To: Fire Marshal Kris Cooper, Colorado Springs Fire
Subject: Approval of Local Map

The Colorado Wildfire Resiliency Code Board has voted to **approve the locally developed map for the City of Colorado Springs**. We appreciate the time you took to attend the evaluation on March 06, 2026.

The local map for the City of Colorado Springs application of the Wildfire Resiliency Code has been approved.

A formal record of this decision is maintained with the Wildfire Resiliency Code Board. This approval is final, and the City of Colorado Springs is authorized to utilize the map for code application for a period not to exceed three years, in accordance with Section 4.3.3 of Rule 8 CCR 1507-39 as adopted by the Wildfire Resiliency Code Board.

Sincerely,
The Colorado Wildfire Resiliency Code Board
