Hi Gaby—

Thanks for sending the info. I looked at the plans at the link and think that house would be perfect for the spot as there are many of that type in the neighborhood. At this point, anything would be an improvement as the lot is overgrown with weeds and trash trees and has been neglected for a number of years. As a ONE resident I fully support this project.

Hello Ms. Lafitte,

To review the submitted plans, please go here:

https://web1.coloradosprings.gov/plan/ldrs_ext/rpt/index.htm and type in the file number AR R 20-00516-HPB in the file number blank. Please ensure there are no spaces before or after the file number.

Please let me know your comments.

Thanks,

Gaby Serrano
