6.A. [25-557](#) UCHealth Annual Report

Presenter:

Lonnie Cramer - President/CEO for UCHealth South Colorado Region

Attachments: [UCHealth City Council \(annual update\) 12.08.25](#)

Lonnie Cramer, President and Chief Executive Officer, UCHealth Southern Colorado Region, presented an annual update on the UCHealth Southern Colorado Region. He provided an overview of their mission, vision, values, coverage area, UCHealth, footprint in Southern Colorado, Medicaid/uninsured patients, changing Medicaid landscape, and anticipated 119th Congress (2025-2026): One Big Beautiful Bill Act (H.R. 1) impacts to Colorado. He identified the quality of UCHealth, ranking by U.S. News and World Report's, virtual hospital, investment in behavioral health, investment in Colorado Springs, support of veterans/armed forces, forensic nursing, United States Olympic and Paralympic Committee (USOPC) medical network, whole blood resuscitation, Mobile Stroke Treatment Unit (MSTU), and Memorial Hospital North expansion.

Councilmember Henjum asked why UCHealth is so much higher in uncompensated care. Mr. Cramer stated it is due to the significant number of transfers they receive from outside rural areas.

Councilmember Donelson asked if the number of births reflects the number of military families. Mr. Cramer stated most military births occur at Evans Hospital, but he will provide that breakdown.

Councilmember Leinweber asked what the number of undocumented immigrants is receiving healthcare. Mr. Cramer stated they are not permitted to ask for that information and they provide care for anyone who needs it.

Councilmember Leinweber asked what happens to individuals with mental health/addiction crisis' once they are stabilized. Mr. Cramer stated they work with other agencies within the City to provide the resources those individuals need once they are discharged.

Councilmember Rainey asked how UCHealth is working with Veteran's Affairs (VA). Mr. Cramer stated they are a substitute partner for the VA through their Defense Health Service agreement, and they also have a referral system to provide the services that the VA cannot.

6.B. [25-520](#) Children's Hospital Annual Presentation

Greg Raymond, Regional President, Children's Hospital
Ellen Stern, Director of Government Affairs Advocacy, Children's Hospital

Cathie Seerup, Chief Nursing Officer, Children's Hospital

Mike DiStefano, Chief Medical Officer, Children's Hospital

Attachments: [2025 Children's Hospital Colorado City Council Presentation Colorado Spgs](#)

Greg Raymond, Southern Region President, Children's Hospital Colorado, provided an update on Children's Hospital Colorado. He identified their system of support, 2025-26 best children's hospitals, statistics, hospital payor mix, patient safety/quality updates, pediatric suicide prevention, youth suicide rolling three-year average 2015-2024, and pediatric intensive care. Mr. Raymond provided an overview of the community benefit (2024), community health improvement: \$23 million, 2024 community health needs assessment priorities/implementation strategy, state budget pressures/pediatric provider impacts under 119th Congress (2025-2026): One Big Beautiful Bill Act (H.R. 1), and pediatric trauma training.

Councilmember Rainey asked if Children's Hospital Colorado accepts

TriCare as insurance. Mr. Raymond stated they do, and they are working with the state to find a more sustainable solution for reimbursement from TriCare.

Councilmember Henjum asked if they have a relationship with the Suicide Prevention Coalition. Mr. Raymond confirmed they do and that their behavioral health leader, Lauren Eckhert, is very involved in participation with many groups/organizations within the community.

Councilmember Rainey asked if this data is shared with the school boards throughout the region. Mr. Raymond confirmed it is.

Councilmember Leinweber asked how they are addressing the significant increase in health issues in children. Mr. Raymond stated they are researching this crisis and forming relationships with agencies to address the related issues.

Councilmember Henjum asked what questions City Council should be asking. Mr. Raymond stated they need to ask how to improve prevention, how they can provide care earlier, and how to address the high-cost drug issues. Lonnie Cramer - President/CEO for UCHHealth South Colorado Region, spoke about the high cost associated in legislation changes/requirements.

Councilmember Donelson asked if Children's Hospital Colorado provides transgender surgeries/hormone replacement to patients. Mr. Raymond stated since 2023, Children's Hospital Colorado does not provide any gender affirming surgical care.

Councilmember Donelson asked if they provide hormone reversal therapy. Mr. Raymond stated they have a clinic which provides medical and behavioral health services to gender-diverse patients.

Councilmember Donelson asked what is the age range of gender diverse patients that they provide services for. Mr. Raymond stated they will provide that information.

7. Staff and Appointee Reports

7.A. [25-593](#) Informational Presentation on the Housing Needs Assessment

Presenter:

Aimee Cox, Chief Housing and Homelessness Response Officer

Katie Sunderlin, Housing Solutions Manager

James McMurray, Matrix Design Group

Dr. Tatiana Bailey, Data-Driven Economic Strategies

[Final COS-EPC Regional HNA 2025](#)

Aimee Cox, Chief Housing and Homelessness Response Officer, provided an overview of the City of Colorado Springs and El Paso County Regional Housing Needs Assessment, project team, key messages, project background, purpose, and methodology.

Tatiana Bailey, Founder, Data-Drive Economic Strategies, went over the population growth/projections and underbuilding.

Councilmember Donelson asked if the slowing of the rate of population growth was expected. Ms. Bailey stated the decrease in the rate of population growth is an issue throughout the nation.

Councilmember Donelson asked if Colorado has a negative population growth rate. Ms. Bailey stated the population growth rate has decreased, but Colorado has never had a negative growth rate.

James McMurray, Project Manager, Matrix Design Group, identified the population trends, demographics, household income, and key takeaways, housing inventory, housing prices, rental market, owner-occupied market, current/future housing demand, senior/military housing, and housing cost burden.

Councilmember Donelson asked if the forty percent increase in the City's median home value is typical compared to the national average. Mr. McMurray stated he believes it is comparable to similar cities.

Councilmember Donelson asked what is considered house burden. Mr. McMurray stated it when the cost of the house is more than thirty percent of the household's income.

Ms. Bailey provided an overview of homelessness and supportive housing.

Councilmember Henjum asked why the Point in Time Count is used if it is not an accurate number of people experiencing homelessness. Ms. Coxed stated it is because the Housing and Urban Development (HUD) office uses that data and it is what is reported to congress.

Councilmember Leinweber requested more information regarding the participation and restrictions of the Point in Time count. Ms. Cox stated the Homeless Management Information System (HMIS) is the region's system for collecting data for HUD funded programs but is also used by non-HUD funded agencies for the purpose of defining the problem so they can solve it.

Councilmember Donelson asked if adult children who are residing in their parent's house would be considered homeless. Ms. Bailey stated those individuals were not included in the data but if a person was evicted and had no future plan for housing, they were categorized as sheltered homeless.

Katie Sunderlin, Housing Solutions Manager, went over the dashboard, policy/program recommendations, and Housing Action Plan.

Councilmember Bailey requested an assessment from the City regarding what they're actually doing to solve the housing problem. Ms. Sunderlin stated that is the intent of the Action Plan.

Councilmember Leinweber stated the public sentiment appears to be "No growth" so how do they communicate the benefit of growth. Ms. Sunderlin stated public education will be part of the Housing Action Plan. Ms. Bailey stated because they "Not in my backyard" sentiment is strong in many areas; they need to provide GIS mapping to show where they need to provide housing and raise awareness to the community as to why growth is essential for the wellbeing of the City.

Councilmember Leinweber requested they integrate PlanCOS and AnnexCOS into the Housing Action Plan.
