty (120) days' notice prior to the time Public, Educational, and Governmental Access Channel designations are changed.

9.5 Web-Based Video On Demand and Streaming

(A) After the Effective Date and within one hundred twenty (120) days after written notice from the City, Grantee shall provide at no cost to the City, at a location designated by the City, a business class broadband connection, broadband service with a static IP address and all necessary hardware to enable the City's delivery of web-based PEG content. Notwithstanding the foregoing, the City shall be responsible for the cost of the connection from the Cable System located in the street at the designed location into the building. If during the term of this Franchise the City moves its location and such new location does not have the capacity to connect and receive the broadband service described in this subsection 9.5(A), the cost of upgrading the network to enable such service shall be incurred by the City. The broadband connection provided herein shall be used exclusively for web-based on demand Access programming and/or web-based video streaming of Access content.

(B) The City's Designated Access Provider(s) may provide web-based video on demand programming on line; provided, however, that such Designated Access Provider(s) shall be responsible for its own costs related to a video on demand server, broadband connection and service and any other associated equipment.

(C) For all of the City's and its Designated Access Provider's web-based on demand Access programming facilitated through the broadband connection and service described in this subsection 9.5, Grantee shall be permitted to provide its logo which shall be displayed on the main web page for the web-based Access programming, in a manner reasonably similar to the Grantee's logo display found on its Project Open Voice web-based supported programming. Notwithstanding the foregoing, the size of the City's or Designated Access Provider's logos may be as large as or larger than Grantee's logo, in the City's or Designated Access Provider's sole reasonable discretion.

(D) Any costs incurred by Grantee in facilitating the web-based on demand Access programming described in this subsection 9.5 may be recovered from Subscribers by Grantee in accordance with Applicable Law.

9.6 Support for Access Costs

The City has determined that it will not require a fee for capital costs related to Public, Educational and Governmental Access and the web based on demand Access programming described in Section 9.5, or as may be permitted by Applicable Law ("PEG Contribution") as of the Effective Date of this Franchise. During the term of this Franchise Agreement, but no sooner than six (6) months after the Franchise Fee has been increased to five percent (5%) of Gross

Revenues pursuant to Section 3.1, the City may provide written notice to Grantee indicating an intent to impose a PEG Contribution of up to fifty cents (\$0.50) per month per Residential Subscriber. Within thirty (30) days of such notice, or such other time as the parties may mutually agree, the City and Grantee shall meet to review prior PEG expenditures and future capital plans of the City and/or its Designated Access Providers. Upon the City's presentation of information that it and/or its Designated Access Providers have reasonable PEG capital needs which will benefit from the PEG Contribution of up to fifty cents (\$0.50) per month per Residential Subscriber, and if the City Council by resolution confirms that such PEG Contribution meets the community's needs and interests, taking into account the costs, and provided that all other Cable Operators providing Cable Services in the City are required to pay the same PEG Contribution, Grantee shall begin making PEG Contribution payments no later than ninety (90) days after approval by the City Council.

All PEG Contribution payments shall be made quarterly for the preceding quarter ending March 31, June 30, September 30, and December 31. Each payment shall be due and payable no later than thirty (30) days following the end of the quarter. City shall have sole discretion to allocate the expenditure of such payments for any capital costs related to PEG Access. To the extent the City makes Access capital investments using City funds prior to receiving necessary PEG Contribution funds, the City is entitled to apply subsequent PEG Contribution payments from Grantee toward such City capital investments.

9.7 Access Support Not Franchise Fees

Grantee agrees that capital support for Access Costs arising from or relating to the obligations set forth in this Section shall in no way modify or otherwise affect Grantee's obligations to pay Franchise Fees to City. Grantee agrees that it will not take the cost of Access capital support as an offset against its Franchise Fee obligation. Grantee agrees that although the sum of Franchise Fees plus the payments set forth in this Section may total more than five percent (5%) of Grantee's Gross Revenues in any 12-month period, the additional commitments shall not be offset or otherwise credited in any way against any Franchise Fee payments under this Franchise Agreement so long as such support is used for capital Access purposes consistent with this Franchise and federal law, or as provided by Applicable Law.

9.8 Access Channels Availability

All SD Access Channels shall be available on the tier of service to which Grantee requires all Subscribers to subscribe (as of the Effective Date, the Basic Service tier), or if there is no such tier, the Access Channels will be made available to every Subscriber without charge beyond the charge the Subscriber pays for the Cable Services and equipment the Subscriber receives. Grantee will make reasonable efforts to locate HD Access Channels in reasonable proximity to HD local broadcast channels or similar public interest HD channels, or as close as the existing channel line-up will allow at the time the HD Access Channel is launched, or as otherwise agreed to with the City.

9.9 Change In Technology

(A) In the event Grantee makes any change in the Cable System and related equipment and Facilities or in Grantee's signal delivery technology which directly or indirectly affects the signal quality or transmission of Access services or programming, Grantee shall at its own expense take necessary technical steps or provide necessary technical assistance, including the acquisition of all necessary equipment and full training of City's Access personnel and the personnel of the Designated Access Providers to ensure that the capabilities of Access services are not diminished or adversely affected by such change. If the City implements a new video delivery technology that is currently offered and can be accommodated on the Grantee's local Cable System, then the same provisions above shall apply. If the City implements a new video delivery technology that is not currently offered on and/or that cannot be accommodated by the Grantee's local Cable System, then the City shall be responsible for acquiring all necessary equipment, facilities, technical assistance, and training to deliver the signal to the Demarcation Point for distribution to subscribers.

(B) If Grantee incorporates new or emerging improvements in Channel delivery or display on Grantee's Channels made available to Residential Subscribers, including but not limited to ultra-high definition and "4K" display, the City or any Designated Access Provider may submit a written request to meet with the Grantee. Without further obligation, following receipt of such request, Grantee will participate in discussions of these improvements or enhancements with the City and its Designated Access Providers. These discussions shall address potential options for improvements and enhancements on the delivery of PEG Access Channels to Subscribers in comparable format, including possible technical means and costs of incorporating such improvements or enhancements for the PEG Access Channels

9.10 Technical Quality

Grantee, at its cost and expense, shall maintain all Upstream and Downstream Access services and Channels, equipment, facilities and lines on its side of the Demarcation Point, at the same level of technical quality and reliability required by this Franchise Agreement and all other applicable laws, rules and regulations for Residential Subscriber Channels. Grantee shall provide routine maintenance for all transmission equipment on its side of the Demarcation Point including modulators, decoders, multiplex equipment, and associated cable and equipment necessary to carry a quality signal to and from City's and Designated Access Provider's facilities for the Access Channels provided under this Franchise Agreement, and including the business class broadband equipment and services necessary for the video on demand and streaming service described in this Franchise Agreement. Grantee shall also provide, if requested in advance by the City, advice and technical expertise regarding the proper operation and maintenance of transmission equipment on the City's side of the Demarcation Point. In the event of a public safety emergency, where a technical quality problem exists with a PEG signal, Grantee shall respond upon verbal notice to investigate and take reasonable steps to repair the problem as quickly as possible. The City shall be responsible for all initial and replacement costs of all HD modulator and demodulator equipment, web-based video on demand servers and web-based video streaming servers. The City shall also be responsible, at its own expense, to

CITY OF COLORADO SPRINGS – COMCAST

replace any of the Grantee's equipment that is damaged by the gross negligence or intentional acts of City staff. The Grantee shall be responsible, at its own expense, to replace any of the Grantee's, City's or Designated Access Provider's equipment that is damaged by the gross negligence or intentional acts of Grantee's staff. The City will be responsible for the cost of repairing and/or replacing any HD PEG Access and web-based video on demand transmission equipment that Grantee maintains that is used exclusively for transmission of the City's and/or its Designated Access Providers' HD Access programming.

9.11 Management and Control of Access Channels

(A) City may from time to time authorize, change and revoke authorizations of Designated Access Providers to control, operate, and manage the use of any and all Access facilities provided by Grantee under this Franchise including, without limitation, the operation of Access Channels. The SCETC is presently the Designated Access Provider for Educational Programming. City or its designee may formulate rules for the operation of the Access Channels, consistent with this Franchise. Nothing herein shall prohibit City from authorizing itself to be a Designated Access Provider.

(B) Grantee shall cooperate with City and Designated Access Providers in the use of the Cable System and Access facilities for the provision of Access Channels.

