

Section 2 - The Standards

2.6.2 Parking Exemption

- 2.6.2.1 The standards described above in section 2.6. do not apply within the Central Sector. While no parking is specifically required within the Central Sector, new projects are encouraged to supply adequate parking for their anticipated demand.
- 2.6.2.2 The City's existing Parking Exempt area described in Section 7.4.206.A of the City Code is applicable within the new Form-Based Code zoning district. The area in question includes some areas of Corridor and Transition 1 Sectors.
- 2.6.2.3. An additional area of parking exemption is granted for the FBZ properties between Boulder Street and Bijou Street.
