# The Warrior Games Mission

Warrior Games was established to enhance the recovery and rehabilitation of wounded warriors and to expose them to adaptive sports.

Teams include active-duty service members and veterans with upper-body, lower-body, and spinal cord injuries; traumatic brain injuries; visual impairment; serious illnesses; and post-traumatic stress.

It is an opportunity for athletes to showcase their enduring warrior spirit in the presence of their families and a grateful nation.

# What Are the Warrior Games?

Since its inception in Colorado Springs in 2010, the DoD Warrior Games changes lives!

- Paralympic-style competition among wounded warriors from the Army, Marine Corps, Navy, Air Force and U.S. Special Operations Command
- Enhance an individuals' recovery and rehabilitation by introducing them to adaptive sports
- 300 athletes

**Free and open to the public!**