(C) City shall have the responsibility for identifying the Designated Access Providers and sole and exclusive responsibility for allocating the Access resources under this Section. The City may authorize Designated Access Providers to control and manage the use of any and all Access facilities provided by Grantee under this Franchise including, without limitation, the operation of Access Channels. To the extent of such designation by the City, a Designated Access Provider shall have the responsibility for operating and managing such Access facilities. The City or its designee may formulate rules for the non-commercial operation of the Access Channels, consistent with this Franchise. Grantee shall cooperate with the City and its Designated Access Providers in the use of the Cable System and Access facilities for the provision of Access. PEG Access Channels are for noncommercial programming to be promoted and administered by the City and its Designated Access Providers. Permitted noncommercial uses of the PEG Access Channels may include, by way of example and not limitation: (i) the identification of financial supporters similar to what is provided on public broadcasting stations; or (ii) the solicitation of financial support for the provision of PEG Access programming by the City and its Designated Access Providers for public, charitable, educational or governmental purposes; or (iii) programming offered by accredited, non-profit, educational institutions which may offer telecourses over a PEG Access Channel.

9.12 Access Interconnections

(A) Grantee shall be obligated to continue any Access Channel interconnections that are in place as of the Effective Date of this Franchise.

(B) Grantee shall not object to nor impede any connection established by the City or a Designated Access Provider, or a competing provider, whether on the property of the City or a Designated Access Provider by means of which a competing provider obtains access solely to the PEG Access Channels, nor shall the Grantee object to or impede the transmission of such PEG Access Channel signals by any competing provider; provided, however, that Grantee may terminate any interconnection for any period where an interconnecting system is delivering signals in a manner that endangers the technical operation of Grantee's Cable System. For additional interconnections which occur after the Effective Date of this Franchise, Grantee shall have no obligation to provide such connections or contribute financially to the cost of establishing any such connection.

(C) It is Grantee's responsibility to ensure that any signals it provides on a return path to a City or Designated Access Provider facility meet FCC technical standards. It is not the Grantee's responsibility to ensure that any signals provided by another cable operator meet industry standards.

(D) Any equipment and construction costs borne by Grantee in connection with the obligation to provide for Access Channel interconnection shall be considered a capital cost. City agrees that such cost is an "external cost" as such term is used in 47 C.F.R. Section 76.922(f) on the date of this Franchise and, as such, the cost is permitted under federal law and regulation to be passed through to Subscribers to the extent and in a manner provided for in federal regulations governing the same.

9.13 PEG Signals

All costs associated with the PEG Access Channels or signals after the PEG Access Channels/signals leave the City's or Designated Access Provider's Demarcation Point shall be borne entirely by Grantee, except as provided in Section 9.2(D)(6). Costs associated with the PEG Access Channels or signals before the PEG Access Channels/signals leave the City's or Designated Access Provider's Demarcation Point shall be borne entirely by City or its Designated Access Provider(s), respectively, unless the cost of same is to be borne by Grantee as provided elsewhere in this Franchise.

9.14 PEG Signal Quality Meetings

Except for emergency or technical problems, not more often than once a year, City and Grantee may meet to discuss and examine the signal quality of PEG Access Channels.

9.15 Access Program Listings in Subscriber Guides

To the extent the configuration of the Cable System allows for detailed program listings to be included on the digital Channel guide, Grantee will allow the City or the Designated Access Provider to make arrangements with the Channel guide vendor to make detailed Programming listings available on the guide. The City or the Designated Access Provider will

be solely responsible for providing the program information to the vendor in the format and timing required by the vendor and shall bear all costs of this guide service.

9.16 Access Cooperation

The City may designate any other jurisdiction which has entered into an agreement with Grantee or an Affiliate of Grantee based upon this Franchise Agreement, SCETC, any member or participant of SCETC, any Designated Access Provider, or any combination thereof to receive any Access benefit due the City hereunder or to share in the use of Access Facilities hereunder. The purpose of this subsection shall be to allow cooperation in the use of Access and the application of any provision under this Section as the City in its sole discretion deems appropriate, and Grantee shall cooperate fully with and in any such arrangements by the City.

9.17 Return Lines/Access Origination

(A) Grantee shall continuously maintain the return lines previously constructed to 107 North Nevada Avenue, 375 Printers Parkway and 1115 North El Paso, Colorado Springs, Colorado, throughout the Term of the Franchise, in order to enable the distribution of Access programming to Residential Subscribers on the Access Channels; provided, however, that Grantee's maintenance obligations with respect to either of these locations shall cease if a location is no longer used in the future by the City to originate Access programming.

(B) Grantee shall construct and maintain new Fiber Optic return lines to the Headend from production facilities of new or relocated Designated Access Providers delivering Access programming to Residential Subscribers as requested in writing by the City. All actual construction costs incurred by Grantee from the nearest interconnection point to the Designated Access Provider shall be paid by the City or the Designated Access Provider. New return lines shall be completed within one (1) year from the request of the City or its Designated Access Provider or as otherwise agreed to by the parties. If an emergency situation necessitates movement of production facilities to a new location, the parties shall work together to complete the new return line as soon as reasonably possible.

SECTION 10. GENERAL RIGHT-OF-WAY USE AND CONSTRUCTION

10.1 Right to Construct

Subject to Applicable Law, regulations, rules, resolutions and ordinances of the City and the provisions of this Franchise, Grantee may perform all construction in the Rights-of-Way for any facility needed for the maintenance or extension of Grantee's Cable System.

10.2 Right-of-Way Meetings

Grantee will regularly attend and participate in meetings of the City, of which the Grantee is made aware, regarding Right-of-Way issues that may impact the Cable System.

10.3 Joint Trenching/Boring Meetings

Grantee will regularly attend and participate in planning meetings of the City, of which the Grantee is made aware, to anticipate joint trenching and boring. Whenever it is possible and reasonably practicable to joint trench or share bores or cuts, Grantee shall work with other providers, licensees, permittees, and franchisees so as to reduce so far as possible the number of Right-of-Way cuts within the City.

10.4 General Standard

All work authorized and required hereunder shall be done in a safe, thorough and workmanlike manner. All installations of equipment shall be permanent in nature, durable and installed in accordance with good engineering practices.

10.5 Permits Required for Construction

Prior to doing any work in the Rights-of Way or other public property, Grantee shall apply for, obtain, and comply with all appropriate or required permits from the City. As part of the permitting process, the City may impose such conditions and regulations as are necessary for the purpose of protecting any structures in such Rights-of-Way, proper restoration of such Rights-of-Way and structures, the protection of the public, and the continuity of pedestrian or vehicular traffic. Such conditions may also include the provision of a construction schedule and maps showing the location of the facilities to be installed in the Right-of-Way. Grantee shall pay all applicable fees for the requisite City permits received by Grantee.

10.6 Emergency Permits

In the event that emergency repairs are necessary, Grantee shall immediately notify the City of the need for such repairs. Grantee may initiate such emergency repairs and shall apply for appropriate permits within forty-eight (48) hours after discovery of the emergency.

10.9 Minimal Interference

Work in the Right-of-Way, on other public property, near public property, or on or near private property shall be done in a manner that causes the least interference with the rights and reasonable convenience of property owners and residents. Grantee's Cable System shall be constructed and maintained in such manner as not to interfere with sewers, water pipes, or any other property of the City, or with any other pipes, wires, conduits, pedestals, structures, or other facilities that may have been laid in the Rights-of-Way by or under the City's authority. The Grantee's Cable System shall be located, erected and maintained so as not to endanger or interfere with the lives of Persons, or to interfere with new improvements the City may deem proper to make or to unnecessarily hinder or obstruct the free use of the Rights-of-Way or other public property, and shall not interfere with the travel and use of public places by the public during the construction, repair, operation or removal thereof, and shall not obstruct or impede traffic. In the event of such interference, the City may require the removal or relocation of Grantee's lines, cables, equipment and other appurtenances from the property in question, at Grantee's expense.

Grantee shall provide and use any equipment and facilities necessary to control and carry Grantee's signals so as to prevent injury to the City's property or property belonging to any Person. Grantee, at its own expense, shall repair, renew, change and improve its facilities to keep them in good repair and in safe and presentable condition. All excavations made by Grantee in the Rights-of-Way shall be properly safeguarded for the prevention of accidents by the placement of adequate barriers, fences or boarding, the bounds of which during periods of dusk and darkness shall be clearly designated by warning lights.

10.11 Hazardous Substances

(A) Grantee shall comply with any and all Applicable Laws, statutes, regulations and orders concerning hazardous substances relating to Grantee's Cable System in the Rights-of-Way.

