1:00 PM

Council Chambers

---

### 1. Call to Order

**Present:** 9 - President Pro Tem Merv Bennett, Councilmember Helen Collins, Councilmember Jill Gaebler, President Keith King, Councilmember Don Knight, Councilmember Jan Martin, Councilmember Joel Miller, Councilmember Andy Pico, and Councilmember Val Snider

### 2. Invocation and Pledge of Allegiance

Invocation was led by Micaela Heery, City Council Intern.  
The Pledge of Allegiance was led by President King.

### 3. Changes to Agenda/Postponements

The appellant and applicant for agenda and Items 13 A. and B. Creekside at Rockrimmon would like to discuss potential postponement of this agenda item after item 5. Consensus of council approved this change to the agenda.

### 4. Councilmember Comments

Councilmember Miller gave a recap of some of the changes in the Office of Economic Development and International Trade's latest draft of the RTA Resolution. Of those is the fact that the AFA visitors Center is no longer a required project and the failure to complete it would not result in a reduction of potential state funds. Also the stadium component funding covered by the state would be base lined at 8.8%. The rest would be provided by local public funds.

Councilmember Miller also brought up the recent unsolicited offer from Xcel Energy to enter into a non-disclosure agreement with CSU Board and Staff to discuss the sale of the electric utility and expressed his disagreement with the idea of going behind closed doors to discuss the sale of the public's resource.

### 5. Consent Calendar

These items will be acted upon as a whole, unless a specific item is called for discussion by a Councilmember or a citizen wishing to address the City Council. (Any items called up for separate consideration shall be acted upon following the Mayor's Business.)

**Approval of the Consent Agenda**

**Motion by President Pro Tem Bennett, Seconded by Councilmember Gaebler that all matter on the Consent Calendar with the exception of 5.B.A. be passed, adopted, and approved by a unanimous consent of the members present. The motion passed by a vote of 9-0-0.**

Councilmember Knight recused himself from Items 13.A. and 13.B.

Andrea Barlow, Planner with NES, representing the Applicant, stated that they are requesting a postponement of Item 13.A. and 13.B. to the Regular Council meeting August 12, 2014.

Edmond "Buddy" Van Doren, Vice President of the Golden Hills Rockrimmon HOA, representing the Appellant, stated that he is ready to proceed either today or at the Regular Council meeting July 22, 2014.

Ms. Barlow stated that they are not available on July 22, 2014.

President King decided to proceed with agenda items 13.A. and 13.B. as scheduled.

## 6. Recognitions

## 7. Citizen Discussion

Citizen John Kilbury Thanked Council for clearing the homeless people out of Acacia Park, expressed concerns about the watering of flowers in city parks, requested removal of planters on Tejon Street, questioned why the skateboard park in Memorial Park is located next to the street and expressed concerns about police officers not ticketing cars parked at expired parking meters.

Carl Stowe made statements about governmental power ploys. He is requesting closure of the Manitou Incline and reallocation of the funds to improve the trail to another project. Mr. Stowe also stated the Olympic Museum foundation is looking for a new site.

Jon Martinez voiced concerns about the effects of the Drake Power plant on the air quality in Colorado Springs.

Douglas Bruce commented on Mayor Bach's response to comments made by Councilmember Collins about alternative solutions for the homeless in Colorado Springs.

Lawrence Martinez expressed continued concerns about smoking at the city bus station. He also stated that Veterans in this City are well taken care of and the City needs to ask the veterans to help themselves.

Eric Verlo brought forth concerns about the Drake Power Plant including physical and moral costs of operating the plant.

Kit Roupe requested that Council and citizens please remember there are newer technologies in the Drake Power Plant and to consider both the known and the speculated information surrounding the plant.

Marsha Rice stated that she knows homeless people are being recruited to perform clean-up in the Drake Power Plant and she is concerned about the homeless being used to perform this dangerous work. Councilmember Pico requested Jerry Forte Jr., Chief Executive Officer for Colorado Springs Utilities,

respond to this accusation. Mr. Forte responded that the contractors hired to do the clean-up in the plant are highly trained to perform this kind of work.

## 8. Mayor's Business

Steve Cox, Chief of Staff, outlined upcoming events including the graduation of 19 firefighters, the groundbreaking of Sandcreek Soccer Stadium, and a ceremony at the Olympic Training Center.

## 9. Items Called Off Consent Calendar

Councilmember Knight called item 5.B.A off the consent called and requested he be added as a Councilmember in favor of approving item 12.E. in the meeting minutes from the June 24, 2014 meeting.

**5B.A.** [14-0384](#) City Council Regular Meeting Minutes June 24, 2014

**Motion by Councilmember Knight, seconded by President Pro Tem Bennett, that the Minutes be approved as amended. The motion passed by a vote of 9-0-0.**

Councilmember Collins pointed out that there has never been a fee associated with the license in item 11.A.

Councilmember Gaebler stated she spoke to Councilmember Collins about reaching a compromise on these four ordinances. Her suggestion was to have them expire at the end of 2014 and to include the cost of licensing in the 2015 budget. She requested Councilmember Collins amend her motion to include this suggested amendment to the ordinances.

Councilmember Martin added that she also spoke to Councilmember Collins seeking a compromise. She requested Councilmember Collins agree to postpone these ordinances until September when Sarah Johnson, City Clerk, is finished reviewing the business licensing process.

Councilmember Collins reiterated the amount of time and effort she has contributed to these ordinances and she will continue with her motion to approve the ordinances at this time.

Councilmembers Miller, Knight, and King stated they will support these ordinances.

A resolution abandoning, partially abandoning and transferring \$2,000,000 in funds from various General Fund accounts/projects and Capital Improvement Fund projects to the Information Technology operating department for remediation

Steve Cox, Chief of Staff, requested approval of this resolution to fund IT projects and explained that his department has done research and is prepared to present additional information today. Rich Valentine, Interim CIO, presented an updated plan to solve the server storage problems faced by the City IT department. Mr. Valentine explained that the plan is progressive and will carry the IT department into the future.

Councilmember Snider requested a breakdown of IT spending; this was provided in a handout. Mr. Cox went on to explain the expenditures in more detail.

Councilmember Martin questioned the use of contractors in the IT Department. Mr. Cox confirmed the IT Department has used local contractors as needed to keep the system running. Councilmember Martin also requested periodic updates on the project and third party monitoring to assure Council that expectations are being met. She also suggested a tiered approach to funding.

Councilmember Miller acknowledged recent communication between Council and Mr. Cox regarding concerns about the security of the City's IT network. He agrees with the concerns expressed by Councilmember Martin.

Councilmember Pico has reservations about moving money out of the public works budget. He would like to amend the motion to initially provided \$1.1 million and monitor progress. Mr. Valentine responded that this would slow down the process.

Councilmember Knight expressed agreement with having a third part expert evaluate the progress, he agrees with incrementally funding the project.

Councilmember Miller asked if the City is currently at risk for a security breach. Mr. Cox responded that no security risk has been identified at this time.

Mr. Cox assured Council that they will be kept updated about the progress of the project and that third party monitoring will occur. The goal is to have a safe and secure network.
