Hello Rachael,

I am writing to express my extreme displeasure and concern for the above proposed plan. The unsightly views of the living hope church for many different vantage points in Colorado Springs is unsightly enough as it is, and now there is to be a 40 foot belltower with an "equipment compound"? In my humble opinion I vehemently oppose this plan.

Sincerely,  
sigrid meadows

I am opposed to t mobile tower at 640 manitou blvd for following reasons tower blocks view to south of my home, possible excess rf, possible interference with home electronics, devalues neighborhood, should not be built in residential area . Should be built in inconspicuous area away from view
