PROJECT NOTES:

Flying W Ranch Temporary Use Permit Renewal

1. Temporary use for the office expires February 28, 2021
2. Any use of the office structure after this date will require the submittal and approval of a permanent use type of application (variance or rezone as current examples) to the City Land Use Review Division. Per City Code Section 7.5.1403, TEMPORARY USE PERMIT REVIEW CRITERIA, only one extension of a long-term facility shall be granted.
3. Core staff operational hours are 7am – 5pm. Management during evening hours may utilize the office but traffic to the office will be limited after 5pm.
4. In periods of dry weather and/or when dusty conditions arise, the access road from the main gate to the ranch off Chuckwagon Road to the office shall be maintained by watering or other means in order to limit fugitive dust.
5. No heavy equipment or truck storage within the temporary parking area as designated on the plan.
6. ADA parking spaces are illustrated on the plan and ADA compliance is the responsibility of the property owner.
7. Limit to one large all-staff meeting per quarter
8. X on the plan marks existing trees that are required for screening and buffering. If any of the trees should die, they are required to be replaced.
9. The office includes one conference room space. The use of the conference space should be limited to smaller groups with large all-staff meetings limited to one meeting per quarter.