(B) Upon reasonable notice to Grantee, the City may inspect Grantee's facilities in the Rights-of-Way to determine if any release of hazardous substances has occurred or may occur from or related to Grantee's Cable System. In removing or modifying Grantee's facilities as provided in this Franchise, Grantee shall also remove all residue of hazardous substances related thereto.

(C) Grantee agrees to indemnify the City against any claims, costs, and expenses of any kind, whether direct or indirect, incurred by the City arising out of a release of hazardous substances caused by Grantee's Cable System.

10.12 Locates

Prior to doing any work in the Right-of-Way, Grantee shall give appropriate notices to the City and to the notification association established in C.R.S. Section 9-1.5-105, as such may be amended from time to time.

10.14 Underground Construction and Use of Poles

(A) When required by general ordinances, resolutions, regulations or rules of the City or applicable State or federal law, Grantee's Cable System shall be placed underground at Grantee's expense unless funding is generally available for such relocation to all users of the Rights-of-Way. Placing facilities underground does not preclude the use of ground-mounted appurtenances.

(B) Where electric, telephone, and other above-ground utilities are installed underground at the time of Cable System construction, or when all such wiring is subsequently placed underground, all Cable System lines shall also be placed underground with other wireline service at no expense to the City or Subscribers unless funding is generally available for such

relocation to all users of the Rights-of-Way. Related Cable System equipment, such as pedestals, must be placed in accordance with the City's applicable code requirements and rules. In areas where either electric or telephone utility wiring is aerial, the Grantee may install aerial cable, except when a property owner or resident requests underground installation and agrees to bear the additional cost in excess of aerial installation.

(C) The Grantee shall utilize existing poles and conduit wherever possible.

(D) In the event Grantee cannot obtain the necessary poles and related facilities pursuant to a pole attachment agreement, and only in such event, then it shall be lawful for Grantee to make all needed excavations in the Rights-of-Way for the purpose of placing, erecting, laying, maintaining, repairing, and removing poles, supports for wires and conductors, and any other facility needed for the maintenance or extension of Grantee's Cable System. All poles of Grantee shall be located as designated by the proper City authorities.

(E) This Franchise does not grant, give or convey to the Grantee the right or privilege to install its facilities in any manner on specific utility poles or equipment of the City or any other Person. Copies of agreements for the use of poles, conduits or other utility facilities must be provided upon request by the City.

10.15 Undergrounding of Multiple Dwelling Unit Drops

In cases of single site Multiple Dwelling Units, Grantee shall minimize the number of individual aerial drop cables by installing multiple drop cables underground between the pole and Multiple Dwelling Unit where determined to be technologically feasible, in agreement with the owners and/or owner's association of the Multiple Dwelling Units.

10.16 Burial Standards

(A) Depths. Unless otherwise required by Applicable Law, Grantee and its contractors shall comply with the following burial depth standards. In no event shall Grantee be required to bury its cable deeper than electric or gas facilities, or existing telephone facilities in the same portion of the Right-of-Way, so long as those facilities have been buried in accordance with Applicable Law:

Underground cable drops from the curb shall be buried at a minimum depth of twelve (12) inches, unless a sprinkler system or other construction concerns preclude it, in which case, underground cable drops shall be buried at a depth of at least six (6) inches.

Feeder lines shall be buried at a minimum depth of eighteen (18) inches.

Trunk lines shall be buried at a minimum depth of thirty-six (36) inches.

Fiber Optic cable shall be buried at a minimum depth of thirty-six (36) inches.

CITY OF COLORADO SPRINGS – COMCAST

In the event of a conflict between this subsection and the provisions of any Customer Service Standard, this subsection shall control.

(B) Timeliness. Cable drops installed by Grantee to residences shall be buried according to these standards within one calendar week of initial installation or at a time mutually-agreed upon between the Grantee and the Subscriber. When freezing surface conditions prevent Grantee from achieving such timetable, Grantee shall apprise the Subscriber of the circumstances and the revised schedule for burial and shall provide the Subscriber with Grantee's telephone number and instructions as to how and when to call Grantee to request burial of the line if the revised schedule is not met.

10.17 Cable Drop Bonding

Grantee shall ensure that all cable drops are properly bonded at the home, consistent with applicable code requirements.

(B) Whenever Grantee disturbs or damages any Right-of-Way, other public property or any private property, Grantee shall promptly repair and restore the Right-of-Way or property to at least its prior condition, normal wear and tear excepted, at its own expense.

(C) Rights-of-Way and Other Public Property. Grantee shall warrant any restoration work performed by or for Grantee in the Right-of-Way or on other public property in accordance with Applicable Law. If restoration is not satisfactorily performed by the Grantee within a reasonable time, the City may, after prior notice to the Grantee, or without notice where the disturbance or damage may create a risk to public health or safety, cause the repairs to be made and recover the cost of those repairs from the Grantee. Within thirty (30) days of receipt of an itemized list of those costs, including the costs of labor, materials and equipment, the Grantee shall pay the City.

(D) Private Property. Upon completion of the work which caused any disturbance or damage, Grantee shall promptly commence restoration of private property and will use best efforts to complete the restoration within seventy-two (72) hours, depending upon the nature of the work that must be performed. Grantee shall also perform such restoration in accordance with

the City's Customer Service Standards, as the same may be amended from time to time by the City Council acting by ordinance or resolution.

10.20 Acquisition of Facilities

Upon Grantee's acquisition of Cable System-related facilities in any City Right-of-Way, or upon the addition to the City of any area in which Grantee owns or operates any such facility, Grantee shall, at the City's request, submit to the City a statement describing all such facilities involved, whether authorized by franchise, permit, license or other prior right, and specifying the location of all such facilities to the extent Grantee has possession of such information. Such Cable System-related facilities shall immediately be subject to the terms of this Franchise.

10.21 Discontinuing Use/Abandonment of Cable System Facilities

Whenever Grantee intends to discontinue using any facility within the Rights-of-Way, Grantee shall submit for the City's approval a complete description of the facility and the date on which Grantee intends to discontinue using the facility. Grantee may remove the facility or request that the City permit it to remain in place. Notwithstanding Grantee's request that any such facility remain in place, the City may require Grantee to remove the facility from the Right-of-Way or modify the facility to protect the public health, welfare, safety, and convenience, or otherwise serve the public interest. The City may require Grantee to perform a combination of modification and removal of the facility. Grantee shall complete such removal or modification in accordance with a schedule set by the City. Until such time as Grantee removes or modifies the facility as directed by the City, or until the rights to and responsibility for the facility are accepted by another Person having authority to construct and maintain such facility, Grantee shall be responsible for all necessary repairs and relocations of the facility, as well as maintenance of the Right-of-Way, in the same manner and degree as if the facility were in active use, and Grantee shall retain all liability for such facility. If Grantee abandons its facilities, the City may choose to use such facilities for any purpose whatsoever including, but not limited to, Access purposes.

10.22 Movement of Cable System Facilities For City Purposes

The City shall have the right to require Grantee to relocate, remove, replace, modify or disconnect Grantee's facilities and equipment located in the Rights-of-Way or on any other property of the City for public purposes or when the public health, safety or welfare requires such change (for example, without limitation, by reason of traffic conditions, public safety, Right-of-Way vacation, Right-of-Way construction, change or establishment or re-establishment of Right-of-Way grade, installation or reconstruction or repair of sewers, drains, gas, electric, or water pipes, lines or facilities, sidewalks, or any other types of structures or improvements by the City for any public purpose whatsoever, or in the event of an emergency). Such work shall be performed at the Grantee's expense. The City shall provide reasonable notice to Grantee, not to be less than five (5) business days except in the case of an emergency, in which case the City will provide notice as soon as reasonably practicable and allow Grantee the opportunity to perform such action. In the event of any capital improvement project exceeding \$500,000 in

expenditures by the City which requires the removal, replacement, modification or disconnection of Grantee's facilities or equipment, the City shall provide at least sixty (60) days' written notice to Grantee. Following notice by the City, Grantee shall relocate, remove, replace, modify or disconnect any of its facilities or equipment within any Right-of-Way or on any other property of the City. If the City requires Grantee to relocate its facilities located within the Rights-of-Way, the City shall make a reasonable effort to provide Grantee with an alternate location within the Rights-of-Way. If funds are generally made available to users of the Rights-of-Way in connection with a particular relocation, Grantee shall be entitled to receive its *pro rata* share of such funds if the City is legally authorized to make such *pro rata* distribution.

If the Grantee fails to complete this work within the time prescribed and to the City's satisfaction, the City may cause such work to be done and bill the cost of the work to the Grantee, including all costs and expenses incurred by the City due to Grantee's delay. In such event, the City shall not be liable for any damage to any portion of Grantee's Cable System. Within thirty (30) days of receipt of an itemized list of those costs, the Grantee shall pay the City the full amount thereof.

