Ryan Tefertiller, Urban Planning Manager, Planning and Community Development Department presented the second reading of Ordinance No. 22-08 amending the zoning map of the City relating to 1.57-acres located on the block bound by East Dale Street, North Weber Street, East Cache la Poudre Street, and North Nevada Avenue from the C5 (Intermediate Business) and R4 (Multi-Family Residential) to SU/cr (Special Use with conditions of record) zone as amended to include the two City Council requested Conditions of Record.

Councilmember Williams asked if the Condition of Record which states "Development shall substantially comply with the "Design Guidelines for the

North Weber/Wahsatch Historic District” produced by the City of Colorado Springs, published in 1990” locks in the design guidelines for that particular document or if City Council can update the design guidelines if needed. Ben Bolinger, Assistant City Attorney, City Attorney’s Office, stated he does not believe City Council would be prohibited from amending those design guidelines as needed.

Chris Lieber, NES, representing the applicant, stated they understand zoning codes and things change over time and they take no exception to that.

Motion by Councilmember Williams, seconded by Councilmember Fortune, that the Ordinance amending the zoning map of the City of Colorado Springs relating to 1.57-acres located on the block bound by East Dale Street, North Weber Street, East Cache la Poudre Street, and North Nevada Avenue from the C5 (Intermediate Business) and R4 (Multi-Family Residential) to SU/cr (Special Use with conditions of record) zone, based upon the finding that the application complies with the review criteria in City Code Section 7.5.603.B and the criteria for conditions of record as set forth in City Code Section 7.3.507.A, with the following two Conditions of Record, applicable only to those properties east of the alley which include 802, 810, 812, 816, 818, 820, and 822 North Weber Street, and 222 and 228 East Dale Street: 1. Development shall substantially comply with the “Design Guidelines for the North Weber/Wahsatch Historic District” produced by the City of Colorado Springs, published in 1990; and 2. Future development shall not exceed a maximum building height of forty feet (40’) be finally passed. The motion passed by a vote of 7-1-1-0

Mitch Hammes, Neighborhood Services Manager, requested to withdraw an appeal of the Planning Commission's decision to uphold the Notice and Order to Abate for violation of a carport in the 25-foot front yard setback located at 930 Nolte Drive W. because City Code has subsequently changed therefore the City is not pursuing enforcement action under the old code rendering this appeal moot. He stated they have attempted to contact Mr. Gallagher, the appellant, on numerous occasions with no response.

President Strand asked if the new Ordinance would affect Mr. Gallagher negatively. Mr. Hammes stated it would affect him significantly due to issues with the current carport. Ben Bolinger, Senior Attorney, City Attorney's Office, explained they are withdrawing the Notice and Order to Abate because it is no longer valid under the old standards.

Councilmember Henjum asked if the appellant would have to pay the appeal fee again if they choose to appeal under the new Ordinance. Peter Wysocki, Director of Planning and Community Development, stated they are recommending a restart for those individuals with old carports where they need to apply for the front yard carport permit, and they can work with the appellants regarding the appeal fee.

Motion by Councilmember Murray, seconded by Councilmember Donelson, to withdraw an appeal of the Planning Commission's decision to uphold the Notice and Order to Abate for violation of a carport in the 25-foot front yard setback located at 930 Nolte Drive W. Daniel Sexton, Planning Supervisor, Planning and Community Development, presented the Ordinance amending the zoning map relating to 18.272 acres located between Space Center Drive and North Powers Boulevard from PUD/AO (Planned Unit Development: Office and Commercial, maximum building height of 98-feet, and maximum gross floor area of 297,000 square feet with Airport Overlay) to PUD/AO (Planned Unit Development: Multi-Family Residential, Industrial and Commercial, maximum building height 65-feet, 25-35 dwelling units per acre, and 90,000 square feet of industrial/commercial space with Airport Overlay) and the Major Amendment to a Planned Unit Development Concept Plan for the Patriot Park Commercial project located between Space Center Drive and North Powers Boulevard. He provided an overview of the project applications, context map, site details, public notification/involvement, current zoning, PUD zone change, PUD concept plan, public comments, PlanCOS conformance, and staff recommendations.

Councilmember Donelson requested additional information regarding the letter from Holland and Hart and their concerns regarding changing the zoning. Mr. Sexton stated this site has been vacant for quite a few years

and there has already been development of multi-family and single-family units to the west of Space Center Drive.

Andrea Barlow, NES, representing the applicant, provided an overview of the proposed zone change and Concept Plan amendment for Patriot Park Commercial project, location, previous City approvals, surrounding land uses, surrounding zoning, and buffering. She went over the aspects of access, traffic impact, conceptual site layout, compatibility with PlanCOS, and the conceptual multi-family site layout.

President Strand asked if Bob Cope, Economic Development Manager, supported this project. Jeff Greene, Chief of Staff, stated Mr. Cope supports this project and does not have any concerns. Ms. Barlow read a letter submitted by Mr. Cope.

President Strand asked if the letter from Citizen Ingrid Richter had been addressed. Ms. Barlow stated she had reached out to Ms. Richter but has not received a response.

Motion by Councilmember Henjum, seconded by Councilmember Donelson, that the Ordinance changing the zoning of 18.272 acres associated with the Patriot Park Commercial project from PUD/AO (Planned Unit Development for Office and Commercial land uses, a maximum building height of 98-feet, and maximum gross floor area of 297,000 square feet; with Airport Overlay) to PUD/AO (Planned Unit Development for Multi-Family Residential, Industrial, and Commercial land uses, maximum building height of 65-feet, and residential density of 25-35 du/ac and 90,000 square feet of industrial/commercial space; with Airport Overlay), based upon the findings the request meets the review criteria for establishing a PUD zone, as set forth in City Code Section 7.3.603, and the review criteria for a zone change, as set forth in City Code Section 7.5.603 be approved on first reading.
