7.6.301: DEFINITIONS:

* * *

~~ANIMAL CARE FACILITY: A facility maintained by or for the use of a licensed veterinarian in the diagnosis, treatment, and prevention of animal diseases, including veterinary services, or in which boarding, breeding, grooming, training, and daytime or overnight care of more than four (4) domesticated animals is permitted. This use also includes public facilities for the temporary impoundment of animals found abandoned or removed from other locations due to improper care and may include an animal crematorium as an accessory use.~~

* * *

ANIMAL SHELTERS: Buildings or structures where animals may be boarded, impounded, cared for, or sold, which may include onsite outdoor exercise spaces or facilities for disposing of lost, stray, unwanted, dead, or injured animals.

* * *

KENNELS: Buildings or structures where at least a total of five (5) dogs, cats, or other small animals are kept and maintained with or without charge on behalf of other persons. The primary uses associated with this category are animal daycare facilities and boarding. Other uses include ancillary veterinary services, retail sales, grooming, training, breeding, and care services for dogs, cats, and other small animals on the premises.

INDOOR ONLY: Services are completely contained within a building.

INDOOR AND OUTDOOR: Provided services include both indoor facilities and outdoor facilities, such as runs or enclosures, including areas completely enclosed by fences.

* * *

PET SERVICES: This category includes pet specific services and sales that do not include veterinary services. The primary uses associated with this category are sales and grooming of animals, incidental pet health services, and training of small animals used as household pets. This use excludes animal shelters, veterinary services, and kennels.

* * *

~~SMALL ANIMAL CLINIC: A facility maintained by or for the use of a licensed veterinarian in the diagnosis, treatment, and prevention of animal diseases in which the animals are limited to dogs, cats, and other comparable household pets and in which the overnight care of such animals is permitted when necessary for medical treatment. The facility may include a crematorium for small animals as an accessory use.~~

* * *

VETERINARY SERVICES: An establishment for the medical treatment and care of animals by a licensed professional where overnight boarding of animals is allowed if directly related to a veterinary procedure. The two (2) types of veterinary services are:

SMALL ANIMAL: For dogs, cats, and other small animals, where the veterinary services must be in completely enclosed buildings; and

LARGE ANIMAL: For livestock and other large animals, where veterinary services may be conducted outside in the A zone district with an approved conditional use.