10.23 Movement of Cable System Facilities for Other Franchise Holders

If any removal, replacement, modification or disconnection of the Cable System is required solely to accommodate the construction, operation or repair of the facilities or equipment of another City franchise holder, Grantee shall, after at least thirty (30) days' advance written notice, take action to effect the necessary changes requested by the responsible entity. Grantee may require that the costs associated with the removal or relocation be paid by the benefited party.

10.24 Temporary Changes for Other Permittees

At the request of any Person holding a valid permit and upon reasonable advance notice, Grantee shall temporarily raise, lower or remove its wires as necessary to permit the moving of a building, vehicle, equipment or other item. The expense of such temporary changes must be paid by the permit holder, and Grantee may require a reasonable deposit of the estimated payment in advance.

10.25 Reservation of City Use of Right-of-Way

Nothing in this Franchise shall prevent the City or public utilities owned, maintained or operated by the City or public entities other than the City from constructing sewers; grading, paving, repairing or altering any Right-of-Way; laying down, repairing or removing water mains; or constructing or establishing any other public work or improvement. All such work shall be done, insofar as practicable, so as not to obstruct, injure or prevent the use and operation of Grantee's Cable System.

10.26 Tree Trimming

Grantee may prune or cause to be pruned, using proper pruning practices, any tree in the City's Rights-of-Way which interferes with Grantee's Cable System. Grantee shall comply with any general ordinance or regulations of the City regarding tree trimming. Except in emergencies, Grantee may not prune trees at a point below thirty (30) feet above sidewalk grade until a one (1) week written notice has been given to the owner or occupant of the premises abutting the Right-of-Way in or over which the tree is growing. The owner or occupant of the abutting premises may prune such tree at his or her own expense during this one (1) week period. If the owner or occupant fails to do so, Grantee may prune such tree at its own expense. For purposes of this subsection, emergencies exist only when it is necessary to prune to protect the public or Grantee's facilities from imminent danger.

10.27 Inspection of Construction and Facilities

The City may inspect any of Grantee's facilities, equipment or construction at any time upon at least twenty-four (24) hours' notice or, in case of emergency, upon demand without prior notice. The City shall have the right to charge generally applicable inspection fees therefor. If an unsafe condition is found to exist, the City, in addition to taking any other action permitted under Applicable Law, may order Grantee, in writing, to make the necessary repairs and alterations specified therein forthwith to correct the unsafe condition by a time the City establishes. The City has the right to correct, inspect, administer and repair the unsafe condition if Grantee fails to do so and to charge Grantee therefor.

10.28 Stop Work

(A) On notice from the City that any work is being performed contrary to the provisions of this Franchise or in an unsafe or dangerous manner as determined by the City, or in violation of the terms of any applicable permit, laws, regulations, ordinances, or standards, the work may immediately be stopped by the City.

(B) The stop work order shall:

- (1) Be in writing;
- (2) Be given to a Person doing the work or posted on the work site;
- (3) Be sent to Grantee by overnight delivery at the address given herein;
- (4) Indicate the nature of the alleged violation or unsafe condition; and
- (5) It may also establish conditions under which work may be resumed.

10.29 Work of Contractors and Subcontractors

Grantee's contractors and subcontractors shall be licensed and bonded in accordance with the City's ordinances, regulations and requirements. Work by contractors and subcontractors is subject to the same restrictions, limitations and conditions as if the work were performed by Grantee. Grantee shall be responsible for all work performed by its contractors and subcontractors and others performing work on its behalf as if the work were performed by it, and shall ensure that all such work is performed in compliance with this Franchise and other Applicable Law, and shall be jointly and severally liable for all damages and correcting all damage caused by them. It is Grantee's responsibility to ensure that contractors, subcontractors or other Persons performing work on Grantee's behalf are familiar with the requirements of this Franchise and other Applicable Law governing the work performed by them.

SECTION 11. CABLE SYSTEM, TECHNICAL STANDARDS AND TESTING

11.1 Subscriber Network

(A) Grantee's Cable System shall be equivalent to or exceed technical characteristics of a traditional HFC 750 MHz Cable System and provide Activated Two-Way capability. The Cable System shall be capable of supporting video and audio. The Cable System shall deliver no less than one hundred ten (110) Channels of digital video programming services to Subscribers, provided that the Grantee reserves the right to use the bandwidth in the future for other uses based on market factors.

(B) Equipment must be installed so that all closed captioning programming received by the Cable System shall include the closed caption signal so long as the closed caption signal is provided, consistent with FCC standards. Equipment must be installed so that all local signals received in stereo or with secondary audio tracks (broadcast and Access) are retransmitted in those same formats.

(C) All construction shall be subject to the City's permitting process.

(D) Grantee and City shall meet, at the City's request, to discuss the progress of the design plan and construction.

(E) Grantee will take prompt corrective action if it finds that any facilities or equipment on the Cable System are not operating as expected, or if it finds that facilities and equipment do not comply with the requirements of this Franchise or Applicable Law.

(F) Grantee's construction decisions shall be based solely upon legitimate engineering decisions and shall not take into consideration the income level of any particular community within the Franchise Area.

11.2 Technology Assessment

(A) The City may notify Grantee on or after five (5) years after the Effective Date that the City will conduct a technology assessment of Grantee's Cable System. The technology assessment may include but is not limited to determining whether Grantee's Cable System technology and performance are consistent with current technical practices and range and level of services existing in the fifteen (15) largest U.S. cable systems owned and operated by Grantee's parent corporation and/or Affiliates pursuant to franchises that have been renewed or extended since the Effective Date.

(B) Grantee shall cooperate with the City to provide necessary non-confidential and proprietary information upon the City's reasonable request as part of the technology assessment.

(C) At the discretion of the City, findings from the technology assessment may be included in any proceeding commenced for the purpose of identifying future cable-related community needs and interests undertaken by the City pursuant to 47 U.S.C. §546.

11.3 Standby Power

Grantee's Cable System Headend shall be capable of providing at least twelve (12) hours of emergency operation. In addition, throughout the term of this Franchise Grantee shall have a plan in place, along with all resources necessary for implementing such plan, for dealing with outages of more than four (4) hours. This outage plan and evidence of requisite implementation resources shall be presented to the City no later than thirty (30) days following receipt of a request.

11.4 Emergency Alert Capability

Grantee shall provide an operating Emergency Alert System ("EAS") throughout the term of this Franchise in compliance with FCC standards and applicable county, State, and federal EAS requirements. Grantee shall test the EAS as required by the FCC. Upon request, the City shall be permitted to participate in and/or witness the EAS testing up to twice a year on a schedule formed in consultation with Grantee. If the test indicates that the EAS is not performing properly, Grantee shall make any necessary adjustment to the EAS, and the EAS shall be retested.

11.5 Technical Performance

The technical performance of the Cable System shall meet or exceed all applicable federal (including, but not limited to, the FCC), State and local technical standards, as they may be amended from time to time, regardless of the transmission technology utilized. The City shall have the full authority permitted by Applicable Law to enforce compliance with these technical standards.

11.6 Cable System Performance Testing

(A) Grantee shall, at Grantee's expense, perform the following tests on its Cable System:

- (1) All tests required by the FCC;
- (2) All other tests reasonably necessary to determine compliance with technical standards adopted by the FCC at any time during the term of this Franchise; and
- (3) All other tests as otherwise specified in this Franchise.

(B) At a minimum, Grantee's tests shall include:

- (1) Cumulative leakage index testing of any new construction;
- (2) Semi-annual compliance and proof of performance tests in conformance with generally accepted industry guidelines;
- (3) Tests in response to Subscriber complaints;
- (4) Periodic monitoring tests at intervals not to exceed six (6) months, of Subscriber (field) test points, the Headend, and the condition of standby power supplies; and
- (5) Cumulative leakage index tests at least annually, designed to ensure that one hundred percent (100%) of Grantee's Cable System has been ground or air tested for signal leakage in accordance with FCC standards.

(C) Grantee shall maintain written records of all results of its Cable System tests performed by or for Grantee. Copies of such test results will be provided to the City upon reasonable request.

(D) If the FCC no longer requires proof of performance tests for Grantee's Cable System during the term of this Franchise, Grantee agrees that it shall continue to conduct proof of performance tests on the Cable System in accordance with the standards that were in place on the Effective Date, or any generally applicable standards later adopted, at least once a year, and shall provide written results of such tests to the City upon request.

