Confidential Victim Advocates

Confidentiality protected under Colorado State Statute

Mandatory reporters of instances of child abuse and neglect

Clinical staff must report credible suicidal or homicidal threats

We are the only completely confidential victim advocates in El Paso and Teller Counties

- **Crisis Intervention:** Provide immediate support to victims of domestic violence, sexual assault, stalking, and human trafficking through TESSA's 24/7 Safeline and in-person meetings.
- **Safety Planning:** Assist clients in creating personalized safety plans to protect themselves and their families from future harm.
- **Resource Referrals:** Connect victims with essential community resources such as housing, medical care, and mental health services to support their long-term recovery.
- **Emotional Support:** Offer trauma-informed emotional support to help survivors cope with the psychological and emotional effects of abuse.
- **Case Management:** Provide ongoing case management, ensuring clients have access to the services and support they need as they work toward self-sufficiency.

IMPACT SNAPSHOT

- **17,000** individuals served
- **10,895** crisis calls answered
- **6,999** nights of shelter provided
- **981** clients received mental health services (individual and group therapy)
- **833** legal cases (temporary protection orders, permanent protection orders, and family law cases)
- **383** children supported
- **107** families placed in stable housing
- **10,000** students participated in prevention education
