Downtown Review Board: Appointed

Urban Renewal Authority: Appointed

Introduction**Briefly introduce yourself and state your interest in serving on a specific Board, Commission, or Committee**

I am writing to express my interest in joining the Colorado Springs Urban Renewal Authority. I am a long time resident of the region and have degrees in both environmental design and urban design. I care deeply about our region and am excited for our future potential as we strive to create a built environment that mirrors the extraordinary natural environment we live in. Design, finance, real estate, and policies, must all work together to envision and enable significant change. I would like to contribute a voice from the design field to the CSURA. I would like to get involved in helping our city achieve a higher level of quality and equity in our built environment. The city is changing quickly and I think having another designer on the URA board would add a critical eye to help steer public funds to the best possible projects. I am a resident of the Hillside neighborhood on the city's southeast side and feel it is important to have representation on the board from my neighborhood. Please see attached resume/cv with my experiences and references. Thank you, Sam Friesema