(E) The FCC semi-annual testing is conducted in January/February and July/August of each year. If the City contacts Grantee prior to the next test period (*i.e.*, before December 15 and June 15, respectively, of each year), Grantee shall provide City with no less than seven (7) days' prior written notice of the actual date(s) for FCC compliance testing. If City notifies Grantee by the December 15th and June 15th of dates that it wishes to have a representative present during the next test(s), Grantee shall cooperate in scheduling its testing so that the

representative can be present. Notwithstanding the above, all technical performance tests may be witnessed by representatives of the City.

(F) Grantee shall be required to promptly take such corrective measures as are necessary to correct any performance deficiencies fully and to prevent their recurrence as far as possible. Grantee's failure to correct deficiencies identified through this testing process shall be a material violation of this Franchise. Sites shall be re-tested following correction.

11.7 Additional Tests

Where there exists other evidence which in the judgment of the City casts doubt upon the reliability or technical quality of Cable Service, the City shall have the right and authority to require Grantee to test, analyze and report on the performance of the Cable System. Grantee shall fully cooperate with the City in performing such testing and shall prepare the results and a report, if requested, within thirty (30) days after testing. Such report shall include the following information:

- (A) the nature of the complaint or problem which precipitated the special tests;
- (B) the Cable System component tested;
- (C) the equipment used and procedures employed in testing;
- (D) the method, if any, in which such complaint or problem was resolved; and
- (E) any other information pertinent to said tests and analysis which may be required.

SECTION 12. SERVICE AVAILABILITY AND SERVICE TO SCHOOLS AND PUBLIC BUILDINGS

12.1 Service Availability

(A) In General. The City has represented to Grantee that it expects a significant increase in the number of residences and businesses in the Franchise Area during the term of this Franchise due to development of existing property as well as annexation. Subject to the conditions set forth below, Grantee shall provide Cable Service within seven (7) days of a request by any Person within the City. For purposes of this Section, a request shall be deemed made on the date of signing a service agreement, receipt of funds by Grantee, receipt by Grantee of a written request, or receipt by Grantee of a verified verbal request.

(B) Service to Persons within Franchise Area. Except as set forth in subsections (C) and (D) below, Grantee shall provide Cable Service at a non-discriminatory installation charge for a standard installation, consisting of a one hundred twenty five (125) foot drop (referred to herein as "Standard Installation") from the nearest point of access on the Right-of-Way from

CITY OF COLORADO SPRINGS – COMCAST

which the Cable System is designed to service the site and connecting to an inside wall for Residential Subscribers, with additional charges for non-standard installations computed according to a non-discriminatory methodology for such installations (“Non-Standard Installation”) and at rates consistent with Section 4.3 of this Franchise. A request by a Subscriber to locate a cable drop underground may be deemed a Non-Standard Installation.

(C) Required Extensions of Service. Whenever the Grantee receives a request for Cable Service from at least ten (10) Dwelling Units within 1320 cable-bearing strand feet (one-quarter cable mile) of its existing trunk or distribution cable for areas within the jurisdictional limits of the City as of the Effective Date of this Franchise, it shall extend its Cable System within ninety (90) days to such potential Subscribers at no cost for Cable System extension other than the usual connection fees for all Subscribers; provided that such extension is technically feasible, all proper authorizations and/or permits can be obtained and the extension will not adversely affect the operation, financial condition or market development of the Cable System.

(D) Service to New Developments: Extensions of Grantee’s Cable System to new developments shall be governed by this subsection (D) and not by subsection (C) above. For purposes of this subsection (D), a new development shall be any new Residential housing development that contains at least a density of forty (40) Dwelling Units per mile of Cable System plant and has been approved by the City pursuant to a final plat after the Effective Date of this Franchise (“Development”). Grantee shall provide Cable Service to such Development in the Franchise Area if the following conditions have been met:

(1) Grantee has received from the City a copy of the development plan or preliminary plat and final plat for any Development;

(2) If utilities are to be placed underground in the Development, Grantee has received written copies of the final utility construction design plans, the opportunity to participate in pre-construction meetings regarding the Development with the developer and Colorado Springs Utilities, and the Colorado Springs Utilities’ weekly forecasting scheduling spreadsheet that includes the Development, which would give Grantee sufficient advance written notice of the particular dates on which open trenching to such Development will be available for Grantee’s installation of conduit, pedestals and/or vaults and laterals and that there has been no impediment to the installation of Grantee’s facilities. If Grantee does not receive the copies and notices required by this subsection, Grantee has no obligation to provide service to the Development;

(3) The developer, property owner or homeowner’s association has not created private easements or streets in the Development or entered into arrangements for the Development that give exclusive rights to provide Cable Service or video service to another Cable Operator or wireline multichannel video programming distributor;

(4) Any applicable City permitting process for all work required to provide Cable Service to the Development is uniformly applied to all Cable Operators using the Right-of-Way; and

CITY OF COLORADO SPRINGS – COMCAST

(5) Subject to the foregoing, Grantee will extend its Cable System to all Persons in the Developments if the Development will have at least a residential density of ten (10) Dwelling Units per one-quarter mile of Cable System. Any Dwelling Unit that is located more than 400 feet from the Right-of-Way shall not be included in this density calculation. If the residential density of the Development is less than ten (10) Dwelling Unit per one-quarter cable mile of Cable System plant, Grantee will extend its Cable System to provide service to that Development if a capital contribution in aid of construction, including cost of material, labor and easements, is provided by the developer or potential Subscribers in the area to be served. The Grantee may require that the payment of the capital contribution in aid of construction borne by such developer or potential Subscribers be paid in advance. The preceding sentence does not apply to drops which shall be provided as either Standard Installations or Non-Standard Installations as defined in subsection (B) above.

(E) Service to Annexed Areas: Grantee shall have the right but not the obligation to extend the Cable System into any annexed area which is not contiguous, or is partially contiguous, to the present Franchise Area of the City or to any area that is technically infeasible. Nothing herein shall require the Grantee to expand its Cable System to serve or to offer service to any area annexed by the City if such area is then served by another Cable Operator.

(F) Service Obligation upon Subsequent Franchise Grants. If the City grants a Franchise, including a renewal, to any other Cable Operator after the Effective Date of this Franchise, which Franchise does not obligate such provider to provide Cable Service in accordance with the provisions of this Section 12.1, with modifications to account for differences in the system design and technology infrastructure, the obligation of Grantee to provide Cable Service under this Section 12.1 shall no longer apply; provided, however, that this provision will not apply for Franchises that have a limited geographic franchise area.

(G) Discussion Regarding Technical Infeasibility. If Grantee determines that any extension of its Cable System under this Section 12.1 is technically infeasible, Grantee will enter into good faith discussions with the City regarding such determination.

12.2 Connection of Public Facilities

Grantee shall continue to provide without charge one (1) outlet of Basic and Digital Starter Cable Service and one (1) set-top box for each facility for free Cable Service to the City and all accredited elementary, middle, and secondary public Schools, residential and other facilities for The Colorado School for The Deaf and The Blind, the Pikes Peak Library District (including all branches), Pikes Peak Community College (including all branches) and University of Colorado at Colorado Springs (excluding residential living facilities). Grantee shall provide without charge two (2) additional set-top boxes to City Hall, located at 107 North Nevada Avenue, Colorado Springs, Colorado, and two (2) additional set-top boxes to City Administration Building, located at 30 South Nevada Avenue, Colorado Springs, Colorado.

Grantee shall also, at no cost, provide a Standard Installation, one (1) outlet of Basic and Digital Starter Cable Service and one (1) set-top box in addition to those set forth herein, to all

future City building, including fire and police facilities, and all accredited elementary, middle and secondary public Schools, residential and other facilities for The Colorado School for the Deaf and the Blind, the Pikes Peak Library District (including all branches), Pikes Peak Community College (including all branches) and University of Colorado at Colorado Springs (excluding residential living facilities), whether such buildings or facilities are now existing or hereafter constructed, provided that the buildings and facilities are either owned and occupied or leased and occupied by the City, an enterprise of City, or a Designated Access Provider, for any of its services or programs, fire stations, police stations, and libraries and, provided further, that they are already served or are located within one hundred twenty five (125) aerial feet or sixty (60) underground feet of Grantee's trunk or feeder lines.

