

REQUEST FOR POSTPONEMENT
before the Planning Commission
on June 14, 2023

The undersigned are requesting a postponement of the "Appeal of an Administrative Decision" hearing scheduled for June 14th, 2023 concerning DEPN-23-0001. They are requesting that it be moved to the Planning Commission meeting scheduled for July. The reasons these appellants are requesting this postponement are as follows:

- Scott Hiller (appellant) will be out of town on June 14th and unable to attend. He is a subject matter expert in geohazards and there are geologic concerns with the land in question that he would be unable to speak about. See attached photograph.
- This is a very complicated case that involves several versions of City Code, Master Plans, and other research. As the appellants are starting at a disadvantage, a postponement would allow adequate time for preparation.

Thank you for your consideration in moving this hearing to the July meeting of the Planning Commission.