The Cable Service described herein is a voluntary initiative of Grantee and shall be provided throughout the term of this Franchise; provided, however, that after the Effective Date of this Franchise, the City shall use its best efforts to fairly allocate complimentary Cable Service to ensure the *pro rata* distribution among franchised wireline providers (taking into account any technical limitations of franchised wireline providers). Grantee does not waive any rights it may have regarding complimentary services under federal law or regulation. Grantee has the right to terminate or offset against Franchise Fees its voluntary complimentary Cable Service to any City owned and occupied building . Should the Grantee elect to offset complimentary Cable Services, the City likewise reserves all rights it has under Applicable Law to assert the maximum calculation of Gross Revenues permitted under Section 1.29 of this Franchise consistent with Section 1.29(A), but without regard to any further limitations set forth in Section 1.29(B) and the manner in which the value of the complimentary Cable Services is calculated. Subject to Applicable Law, should Grantee elect to offset complimentary Cable Services provided to City owned and occupied buildings against Franchise Fees, Grantee shall first provide the City with ninety (90) days' prior written notice. To the extent that the parties are engaged in good faith negotiations to determine the amount of an offset, if any, and such negotiations extend past ninety (90) days, no such offset shall be taken until the parties reach agreement or alternatively, until the matter is resolved through other legal means.

In the case of leased facilities, the recipient of service is responsible for securing approval for appropriate right of entry suitable to the Grantee in its reasonable discretion. The Cable Service provided shall not extend to areas of City buildings where the Grantee would normally enter into a commercial contract to provide such Cable Service (*e.g.*, golf courses, airport restaurants and concourses, and recreation center work out facilities). Outlets of Basic and Digital Starter Cable Service provided in accordance with this section may be used to distribute Cable Services throughout such buildings provided such distribution can be accomplished without causing Cable System disruption and general technical standards are maintained. Such Cable Service shall not be located in public waiting areas or used to entertain the public, nor shall they be used in a way that might violate copyright laws. The City shall take reasonable steps to limit display in public areas to just the City or Educational Access Channels. The intent of the provisions in this Section 12.2 is to ensure access to Cable Services for the benefit of the City and Schools and other entities as provided herein; it being agreed, however, that Grantee need not provide Cable Service if complimentary Cable Service is already being provided by

another Cable Operator. The City shall provide notice to the Grantee within thirty (30) days of the date on which any other franchised wireline provider completes installation of complimentary Cable Service to any governmental building at which Grantee currently provides Cable Service or has an obligation to provide such service under this Section 12.2.

City shall take reasonable precautions to prevent any use of the Grantee's Cable System in any manner that results in the inappropriate use thereof or any loss or damage to the Cable System. For new connections, the Grantee shall not be required to provide an outlet to such buildings or facilities unless the City or the building or facility owner/occupant agrees to pay the incremental cost of any necessary Cable System extension and non-Standard Installation.

SECTION 13. FRANCHISE VIOLATIONS

13.1 Procedure for Remediating Franchise Violations

(A) If the City reasonably believes that Grantee has failed to perform any obligation under this Franchise or has failed to perform in a timely manner, the City shall notify Grantee in writing, stating with reasonable specificity the nature of the alleged default. Grantee shall have thirty (30) days from the receipt of such notice to:

(1) respond to the City, contesting the City's assertion that a default has occurred, and requesting a meeting in accordance with subsection (B), below;

(2) cure the default; or

(3) notify the City that Grantee cannot cure the default within the thirty (30) days because of the nature of the default. In the event the default cannot be cured within thirty (30) days, Grantee shall promptly take all reasonable steps to cure the default and notify the City in writing and in detail as to the exact steps that will be taken and the projected completion date. In such case, the City may set a meeting in accordance with subsection (B) below to determine whether additional time beyond the thirty (30) days specified above is, indeed, needed and whether Grantee's proposed completion schedule and steps are reasonable.

(B) If Grantee does not cure the alleged default within the cure period stated above or by the projected completion date under subsection (A)(3), or denies the default and requests a meeting in accordance with (A)(1), or the City orders a meeting in accordance with subsection (A)(3), the City shall set a meeting to investigate said issues or the existence of the alleged default. The City shall notify Grantee of the meeting in writing and such meeting shall take place no less than thirty (30) days after Grantee's receipt of notice of the meeting. At the meeting Grantee shall be provided an opportunity to be heard and to present evidence in its defense.

(C) If after the meeting the City determines that a default exists, the City shall order Grantee to correct or remedy the default or breach within fifteen (15) days or within such other

CITY OF COLORADO SPRINGS – COMCAST

reasonable time frame as the City shall determine. In the event Grantee does not cure within such time to the City's reasonable satisfaction, the City may:

- (1) Withdraw an amount from the letter of credit as monetary damages;
- (2) Recommend the revocation of this Franchise pursuant to the procedures in Section 13.2; or,
- (3) Recommend any other legal or equitable remedy available under this Franchise or any Applicable Law.

(D) The determination as to whether a violation of this Franchise has occurred shall be within the discretion of the City, provided that any such final determination may be subject to appeal to a court of competent jurisdiction under Applicable Law.

13.2 Revocation

(A) In addition to revocation in accordance with other provisions of this Franchise, the City may revoke this Franchise and rescind all rights and privileges associated with this Franchise in the following circumstances, each of which represents a material breach of this Franchise:

- (1) If Grantee fails to perform any material obligation under this Franchise or under any other agreement, ordinance or document regarding the City and Grantee;
- (2) If Grantee willfully fails for more than forty-eight (48) hours to provide continuous and uninterrupted Cable Service;
- (3) If Grantee attempts to evade any material provision of this Franchise or to practice any fraud or deceit upon the City or Subscribers; or
- (4) If Grantee becomes insolvent or if there is an assignment for the benefit of Grantee's creditors;
- (5) If Grantee makes a material misrepresentation of fact in the application for or negotiation of this Franchise.

(B) Following the procedures set forth in Section 13.1 and prior to forfeiture or termination of the Franchise, the City shall give written notice to the Grantee of its intent to revoke the Franchise and set a date for a revocation proceeding. The notice shall set forth the exact nature of the noncompliance.

(C) Any proceeding under the paragraph above shall be conducted by the City Council and open to the public. Grantee shall be afforded at least forty-five (45) days' prior written notice of such proceeding.

(1) At such proceeding Grantee shall be provided a fair opportunity for full participation including the right to be represented by legal counsel, to introduce evidence, and to question witnesses. A complete verbatim record and transcript shall be made of such proceeding and the cost shall be shared equally between the parties. The City Council shall hear any Persons interested in the revocation and shall allow Grantee, in particular, an opportunity to state its position on the matter.

(2) Within ninety (90) days after the hearing, the City Council shall determine whether to revoke the Franchise and declare that the Franchise is revoked and the letter of credit forfeited; or if City Council determines the breach at issue is capable of being cured by Grantee, direct Grantee to take appropriate remedial action within the time and in the manner and on the terms and conditions that the City Council determines are reasonable under the circumstances. If the City determines that the Franchise is to be revoked, the City shall set forth the reasons for such a decision and shall transmit a copy of the decision to the Grantee. Grantee shall be bound by the City's decision to revoke the Franchise unless it appeals the decision to a court of competent jurisdiction within fifteen (15) days of the date of the decision.

(3) Grantee shall be entitled to such relief as the Court may deem appropriate.

(4) The City Council may at its sole discretion take any lawful action which it deems appropriate to enforce the City's rights under the Franchise in lieu of revocation of the Franchise.

13.3 Procedures in the Event of Termination or Revocation

(A) If this Franchise is lawfully terminated or revoked, the City may, subject to Applicable Law:

(1) Allow Grantee to maintain and operate its Cable System on a month-to-month basis or short-term extension of this Franchise for not less than six (6) months, unless a sale of the Cable System can be closed sooner or Grantee demonstrates to the City's satisfaction that it needs additional time to complete the sale; or

(2) Purchase Grantee's Cable System in accordance with the procedures set forth in Section 13.4, below.

(B) In the event that a sale has not been completed in accordance with subsections (A)(1) and/or (A)(2) above, the City may order the removal of the above-ground Cable System facilities and such underground facilities from the City at Grantee's sole expense within a reasonable period of time as determined by the City. In removing its plant, structures and equipment, Grantee shall refill, at its own expense, any excavation that is made by it and shall leave all Rights-of-Way, public places and private property in as good condition as that prevailing prior to Grantee's removal of its equipment without affecting the electrical or telephone cable wires or attachments. The indemnification and insurance provisions and the

CITY OF COLORADO SPRINGS – COMCAST

letter of credit shall remain in full force and effect during the period of removal, and Grantee shall not be entitled to and agrees not to request compensation of any sort therefor.

(C) If Grantee fails to complete any removal required by subsection 13.3 (B) to the City's satisfaction, after written notice to Grantee, the City may cause the work to be done, and Grantee shall reimburse the City for the costs incurred within thirty (30) days after receipt of an itemized list of the costs or the City may recover the costs through the letter of credit provided by Grantee.

(D) The City may seek legal and equitable relief to enforce the provisions of this Franchise.

13.4 Purchase of Cable System

(A) If at any time this Franchise is revoked, terminated, or not renewed upon expiration in accordance with the provisions of federal law, the City shall have the option to purchase the Cable System.

(B) The City may at any time after the events set forth in subsection (A) offer in writing to purchase Grantee's Cable System. Grantee shall have thirty (30) days from receipt of a written offer from the City within which to accept or reject the offer.

(C) In any case where the City elects to purchase the Cable System, the purchase shall be closed within one hundred twenty (120) days of the date of the City's audit of a current profit and loss statement of Grantee. The City shall pay for the Cable System in cash or certified funds, and Grantee shall deliver appropriate bills of sale and other instruments of conveyance.

(D) For the purposes of this subsection, the price for the Cable System shall be determined as follows:

(1) In the case of the expiration of the Franchise without renewal, at fair market value determined on the basis of Grantee's Cable System valued as a going concern but with no value allocated to the Franchise itself. In order to obtain the fair market value, this valuation shall be reduced by the amount of any lien, encumbrance, or other obligation of Grantee which the City would assume.

(2) In the case of revocation for cause, the equitable price of Grantee's Cable System.

13.5 Receivership and Foreclosure

(A) At the option of the City, subject to Applicable Law, this Franchise may be revoked one hundred twenty (120) days after the appointment of a receiver or trustee to take over and conduct the business of Grantee whether in a receivership, reorganization, bankruptcy or other action or proceeding, unless:

(1) The receivership or trusteeship is vacated within one hundred twenty (120) days of appointment; or

(2) The receivers or trustees have, within one hundred twenty (120) days after their election or appointment, fully complied with all the terms and provisions of this Franchise and have remedied all defaults under the Franchise. Additionally, the receivers or trustees shall have executed an agreement duly approved by the court having jurisdiction by which the receivers or trustees assume and agree to be bound by each and every term, provision and limitation of this Franchise.

(B) If there is a foreclosure or other involuntary sale of the whole or any part of the plant, property and equipment of Grantee, the City may serve notice of revocation on Grantee and to the purchaser at the sale, and the rights and privileges of Grantee under this Franchise shall be revoked thirty (30) days after service of such notice unless:

(1) The City has approved the transfer of the Franchise in accordance with the procedures set forth in this Franchise and as provided by law; and

(2) The purchaser has covenanted and agreed with the City to assume and be bound by all of the terms and conditions of this Franchise.

13.6 No Monetary Recourse Against the City

Grantee shall not have any monetary recourse against the City or its officers, officials, boards, commissions, agents, attorneys, or employees for any loss, costs, expenses or damages arising out of any provision or requirement of this Franchise or the enforcement thereof in accordance with the provisions of applicable federal, State and local law. The rights of the City under this Franchise are in addition to and shall not be read to limit any immunities the City may enjoy under federal, State or local law.

13.7 Alternative Remedies

No provision of this Franchise shall be deemed to bar the right of the City to seek or obtain judicial relief from a violation of any provision of the Franchise or any rule, regulation, requirement or directive promulgated thereunder. Neither the existence of other remedies identified in this Franchise nor the exercise thereof shall be deemed to bar or otherwise limit the right of the City to recover monetary damages for such violations by Grantee, or to seek and obtain judicial enforcement of Grantee's obligations by means of specific performance, injunctive relief or mandate, or any other remedy at law or in equity.

13.8 Assessment of Monetary Damages

(A) The City may assess against Grantee monetary damages (i) up to five hundred dollars (\$500.00) per day for general construction delays, violations of PEG obligations or payment obligations, (ii) up to two hundred fifty dollars (\$250.00) per day for any other material

breaches, or (iii) up to one hundred dollars (\$100.00) per day for other defaults, and withdraw the assessment from the letter of credit or collect the assessment as specified in this Franchise. Damages pursuant to this Section shall accrue for a period not to exceed one hundred twenty (120) days per violation proceeding. To assess any amount from the letter of credit, City shall follow the procedures for withdrawals from the letter of credit set forth in the letter of credit and in this Franchise. Such damages shall accrue beginning thirty (30) days following Grantee's receipt of the notice required by Section 13.1(A), or such later date if approved by the City in its sole discretion, but may not be assessed until after the procedures in Section 13.1 have been completed.

(B) The assessment does not constitute a waiver by City of any other right or remedy it may have under the Franchise or Applicable Law, including its right to recover from Grantee any additional damages, losses, costs and expenses that are incurred by City by reason of the breach of this Franchise.

13.9 Effect of Abandonment

If the Grantee abandons its Cable System during the Franchise term or fails to operate its Cable System in accordance with its duty to provide continuous service, the City, at its option, may operate the Cable System; designate another entity to operate the Cable System temporarily until the Grantee restores service under conditions acceptable to the City or until the Franchise is revoked and a new franchisee is selected by the City; or obtain an injunction requiring the Grantee to continue operations. If the City is required to operate or designate another entity to operate the Cable System, the Grantee shall reimburse the City or its designee for all reasonable costs, expenses and damages incurred.

13.10 What Constitutes Abandonment

The City shall be entitled to exercise its options in Section 13.9 if:

(A) The Grantee fails to provide Cable Service in accordance with this Franchise over a substantial portion of the Franchise Area for four (4) consecutive days, unless the City authorizes a longer interruption of service; or

(B) The Grantee for any period willfully and without cause refuses to provide Cable Service in accordance with this Franchise.

SECTION 14. FRANCHISE RENEWAL AND TRANSFER

14.1 Renewal

(A) The City and Grantee agree that any proceedings undertaken by the City that relate to the renewal of the Franchise shall be governed by and comply with the provisions of Section 626 of the Cable Act, unless the procedures and substantive protections set forth therein

shall be deemed to be preempted and superseded by the provisions of any subsequent provision of federal or State law.

(B) In addition to the procedures set forth in said Section 626 of the Cable Act, the City agrees to notify Grantee of the completion of its assessments regarding the identification of future cable-related community needs and interests, as well as the past performance of Grantee under the then-current Franchise term. Notwithstanding anything to the contrary set forth herein, Grantee and City agree that at any time during the term of the then-current Franchise, while affording the public adequate notice and opportunity for comment, the City and Grantee may agree to undertake and finalize negotiations regarding renewal of the then-current Franchise and the City may grant a renewal thereof. Grantee and City consider the terms set forth in this subsection to be consistent with the express provisions of Section 626 of the Cable Act.

14.2 Transfer of Ownership or Control

(A) The Cable System and this Franchise shall not be sold, assigned, transferred, leased or disposed of, either in whole or in part, either by involuntary sale or by voluntary sale, merger or consolidation; nor shall title thereto, either legal or equitable, or any right, interest or property therein pass to or vest in any Person or entity without the prior written consent of the City, which consent shall be by the City Council, acting by ordinance.

(B) The Grantee shall promptly notify the City of any actual or proposed change in, or transfer of, or acquisition by any other party of control of the Grantee. The word “control” as used herein is not limited to majority stockholders but includes actual working control in whatever manner exercised. Every change, transfer or acquisition of control of the Grantee shall make this Franchise subject to cancellation unless and until the City shall have consented in writing thereto.

(C) The parties to the sale or transfer shall make a written request to the City for its approval of a sale or transfer and furnish all information required by law and the City.

(D) In seeking the City’s consent to any change in ownership or control, the proposed transferee shall indicate whether it:

(1) Has ever been convicted or held liable for acts involving deceit including any violation of federal, State or local law or regulations, or is currently under an indictment, investigation or complaint charging such acts;

(2) Has ever had a judgment in an action for fraud, deceit, or misrepresentation entered against the proposed transferee by any court of competent jurisdiction;

(3) Has pending any material legal claim, lawsuit, or administrative proceeding arising out of or involving a cable system or a broadband system;

(4) Is financially solvent, by submitting financial data including financial statements that are audited by a certified public accountant who may also be an officer of the transferee, along with any other data that the City may reasonably require; and

(5) Has the financial, legal and technical capability to enable it to maintain and operate the Cable System for the remaining term of the Franchise.

(E) The City shall act by ordinance on the request within one hundred twenty (120) days of the request, provided it has received all information required by this Franchise and/or by Applicable Law. The City and the Grantee may by mutual agreement, at any time, extend the 120-day period. Subject to the foregoing, if the City fails to render a final decision on the request within one hundred twenty (120) days, such request shall be deemed granted unless the requesting party and the City agree to an extension of time.

(F) Within thirty (30) days of any transfer or sale, if approved or deemed granted by the City, Grantee shall file with the City a copy of the deed, agreement, lease or other written instrument evidencing such sale or transfer of ownership or control, certified and sworn to as correct by Grantee and the transferee, and the transferee shall file its written acceptance agreeing to be bound by all of the provisions of this Franchise, subject to Applicable Law. In the event of a change in control in which the Grantee is not replaced by another entity, the Grantee will continue to be bound by all of the provisions of the Franchise, subject to Applicable Law, and will not be required to file an additional written acceptance.

(G) In reviewing a request for sale or transfer, the City may inquire into the legal, technical and financial qualifications of the prospective controlling party or transferee, and Grantee shall assist the City in so inquiring. The City may condition said sale or transfer upon such terms and conditions as it deems reasonably appropriate, in accordance with Applicable Law.

(H) Notwithstanding anything to the contrary in this subsection, the prior approval of the City shall not be required for any sale, assignment or transfer of the Franchise or Cable System to an entity controlling, controlled by or under the same common control as Grantee, provided that the proposed assignee or transferee must show financial responsibility as may be determined necessary by the City and must agree in writing to comply with all of the provisions of the Franchise. Further, Grantee may pledge the assets of the Cable System for the purpose of financing without the consent of the City; provided that such pledge of assets shall be subject to this Franchise and shall not impair or mitigate Grantee's responsibilities and capabilities to meet all of its obligations under the provisions of this Franchise.

SECTION 15. SEVERABILITY

If any Section, subsection, paragraph, term or provision of this Franchise is determined to be illegal, invalid or unconstitutional by any court or agency of competent jurisdiction, such determination shall have no effect on the validity of any other Section, subsection, paragraph,

term or provision of this Franchise, all of which will remain in full force and effect for the term of the Franchise.

SECTION 16. MISCELLANEOUS PROVISIONS

16.1 Preferential or Discriminatory Practices Prohibited

**EXHIBIT A
CUSTOMER SERVICE STANDARDS**

**City of Colorado Springs
Customer Service Standards**

Introduction

The City of Colorado Springs (“City” or “Franchising Authority”) has created the following Customer Service Standards (the "Standards") for the Cable Operators providing Cable Service in the City. The purpose of the Standards is to establish uniform requirements for the quality of service that Cable Operators are expected to offer their customers in the City of Colorado Springs. The Standards are subject to change from time to time.

The Franchising Authority encourages the Cable Operator to exceed these Standards in their day-to-day operations and as such, understands that the Cable Operator may modify their operations in exceeding these Standards.

The Standards incorporate the Customer Service Obligations published by the Federal Communications Commission (Section 76.309), April, 1993 and customer service standards of cable television service providers operating in Colorado.

The Standards require the Cable Operator, in certain circumstances, to post a security fund or letter of credit ensuring Customer Service. The security fund is to be used when the Cable Operator fails to respond to a citizen complaint that the Franchising Authority determines is valid, and to provide a mechanism by which to impose remedies for noncompliance. It is the sincere hope and intention of the City that the security fund will never need to be drawn upon; however, the City believes that some enforcement measures are necessary.

CUSTOMER SERVICE STANDARDS

I. POLICY

The Cable Operator should resolve citizen complaints without delay and interference from the Franchising Authority.

Where a given complaint is not addressed by the Cable Operator to the citizen's satisfaction, the Franchising Authority should intervene. In addition, where a pattern of unremedied complaints or noncompliance with the Standards is identified, the Franchising Authority should prescribe a cure and establish a reasonable deadline for implementation of the cure. If the noncompliance is

not cured within established deadlines, monetary sanctions should be imposed to encourage compliance and deter future non-compliance.

These Standards are intended to be of general application, and are expected to be met under Normal Operating Conditions; however, the Cable Operator shall be relieved of any obligations hereunder if it is unable to perform due to a region-wide natural emergency or in the event of force majeure affecting a significant portion of the franchise area. The Cable Operator is free to exceed these Standards to the benefit of its Customers and such shall be considered performance for the purposes of these Standards.

These Standards supersede any contradictory or inconsistent provision in federal, state or local law (Source: 47 U.S.C. § 552(a)(1) and (d)), provided, however, that any provision in federal, state or local law, or in any original franchise agreement or renewal agreement, that imposes a higher obligation or requirement than is imposed by these Standards, shall not be considered contradictory or inconsistent with these Standards. In the event of a conflict between these Standards and a Franchise Agreement, the Franchise Agreement shall control.

These Standards apply to the provision of any Cable Service, provided by a Cable Operator over a Cable System, within the City of Colorado Springs.

II. DEFINITIONS

6. The Franchising Authority shall issue a determination within fifteen (15) days of receiving the Customer complaint, or after examining the materials submitted, setting forth its basis for the determination.

7. Any of these time limits may be extended at the discretion of the Franchising Authority or by mutual agreement of the Cable Operator and the Customer. The Franchising Authority may also intercede and attempt to negotiate an informal resolution of the complaint.

C. Security Fund or Letter of Credit

A Cable operator shall comply with any Franchise Agreement regarding letters of credit. If a Franchise Agreement is silent on letter of credit the following shall apply:

1. Within thirty (30) days of the written notification to a Cable Operator by the Franchising Authority that an alleged Franchise violation exists, a Cable Operator shall deposit with an escrow agent approved by the Franchising Authority fifty thousand dollars (\$50,000) or, in the

sole discretion of the Franchising Authority, such lesser amount as the Franchising Authority deems reasonable to protect subscribers within its jurisdiction. Alternatively, at the Cable Operator's discretion, it may provide to the Franchising Authority an irrevocable letter of credit in the same amount.

The escrowed funds or letter of credit shall constitute the "Security Fund" for ensuring compliance with these Standards for the benefit of the Franchising Authority. The escrowed funds or letter of credit shall be maintained by a Cable Operator at the amount initially required, even if amounts are withdrawn pursuant to any provision of these Standards, until any claims related to the alleged Franchise violation(s) are paid in full.

2. The Franchising Authority may require the Cable Operator to increase the amount of the security fund, if it finds that new risk factors exist which necessitate such an increase.
3. The security fund shall serve as security for the payment of any penalties, fees, charges or credits as provided for herein and for the performance by a Cable Operator of all its obligations under these Standards.
4. The rights reserved to the Franchising Authority with respect to the Security Fund are in addition to all other rights of the Franchising Authority, whether reserved by any applicable franchise agreement or authorized by law, and no action, proceeding or exercise of a right with respect to same shall in any way affect, or diminish, any other right the Franchising Authority may otherwise have.

D. Verification of Compliance

A Cable Operator shall establish its compliance with any or all of the standards required through annual reports that demonstrate said compliance, or as requested by the Franchising Authority.

E. Procedure for Remedying Violations

1. If the Franchising Authority has reason to believe that a Cable Operator has failed to comply with any of these Standards or has failed to perform in a timely manner, the Franchising Authority may pursue the procedures in its Franchise Agreement to address violations of these Standards in a like manner as other franchise violations are considered.
2. Following the procedures set forth in any Franchise Agreement governing the manner to address alleged Franchise violations, if the Franchising Authority determines in its sole discretion that the noncompliance has been substantiated, in addition to any remedies that may be provided in the Franchise Agreement the Franchising Authority may:

a. Impose assessments of up to one thousand dollars (\$1,000.00) per day, to be withdrawn from the security fund in addition to any franchise fee until the non-compliance is remedied; and/or

b. Order such rebates and credits to affected Customers as in its sole discretion it deems reasonable and appropriate for degraded or unsatisfactory services that constituted noncompliance with these Standards; and/or

c. Reverse any decision of the Cable Operator in the matter and/or

d. Grant a specific solution as determined by the Franchising Authority; and/or

e. Except for in emergency situations, withhold licenses and permits for work by the Cable Operator or its Subcontractors in accordance with Applicable Law.

V. MISCELLANEOUS

A. Severability

Should any section, subsection, paragraph, term, or provision of these Standards be determined to be illegal, invalid, or unconstitutional by any court or agency of competent jurisdiction with regard thereto, such determination shall have no effect on the validity of any other section, subsection, paragraph, term, or provision of these Standards, each of the latter of which shall remain in full force and effect.

B. Non-Waiver

Failure to enforce any provision of these Standards shall not operate as a waiver of the obligations or responsibilities of a Cable Operator under said provision or any other provision of these Standards.
